A. Definitions and Exhibits

1. Definitions

Unless otherwise defined herein, capitalized terms used in this Disclosure Statement shall have the meanings ascribed to such terms in the Plan.

2. Exhibits

B. Notice to Creditors

The purpose of this Disclosure Statement is to set forth information that (1) summarizes the Plan and alternatives to the Plan, (2) advises holders of Claims and Interests of their rights under the Plan, (3) assists parties entitled to vote on the Plan in making informed decisions as to whether they should vote to accept or reject the Plan, and (4) assists the Bankruptcy Court in determining

whether the Plan complies with the provisions of chapter 11 of the Bankruptcy Code and should be confirmed.

By Order dated December 1, 2017 (the “**Disclosure Statement Approval Order**”), the Bankruptcy Court approved this Disclosure Statement, finding that it contains “adequate information,” as that term is used in section 1125(a)(1) of the Bankruptcy Code. The Bankruptcy Court’s approval of this Disclosure Statement is not an endorsement of the Plan.

IT IS THE DEBTORS’ OPINION THAT CONFIRMATION AND IMPLEMENTATION OF THE PLAN IS IN THE BEST INTERESTS OF THE DEBTORS’ ESTATES, CREDITORS, AND EQUITY INTEREST HOLDERS. THEREFORE, THE DEBTORS RECOMMEND THAT CREDITORS VOTE TO ACCEPT THE PLAN.

BALLOTS FOR VOTING TO ACCEPT OR REJECT THE PLAN MUST BE RECEIVED BY JANUARY 4, 2018 AT 4:00 P.M. (EASTERN TIME) (THE “VOTING DEADLINE”).

IF A HOLDER OF AN ALLOWED UNSECURED NOTES CLAIM THAT IS AN ELIGIBLE OFFEREE DOES NOT ELECT TO PARTICIPATE IN THE RIGHTS OFFERING, SUCH HOLDER SHALL NOT RECEIVE ANY DISTRIBUTION UNDER THE PLAN.

IF A HOLDER OF AN ALLOWED UNSECURED NOTES CLAIM THAT IS NOT AN ELIGIBLE OFFEREE DOES NOT COMPLY WITH THE REQUIREMENTS SET FORTH IN THE RIGHTS OFFERING PROCEDURES, INCLUDING PROVIDING THE REQUISITE CERTIFICATIONS SET FORTH IN THE RIGHTS OFFERING PROCEDURES, SUCH HOLDER OF AN ALLOWED UNSECURED NOTES CLAIM SHALL BE DEEMED TO HAVE FOREVER AND IRREVOCABLY RELINQUISHED AND WAIVED THE RIGHT TO RECEIVE A DISTRIBUTION UNDER THE PLAN.

THE RECORD DATE FOR DETERMINING WHICH HOLDERS OF CLAIMS MAY VOTE ON THE PLAN IS NOVEMBER 29, 2017 (THE “RECORD DATE”). BECAUSE HOLDERS OF EQUITY INTERESTS IN BBEP WILL NOT RECEIVE ANY DISTRIBUTION OR CONSIDERATION UNDER THE PLAN AND THEIR EQUITY INTERESTS WILL BE CANCELED, THEY ARE DEEMED TO REJECT THE PLAN AND, ACCORDINGLY, WILL NOT VOTE ON THE PLAN.

A HEARING TO CONSIDER CONFIRMATION OF THE PLAN (THE “CONFIRMATION HEARING”) WILL BE HELD BEFORE THE HONORABLE STUART M. BERNSTEIN, UNITED STATES BANKRUPTCY JUDGE, IN ROOM 723 OF THE UNITED STATES BANKRUPTCY COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, ONE BOWLING GREEN, NEW YORK, NEW YORK 10004, ON JANUARY 11, 2018 AT 10:00 A.M. (EASTERN TIME), OR AS SOON THEREAFTER AS COUNSEL MAY BE HEARD. THE BANKRUPTCY COURT HAS DIRECTED THAT ANY OBJECTIONS TO CONFIRMATION OF THE PLAN BE SERVED AND FILED ON OR BEFORE JANUARY 4, 2018 AT 4:00 P.M. (EASTERN TIME).

PLEASE READ THIS DISCLOSURE STATEMENT, INCLUDING THE PLAN, IN ITS ENTIRETY. A COPY OF THE PLAN IS ANNEXED HERETO AS EXHIBIT A. THE

DISCLOSURE STATEMENT SUMMARIZES THE TERMS OF THE PLAN, BUT SUCH SUMMARY IS QUALIFIED IN ITS ENTIRETY BY THE ACTUAL TERMS AND PROVISIONS OF THE PLAN. ACCORDINGLY, IF THERE ARE ANY INCONSISTENCIES BETWEEN THE PLAN AND THIS DISCLOSURE STATEMENT, THE TERMS OF THE PLAN SHALL CONTROL.

IN ADDITION, SUCH SECTION 1145 EXEMPT SECURITIES GENERALLY MAY BE RESOLD WITHOUT REGISTRATION UNDER STATE SECURITIES LAWS PURSUANT TO VARIOUS EXEMPTIONS PROVIDED BY THE RESPECTIVE LAWS OF THE SEVERAL STATES.

THE AVAILABILITY OF THE EXEMPTION UNDER SECTION 1145 OF THE BANKRUPTCY CODE OR ANY OTHER APPLICABLE SECURITIES LAWS WILL NOT BE A CONDITION TO THE OCCURRENCE OF THE EFFECTIVE DATE.

THE RIGHTS OFFERING AND THE ISSUANCE AND SALE OF THE NEW PERMIAN CORP. C. Background and Overview of the Plan²

The Plan encompasses a comprehensive restructuring of the Debtors, that is the product of the Debtors' arms-length negotiations and an agreement with (1) holders of claims under the *Third Amended and Restated Credit Agreement* dated November 19, 2014 (the lenders thereunder, the "**Revolving Credit Facility Lenders**"), (2) certain holders of the Debtors' 9.25% Senior Secured Second Lien Notes due 2020 (the "**Second Lien Group**"),³ (3) certain holders of the Debtors' 7.875% Senior Notes due 2022 and 8.625% Senior Notes due 2020 (the "**Unsecured Senior Notes Group**"),⁴ and (4) the Official Committee of Unsecured Creditors (the "**Creditors' Committee**").

The Plan is premised on the division of the Debtors' existing businesses and assets into two separate entities upon the occurrence of the Effective Date under the Plan: (1) a newly-formed limited liability company ("**LegacyCo**") that will own all of the Debtors' assets other than certain assets related to the Permian Basin (such assets, the "**Permian Assets**", that are set forth in Exhibit II of the Plan); and (2) a newly-formed corporation ("**New Permian Corp.**") that will acquire all of the equity of a newly-formed limited liability company ("**New Permian LLC**") that will own the Permian Assets. New Permian Corp. will also own 7.5% of the equity of LegacyCo.

The Plan provides for the following treatment of claims and equity interests:

- Revolving Credit Facility Lenders, holding claims in the aggregate amount of approximately \$747,316,435.62 with respect to principal and two interest rate derivative obligations plus such amounts as may be owing for any other outstanding "Obligations" (as such term is defined in the Revolving Credit Agreement) (collectively, the "**Allowed Revolving Credit Facility Claims**"), will receive (a) Cash in an amount equal to such holder's pro rata share of the Allowed Revolving Credit Facility Claims minus \$400 million (*i.e.*, the original principal amount of an amended and restated term loan facility to be entered into on the Effective Date, the "**Exit Facility**") and (b) such holder's Pro Rata share of the Exit Facility. Each Revolving Credit Facility Lender will also have the right to convert all of its portion of the Exit Facility on a dollar-for-dollar basis to an equal amount of a revolving credit facility.

² **This overview is qualified in its entirety by reference to the Plan.** The treatment of Claims and Interests under the Plan is not intended to, and will not, waive, compromise or limit any rights, claims or causes of action if the Plan is not confirmed. You should read the Plan in its entirety before voting to accept or reject the Plan.

³ The constitution of the Second Lien Group is set forth in their verified statement pursuant to Bankruptcy Rule 2019 (ECF No. 914).

⁴ The constitution of the Unsecured Senior Notes Groups is set forth in their verified statement pursuant to Bankruptcy Rule 2019 (ECF No. 1452).

- Holders of the 9.25% Senior Secured Second Lien Notes due 2020 (the “**Second Lien Noteholders**”), with claims, solely for purposes of the Plan, in the aggregate amount of \$793.3 million plus accrued unpaid pre- and postpetition default interest on all obligations, costs, fees, indemnities, and all other obligations payable under the Secured Notes Indenture,⁵ will receive a pro rata share of 92.5% of new common units of LegacyCo (the “**LegacyCo Units**”), potentially subject to dilution.
- Holders of Unsecured Notes Claims (the “**Unsecured Noteholders**”) that are Eligible Offerees will receive the right to purchase their pro rata share of an aggregate of 60% of the common shares issued by New Permian Corp. (the “**New Permian Corp. Shares**”), subject to certain dilution, pursuant to a \$465 million rights offering (the “**Rights Offering**”). Unsecured Noteholders that are Eligible Offerees that do not elect to participate in the Rights Offering will receive no distribution under the Plan.

The Rights Offering will be backstopped by certain Unsecured Noteholders (the “**Backstop Parties**”) pursuant to the *Amended and Restated Backstop Commitment Agreement* annexed hereto as **Exhibit D** (as may be amended, restated, or modified, the “**Backstop Commitment Agreement**”). Pursuant to the Backstop Commitment Agreement, the Backstop Parties also have committed to exercise rights to purchase the remaining 40% of the New Permian Corp. Shares (the “**Minimum Allocation Rights**”), subject to certain dilution, for the aggregate amount of \$310 million.

Both (a) the Backstop Parties, and (b) all other Unsecured Noteholders that are Eligible Offerees as of November 27, 2017 (the “**Rights Offering Record Date**”) that irrevocably elect to participate in the Rights Offering by December 13, 2017, will receive on the Effective Date their pro rata share (based on the respective backstop commitment amounts (which includes the amounts committed in the Minimum Allocation Rights and the Rights Offering) of the Backstop Parties and the respective subscription amounts as to the rights exercised by Eligible Offerees by December 13, 2017) of 10% of the New Permian Corp. Shares, which will dilute the New Permian Corp. Shares issued pursuant to the Minimum Allocation Rights and the Rights Offering.

Unsecured Noteholders that are not Eligible Offerees will receive through a trust New Permian Corp. Shares having a value equal to 4.5% of their claims but have the option to elect to receive instead Cash in the amount of 4.5% of their claims; *provided that* the aggregate amount of the value of the New Permian Corp. Shares and Cash distributed to such Unsecured Noteholders will not exceed \$5,422,265. To the extent that the New Permian Corp. Shares and Cash that would otherwise be issued to such holders exceeds \$5,422,265, the distribution of such New Permian Corp. Shares and Cash each will be reduced ratably to eliminate such excess. Unsecured Noteholders that are not Eligible Offerees, and that fail to comply with the requirements of the Rights Offering Procedures, will receive no distribution under the Plan.

⁵ If the Plan is not confirmed or the Effective Date does not occur, this amount is not binding and is without prejudice to the rights of all parties as to the allowed amount of the Secured Notes Claims.

- Holders of Allowed General Unsecured Claims will receive their pro rata share of \$1.5 million in Cash. Holders of Allowed General Unsecured Claims exceeding \$1 million, however, will have the right to elect to receive instead New Permian Corp. Shares having a value equal to 4.5% of their claims; *provided that* the aggregate amount of the distribution to such holders will not exceed New Permian Corp. Shares having a value equal to \$817,240, and to the extent that the New Permian Corp. Shares that would otherwise be issued to such holders exceeds \$817,240, the distribution of such shares will be reduced ratably to eliminate such excess.
- The holders of Allowed Ongoing Trade Claims of LegacyCo and Allowed Ongoing Trade Claims of New Permian Corp. will be paid in Cash in full.
- All Royalty and Working Interests will be preserved and remain in full force and effect in accordance with the terms of their underlying documents, and no Royalty and Working Interests will be compromised, or obligations with respect thereto discharged, by the Plan.
- BBEP's common and preferred unitholders will receive no distribution or consideration under the Plan on account of their equity interests, and all such units will be canceled on the Effective Date. *The Plan, however, based on certain assumptions, structures the Debtors' reorganization so as to attempt to mitigate any cancellation of debt ("COD") and other income risk for the Debtors' unitholders. However, that risk still remains. See Section VII of this Disclosure Statement for a discussion of tax consequences.*

Accordingly, upon consummation and implementation of the Plan, 92.5% of the equity of LegacyCo will be distributed to the Second Lien Noteholders. Simultaneously, New Permian Corp. will acquire the equity of New Permian LLC (which will hold the Permian Assets), and New Permian Corp. also will acquire the remaining 7.5% of the equity of LegacyCo. In turn, New Permian Corp. will be owned 40% by the Backstop Parties that exercised the Minimum Allocation Rights, and the remainder by the Unsecured Noteholders that participate in the Rights Offering and holders of Allowed General Unsecured Claims that elect to receive New Permian Corp. Shares in accordance with the Plan.

D. Restructuring Support Agreement and Backstop Commitment Agreement

1. Restructuring Support Agreement

In connection with negotiation of the Plan, the Debtors, certain Second Lien Noteholders holding substantially all of the principal amount of the Secured Notes (the "**Consenting Second Lien Creditors**"), and certain Unsecured Noteholders holding approximately 68% in principal amount of the Unsecured Notes (the "**Consenting Senior Unsecured Creditors**" and together with the Consenting Second Lien Creditors, the "**Consenting Creditors**") entered into the *Amended and Restated Restructuring Support Agreement* dated as of October 11, 2017 and amended on November 28, 2017 (as may be further amended, restated, or modified, the "**Restructuring Support Agreement**"), a copy of which is annexed hereto as **Exhibit E**. The Restructuring Support Agreement provides that the Consenting Creditors will support the Plan and the restructuring transactions contemplated thereby, subject to the terms and provisions of the

Restructuring Support Agreement. In addition, in the Restructuring Support Agreement, the Debtors have agreed to move forward expeditiously with confirmation and consummation of the Plan, and to be subject to certain milestones which, if not achieved, enable the Consenting Creditors to terminate the Restructuring Support Agreement. The relevant milestones to be achieved include: (a) entry of the Confirmation Order by no later than January 30, 2018 and (b) the occurrence of the Effective Date under the Plan by no later than the 25th day after entry of the Confirmation Order.

2. Backstop Commitment Agreement

Contemporaneously with the execution of the Restructuring Support Agreement, the Debtors, the Consenting Second Lien Creditors, and the Backstop Parties (that are comprised of the Consenting Senior Unsecured Creditors) entered into the Backstop Commitment Agreement.

On December 1, 2017, the Bankruptcy Court entered an Order authorizing and approving the Backstop Commitment Agreement (ECF No. 1886), a copy of which is annexed hereto as **Exhibit D**. The Backstop Commitment Agreement generally provides as follows:

- The Backstop Parties commit to (a) exercise rights to purchase 40% of the New Permian Corp. Shares to be issued pursuant to the Plan, and (b) backstop the purchase of the remaining 60% of the New Permian Corp. Shares to be issued pursuant to the Plan and the Rights Offering.
- In consideration of the foregoing, the Backstop Parties will receive a share of the Put Option Premium of 10% of the aggregate number of New Permian Corp. Shares issued on the Effective Date, which will be subject to dilution by New Permian Corp. Shares issued pursuant to Section 4.5(c) and 4.6 of the Plan.
- The Backstop Parties will be entitled to have all of their reasonable fees and expenses paid by the Debtors, including the reasonable fees and expenses of their attorneys and advisors.
- The Backstop Parties will be entitled to a break-up premium equal to \$38.75 million payable in cash under certain circumstances if the Backstop Commitment Agreement is terminated. Payment of such break-up premium will only be made after all claims held by the Second Lien Noteholders are paid in full in cash.

The Backstop Parties have the right to terminate the Backstop Commitment Agreement under certain circumstances, including if the Debtors breach the covenants contained therein or fail to meet certain milestones toward confirmation and consummation of the Plan, and including if the Debtors terminate based on the pursuit of an alternative transaction consistent with the exercise of their fiduciary duties.

Shares having a value, based on the Permian Stock Value, equal to 4.5% of its Allowed Unsecured Notes Claim (a "Receiving AUNC Holder"). Notwithstanding the foregoing, any Receiving AUNC Holder shall have the option to elect on the Ballot to receive instead Cash in the amount of 4.5% of its Allowed Unsecured Notes Claim with respect to any Senior Unsecured Notes held by it that have been held only by an Entity that is not an Eligible Offeree during the period from and after the Rights Offering Record Date through the Effective Date; <i>provided, that</i>, the sum of (a) the aggregate value of New Permian Corp. Shares through the facilities of DTC shall have the right to elect on its Ballot to receive on the Initial Distribution Date and Final Distribution Date a distribution of New Permian Corp. II.

OVERVIEW OF THE DEBTORS’ OPERATIONS

A. The Debtors’ Corporate Structure

BBEP was formed in 2006 after its predecessor, Breitburn Energy Company, determined that a portion of the company would go public as a master limited partnership. BBEP successfully completed its initial public offering in October 2006, listing as “BBEP” on the NASDAQ exchange. On May 16, 2016, the Listing Qualifications Department of The Nasdaq Stock Market LLC notified BBEP of its determination to delist BBEP’s common units from the NASDAQ exchange. On June 10, 2016, NASDAQ filed a Form 25-NSE with the SEC to remove BBEP’s securities from listing and registration on NASDAQ.

The organizational structure of the Debtors as of the Petition Date is set forth below:

B. The Debtors' Business Operations

The Debtors are an independent oil and gas partnership engaged in the acquisition, exploitation and development in the United States of oil and natural gas properties, midstream assets,⁹ and a combination of ethane, propane, butane, and natural gasolines that when removed from natural gas become liquid under various levels of higher pressure and lower temperature (“NGL”). The Debtors conduct their operations through BBEP’s wholly-owned subsidiary, Breitburn Operating LP (BOLP), and BOLP’s general partner, Breitburn Operating GP LLC (BOGP).

The Debtors’ assets consist primarily of producing and non-producing oil, NGL, and natural gas reserves located in seven producing areas:

- 1) **Midwest (Michigan, Indiana, and Kentucky):** As of December 31, 2016, Midwest properties approximated 20% of the Debtors’ total estimated proved reserves. The Antrim Shale underlies the Midwest properties and tends to produce relatively predictable amounts of natural gas, with an average expected life of greater than 14 years. Growth opportunities for the Antrim Shale include infill drilling and recompletions, horizontal drilling, and bolt-on acquisitions. Non-Antrim Shale interests include the Prairie du Chien, Richfield, Detroit River Zone III and Niagaran pinnacle reefs.

⁹ The term “midstream assets” refers to transmission and gathering pipelines, gas processing plants, NGL recovery plants, a controlling interest in a salt water disposal company and the 120-mile Transpco Pipeline.

- 2) **Ark-La-Tex (Arkansas, Louisiana, and East Texas):** As of December 31, 2016, the Ark-La-Tex properties approximated 17% of the Debtors' total estimated proved reserves. The Ark-La-Tex area includes properties located in southern Arkansas, northern Louisiana and eastern Texas. These properties produce from formations including the Cotton Valley Sand, Haynesville Sand, Woodbine Sand and Smackover Carbonate.
- 3) **Permian Basin:** As of December 31, 2016, the Permian Basin properties approximated 22% of the Debtors' total estimated proved reserves. The Permian Basin properties are primarily located in the southern Midland Basin and Eastern Shelf in Texas and New Mexico.
- 4) **Other Operating Regions:** The following table summarizes the Debtors' other operating regions, which as of December 31, 2016 comprise the remaining 41% of the Debtors' total estimated proved reserves.

Operating Region	Description	Average Daily Production in 2016 (Boe/d)	Percentage of Total Estimated Proved Reserves
Mid-Continent	Properties located in western Oklahoma, southwestern Kansas and the Texas Panhandle. These properties produce from regionally significant geologic formations such as the Cottage Grove, Morrow, Atoka, Redfork and Lansing.	5,881	15%
Rockies	Properties in the Powder River Basin in eastern Wyoming and Wind River and Big Horn Basins in central Wyoming and natural gas properties in the Evanston and Green River Basins in southwestern Wyoming. The Debtors also own non-operated producing assets in Weld County, Colorado.	5,874	12%
Southeast	Significant holdings in two major geologic trends, the Sunniland trend in southwest Florida and the Jay trend in the northwest Florida Panhandle. These properties produce from the Cretaceous formations of the South Florida Basin and the Smackover Carbonate formation, respectively.	4,769	7%
California	Several large, complex oil fields within the Los Angeles Basin. The Debtors also operate oil properties in the San Joaquin Basin in Kern County, California.	4,149	7%

The Debtors generally do not hold 100% of the interests in any real property in which they have interests. The Debtors and the other interest holders usually enter into joint operating agreements to govern the parties' responsibilities with respect to the land, including which party will be responsible for the exploration and production of the oil and gas thereon. As of December 31, 2016, the Debtors operate or have working interests in approximately 11,900 gross operating oil and gas wells, and approximately 8,000 net oil and gas wells. The Debtors own interests in approximately 623,000 net acres and had estimated proved reserves, as of December 31, 2016, of 205.3 million barrels of oil equivalent of which approximately 55% was oil, 9% was NGLs, and 36% was natural gas. The Debtors maintain operational control over approximately

89% of their proved reserves. The Debtors' production in 2016 was 18.3 million barrels of oil equivalent, of which approximately 52% was oil, 11% was NGLs, and 37% was natural gas.

Before the Petition Date, the Debtors' long-term business strategy had consistently been to manage their oil, NGL, and natural gas producing properties for the purpose of generating cash flow and making distributions to their economic stakeholders. The Debtors' core investment strategy included the following principles:

- Acquire long-lived assets with low-risk exploitation and development opportunities;
- Optimize reserve recovery by using technical expertise and state-of-the-art technologies;
- Reduce cash flow volatility through commodity price and interest rate derivatives; and
- Maximize asset value and distributable cash flow through operating expertise.

In particular, the strategic selection of the right oil and gas acquisitions was a focal point of the Debtors' business strategy before the severe oil and gas price decline that began at the end of 2014 and that adversely affected the entire industry.

The Debtors manage their assets and perform other administrative services, such as accounting, corporate development, finance, land administration, legal, and engineering through BBEP's wholly-owned subsidiary, Breitburn Management Company LLC (BMC). As the operator, BMC designs and manages the development of wells and supervises operation and maintenance activities on a day-to-day basis. BMC does not own any drilling rigs or other oil field services equipment used for drilling or maintaining wells on properties that it operates. Instead, BMC employs independent contractors to provide all the equipment and personnel associated with these activities. In addition to independent contractors, the Debtors' work force includes, as of December 31, 2016, 671 employees. All employees are employed by BMC and none of the employees are party to any collective bargaining agreements.

C. Prepetition Capital Structure

1. MLP Common and Preferred Units

As of June 30, 2017, BBEP had approximately 213.8 million common units representing limited partnership interests outstanding. BBEP also had, as of June 30, 2017, 8 million 8.25% *Series A Cumulative Redeemable Perpetual Preferred Units* ("**Series A Preferred Units**") outstanding, and 49.6 million 8% *Series B Perpetual Convertible Preferred Units* ("**Series B Preferred Units**") outstanding.

2. Indebtedness

The Debtors are composed of entities incorporated or organized in Delaware, Wyoming, California, Michigan, Virginia, and Texas. All of the Debtors are direct and indirect subsidiaries of BBEP, and together, constitute the issuers or guarantors of the Debtors' funded debt.

As of the Petition Date, the Debtors had approximately \$3.1 billion in total outstanding funded debt:

Debt	Approximate Principal Amount Outstanding (\$mm)
First Lien Revolving Credit Facility	\$1,242 ¹⁰
9.25% Senior Secured Second Lien Notes due 2020	\$650
7.875% Senior Unsecured Notes due 2022	\$850
8.625% Senior Unsecured Notes due 2020	\$305
Total Debt	\$3,047

The below description of the Debtors' prepetition indebtedness is for informational purposes only and is qualified in its entirety by reference to the specific agreements evidencing the indebtedness.

(a) Revolving Credit Facility

Prior to the Petition Date, the Debtors were party to the *Third Amended and Restated Credit Agreement*, dated November 19, 2014 (as amended, the "**Revolving Credit Agreement**"), with the Revolving Credit Facility Agent and the Revolving Credit Facility Lenders. Pursuant to the Revolving Credit Agreement, the Revolving Credit Facility Lenders provided the Debtors with revolving loans and letters of credit (the "**Revolving Credit Facility**").

The obligations under the Revolving Credit Agreement are secured by first priority liens on and security interests in substantially all of the Debtors' property and assets (collectively, the "**Prepetition Collateral**"). As of the Petition Date, approximately \$1.25 billion in principal amount was outstanding under the Revolving Credit Facility, including approximately \$45.3 million of outstanding but undrawn letters of credit. As discussed below, the amount outstanding under the Revolving Credit Facility was reduced by the payment of approximately \$450 million of hedge proceeds in July 2017, as authorized by an Order of the Bankruptcy Court (ECF No. 1451).

(b) Secured Notes

On April 8, 2015, the Debtors issued \$650 million of 9.25% senior secured second lien notes due 2020 (the "**Secured Notes**") pursuant to an *Indenture* dated April 8, 2015 (as amended, the "**Secured Notes Indenture**"), between BBEP, BOLP, and Breightburn Finance, as issuers, each of the guarantors named therein, and Delaware Trust Company, as successor indenture trustee. The obligations under the Secured Notes Indenture are secured by liens on the Prepetition Collateral that are junior and subordinate to the liens securing the obligations under the Revolving Credit Agreement.

¹⁰ As discussed herein, pursuant to an Order of the Bankruptcy Court (ECF No. 1451), this principal amount has been reduced to approximately \$750 million.

(c) 8.625% Unsecured Notes

On October 6, 2010, the Debtors issued 8.625% senior notes due 2020 (the “**8.625% Unsecured Notes**”) in an aggregate principal amount of \$305 million, pursuant to an *Indenture* dated October 6, 2010 (as amended), between BBEP, Breitburn Finance, each of the other Debtors named therein as guarantors, and Wilmington Trust Company, as successor indenture trustee. As of the Petition Date, the entire principal amount of the 8.625% Unsecured Notes was outstanding. The 8.625% Unsecured Notes are unsecured.

(d) 7.875% Unsecured Notes

On January 13, 2012, the Debtors issued 7.875% senior notes due in 2022 (the “**7.875% Unsecured Notes**” and together with the 8.625% Unsecured Note, the “**Unsecured Notes**”) in an aggregate principal amount of \$250 million, pursuant to an indenture dated January 13, 2012 (as amended), among BBEP, Breitburn Finance, each of the other Debtors named therein as guarantors, and Wilmington Trust Company, as successor indenture trustee. On September 27, 2012, the Debtors issued an additional \$200 million in aggregate principal amount of 7.875% Unsecured Notes. On November 22, 2013, the Debtors issued \$400 million in aggregate principal amount of additional 7.875% Unsecured Notes. As of the Petition Date, the entire principal amount of \$850 million of the 7.875% Unsecured Notes was outstanding. The 7.875% Unsecured Notes are unsecured and are *pari passu* with the 8.625% Unsecured Notes.

3. **Derivative and Hedge Agreements**

Because the Debtors’ revenues and cash flow are sensitive to oil and natural gas prices, historically and before the Petition Date, BOLP regularly entered into commodity derivative contracts (the “**Hedge Agreements**”) intended to achieve more predictable cash flow and to reduce the Debtors’ exposure to adverse fluctuations in the price of oil and natural gas. The Debtors maintained the Hedge Agreements for a significant portion of their oil and gas production. Notably, all of the counterparties to the Hedge Agreements were lenders (or affiliates of lenders) under the Revolving Credit Facility. As a consequence of the commencement of the Chapter 11 Cases, all Hedge Agreements were terminated. After such termination, the Debtors were owed approximately \$450 million by the applicable Hedge Agreement counterparties. Pursuant to an Order of the Bankruptcy Court dated July 17, 2017 (ECF No. 1451), the Bankruptcy Court authorized the application of such amount to the amounts owed by the Debtors to the hedge counterparties, and thereafter as a dollar-for-dollar reduction of the amounts outstanding under the Revolving Credit Facility. As a result of such application, the outstanding principal amount under the Revolving Credit Facility was reduced to approximately \$750 million.

4. **Trade Payables**

In the ordinary course of their business, the Debtors incur trade debt with numerous vendors in connection with their operations. The Debtors estimate that as of the Petition Date their outstanding trade payables total approximately \$50 million.

D. Events Leading to Commencement of the Chapter 11 Cases

1. The Oil and Gas Industry Experiences Fundamental Changes

Since early 2014, the persistent and severely distressed market conditions in the oil and gas industry have negatively impacted all levels of the industry, with a particularly adverse impact on upstream companies that produce oil and gas. Notably, natural gas prices were depressed for a significant period of time and the precipitous decline in crude oil prices since 2014 was virtually unprecedented, with prices well below what anyone in the business could have reasonably anticipated, and resulted in a substantial decline in revenue, reserves, and asset values across the spectrum.

For example, in 2016, the West Texas Intermediate (“**WTI**”) spot price averaged approximately \$43 per barrel (“**Bbl**”), compared with approximately \$48 per Bbl in 2015 and \$93 per Bbl in 2014. During 2016, the WTI monthly average ranged from a monthly average low of \$30 per Bbl in January and a monthly average high of \$52 per Bbl in December. Historically, there has been a strong relationship between changes in NGL and crude oil prices. NGL prices are correlated to North American supply and petrochemical demands. Lower crude oil prices not only decrease revenues, but may also reduce the amount of crude oil that can be produced economically and therefore lower crude oil reserves.

The following chart sets forth the WTI crude oil spot pricing historical data from January 2014 to October 10, 2017.

2. Stabilization Efforts

The Debtors were not immune to these severely adverse market conditions and its impact on their reserves, cash flow, borrowing capacity, and ability to service their outstanding indebtedness. Consequently, commencing in 2015, the Debtors took significant efforts to respond to this crisis by initiating a series of financial and operational actions set forth below:

- In January 2015, the Debtors reduced distributions to common unitholders by 52% from \$2.08 per unit to \$1.00 per unit on an annualized basis.

- In April 2015, the Debtors raised approximately \$1 billion by issuing the Secured Notes and Series B Preferred Units, the net proceeds of which were used to repay borrowings under the Revolving Credit Facility. The Debtors also further reduced their distributions to common unitholders by another 50%, from \$1.00 per unit to \$0.50 per unit on an annualized basis.
- In connection with the April 2015 capital raise, the Debtors negotiated a redetermination of their borrowing base to \$1.8 billion under the Revolving Credit Facility for one year, which provided stable liquidity in 2015.
- The Debtors reduced their general, administrative, and technical workforce in 2015 by over 60 positions through a combination of a workforce reduction plan, resignations, and early retirements. The Debtors also reduced their general, administrative and technical workforce by an additional 20% in 2016.
- The Debtors significantly reduced their capital spending, focusing primarily on drilling and rate-generating projects and carbon dioxide purchases that are designed to increase either production or reserves.
- In November 2015, the Debtors suspended the payment of distributions on their common units, which preserved approximately \$9 million per month in cash expenditures.

3. Prepetition Restructuring Efforts

Despite these efforts, however, and the moderate increase in crude oil prices in the weeks before the Petition Date, the Debtors' revenue and cash flow generating capacity was insufficient to service their outstanding debt on a long-term basis and to maintain the liquidity necessary to operate their business and preserve their long-term viability and enterprise value.

In view of the circumstances and the inevitable reduction of their borrowing base under the Revolving Credit Agreement, the Debtors focused their attention and resources on preserving liquidity and developing a strategy to implement a comprehensive restructuring that would right-size their balance sheet and maximize value for their economic stakeholders. In furtherance of this effort, commencing April 2016, the Debtors initiated preliminary discussions with the Revolving Credit Facility Agent and the Second Lien Noteholders with respect to a significant deleveraging transaction and also started discussions with advisors retained by an ad hoc group of holders of both series of the Unsecured Notes.

On April 15, 2016, an aggregate of approximately \$46.7 million in interest payments became due and payable on the Unsecured Notes. Pursuant to the provisions of the indentures governing the Unsecured Notes, there was a 30-day grace period for the payment of interest before an event of default matured thereunder – that grace period expired on May 16, 2016. To preserve their liquidity while pursuing restructuring negotiations, the Debtors elected not to pay the interest on April 15, 2016 and to take advantage of the grace period.

Although the Debtors' discussions and negotiations with their several creditor constituencies were productive, it became clear that the negotiations could not be concluded and an appropriate

restructuring consummated on an out-of-court basis in a timeframe that would assure the Debtors' ongoing access to sufficient liquidity to operate their business. The need for liquidity was particularly urgent because of the imminent expiration of the grace period to pay interest on the Unsecured Notes, the cross-defaults to other indebtedness that would ensue, the resultant inability to borrow under the Revolving Credit Facility, and the risk of precipitous remedial action on the Debtors' hedging assets, among other things, that could have a significant adverse impact on the Debtors' ongoing operations with the attendant severe impairment of value. Under the circumstances, the Debtors had no reasonable alternative but to seek relief under chapter 11.

III. **OVERVIEW OF THE CHAPTER 11 CASES**

A. Commencement of Chapter 11 Cases

On May 15, 2016, the Debtors commenced the Chapter 11 Cases. The Debtors believed that the chapter 11 process would not only assure the Debtors' continued access to sufficient liquidity necessary to maximize enterprise value but would also provide a forum to continue the restructuring negotiations in an atmosphere most conducive to achieving a successful result. The Debtors continue managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

B. First Day Motions

On the Petition Date, the Debtors filed multiple motions seeking various relief from the Bankruptcy Court to enable the Debtors to facilitate a smooth transition into chapter 11 (the "**First Day Motions**"). The Bankruptcy Court granted substantially all of the relief requested in the First Day Motions and entered various orders authorizing the Debtors to, among other things:

- Continue paying employee wages and benefits;
- Continue the use of the Debtors' cash management system, bank accounts, and business forms;
- Continue insurance programs and the processing of workers' compensation Claims;
- Continue the Debtors' surety bond program;
- Pay certain prepetition taxes and assessments;
- Pay certain royalty interests;
- Pay certain joint interest billings, operating expenses, and shipping and delivery charges;
- Establish procedures for utility companies to request adequate assurance of payment and to prohibit utility companies from altering or discontinuing service; and

- Obtain senior secured superpriority financing and use cash collateral.

C. Procedural Motions

Throughout the Chapter 11 Cases, the Bankruptcy Court has entered various orders regarding procedural issues common to chapter 11 cases of similar size and complexity, including orders authorizing and establishing procedures for *de minimis* asset transactions (ECF No. 602), authorizing the Debtors to employ professionals used in the ordinary course of business (ECF No. 297), and establishing procedures for the interim compensation and reimbursement of expenses of professionals (ECF No. 132).

D. Appointment of Creditors' Committee

On May 26, 2016, the Creditors' Committee was appointed by the Office of the United States Trustee for Region 2 (the "**U.S. Trustee**") pursuant to section 1102 of the Bankruptcy Code to represent the interests of unsecured creditors in the Chapter 11 Cases. The initial members of the Creditors' Committee were Ares Special Situations Fund IV, L.P. ("**Ares**"), BPC UKI LP ("**BPC**"), and Wexford Spectrum Investors, LLC ("**Wexford**"). Ares, Wexford, and BPC have resigned from the Creditors' Committee. On October 6, 2017, the U.S. Trustee appointed Transpetco Transport Co. and Wilmington Trust Company (which previously served *ex officio*) to the Creditors' Committee. On October 30, 2017, the U.S. Trustee appointed Ronald Jay Lichtman to the Creditors' Committee.

The Creditors' Committee retained Milbank, Tweed, Hadley & McCloy LLP as its attorneys; Houlihan Lokey Capital, Inc. as its investment banker; Berkeley Research Group, LLC as its financial adviser; Prime Clerk LLC as its information agent; Porter Hedges LLP as special counsel; and Quinn Emanuel Urquhart & Sullivan LLP as conflicts counsel.

E. Appointment of Equity Committee

On November 15, 2016, the Official Committee of Equity Security Holders (the "**Equity Committee**") was appointed by the U.S. Trustee pursuant to section 1102 of the Bankruptcy Code to represent the interests of the Debtors' preferred and common interest holders in the Chapter 11 Cases. The Equity Committee currently consists of Andrew M. Parker, Gerald Epling, Jim Lemezis, Robert Menjivar, Rodger R. Stelter (Beneficiary for Rodger R. Stelter 401k), John Myrick, and Ira Wilsker. The Equity Committee retained Proskauer Rose LLP as its attorneys; Carl Marks & Co. as its financial advisor; and Barchan Advisory Services Ltd. as its engineering consultant.

F. Claims Reconciliation Process

On August 23, 2016, the Bankruptcy Court entered an order (the "**Bar Date Order**"), which, among other things, (1) established October 14, 2016 at 5:00 p.m. (the "**Bar Date**") as the deadline for certain persons and entities to file proofs of Claim in the Chapter 11 Cases and (2) approved the form and manner of the Bar Date notice. The Debtors provided notice of the Bar Date as required by the Bar Date Order. As of August 31, 2017, approximately 3,100 proofs of Claim had been filed against the Debtors in the aggregate amount of approximately \$3.8 billion.

The Debtors continue to review, analyze, reconcile, and file objections to the filed Claims. The Debtors have identified many Claims they believe should be disallowed because they are, among other things, duplicative, without merit, overstated, or have already been paid pursuant to Orders of the Bankruptcy Court. Accordingly, the Debtors have filed 25 omnibus objections to approximately 2,000 Claims. As of August 31, 2017, the Bankruptcy Court has disallowed approximately \$230 million of Claims. Because the process of analyzing and objecting to Claims is ongoing, the amount of disallowed Claims may change significantly in the future.

G. Exclusivity

Section 1121(b) of the Bankruptcy Code provides for a period of 120 days after the commencement of a chapter 11 case during which time a debtor has the exclusive right to file a plan of reorganization (the “**Exclusive Plan Period**”). In addition, section 1121(c)(3) of the Bankruptcy Code provides that if a debtor files a plan within the Exclusive Plan Period, it has a period of 180 days after commencement of the chapter 11 case to obtain acceptances of such plan (the “**Exclusive Solicitation Period**,” and together with the Exclusive Plan Period, the “**Exclusive Periods**”). Pursuant to section 1121(d) of the Bankruptcy Code, the Bankruptcy Court may, upon a showing of cause, extend the Exclusive Periods.

The Bankruptcy Court has entered several orders extending the Exclusive Periods. The Exclusive Periods currently remain in effect and may be further extended by the Bankruptcy Court through no later than January 15, 2018.

H. Employee Compensation Matters

As of the Petition Date, the Debtors employed approximately 700 employees. The Debtors have historically maintained incentive and compensation programs designed to attract, retain, or incentivize (as appropriate) employees.

On July 27, 2016, the Debtors filed the *Motion of Debtors Pursuant to 11 U.S.C. §§ 105, 363(b), and 503(c)(3) for Entry of an Order Approving Debtors’ Retention and Incentive Programs for Certain Key Employees* (the “**Employee Programs Motion**”, ECF No. 309) seeking approval of the Employee Programs (as defined and described in the Employee Programs Motion). In August and September 2016, the Bankruptcy Court entered Orders approving the relief sought in the Employee Programs Motion (ECF Nos. 434 and 548).

On February 1, 2017, the Debtors filed the *Motion of Debtors Pursuant to 11 U.S.C. §§ 105, 363(b), and 503(c)(3) for Entry of an Order Approving Debtors’ 2017 Retention and Incentive Programs for Certain Key Employees* (the “**2017 Employee Programs Motion**”, ECF No. 992), seeking approval of the 2017 Employee Programs (as defined and described in the 2017 Employee Programs Motion). On March 6, 2017, the Bankruptcy Court entered an Order approving the relief sought in the 2017 Employee Programs Motion (ECF No. 1058).

Both the Employee Programs Motion and the 2017 Employee Programs Motion provided for a retention program for certain key employees, and incentive-based programs for more senior-level employees, including the Debtors’ senior management. The incentive payments are tied to customary industry performance metrics measured 50% by oil and gas production and 50% by lease operating expense reductions. All of the programs provide for cash payments.

I. Executory Contracts and Unexpired Leases

As of the Petition Date, the Debtors were parties to or held thousands of oil and gas leases and interests in oil and gas leases in numerous forms, including surface leases, subsurface leases, rights of way, easements, real property licenses, royalty interests, net profits interests, overriding royalty interests, and similar agreements (collectively, the “**Oil and Gas Leases**”).

By Order dated August 22, 2016, the initial 120-day period for the Debtors to assume, assign, or reject unexpired leases of nonresidential real property was extended through December 12, 2016 (ECF No. 447). On November 23, 2016, the Debtors filed a motion to assume all unexpired leases of nonresidential real property (including all oil and gas leases) not previously assumed or rejected (ECF No. 765). On December 13, 2016, the Bankruptcy Court entered an Order granting the Debtors’ motion to assume substantially all unexpired nonresidential real property leases not previously assumed or rejected and subject to section 365 of the Bankruptcy Code, including all Oil and Gas Leases (and other than certain federal or tribal oil and gas leases) (ECF No. 838). Pursuant to a stipulation with the United States government (ECF No. 815), the deadline to assume or reject unexpired leases of nonresidential real property on federal or tribal lands was extended to the date on which the Bankruptcy Court enters an Order confirming the Plan.

During the Chapter 11 Cases, the Debtors have filed motions to reject certain leases of nonresidential real property. On July 6, 2016, the Debtors filed a motion to reject a certain lease for premises located at 600 Travis Street, Houston Texas, effective as of May 31, 2016 (ECF No. 234). After the Debtors resolved the landlord’s objection (ECF No. 265), the Bankruptcy Court entered an Order approving the rejection on November 30, 2016 (ECF No. 772). On September 1, 2016, the Debtors filed a motion to, among other things, reject a lease located at 1401 McKinney Street, Houston, Texas (ECF No. 478) and on September 23, 2016, the Bankruptcy Court entered an Order approving, among other things, such rejection (ECF No. 478).

J. Second Lien Proof of Claim and Disputes Related Thereto

The Plan incorporates and reflects a global compromise and settlement of issues related to the Debtors’ prepetition indebtedness, including certain issues raised in the Chapter 11 Cases as to the aggregate amount of the Allowed Claim held by the Second Lien Noteholders and the enforceability of certain liens securing such claims.

As described in Section II(C)(2)(b), on April 8, 2015, the Debtors closed a private offering of approximately \$650 million of Secured Notes. The Secured Notes are secured by a second priority lien on substantially all of the Debtors’ assets, and under the agreements relating to the issuance of the Secured Notes, EIG Redwood Equity Aggregator LP (“**EIG**”) was permitted to appoint a seat on the board of Breitburn GP LLC, the general partner of BBEP. On October 10, 2016, the trustee for the Secured Notes filed proof of claim 1855 (the “**Second Lien Proof of Claim**”), which asserted Secured Notes Claims of approximately \$793.3 million, including: (a) \$650 million in outstanding principal amount of Secured Notes, (b) unpaid interest on the Secured Notes of approximately \$7.5 million, and (c) a make-whole or prepayment premium of approximately \$134 million, plus interest on all other Obligations (as defined in the Secured Notes Indenture), fees, costs, and indemnities.

On December 19, 2016, the Creditors' Committee (a) objected to the Second Lien Proof of Claim on the basis that the make-whole claim asserted by the Second Lien Noteholders is not allowable because, among other reasons, the holders of Secured Notes may be reinstated and that it overcompensates the Second Lien Noteholders if they also receive postpetition interest, (b) sought conditional standing to prosecute certain claims relating to certain mortgages securing the Secured Notes on the basis that such mortgages constituted preferential transfers under the Bankruptcy Code or applicable state law, and, therefore, were subject to avoidance; and (c) sought clarification that the stipulations in the final order authorizing the Debtors to obtain postpetition senior secured superpriority financing, authorizing the Debtors' limited use of cash collateral, and granting adequate protection to the prepetition secured parties ("**Final DIP Order**," ECF No. 431) did not apply to estate claims against the Debtors' current or former directors and officers (the "**Standing Motion and Claim Objection**," ECF No. 867).

Various responsive pleadings have been filed to the Standing Motion and Claim Objection by parties in interest, including by the Revolving Credit Facility Agent and the DIP Facility Agent (ECF No. 1082), the Equity Committee (ECF No. 1084), the Secured Notes Indenture Trustee (ECF No. 1085), certain of the Second Lien Noteholders (the "**Second Lien Group's Objection to Standing Motion and Claim Objection**," ECF No. 1083), and the Debtors ("**Debtors' Objections to Standing Motion and Claim Objection**," ECF No. 1086).

In the Second Lien Group's Objection to Standing Motion and Claim Objection, the responding Second Lien Noteholders asserted that the Creditors' Committee claims were meritless, the Creditors' Committee's objection to the Second Lien Proof of Claim was premature, and the Creditors' Committee's request for clarification was untimely. Specifically, the responding Second Lien Noteholders argued that none of the claims the Creditors' Committee sought conditional standing to pursue had merit: (a) the mortgages the Creditors' Committee sought to avoid as preferential transfers were protected from avoidance under section 546(e) of the Bankruptcy Code as transfers to a financial institution in connection with a securities contract; (b) the transfers were made more than 90 days before the Petition Date; and (c) the Creditors' Committee had offered no basis to support their claim that EIG was an insider of the Debtors at the time of the alleged preference. The responding Second Lien Noteholders also argued that none of the Creditors' Committee's other claims asserted against the Second Lien Noteholders as a whole had any merit: (a) the Creditors' Committee contended that certain mortgages securing the Second Lien Notes were improperly perfected, but made no effort to identify the allegedly defective mortgages; (b) although the Creditors' Committee had otherwise failed to identify specific liens subject to a defect or what those alleged defects were; and (c) the Creditors' Committee's claim that certain of the Debtors' assets were unencumbered could be resolved by stipulation and not litigation. Finally, the responding Second Lien Noteholders asserted that the Creditors' Committee's objection to the make-whole claim was premised on contingencies that would be addressed through plan negotiations and confirmation proceedings, and therefore was not ripe for adjudication.

In the Debtors' Objection to Standing Motion and Claim Objection, the Debtors likewise objected to the Standing Motion and Claim Objection, arguing that it was premature. Specifically, the Debtors asserted that the Standing Motion and Claim Objection, by its own admission, was premature because the Creditors' Committee specifically stated that it was not seeking to commence litigation against any defendant at the time. Even if the Standing Motion

and Claim Objection was not premature, the Debtors argued that the Standing Motion and Claim Objection was meritless: (a) the transactions that the Creditors' Committee sought to unwind were protected under the safe harbor provisions of section 546(e) of the Bankruptcy Code; (b) the mortgages the Creditors' Committee sought to unwind were not granted to "insiders," as that term is defined under section 547 of the Bankruptcy Code; (c) even if EIG could somehow be considered an insider, the mortgages in question constituted a substantially contemporaneous exchange and were therefore not subject to avoidance; (d) the Debtors agreed with the Creditors' Committee that certain of the Debtors' assets were unencumbered, but that the combined value of such unencumbered assets did not exceed \$65 million, and litigation was unnecessary to resolve the matters; and (e) the Creditors' Committee's attempt to clarify the scope of the releases provided for in the Final DIP Order was procedurally improper. The Debtors, however, also asserted that certain amounts claimed in the Second Lien Proof of Claim for interest were not allowable.

To date, the Bankruptcy Court has not conducted a hearing on the Standing Motion and Claim Objection, which has been repeatedly adjourned by agreement of the parties, including the Creditors' Committee. No findings of fact or rulings have been issued in connection with the Standing Motion and Claim Objection. After a consideration of the parties' respective positions and arguments, the Debtors continue to believe that the issues and claims raised in the Standing Motion and Claim Objection (other than issues related to postpetition interest) lack merit, which in the Debtors' business judgment would yield no benefit to the estates to pursue.

To avoid the time, expense, and delay associated with the litigation of the claims asserted in the Standing Motion and Claim Objection, the Plan incorporates a compromise and settlement of those matters. More specifically, under the Plan, the Second Lien Noteholders have agreed to accept the distribution of 92.5% of the equity of LegacyCo in full settlement and satisfaction of their claim, which they have asserted, and solely for purposes of the Plan all parties to the Restructuring Support Agreement have agreed, should be allowed in the amount of \$793.3 million plus accrued unpaid pre- and postpetition default interest on all outstanding obligations, costs, fees, indemnities, and all other obligations payable under the Secured Notes Indenture.¹¹ Furthermore, in light of the settlement of disputes among the parties, the Creditors' Committee has agreed that the prosecution of the Standing Motion and Claim Objection will be held in abeyance and that, upon the Effective Date of the Plan, the Standing Motion and Claim Objection will be withdrawn and deemed withdrawn with prejudice.

In view of the cost, expense, and, in particular, the uncertainties attendant to litigation, including evolving applicable law, the Debtors believe that the compromise and settlement embodied in the Plan is reasonable and constitutes a fair, equitable, and appropriate resolution of all claims asserted in the Standing Motion and Claim Objection.

¹¹ If the Plan is not confirmed or the Effective Date does not occur, such allowed amount of the claim asserted by the Second Lien Noteholders will not be binding and will be without prejudice to the rights of all parties as to the allowed amount of the Secured Notes Claims.

K. Postpetition Plan Negotiations

During the pendency of the Chapter 11 Cases, the Debtors have engaged in negotiations with a number of parties with respect to a plan of reorganization.

The Debtors initially developed a comprehensive business plan (the “**Original Business Plan**”) premised on the ongoing operation and development of all of their assets. However, to fund the Original Business Plan, the Debtors required significant new capital. To that end, commencing in June 2016, the Debtors directly engaged with the Revolving Credit Facility Lenders, the Second Lien Group, and the Creditors’ Committee regarding obtaining the financing necessary to fund the Original Business Plan and consummate a plan of reorganization.

Contemporaneously with the negotiations with the Revolving Credit Facility Lenders, the Second Lien Group, and the Creditors’ Committee, the Debtors sought financing from alternate sources. In late 2016 and early 2017, the Debtors commenced negotiations with a group of Unsecured Noteholders regarding the potential for a sizeable equity infusion pursuant to a plan of reorganization. These negotiations progressed for a significant period of time and involved substantial due diligence. As a result of, among other things, changes in the composition of the holders of the Unsecured Notes, the commitments to provide the necessary equity capital to pursue this plan formulation did not materialize.

Through mid-2017, the Debtors continued pursuing various options with respect to a plan of reorganization. These pursuits included negotiations with respect to potential plan structures with the Second Lien Group for new capital to be infused by that group. The Debtors also engaged in plan negotiations with the Unsecured Senior Notes Groups that collectively held a majority of the Unsecured Notes, as well as the Creditors’ Committee with respect to a plan that contemplated a substantial capital infusion. Those negotiations ended because, among other things, the Unsecured Senior Notes Groups insisted that the plan structure require a “cram up” of the Secured Notes, which the Debtors did not view as confirmable, appropriate, or supportable.

In mid-August 2017, the Unsecured Senior Notes Groups and the Second Lien Group became engaged in direct negotiations regarding a plan of reorganization involving (a) holders of Secured Notes receiving, in satisfaction of their claims, a substantial portion of the equity of LegacyCo that would own the Debtors’ assets, other than the Permian Assets, and (b) a new equity infusion through a rights offering, pursuant to which participants would receive 100% of the equity of New Permian Corp. which would own the Permian Assets and the balance of the equity of LegacyCo not distributed to holders of the Secured Notes. The Debtors were advised that the Second Lien Group and the Unsecured Senior Notes Groups were engaged directly and were advised that the groups were working to bridge gaps in their respective positions in an effort to champion a global settlement. The Debtors became directly involved in these negotiations, which resulted in the proposed plans of reorganization previously filed in the Chapter 11 Cases (ECF Nos. 1690 and 1807). After further good faith negotiations and a mediation session, discussed in Section III(M) of this Disclosure Statement, the Debtors and their key creditor constituencies, including the Creditors’ Committee, reached an agreement in principle regarding the restructuring embodied in the Plan that is being solicited pursuant to this Disclosure Statement.

L. Certain Recent Postpetition Expressions of Interest for Certain of the Debtors' Assets

During 2017, certain third parties have submitted the following non-binding expressions of interest for certain of the Debtors' assets, including certain assets in the Permian Basin that will be owned by New Permian Corp. pursuant to the Plan.

Party	Date	Assets Offered to Purchase	Amount of Offer	Material Offer Conditions
Diamondback Energy, Inc.	August 29, 2017	All of Debtors' interests in oil, gas, minerals, and other related assets in Howard, Martin, Midland, and Glasscock Counties, Texas, and all infrastructure relating to or associated with such assets.	\$675,000,000 (subject to adjustment based on due diligence)	<ul style="list-style-type: none"> Court approval of break-up fee of 2%. Diamondback's obligations subject to its satisfaction, in its sole discretion, as to confirmation of Debtors' title to the Permian Basin assets. Diamondback's obligations subject to various conditions, including the Debtors meeting milestones, the lack of material adverse events before the closing date, negotiation of documentation satisfactory in all respects to Diamondback, and Court approval of stalking horse bid and related protections.
Monterey Oil & Gas Corporation	September 5, 2017	All of the Debtors' assets in California.	\$211,032,000 (subject to adjustment based on due diligence)	<ul style="list-style-type: none"> Court approval of break-up fee of 5%. If the winning bidder is unable or unwilling to close the transaction, Monterey would receive a right of first refusal to honor its original bid price, or in lieu of honoring its original bid, to receive the 5% breakup fee and reimbursement of expenses. Financial sponsor of Monterey bid to have final approval rights over Monterey's bid.
Riverside Energy Michigan LLC	September 19, 2017	Indicative offer for Michigan Antrim Shale natural gas assets (does not include related oil production properties in Michigan).	\$63,500,000 to \$70,000,000 (subject to adjustment based on due diligence)	<ul style="list-style-type: none"> Riverside will not participate in a competitive bid process, and the offer is automatically withdrawn if the offer is used in any way within a competitive process.
Diamondback Energy, Inc.	October 3, 2017 (superseded prior offer)	All of Debtors' interests in oil, gas, minerals, and other related assets in Howard, Martin, Midland, and Glasscock Counties, Texas, and all infrastructure relating to or associated with such assets.	\$725,000,000 (subject to adjustment based on due diligence)	<ul style="list-style-type: none"> Court approval of break-up fee of 2%. Offer subject to Diamondback's satisfaction, in its sole discretion, as to confirmation of Debtors' title to the Permian Basin assets. Diamondback's obligations subject to various conditions, including the Debtors meeting milestones, the lack of material adverse events before the closing date, negotiation of documentation satisfactory in all respects to Diamondback, and Court approval of stalking horse bid and related protections.

M. Postpetition Mediation

On November 16, 2017, the Bankruptcy Court entered an order (ECF No. 1830) appointing the Honorable Judge Robert D. Drain to serve as a mediator (the “**Mediator**”). On November 21, 2017, the Debtors, the Revolving First Lien Lenders, the Second Lien Group, the Unsecured Senior Notes Group, the Creditors’ Committee, the Unsecured Notes Indenture Trustee, the Equity Committee, and their respective principals and advisors, met in New York for a mediation session with the Mediator. After good faith negotiations, and with the assistance of the Mediator, the Debtors and their principal creditor constituencies (including the Creditors’ Committee) reached an agreement in principle, the terms and provisions of which are embodied in the Plan. As stated above, the Plan has the support of the Debtors’ key creditor constituencies, and the Debtors believe that the Plan is in the best interests of their economic stakeholders.

IV. SUMMARY OF THE PLAN

A. General

This section of the Disclosure Statement summarizes the Plan, a copy of which is annexed hereto as **Exhibit A**. This summary is qualified in its entirety by reference to the Plan. **YOU SHOULD READ THE PLAN IN ITS ENTIRETY BEFORE VOTING TO ACCEPT OR REJECT THE PLAN.**

In general, a chapter 11 plan (1) divides claims and equity interests into separate classes, (2) specifies the consideration that each class is to receive under the plan and (3) contains other provisions necessary to implement the plan. Under the Bankruptcy Code, “claims” and “equity interests,” rather than “creditors” and “shareholders,” are classified because creditors and shareholders may hold claims and equity interests in more than one class. Under section 1124 of the Bankruptcy Code, a class of claims is “impaired” under a plan unless the plan (1) leaves unaltered the legal, equitable, and contractual rights of each holder of a claim in such class or (2) provides, among other things, for the cure of certain existing defaults and reinstatement of the maturity of claims in such class. Under the Plan, Classes 3, 4, 5A, 5B, 6, 9, and 11, are impaired under the Plan, and holders of Claims or Interests in such Classes are entitled to vote to accept or reject the Plan unless such Classes of Claims or Interests are deemed to reject the Plan or subject to an objection filed by the Debtors. Ballots are being furnished herewith to all holders of Claims in Classes 3, 4, 5A, 5B, and 6 that are entitled to vote to facilitate their voting to accept or reject the Plan. Classes 9 and 11 are deemed to reject the Plan and, therefore, Claims or Interests in such Classes will not vote on the Plan.

B. Classification of Claims and Interests

1. Classification in General

A Claim or Interest is placed in a particular Class for all purposes, including voting, confirmation, and distribution under the Plan and under sections 1122 and 1123(a)(1) of the Bankruptcy Code; *provided, that* a Claim is placed in a particular Class for the purpose of receiving distributions pursuant to the Plan only if such Claim is an Allowed Claim in that Class and such Claim has not been satisfied, released, or otherwise settled before the Effective Date.

2. Formation of Debtor Groups for Convenience Only

The Plan groups the Debtors together solely for the purpose of describing treatment under the Plan, confirmation of the Plan, and making distributions in respect of Claims against the Debtors under the Plan. Such groupings shall not affect any Debtor's status as a separate legal entity, change the organizational structure of the Debtors' business enterprise, constitute a change of control of any Debtor for any purpose, cause a merger or consolidation of any legal entities, or cause the transfer of any assets; and, except as otherwise provided by or permitted under the Plan, all Debtors shall continue to exist as separate legal entities.

3. Summary of Classification of Claims and Interests

The following table designates the Classes of Claims against and Interests in the Debtors and specifies which Classes are: (a) Impaired or Unimpaired under the Plan; (b) entitled to vote to accept or reject the Plan in accordance with section 1126 of the Bankruptcy Code; and (c) deemed to accept or deemed to reject the Plan:

Class	Designation	Impairment	Entitled to Vote
1	Priority Non-Tax Claims	Unimpaired	No (deemed to accept)
2	Other Secured Claims	Unimpaired	No (deemed to accept)
3	Revolving Credit Facility Claims	Impaired	Yes
4	Secured Notes Claims	Impaired	Yes
5A/5B	Unsecured Notes Claims	Impaired	Yes

C. Treatment of Claims and Interests

1. Class 1 – Priority Non-Tax Claims.

Except to the extent that a holder of an Allowed Priority Non-Tax Claim agrees to a different treatment of such Claim, which different treatment shall be acceptable to the Requisite

Consenting Second Lien Creditors, on the Effective Date, each holder of an Allowed Priority Non-Tax Claim against any of the Debtors shall receive, in full satisfaction of such Claim, at the option of the Debtors, with the consent of the Requisite Consenting Second Lien Creditors: (a) Cash in an amount equal to the Allowed amount of such Claim, or (b) other treatment consistent with section 1129(a)(9) of the Bankruptcy Code; provided, that Priority Non-Tax Claims that arise in the ordinary course of the Debtors' business, shall be paid in the ordinary course of business, and in accordance with the terms and subject to the conditions of any orders or agreements governing, instruments evidencing, or other documents relating to such transactions without further action by the holders of such Priority Non-Tax Claims or further approval by the Bankruptcy Court.

2. Class 2 – Other Secured Claims.

Except to the extent that a holder of an Allowed Other Secured Claim agrees to a different treatment of such Claim, which different treatment shall be acceptable to the Requisite Consenting Second Lien Creditors and, to the extent that such different treatment adversely affects the Exit Facility, the Exit Facility Agent, each holder of an Allowed Other Secured Claim against any of the Debtors shall receive, at the option of the Debtors, with the consent of the Requisite Consenting Second Lien Creditors and, to the extent that such treatment adversely affects the Exit Facility, the Exit Facility Agent, and in full satisfaction of such Claim, either (a) Cash in an amount equal to one hundred percent (100%) of the unpaid amount of such Allowed Other Secured Claim, (b) such treatment that leaves unaltered the legal, equitable, and contractual rights to which the holder of such Allowed Other Secured Claim is entitled, or (c) such other distribution as necessary to satisfy the requirements of section 1124 of the Bankruptcy Code. In the event an Other Secured Claim against any of the Debtors is treated under clause (a), the liens securing such Other Secured Claim shall be deemed released immediately upon payment.

3. Class 3 – Revolving Credit Facility Claims.

The Revolving Credit Facility Claims shall be deemed Allowed in the amount of \$747,316,435.62 with respect to principal and two interest rate derivative obligations plus such amounts as may be owing for any other outstanding "Obligations" (as such term is defined in the Revolving Credit Agreement) thereunder, including any accrued or hereafter accruing and unpaid interest thereon and any additional amounts, charges, fees and expenses (including any attorneys', accountants', appraisers' and financial advisors' fees and expenses that are chargeable or reimbursable under the Revolving Credit Documents) now or hereafter due under the Revolving Credit Documents.

(a) Each holder of an Allowed Revolving Credit Facility Claim shall receive, on the Effective Date, in full and final satisfaction thereof: (i) Cash in an amount equal to such holder's Pro Rata share of the Allowed Revolving Credit Facility Claims minus the original principal amount of the Exit Facility on the Effective Date of \$400 million, and (ii) such holder's Pro Rata share of the Exit Facility; *provided that* all Revolving Credit Facility Claims arising under any "Lender Derivative Contract" (as such term is defined in the Revolving Credit Agreement) shall be indefeasibly paid in full in Cash and shall not be included in the distributions or calculation of Pro Rata share in the immediately preceding clauses (i) and (ii).

(b) Each holder of an Allowed Revolving Credit Facility Claim shall also have the right pursuant to the Revolver Option and the Revolver Option Procedures to convert all (but not less than all) of its amount of the Exit Facility received pursuant to Section 4.3(a)(ii) of the Plan to an equal amount of a revolving credit facility as provided in the Exit Facility Term Sheet and the Exit Facility Documents.

(c) LegacyCo shall pay in full in Cash (other than as provided in section (a)(ii) above) all amounts payable with respect to the Revolving Credit Documents as provided in the DIP Facility Order.

4. Class 4 – Secured Notes Claims.

The Secured Notes Claims shall be deemed Allowed solely for purposes of the Plan in the aggregate amount of \$793,300,000, plus accrued unpaid pre and postpetition default interest on all outstanding obligations, costs, fees, indemnities, and all other obligations payable under the Secured Notes Indenture.

On the Effective Date, each holder of an Allowed Secured Notes Claim that is a Certified Holder, shall receive, in accordance with the Restructuring Transactions, in full satisfaction of such Claim, its Pro Rata share of 92.5% of the LegacyCo Units, which may be subject to dilution by the LegacyCo Management Incentive Plan.

5. Class 5A/Class 5B – Unsecured Notes Claims.

The 7.875% Unsecured Notes Claims shall be deemed Allowed in the aggregate principal amount outstanding as of the Petition Date plus all accrued and unpaid interest owed as of the Petition Date. The 8.625% Unsecured Notes Claims shall be deemed Allowed in the aggregate principal amount outstanding as of the Petition Date plus all accrued and unpaid interest owed as of the Petition Date.

Class 5A: Each holder of an Allowed Unsecured Notes Claim that is an Eligible Offeree as of the Rights Offering Record Date, shall receive, in accordance with the Rights Offering and the Rights Offering Procedures, in full satisfaction of such Claim, the right to participate in the Rights Offering; *provided that*, any Eligible Offeree that is not a Backstop Party and has elected to participate in the Rights Offering on or before December 13, 2017 in accordance with the Early Election Procedures, will receive on the Effective Date their Pro Rata share (based on the respective Backstop Commitment Amounts (which includes the amounts committed in the Minimum Allocation Rights and the Rights Offering) of the Backstop Parties and the respective subscription amounts as to the rights exercised by Eligible Offerees by December 13, 2017) of the Put Option Premium. Any holder of an Allowed Unsecured Notes Claim that is an Eligible Offeree and elects not to participate in the Rights Offering shall receive no distribution whatsoever on account of its Allowed Unsecured Notes Claim; *provided, that*, if the Plan is subsequently amended at any time to provide for a consensual distribution to holders of Existing BBEP Equity Interests, then such holders shall receive a distribution in the amount agreed upon among the Debtors, the Requisite Consenting Second Lien Creditors, the Requisite Commitment Parties, and the Creditors' Committee that is no less favorable than any distribution to holders of Existing BBEP Equity Interests.

Class 5B: Each holder of an Allowed Unsecured Notes Claim as of the Rights Offering Record Date that certifies, to the reasonable satisfaction of the Debtors in consultation with the Requisite Commitment Parties and the Creditors' Committee, and subject to the rights of the Requisite Commitment Parties under Section 7.D of the Rights Offering Procedures, that it is not an Eligible Offeree shall receive through the AUNC Trust a number of shares of New Permian Corp. Shares having a value, based on the Permian Stock Value, equal to 4.5% of its Allowed Unsecured Notes Claim. Notwithstanding the foregoing, any Receiving AUNC Holder shall have the option to elect on the Ballot to receive instead Cash in the amount of 4.5% of its Allowed Unsecured Notes Claim with respect to any Senior Unsecured Notes held by it that have been held only by an Entity that is not an Eligible Offeree during the period from and after the Rights Offering Record Date through the Effective Date; *provided, that*, the sum of (a) the aggregate value of New Permian Corp. Shares distributed to the Receiving AUNC Holders and (b) the aggregate amount of Cash distributed to those Receiving AUNC Holders electing to receive Cash as provided in this paragraph, shall not exceed the AUNC Cap, and to the extent that the AUNC Cap would otherwise be exceeded by the distribution to those receiving New Permian Corp. Shares and Cash, each shall be reduced ratably so as to eliminate such excess.

Any New Permian Corp. Shares issued to a Receiving AUNC Holder shall be issued to the AUNC Trust (as defined in Section 6.20 of the Plan). New Permian Corp. Shares issued pursuant to Section 4.5(c) of the Plan shall dilute all other New Permian Corp. Shares issued pursuant to the Plan, but are subject to dilution from any New Permian Corp. Shares issued on (other than pursuant to the Plan) or after the Effective Date, including pursuant to the New Permian Corp. Management Incentive Plan or similar arrangement.

If a holder of an Allowed Unsecured Notes Claim that is not an Eligible Offeree does not comply with the requirements set forth in the Rights Offering Procedures, then such holder of an Allowed Unsecured Notes Claim shall be deemed to have forever and irrevocably relinquished and waived the right to receive a distribution under the Plan.

In addition to the foregoing, there shall be the Additional Cash Distribution in an amount equal to the Unsecured Notes Indenture Trustee's reasonable and documented fees and expenses incurred in connection with the Chapter 11 Cases, not to exceed \$1,050,000 as to both Class 5A and Class 5B; *provided, that* (a) the Unsecured Notes Indenture Trustee shall be entitled to exercise its charging lien solely against such Additional Cash Distribution, (b) the Unsecured Notes Indenture Trustee shall, fifteen (15) days prior to the Confirmation Hearing, deliver to the attorneys for the Debtors, the Unsecured Senior Notes Groups, the Second Lien Group, and the Creditors' Committee (the "**Reviewing Parties**") invoices (including an estimate of fees to be incurred thereafter through the Effective Date) which sets forth and documents the reasonable fees and expenses of the Unsecured Notes Indenture Trustee and its counsel and agents, which invoices may be redacted to preserve privilege and/or confidentiality, (c) after delivery of the invoices, the Reviewing Parties shall have five (5) Business Days to review such invoices and raise any objection, in writing, to the reasonableness of the fees and expenses, and (d) if the Unsecured Notes Indenture Trustee and the Reviewing Parties are unable to resolve such an objection on a consensual basis within five (5) Business Days after such written objection has been submitted to the Unsecured Notes Indenture Trustee, then one or more of the Reviewing Parties may file with the Court such objection and the Court shall adjudicate the matter at the Confirmation Hearing; *provided, further, that* if the Additional Cash Distribution is less than

\$1,050,000 (for any reason), such excess Cash shall be retained by LegacyCo. Under no circumstances shall the aggregate amount of the fees and expenses sought by the Unsecured Notes Indenture Trustee exceed \$1,050,000.

For the avoidance of doubt, holders of Class 5A and Class 5B Unsecured Notes Claims shall not have any right to receive (or elect to receive) any recovery provided for Class 6 General Unsecured Claims in the Plan.

6. Class 6 – General Unsecured Claims.

Except to the extent a holder of an Allowed General Unsecured Claim and the Debtors or the Reorganized Debtors, as applicable, agree to less favorable treatment, each holder of an Allowed General Unsecured Claim shall receive, on the Initial Distribution Date and Final Distribution Date, as applicable, in full satisfaction of such Claim, its Pro Rata share of the GUC Cash Pool (such Pro Rata share to be calculated taking into account any Claims in Class 6 that receive New Permian Corp. Shares as provided below); *provided*, that, any holder of an Allowed General Unsecured Claim in Class 6 with an Allowed Claim equal to or more than \$1 million who is able to hold New Permian Corp. Shares through the facilities of DTC shall have the right to elect on its Ballot to receive on the Initial Distribution Date and Final Distribution Date a distribution of New Permian Corp. Shares through DTC having a value, based on the Permian Stock Value, equal to 4.5% of its Allowed General Unsecured Claim; *provided*, further, that the aggregate amount of such New Permian Corp. Shares distributed to Receiving GUC Holders shall not exceed the GUC Stock Cap. To the extent that the New Permian Corp. Shares that would otherwise be issued under this paragraph exceeds the GUC Stock Cap, the distribution to such holders shall be reduced ratably to eliminate such excess. The amount of Cash from the GUC Cash Pool that otherwise would have been distributed to any such holder of a General Unsecured Claim that elects to receive New Permian Corp. Shares shall be distributed to New Permian Corp.

Any New Permian Corp. Shares issued to holders of Allowed General Unsecured Claims shall be issued through DTC. New Permian Corp. Shares issued pursuant to Section 4.6 of the Plan shall dilute all other New Permian Corp. Shares issued pursuant to the Plan, but are subject to dilution from any New Permian Corp. Shares issued on (other than pursuant to the Plan) or after the Effective Date, including pursuant to the New Permian Corp. Management Incentive Plan or similar arrangement.

7. Class 7A – Ongoing Trade Claims of LegacyCo.

Except to the extent that a holder of an Allowed Ongoing Trade Claim of LegacyCo and the Debtors or Reorganized Debtors (other than New Permian Corp. and New Permian LLC), as applicable, with the consent of the Requisite Consenting Second Lien Creditors, agree to less favorable treatment, each holder of an Allowed Ongoing Trade Claim of LegacyCo shall receive Cash from the Rights Offering Proceeds and Minimum Allocation Rights Proceeds in an amount equal to such Allowed Ongoing Trade Claim of LegacyCo on the Effective Date.

To the extent that an Ongoing Trade Claim of LegacyCo: (a) will benefit New Permian Corp. post-Effective Date or benefits Permian Assets (whether before or after the Effective Date) and

(b) will benefit LegacyCo or benefits Legacy Assets (whether before or after the Effective Date), such Ongoing Trade Claim of LegacyCo shall be paid its Cash distribution as a Class 7A Claim and New Permian Corp. shall reimburse LegacyCo for its pro rata share of all such amounts pursuant to the terms of the Transition Services Agreement.

8. Class 7B – Ongoing Trade Claims of New Permian Corp.

Except to the extent that a holder of an Allowed Ongoing Trade Claim of New Permian Corp. and New Permian Corp. with the consent of the Requisite Commitment Parties, agree to less favorable treatment, each holder of an Allowed Ongoing Trade Claim of New Permian Corp. shall receive Cash, payable from the Rights Offering Proceeds and Minimum Allocation Rights Proceeds in an amount equal to such Allowed Ongoing Trade Claim of New Permian Corp. on the Effective Date.

9. Class 8 – Intercompany Claims.

All Allowed Intercompany Claims shall either be (a) canceled (or otherwise eliminated) and receive no distribution under the Plan or (b) Reinstated, in each case as determined by the Debtors or the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), as applicable, with the consent of the Requisite Consenting Second Lien Creditors.

10. Class 9 – Subordinated Claims.

Subordinated Claims are subordinated pursuant to the Plan and section 510 of the Bankruptcy Code. The holders of Subordinated Claims shall not receive or retain any property under the Plan on account of such Claims, and the obligations of the Debtors and the Reorganized Debtors on account of Subordinated Claims shall be discharged.

11. Class 10 – Intercompany Interests.

All Allowed Intercompany Interests shall either be (a) canceled (or otherwise eliminated) and receive no distribution under the Plan or (b) Reinstated, in each case as determined by the Debtors or the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), as applicable, with the consent of the Requisite Consenting Second Lien Creditors.

12. Class 11 – Existing BBEP Equity Interests.

On the Effective Date, all Existing BBEP Equity Interests shall be canceled without further action by or order of the Bankruptcy Court and all holders of Existing BBEP Equity Interests shall not receive or retain any property under the Plan.

D. Nonconsensual Confirmation

The Bankruptcy Code permits the Bankruptcy Court to confirm a chapter 11 plan over the dissent of any class of claims or equity interests if the standards in section 1129(b) are met. This power to confirm a plan over dissenting classes – often referred to as “cram down” – is an important part of the reorganization process. It assures that no single group (or multiple groups)

of Claims or Interests can block a restructuring that otherwise meets the requirements of the Bankruptcy Code and is in the interests of the other constituents in these cases.

As noted above, certain Classes are deemed to reject the Plan and will not vote. Additionally, a voting Class under the Plan may not vote to accept the Plan. The Debtors reserve the right to undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code as to each dissenting Class.

E. Administrative Expenses and Priority Tax Claims

To confirm the Plan, Allowed Administrative Expenses must be paid in full or in a manner otherwise agreeable to the holders of such Claims. Administrative Expenses are the actual and necessary costs and expenses of the Chapter 11 Cases. Those expenses include compensation for individuals working on behalf of the Debtors, amounts owed to vendors providing goods and services during the Chapter 11 Cases, tax obligations incurred after the Petition Date, 503(b)(9) Claims, management costs, and certain statutory fees and expenses. Other Administrative Expenses include the actual, reasonable, necessary, and unpaid fees and expenses of the professionals retained by the Debtors, the Creditors' Committee, and the Equity Committee.

1. Administrative Expenses

Consistent with the requirements of the Bankruptcy Code, the Plan generally provides for Allowed Administrative Expenses to be paid in full on the Effective Date; *provided however*, Allowed Administrative Expenses against any of the Debtors representing liabilities incurred in the ordinary course by the Debtors, as debtors in possession, or liabilities arising under loans or advances to or other obligations incurred by any of the Debtors, as debtors in possession, regardless of whether incurred in the ordinary course, shall be paid by the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) in the ordinary course, consistent with past practice and in accordance with the terms and subject to the conditions of any agreements governing, instruments evidencing, or other documents relating to such transactions.

2. Professional Fee Claims

Administrative Expenses relating to compensation of the professionals retained by the Debtors, the Creditors' Committee, and the Equity Committee will, unless otherwise agreed by the claimant, be paid after entry of an order allowing such Administrative Expenses from the Professional Fee Escrow Account. Before the Effective Date, the Debtors shall establish and fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Reserve Amount. The Professional Fee Escrow Account shall be maintained in trust solely for the Professionals, and shall be treated as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) for U.S. federal income tax purposes (with the Professionals as the grantors thereof). Such funds shall not be considered property of the estates of the Debtors or the Reorganized Debtors. The amount of Professional Fee Claims owing to the Professionals shall be paid in Cash to such Professionals by the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) from the Professional Fee Escrow Account as soon as reasonably practicable after such Professional Fee Claims are Allowed by a Final Order. When all such Allowed amounts owing to Professionals have been paid in full, any remaining amount in the Professional Fee

Escrow Account shall promptly be paid to the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), without any further action or order of the Bankruptcy Court.

3. DIP Facility Claims

In full and final satisfaction, settlement, release, and discharge of, and in exchange for, the Allowed DIP Facility Claims (subject to the last sentence of this paragraph), such Allowed DIP Facility Claims shall be paid in full in Cash by the Debtors on the Effective Date equal to the Allowed amount of such DIP Facility Claims and all commitments under the DIP Facility Documents shall terminate. Upon the indefeasible payment or satisfaction in full in Cash of the DIP Facility Claims (other than any DIP Facility Claims based on the Debtors' contingent obligations under the DIP Facility Documents for which no claim has been made) in accordance with the terms of the Plan, on the Effective Date, all Liens granted to secure such obligations automatically shall be terminated and of no further force and effect. The Debtors' contingent or unliquidated obligations under the DIP Facility Documents, to the extent not indefeasibly paid in full in Cash on the Effective Date or otherwise satisfied by the Debtors in a manner acceptable to the DIP Facility Agent, any affected DIP Facility Lender, or any other holder of a DIP Facility Claim, as applicable, shall survive the Effective Date and shall not be released or discharged pursuant to the Plan or Confirmation Order, notwithstanding any provision hereof or thereof to the contrary.

4. Priority Tax Claims

Except to the extent that LegacyCo and a holder of an Allowed Priority Tax Claim against any of the Debtors agree to a different treatment of such Claim, each holder of an Allowed Priority Tax Claim shall receive, at the option of the Debtors or Reorganized Debtors (other than New Permian Corp. and New Permian LLC), as applicable, with the consent of the Requisite Consenting Second Lien Creditors, (a) Cash in an amount equal to such Allowed Priority Tax Claim on the Effective Date, or (b) Cash, in equal semi-annual installments commencing on the first (1st) Business Day following the Effective Date (or as soon thereafter as is reasonably practicable after such Claim becomes an Allowed Priority Tax Claim) and continuing over a period not exceeding five (5) years from and after the Petition Date, together with interest accrued thereon at the applicable nonbankruptcy rate, which as to any Allowed Priority Tax Claim of the Internal Revenue Service on behalf of the United States shall be the applicable rate specified by the Tax Code, as of the Confirmation Date, applied pursuant to section 511 of the Bankruptcy Code, subject to the sole option of the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) to prepay the entire amount of the Allowed Priority Tax Claim. All Allowed Priority Tax Claims against any of the Debtors that are not due and payable on or before the Effective Date shall be paid in the ordinary course as such obligations become due.

F. Means for Implementation and Execution of the Plan

1. General Settlement of Claims and Interests

The Plan shall be deemed a motion to approve the good-faith compromise and settlement pursuant to which the Debtors, and the holders of Claims against or Interests in the Debtors settle

all Claims, Interests, and Causes of Action pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan. The Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise, settlement, and release of all such Claims, Interests, and Causes of Action, as well as a finding by the Bankruptcy Court that all such compromises, settlements, and releases are mutual and bi-directional and are in the best interests of the Debtors, their estates, and the holders of Claims, Interests, and Causes of Action, and is fair, equitable, and reasonable. In accordance with the provisions of the Plan, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors, as applicable, may compromise and settle all Claims and Causes of Action against, and Interests in, the Debtors and their estates. The compromises, settlements, and releases described herein shall be deemed nonseverable from each other and from all other terms of the Plan. Subject to Article V of the Plan, all distributions made to holders of Allowed Claims in any Class are intended to be and shall be final.

2. Continued Corporate Existence

Except as otherwise provided in the Plan (including pursuant to the Restructuring Transactions), the Debtors (other than BBEP) shall continue to exist after the Effective Date as Reorganized Debtors in accordance with the applicable laws of the respective jurisdictions in which they are incorporated or organized and pursuant to the New Organizational Documents. On or after the Effective Date, without prejudice to the rights of any party to a contract or other agreement with any Reorganized Debtor, each Reorganized Debtor may, in its sole discretion, take such action as permitted by applicable law and such Reorganized Debtor's organizational documents, as such Reorganized Debtor may determine is reasonable and appropriate, including causing: (a) a Reorganized Debtor to be merged into another Reorganized Debtor or an affiliate of a Reorganized Debtor; (b) a Reorganized Debtor to be dissolved; (c) the legal name of a Reorganized Debtor to be changed; or (d) the closure of a Reorganized Debtor's Chapter 11 Case on the Effective Date or any time thereafter.

On the Effective Date, the Reorganized Debtors may take all actions as may be necessary or appropriate to effect any transaction described in, approved by, or necessary or appropriate to effectuate the Plan, including: (a) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, dissolution, or liquidation containing terms that are consistent with the terms of the Plan and the Plan Documents and that satisfy the requirements of applicable law and any other terms to which the applicable entities may agree; (b) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan and having other terms to which the applicable parties agree; (c) the filing of appropriate certificates or articles of incorporation and amendments thereto, reincorporation, merger, consolidation, conversion, or dissolution pursuant to applicable law; (d) the Restructuring Transactions; and (e) all other actions that the applicable entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law.

3. Authorization, Issuance, and Delivery of LegacyCo Units and New Permian Corp. Shares.

On and after the Effective Date, LegacyCo is authorized to issue, or cause to be issued, and shall issue the LegacyCo Units to BBEP in accordance with the LegacyCo Contribution Agreement for distribution and transfer in accordance with the terms of the Plan, the Exchange Agreement and the Backstop Commitment Agreement without the need for any further corporate, limited liability company, or equity holder action.

On the Effective Date, New Permian LLC is authorized to issue, or cause to be issued, and shall issue the New Permian LLC Equity to BBEP in accordance with the Permian Contribution Agreement, and BBEP is authorized to transfer the New Permian LLC Equity, in accordance with the terms of the Plan, the Exchange Agreement and the Backstop Commitment Agreement without the need for any further corporate, limited liability company, or equity holder action.

On the Effective Date, and in accordance with the Backstop Commitment Agreement, the Rights Offering Procedures, the Restructuring Term Sheet and the Plan, New Permian Corp. shall issue the New Permian Corp. Shares in accordance therewith.

4. Cancellation of Existing Securities and Agreements

Except for the purpose of enabling holders of Allowed Claims to receive a distribution under the Plan as provided herein and except as otherwise set forth in the Plan, the Plan Supplement, or the Confirmation Order, on the Effective Date, all 7.875% Unsecured Notes and the 7.875% Unsecured Notes Indenture, all 8.625% Unsecured Notes and the 8.625% Unsecured Notes Indenture, all Secured Notes and the Secured Notes Indenture (in each case, only upon receipt of all the distributions set forth in the Plan on account of Unsecured Notes Claims or Secured Notes Claims, as applicable), and all agreements, instruments, and other documents evidencing any prepetition Claim or Existing BBEP Equity Interest and any rights of any holder in respect thereof shall be deemed canceled, discharged, and of no force or effect. The holders of or parties to such canceled instruments, Securities, and other documentation will have no rights arising from or related to such instruments, Securities, or other documentation or the cancellation thereof, except the rights provided for pursuant to the Plan.

The Unsecured Notes Indenture Trustee shall be released and discharged from all duties and responsibilities under the respective Unsecured Notes Indentures; *provided*, that notwithstanding the releases at Section 10.9 of the Plan, entry of the Confirmation Order or the occurrence of the Effective Date, each of the Unsecured Notes Indentures and any such Unsecured Notes Indenture or agreement that governs the rights of the holder of a Claim or Interest shall continue in effect to the extent necessary to: (a) enforce the rights, Claims, and interests of the Unsecured Notes Indenture Trustee thereto vis-a-vis any parties other than the Released Parties; (b) allow the holders of Allowed Unsecured Notes Claims, as applicable, to receive distributions under the Plan, to the extent provided for under the Plan; (c) maintain and exercise the Unsecured Notes Indenture Trustee's respective Charging Liens solely to the extent provided for in Section 4.5(d) of the Plan; (d) appear to be heard in the Chapter 11 Cases or in any proceedings in the Bankruptcy Court or any other court; (e) preserve any rights of the Unsecured Notes Indenture Trustee to payment of fees, expenses, and indemnification obligations from or on any money or

property to be distributed in respect of the Allowed Unsecured Notes Claims; (f) permit the Unsecured Notes Indenture Trustee to seek compensation and reimbursement of any reasonable and documented fees and expenses (including the reasonable and documented fees and expenses of its counsel and agents) incurred after the Effective Date in connection with the implementation of the Plan; and (g) enforce any obligation owed to the Unsecured Notes Indenture Trustee under the Plan.

The Secured Notes Indenture Trustee shall be released from all duties under the Secured Notes Indenture; *provided*, that notwithstanding entry of the Confirmation Order or the occurrence of the Effective Date, the Secured Notes Indenture shall continue in effect to the extent necessary to: (a) enforce the rights, Claims, and interests of the Secured Notes Indenture Trustee thereto vis-a-vis any parties other than the Released Parties; (b) allow the holders of Allowed Secured Notes Claims, as applicable, to receive distributions under the Plan from the Secured Notes Indenture Trustee or from any other source, to the extent provided for under the Plan; (c) preserve any rights of the Secured Notes Indenture Trustee to payment of fees, expenses, and indemnification obligations from or on any money or property to be distributed in respect of the Allowed Secured Notes Claims; and (d) enforce any obligation owed to the Secured Notes Indenture Trustee under the Plan.

5. Cancellation of Certain Existing Security Agreements

Upon the full payment or other satisfaction of an Allowed Other Secured Claim, or promptly thereafter, the holder of such Allowed Other Secured Claim shall deliver to the Debtors or Reorganized Debtors (other than New Permian Corp. and New Permian LLC), as applicable, any Collateral or other property of a Debtor held by such holder, together with any termination statements, instruments of satisfaction, or releases of all security interests with respect to its Allowed Other Secured Claim that may be reasonably required to terminate any related financing statements, mortgages, mechanics' or other statutory Liens, or lis pendens, or similar interests or documents.

6. Rights Offering and Minimum Allocation Rights

The New Permian Corp. Shares shall be issued to the Eligible Offerees that exercise their respective Subscription Rights, pursuant to the Rights Offering Procedures and the Plan. The consummation of the Rights Offering is conditioned on the occurrence of the Effective Date, and any other condition specified in the Backstop Commitment Agreement. Amounts held by the Rights Offering Subscription Agent (as defined in the Backstop Commitment Agreement) with respect to the Rights Offering prior to the Effective Date shall not be entitled to any interest on account of such amounts and no Eligible Offeree participating in the Rights Offering shall have any rights in the New Permian Corp. Shares until the Rights Offering is consummated.

In accordance with the Backstop Commitment Agreement and subject to the terms and conditions thereof, each of the Backstop Parties has agreed, severally but not jointly, to (a) exercise its Minimum Allocation Rights, and (b) purchase, on or prior to the Effective Date,

its respective Final BCA Percentage (as defined in the Backstop Commitment Agreement) of the Unsubscribed Securities (as defined in the Backstop Commitment Agreement).

In exchange for providing the commitment to exercise the Minimum Allocation Rights and the backstop commitment for the Rights Offering, the Backstop Parties will receive the Put Option Premium in accordance with the terms of the Backstop Commitment Agreement, the Backstop Approval Order, and the Plan.

The Debtors shall offer the Minimum Allocation Rights to the Backstop Parties in accordance with the Backstop Commitment Agreement, pursuant to documentation acceptable to the Debtors, the Requisite Commitment Parties and the Requisite Consenting Second Lien Creditors.

The New Permian Corp. On or prior to the Effective Date (or as soon as practicable thereafter), the following transactions shall occur in the following order, and the Debtors or Reorganized Debtors (as applicable) may take all actions necessary or appropriate to effectuate such transactions:

- (a) After entry of the Confirmation Order but prior to the Effective Date, and in anticipation of the Permian Corp. Asset Acquisition, the Backstop Parties pursuant to the Backstop Commitment Agreement shall (i) form New Permian Corp., (ii) cause New Permian Corp. to conduct the Rights Offering, and (iii) cause New Permian Corp. to enter into the Exchange Agreement with BBEP pursuant to which New Permian Corp. shall agree to acquire all of the New Permian LLC Equity on and subject to the occurrence of the Effective Date in consideration for conducting the Rights Offering, \$775 million (less the amount of the Minimum Cash Balance), an amount of New Permian Corp. Shares necessary to satisfy distributions pursuant to Sections 4.5(c) and 4.6 with respect to Allowed Claims as of the Effective Date, and the assumption of the obligation to issue New Permian Corp. Shares with respect to, or on account of, Disputed General Unsecured Claims as to which the holder elected to receive New Permian Corp. Shares.
- (b) On the Effective Date and in accordance with the provisions hereof, the Backstop Commitment Agreement and the Rights Offering, New Permian Corp. shall close the Rights Offering. Immediately thereafter, the Rights Offering and Minimum Allocation Rights Proceeds shall be released to New Permian Corp. and New Permian Corp. shall issue New Permian Corp. Shares to those Eligible Offerees that have validly exercised the Subscription Rights and to the Backstop Parties, as applicable, including in respect of the Minimum Allocation Rights and the Put Option Premium. Concurrent therewith (but not prior to), New Permian Corp. shall also issue, and on behalf of BBEP distribute, New Permian Corp. Shares pursuant to Sections 4.5(c) and 4.6, as applicable, with respect to Allowed Claims as of the Effective Date (other than any shares to be held back in respect of Disputed General Unsecured Claims in accordance with Article VII of the Plan).
- (c) On the Effective Date, (i) BBEP shall contribute the Legacy Contributed Assets to LegacyCo in exchange for LegacyCo Units representing all of the equity capital of LegacyCo pursuant to the LegacyCo Contribution Agreement (the “**Legacy Asset Transfer**”), and (ii) BBEP shall contribute the Permian Assets to New Permian LLC in exchange for all of the New Permian LLC Equity pursuant to in the Permian Contribution Agreement (the “**Permian Asset Transfer**”). Such transfers shall be accompanied by the assumption by LegacyCo or New Permian LLC, as applicable, of certain liabilities and obligations as provided in the LegacyCo Contribution Agreement or Permian Contribution Agreement, as

applicable, the Plan or the Confirmation Order, or as otherwise agreed between BBEP and LegacyCo or New Permian LLC, as applicable. Immediately after the Legacy Asset Transfer and the Permian Asset Transfer, BBEP shall be the sole member of LegacyCo and New Permian LLC. Each of LegacyCo and New Permian LLC shall be disregarded as an entity separate from BBEP for U.S. federal income tax purposes at all times on or before the Effective Date (including immediately after the Legacy Asset Transfer and the Permian Asset Transfer), unless, as to LegacyCo, the Requisite Consenting Second Lien Creditors determine (in their sole discretion) that LegacyCo elect to be treated as a corporation for U.S. federal income tax purposes (the “**Corporation Election**”).

- (d) On the Effective Date, BBEP shall simultaneously (i)(A) distribute 92.5% of the LegacyCo Units received in consideration for the Legacy Asset Transfer to holders of Allowed Secured Notes Claims in satisfaction and discharge of their Claims as provided in Section 4.4(b) of the Plan, and (B) transfer 7.5% of the LegacyCo Units received in consideration for the Legacy Asset Transfer to New Permian Corp. pursuant to the Exchange Agreement (the “**LegacyCo Distribution and Transfer**”), and (ii) transfer to New Permian Corp. pursuant to the Exchange Agreement all of the New Permian LLC Equity received in consideration for the Permian Asset Transfer. Pursuant to the Exchange Agreement, and in consideration for the foregoing transfers to New Permian Corp., New Permian Corp. shall pay to BBEP \$775 million (less the amount of the Minimum Cash Balance) an amount of New Permian Corp. Shares necessary to satisfy distributions pursuant to Sections 4.5(c) and 4.6 with respect to Allowed Claims as of the Effective Date, and the assumption of the obligation to issue New Permian Corp. Shares with respect to, or on account of, Disputed General Unsecured Claims as to which the holder elected to receive New Permian Corp. Shares (the “**Permian Corp. Asset Acquisition**”). Upon formation, and at the time of the Legacy Asset Transfer, LegacyCo shall be treated as a disregarded entity for U.S. federal income tax purposes, such that BBEP will still be regarded prior to the LegacyCo Distribution and Transfer as owning the LegacyCo Contributed Assets, unless the Requisite Consenting Second Lien Creditors effect the Corporation Election. Accordingly, for U.S. federal income tax purposes, the Debtors, LegacyCo, all holders of Allowed Secured Notes Claims and New Permian Corp. shall (absent the Corporation Election) treat the LegacyCo Distribution and Transfer as (i) a distribution and transfer of the Legacy Contributed Assets, subject to certain liabilities and obligations, in a taxable exchange to the holders of Allowed Secured Notes Claims and New Permian Corp., followed by (ii) the contribution of the Legacy Contributed Assets, subject to such liabilities and obligations, by the holders of Allowed Secured Notes Claims and New Permian Corp. to LegacyCo with LegacyCo being treated as a newly formed partnership for U.S. federal income tax purposes, unless otherwise required pursuant to a “final determination” to the contrary within the meaning of section

1313(a) of the Tax Code. Upon formation, and at the time of the Permian Corp. Asset Acquisition, New Permian LLC shall be treated as a disregarded entity for U.S. federal income tax purposes, such that BBEP will still be regarded prior to the Permian Corp. Asset Acquisition as owning the Permian Assets (which will be transferred to New Permian LLC pursuant to the Permian Contribution Agreement). Accordingly, for U.S. federal income tax purposes, the Debtors, New Permian LLC and New Permian Corp. shall treat the Permian Corp. Asset Acquisition as a taxable purchase of the underlying Permian Assets unless otherwise required pursuant to a “final determination” to the contrary within the meaning of section 1313(a) of the Tax Code.

- (e) BBEP shall use the Cash consideration received pursuant to the Exchange Agreement (together with any Cash otherwise available) to satisfy any Cash distributions and other payments to be made on the Effective Date pursuant to or in connection with the Plan and Confirmation Order.

Notwithstanding anything in the Plan to the contrary, the Restructuring Transactions may be modified or revised by the Requisite Consenting Second Lien Creditors, the Requisite Commitment Parties and the Debtors in their reasonable discretion to ensure a more tax efficient structure for holders of Secured Notes Claims and the Debtors. On or after the Effective Date, the Reorganized Debtors may take all actions consistent with the Plan as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Restructuring Transactions under and in connection with the Plan with the consent of the Requisite Consenting Second Lien Creditors and Requisite Commitment Parties.

10. Board of Directors

The LegacyCo Board shall be composed of the chief executive officer of the Debtors as of the date immediately preceding the Effective Date and such other members selected by the Requisite Consenting Second Lien Creditors in their sole discretion; *provided*, that New Permian Corp. shall have the right to appoint an observer to the LegacyCo Board subject to the conditions in the Restructuring Term Sheet. The identities of the members of the LegacyCo Board and the initial Boards of Directors of the Reorganized Debtors shall be disclosed at or prior to the Confirmation Hearing.

The New Permian Corp. Board shall be selected in accordance with the terms of the Restructuring Term Sheet.

11. Corporate Action

On the Effective Date, each of the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) will file their respective charters that are part of their New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state of incorporation or formation in accordance with the applicable laws of the respective state of incorporation or formation. The New Organizational Documents shall be consistent with section 1123(a)(6) of the Bankruptcy Code. Pursuant to section 1123(a)(6) of the

Bankruptcy Code the New Organizational Documents will prohibit the issuance of non-voting equity securities. The LegacyCo Organizational Documents shall be deemed adopted by the LegacyCo Board as of the Effective Date. After the Effective Date, the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) may amend and restate their respective New Organizational Documents and other constituent documents as permitted by the laws of their respective states of incorporation and their respective New Organizational Documents.

On the Effective Date, the adoption, filing, approval, and ratification, as necessary, of all corporate or related actions contemplated herein with respect to each of the Reorganized Debtors shall be deemed authorized and approved by each of the Reorganized Debtors, their respective boards of directors, managers, equity holders, members, or partners, as applicable, in all respects, in each case to the extent required by applicable nonbankruptcy law. Without limiting the foregoing, such actions include (a) the adoption and filing of the New Organizational Documents for each of the Reorganized Debtors, (b) the adoption and approval of the LegacyCo LLC Agreement and the LegacyCo Organizational Documents, which shall be adopted and affirmed by the board of LegacyCo Board, (c) the election or appointment, as applicable, of directors and officers for the Reorganized Debtors, and (d) the issuance of the LegacyCo Units.

All matters provided for in this Section involving the corporate structure of any Debtor or Reorganized Debtor, or any corporate or related action required by any Debtor or Reorganized Debtor in connection herewith, shall be deemed to have occurred and shall be in effect, without any requirement of further action by the Security holders or directors of such Debtor or Reorganized Debtor or by any other stakeholder, and with like effect as though such action had been taken unanimously by the Security holders and directors, managers, members, or partners, of each Debtor or Reorganized Debtor, as applicable.

12. LegacyCo Management Incentive Plan

The LegacyCo Board may adopt the LegacyCo Management Incentive Plan on or after the Effective Date.

13. New Permian Corp. Management Incentive Plan

New Permian Corp. may adopt the New Permian Corp. Management Incentive Plan, which shall be in form and substance acceptable to the New Permian Corp. Board in its sole discretion.

14. Separability

Notwithstanding the combination of separate plans of reorganization for the Debtors set forth in the Plan for purposes of economy and efficiency, the Plan constitutes a separate chapter 11 plan for each Debtor. Accordingly, if the Bankruptcy Court does not confirm the Plan with respect to one or more Debtors, it may still confirm the Plan with respect to any other Debtor that satisfies the confirmation requirements of section 1129 of the Bankruptcy Code.

15. Director, Officer, Manager, and Employee Liability Insurance

Prior to and after the Effective Date, none of the Debtors or the Reorganized Debtors shall terminate or otherwise reduce the coverage under any directors' and officers' liability insurance

policies (including any “tail policy”) with respect to conduct occurring on or prior to the Effective Date, and all officers, directors, managers, and employees of the Debtors who served in such capacity at any time after May 15, 2015 shall be entitled to the full benefits of such policies for the full six-year term of such policies regardless of whether such officers, directors, managers, or employees remain in such positions after the Effective Date.

16. Preservation of Royalty and Working Interests

Notwithstanding any other provision in the Plan, on and after the Effective Date, all Royalty and Working Interests shall be preserved and remain in full force and effect in accordance with the terms of the granting instruments or other governing documents applicable to such Royalty and Working Interests, and no Royalty and Working Interests shall be compromised or discharged by the Plan. For the avoidance of doubt and notwithstanding anything to the contrary in the preceding sentence, any right to payment arising from a Royalty and Working Interest, if any, shall (to the extent not otherwise paid pursuant to a Final Order of the Bankruptcy Court) be treated as an Ongoing Trade Claim of LegacyCo or an Ongoing Trade Claim of New Permian Corp., as applicable, under the Plan and shall not be subject to any discharge and/or release provided under the Plan.

17. Hart-Scott-Rodino Antitrust Improvements Act

Any LegacyCo Units or New Permian Corp. Shares to be distributed under the Plan to an entity required to file a premerger notification and report form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, will not be distributed until the notification and waiting periods applicable under such Act to such entity have expired or been terminated.

18. Post-Effective Date Tax Filings and Audits

Following the Effective Date, LegacyCo shall have full and exclusive authority and responsibility in respect of all taxes and tax filings of BBEP (including any audits or other proceedings) and any other liquidating Debtors, to the same extent as if LegacyCo were the Debtors. Without limiting the foregoing, on the Effective Date, a power of attorney authorizing LegacyCo to correspond with any tax authority on behalf of such Debtors and to sign, negotiate, settle, and administer any tax returns or other tax filings, and collect any tax refunds, shall be provided to LegacyCo. LegacyCo shall use commercially reasonable efforts to (a) file all tax returns and related filings consistent with the intended tax treatment of the Restructuring Transactions, (b) not take any tax position inconsistent therewith, and (c) if any such tax returns or related filings or tax position is challenged, diligently defend such matters.

19. AUNC Trust

The New Permian Corp. Shares to be issued to Receiving AUNC Holders pursuant to Section 4.5(c) of the Plan shall be issued to a trust that shall engage in no business other than holding such shares and engaging in the activities incidental thereto (the “**AUNC Trust**”). The AUNC Trust shall be structured so as not to be subject to the Securities Act of 1933, the Securities Exchange Act of 1934, or the Investment Company Act of 1940.

The interests in the AUNC Trust shall be held by the Receiving AUNC Holders and on a Pro Rata basis based on their respective holdings of the New Permian Corp. Shares.

The interests in the AUNC Trust may not be transferred at any time and shall be totally passive. The trustee of the AUNC Trust, the terms of the trustee's engagement, and the documents governing the AUNC Trust, shall be reasonably acceptable to the Requisite Commitment Parties, the Creditors' Committee, and, after the Effective Date, New Permian Corp. On the seventh anniversary of the AUNC Trust, the trust shall terminate and the shares of New Permian Corp. held by the AUNC Trust shall be distributed to the beneficiaries of the AUNC Trust.

From and after the Effective Date, New Permian Corp. shall be responsible for up to \$300,000 of fees and expenses of the AUNC Trust in the aggregate as and when incurred. New Permian Corp. shall otherwise not be responsible for any fees, expenses or other liabilities or monetary obligations arising under the AUNC Trust.

Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt of an adverse determination by the IRS upon audit if not contested by trustee of the AUNC Trust), for all United States federal income tax purposes, all parties (including, without limitation, the Debtors, LegacyCo, New Permian Corp. and all holders of Allowed Claims) shall treat the AUNC Trust as a "trust" within the meaning of Treas. Reg. § 301.7701-4(c), and shall treat the transfer of New Permian Corp. Shares to the AUNC Trust as (a) a direct transfer to Receiving AUNC Holders for whose benefit such shares were issued, followed by (b) the transfer by such persons to the AUNC Trust in exchange for their beneficial interest therein. Accordingly, except in the event of contrary definitive guidance, AUNC Trust beneficiaries shall generally be treated for United States federal income tax purposes as the grantors and owners of their respective portions of the underlying assets of the AUNC Trust. The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes, and for purposes of securities laws.

G. Provisions Governing Distributions

1. No Postpetition Interest on Claims

Except as otherwise specifically provided for in the Plan, or the Confirmation Order, or another order of the Bankruptcy Court or required by the Bankruptcy Code, postpetition or default interest shall not accrue or be paid on any Claims, and no holder of a Claim shall be entitled to interest accruing on such Claim on or after the Petition Date; *provided that* this provision shall not apply to the Secured Notes Claims.

2. Date of Distributions

Unless otherwise provided in the Plan, any distributions and deliveries to be made under the Plan shall be made on the Effective Date; *provided, that* the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) may implement periodic distribution dates to the extent they determine them to be appropriate.

3. Distribution Record Date

As of the close of business on the Distribution Record Date, the various lists of holders of Claims in each Class, as maintained by the Debtors or their agents, shall be deemed closed, and there shall be no further changes in the record holders of any Claims after the Distribution Record Date. None of the Debtors, the Reorganized Debtors, or the Disbursing Agent shall have any obligation to recognize any transfer of a Claim occurring after the close of business on the Distribution Record Date. In addition, with respect to payment of any Cure Amounts or disputes over any Cure Amounts, none of the Debtors, the Reorganized Debtors, or the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable executory contract or unexpired lease, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

4. Delivery of Distributions

The Disbursing Agent will make the applicable distribution under the Plan and, subject to Bankruptcy Rule 9010, will make all distributions to any holder of an Allowed Claim as and when required by the Plan at: (a) the address of such holder on the books and records of the Debtors or their agents; or (b) at the address in any written notice of address change delivered to the Debtors or the Disbursing Agent, including any addresses included on any transfers of Claim filed pursuant to Bankruptcy Rule 3001. In the event that any distribution to any holder is returned as undeliverable, no distribution or payment to such holder shall be made unless and until the Disbursing Agent has been notified of the then current address of such holder, at which time or as soon thereafter as reasonably practicable, such distribution shall be made to such holder without interest. Neither the Unsecured Notes Indenture Trustee nor the Secured Notes Indenture Trustee shall incur any liability on account of the making of any distribution under the Plan except for gross negligence or willful misconduct.

Except as otherwise provided in the Plan, all distributions to Holders of Secured Notes Claims shall be made by the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) to the Holders of Secured Notes Claims of record as of the Distribution Record Date.

The Disbursing Agent, with the Unsecured Notes Indenture Trustee's cooperation, shall make the distributions, if any, on account of the Class 5A and Class B Claims, provided that the Unsecured Notes Indenture Trustee's Charging Lien shall not attach to any property to be distributed by the Unsecured Notes Indenture Trustee or in respect of the Unsecured Notes Claims, except as expressly provided in Section 4.5(d) of the Plan. The Unsecured Notes Indenture Trustee shall have no duties or responsibility relating to any form of distribution that is not DTC eligible and the Disbursing Agent, the Debtors, or the Reorganized Debtors, as applicable, shall seek the cooperation of DTC so that any distribution on account of an Allowed Unsecured Notes Claim that is held in the name of, or by a nominee of, DTC, shall be made through the facilities of DTC on the Effective Date or as soon as practicable thereafter. The Reorganized Debtors (other than New Permian Corp. and New Permian LLC) shall reimburse the Unsecured Notes Indenture Trustee for any reasonable and documented fees and expenses (including the reasonable and documented fees and expenses of its counsel and agents) incurred after the Effective Date solely in connection with actions explicitly requested by the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) necessary for implementation

of the Plan; *provided, that*, for the avoidance of doubt, nothing in the Plan or Confirmation Order shall be considered or construed as an explicit request by the Reorganized Debtors authorizing the incurrence of fees and expenses by the Unsecured Notes Indenture Trustee.

5. Unclaimed Property

One year from the later of (a) the Effective Date and (b) the date that is ten (10) Business Days after the date a Claim is first Allowed, all distributions payable on account of Claims that are not deliverable, or have not responded to a request for information to make such delivery, and remain unclaimed shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and shall revert to the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) or their successors or assigns, and all claims of any other Entity (including the holder of a Claim in the same Class) to such distribution shall be discharged and forever barred. The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any holder of an Allowed Claim other than by reviewing the Debtors' books and records and filings with the Bankruptcy Court.

6. Satisfaction of Claims

Unless otherwise provided in the Plan, any distributions and deliveries to be made on account of Allowed Claims under the Plan shall be in complete and final satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

7. Fractional Shares and De Minimis Cash Distributions

No fractional New Permian Corp. Shares or LegacyCo Units shall be distributed. When any distribution would otherwise result in the issuance of a number of New Permian Corp. Shares or LegacyCo Units that is not a whole number, the New Permian Corp. Shares or LegacyCo Units subject to such distribution shall be rounded to the next higher or lower whole number as follows: (a) fractions equal to or greater than 1/2 shall be rounded to the next higher whole number; and (b) fractions less than 1/2 shall be rounded to the next lower whole number. The total number of New Permian Corp. Shares or LegacyCo Units to be distributed will be adjusted as necessary to account for the rounding provided for herein. No consideration will be provided in lieu of New Permian Corp. Shares or LegacyCo Units that are rounded down.

None of the Reorganized Debtors or the Disbursing Agent shall have any obligation to make a distribution that is less than one (1) New Permian Corp. Share or LegacyCo Unit, or fifty dollars (\$50.00) in Cash.

8. Allocation of Distributions between Principal and Interest

Except as otherwise required by law, consideration received in respect of an Allowed Claim shall be allocable first to the principal amount of the Claim (as determined for U.S. federal income tax purposes) and then, to the extent of any excess, to the remainder of the Claim, including any Claim for accrued but unpaid interest.

9. Exemption from Securities Laws

The issuance of and the distribution under the Plan of (a) the LegacyCo Units issued pursuant to Sections 4.4(b) of the Plan, and (b) the issuance of the New Permian Corp. Shares (i) comprising the Put Option Premium or (ii) pursuant to Sections 4.5(c) or 4.6 of the Plan, shall be exempt from registration under the Securities Act and any other applicable securities laws to the fullest extent permitted by section 1145 of the Bankruptcy Code. These Securities may be resold without registration under the Securities Act or other federal securities laws pursuant to the exemption provided by section 4(a)(1) of the Securities Act, unless the holder is an “underwriter” with respect to such Securities, as that term is defined in section 1145(b) of the Bankruptcy Code. In addition, such section 1145 exempt Securities generally may be resold without registration under state securities laws pursuant to various exemptions provided by the respective laws of the several states.

The availability of the exemption under section 1145 of the Bankruptcy Code or any other applicable securities laws shall not be a condition to the occurrence of the Effective Date.

The issuance and sale, as applicable, of the New Permian Corp. Shares pursuant to the Rights Offering and to the Backstop Parties under the Backstop Commitment Agreement (including the New Permian Corp. Shares issued pursuant to the Minimum Allocation Rights) are being made in reliance on the exemption from registration set forth in section 4(a)(2) of the Securities Act and Regulation D thereunder. Such Securities will be considered “restricted securities” and may not be transferred except pursuant to an effective registration statement or under an available exemption from the registration requirements of the Securities Act, such as, under certain conditions, the resale provisions of Rule 144 of the Securities Act.

Should New Permian Corp. elect, on or after the Effective Date, for any portion of the ownership of the New Permian Corp. Shares to be held through the facilities of the DTC, New Permian Corp. shall not be required to provide any further evidence other than the Plan or Confirmation Order with respect to the treatment of such applicable portion of the New Permian Corp. Shares, and such Plan or Confirmation Order shall be deemed to be legal and binding obligations of the Reorganized Debtors in all respects.

The DTC shall be required to accept and conclusively rely upon the Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Permian Corp. Shares are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services.

Notwithstanding anything to the contrary in the Plan, no entity (including, for the avoidance of doubt, the DTC) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Permian Corp. Shares are exempt from registration and/or eligible for DTC book entry delivery, settlement, and depository services.

10. Setoffs and Recoupments

Each Debtor or Reorganized Debtor, as applicable, or such Entity’s designee, may, in consultation with the Second Lien Group, pursuant to section 553 of the Bankruptcy Code or

applicable nonbankruptcy law, offset or recoup against any Allowed Claim (other than any Allowed Revolving Facility Claims, DIP Facility Claims, Allowed Secured Notes Claims, or Allowed Unsecured Notes Claims) and the distributions to be made pursuant to the Plan on account of such Allowed Claim (other than any Allowed Revolving Facility Claims, DIP Facility Claims, Allowed Secured Notes Claims, or Allowed Unsecured Notes Claims) any and all Claims, rights, and Causes of Action that such Debtor or Reorganized Debtor or its successors may hold against the holder of such Allowed Claim; *provided*, that neither the failure to effect a setoff or recoupment nor the allowance of any Claim hereunder will constitute a waiver or release by a Debtor or Reorganized Debtor or its successor of any Claims, rights, or Causes of Action that any such entity or its successor or assign may possess against such holder.

11. Withholding and Reporting Requirements

In connection with the Plan and all distributions made hereunder, the Reorganized Debtors and the Disbursing Agent shall comply with all applicable withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all distributions under the Plan shall be subject to any such withholding or reporting requirements. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and sell such withheld property to generate Cash necessary to pay over the withholding tax. Any amounts withheld pursuant to the preceding sentence shall be deemed to have been distributed to and received by the applicable recipient for all purposes of the Plan.

Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on such holder by any federal, state, local, or foreign taxing authority, including income, withholding, and other tax obligations, on account of such distribution. The Reorganized Debtors and the Disbursing Agent have the right, but not the obligation, to not make a distribution until such holder has made arrangements satisfactory to any issuing or disbursing party for payment of any such tax obligations.

The Reorganized Debtors and the Disbursing Agent may require, as a condition to receipt of a distribution, that the holder of an Allowed Claim provide any information necessary to allow the distributing party to comply with any such withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority. If the Reorganized Debtors or the Disbursing Agent make such a request and the holder fails to comply before the date that is 180 days after the request is made, the amount of such distribution shall irrevocably revert to the applicable Reorganized Debtor and any Claim in respect of such distribution shall be discharged and forever barred from assertion against such Reorganized Debtor or its respective property.

H. Procedures for Disputed Claims

1. Objections to Claims

The Reorganized Debtors (other than New Permian Corp. and New Permian LLC) shall be entitled to object to Claims. Any objections to Claims shall be served and filed on or before the later of (a) one hundred and eighty (180) days after the Effective Date and (b) such later date as

may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown).

2. Resolution of Disputed Administrative Expenses and Disputed Claims

On and after the Effective Date, the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), in consultation with the Second Lien Group, shall have the authority to compromise, settle, otherwise resolve, or withdraw any objections to Administrative Expenses or Claims and to compromise, settle, or otherwise resolve any disputed Administrative Expenses and Disputed Claims without approval of the Bankruptcy Court, other than with respect to Administrative Expenses relating to compensation of professionals.

3. Payments and Distributions with Respect to Disputed Claims

Notwithstanding anything herein to the contrary, if any portion of a Claim is a Disputed Claim, no payment or distribution provided hereunder shall be made on account of such Claim unless and until such Disputed Claim becomes an Allowed Claim, and in the case of a Disputed Claim as to which the holder elected to receive a distribution of New Permian Corp. Shares, such shares shall not be issued by New Permian Corp. until such Claim has been resolved.

4. Distributions After Allowance

After such time as a Disputed Claim becomes, in whole or in part, an Allowed Claim, the holder thereof shall be entitled to distributions, if any, to which such holder is then entitled as provided in the Plan. Such distributions shall be made as soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed Claim (or portion thereof) becomes a Final Order. To the extent a Disputed Claim as to which the holder elected to receive a distribution of New Permian Corp. Shares is disallowed, the shares that would otherwise have been distributed in respect of such Claim shall be reallocated as if such Claim had been disallowed as of the Effective Date and, in accordance with the Restructuring Transactions, distributed by New Permian Corp. as soon as practicable after the date that the order or judgment of the Bankruptcy Court disallowing such Disputed Claim (or portion thereof) becomes a Final Order.

5. Disallowance of Claims

Any Claims held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or the Reorganized Debtors. All proofs of claim filed on account of an indemnification obligation to a current or former director, officer, or employee shall be deemed satisfied and expunged from the claims register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy

Court. Except as otherwise provided herein, all proofs of claim filed after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.

6. Estimation

The Debtors or Reorganized Debtors (other than New Permian Corp. and New Permian LLC), in consultation with the Second Lien Group, may determine, resolve and otherwise adjudicate all contingent Claims, unliquidated Claims and Disputed Claims in the Bankruptcy Court or such other court of the Debtors' or Reorganized Debtors' choice having jurisdiction over the validity, nature or amount thereof. The Debtors or the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), in consultation with the Second Lien Group, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose, regardless of whether any of the Debtors or the Reorganized Debtors have previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any contingent Claim, unliquidated Claim or Disputed Claim, that estimated amount shall constitute the maximum limitation on such Claim, and the Debtors or the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) may pursue supplementary proceedings to object to the ultimate allowance of such Claim; *provided*, that such limitation shall not apply to Claims requested by the Debtors to be estimated for voting purposes only. All of the aforementioned objection, estimation and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such Claim unless the holder of such Claim has filed a motion requesting the right to seek such reconsideration on or before twenty (20) calendar days after the date such Claim is estimated by the Bankruptcy Court.

7. Interest

To the extent that a Disputed Claim becomes an Allowed Claim after the Effective Date, the holder of such Claim shall not be entitled to any interest that accrued thereon from and after the Effective Date.

I. Executory Contracts and Unexpired Leases

1. General Treatment

As of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Amount, all executory contracts and unexpired leases of the Reorganized Debtors that do not relate to Employee Obligations shall be deemed assumed, unless such contract or lease (a) was

previously assumed or rejected by the Debtors, pursuant to a Final Order of the Bankruptcy Court, (b) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto, (c) is the subject of a motion to reject filed by the Debtors on or before the Confirmation Date, or (d) is specifically designated as a contract or lease to be rejected on the Schedule of Rejected Contracts.

As of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Amount, all executory contracts of BBEP shall be deemed assumed and assigned to LegacyCo or New Permian LLC, as applicable, or otherwise rejected pursuant to the terms of the Plan.

As of and subject to the occurrence of the Effective Date, all executory contracts related to Employee Obligations shall be deemed rejected, unless such contract (a) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto, (b) is the subject of a motion to reject filed by the Debtors on or before the Confirmation Date, or (c) is specifically designated as a contract to be assumed on the Schedule of Assumed Employee Obligations.

Subject to the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions, assumptions and assignments, or rejections provided for in the Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed or assumed and assigned pursuant to the Plan shall vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

2. Determination of Cure Disputes and Deemed Consent

(a) Any monetary defaults under an assumed or assumed and assigned executory contract or unexpired lease, shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount, as reflected in the applicable cure notice, in Cash on the Effective Date, subject to the limitations described below, or on such other terms as the parties to such executory contracts or unexpired leases and the Debtors may otherwise agree.

(b) At least fourteen (14) days before the Confirmation Hearing, the Debtors shall distribute, or cause to be distributed, cure notices to the applicable third parties. **Any objection by a counterparty to an executory contract or unexpired lease to the proposed assumption, assumption and assignment, or related Cure Amount must be filed, served, and actually received by the Debtors at least seven (7) days before the Confirmation Hearing.** Any counterparty to an executory contract or unexpired lease that fails to object timely to the proposed assumption, assumption and assignment, or Cure Amount will be deemed to have assented to such assumption, assumption and assignment, or Cure Amount. Notwithstanding anything herein to the contrary, in the event that any executory contract or unexpired lease is removed from the Schedule of Rejected Contracts after such 14-day deadline, a cure notice with respect to such executory contract or unexpired lease will be sent promptly to the counterparty thereof and a noticed hearing set to consider whether such executory contract or unexpired lease can be assumed or assumed and assigned, as applicable.

(c) In the event of an unresolved dispute regarding (i) any Cure Amount, (ii) the ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under the executory contract or unexpired lease to be assumed, or (iii) any other matter pertaining to assumption, assignment, or the Cure Amounts required by section 365(b)(1) of the Bankruptcy Code, such dispute shall be resolved by a Final Order of the Bankruptcy Court (which may be the Confirmation Order).

(d) If the Bankruptcy Court determines that the Cure Amount with respect to any executory contract or unexpired lease is greater than the amount set forth in the applicable cure notice, the Debtors or Reorganized Debtors, as applicable, will have the right to add such executory contract or unexpired lease to the Schedule of Rejected Contracts, in which case such executory contract or unexpired lease will be deemed rejected as of the Effective Date.

(e) Assumption or assumption and assignment of any executory contract or unexpired lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims against any Debtor or defaults by any Debtor, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed executory contract or unexpired lease at any time before the date that the Debtors assume or assume and assign such executory contract or unexpired Lease. Any proofs of claim filed with respect to an executory contract or unexpired lease that has been assumed or assumed and assigned shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

3. Rejection Damages Claims

If the rejection of an executory contract or unexpired lease hereunder results in damages to the other party or parties to such contract or lease, any Claim for such damages, if not heretofore evidenced by a timely filed proof of Claim, shall be forever barred and shall not be enforceable against the Debtors or the Reorganized Debtors, or their respective estates, properties or interests in property, unless a proof of Claim is filed with the Bankruptcy Court and served upon the Debtors or the Reorganized Debtors, as applicable, no later than thirty (30) days after the later of (a) the Confirmation Date or (b) the effective date of the rejection of such executory contract or unexpired lease, as set forth on the Schedule of Rejected Contracts or order of the Bankruptcy Court. The Confirmation Order shall constitute the Bankruptcy Court’s approval of the rejection of all the leases and contracts identified in the Schedule of Rejected Contracts.

4. Payment of Cure Amounts

To the extent that a Cure Amount relates to a contract or lease that (a) solely benefits Legacy Assets (whether before or after the Effective Date) or will solely benefit LegacyCo, or (b) solely benefits Permian Assets (whether before or after the Effective Date) or will solely benefit New Permian Corp., such Cure Amount shall be paid its Cash distribution from the Rights Offering Proceeds and Minimum Allocation Rights. To the extent that a Cure Amount relates to a contract that (x) will benefit New Permian Corp post-Effective Date or benefits Permian Assets (whether before or after the Effective Date) and (y) will benefit LegacyCo post-Effective Date or

benefits Legacy Assets (whether before or after the Effective Date), such Cure Amount shall also be paid its Cash distribution from the Rights Offering Proceeds and Minimum Allocation Rights; *provided that* New Permian Corp. shall reimburse LegacyCo for its pro rata share of all such amounts pursuant to the terms of the Transition Services Agreement.

5. Survival of the Debtors' Indemnification Obligations

Any and all obligations of the Debtors pursuant to their corporate charters, bylaws, limited liability company agreements, memorandum and articles of association, or other organizational documents (including all Indemnification Obligations) to indemnify current and former officers, directors, agents, or employees with respect to all present and future actions, suits, and proceedings against the Debtors or such officers, directors, agents, or employees based upon any act or omission for or on behalf of the Debtors shall not be discharged, impaired, or otherwise affected by the Plan; *provided*, that the Reorganized Debtors shall not indemnify any persons for any claims or Causes of Action arising out of or relating to any act or omission that is a criminal act or constitutes fraud, gross negligence, or willful misconduct. All such obligations shall be deemed and treated as executory contracts that are assumed by the Debtors under the Plan and shall continue as obligations of the Reorganized Debtors (other than New Permian Corp. and New Permian LLC). Any claim based on the Debtors' obligations herein shall not be a Disputed Claim or subject to any objection, in either case, by reason of section 502(e)(1)(B) of the Bankruptcy Code. None of the Reorganized Debtors will amend and/or restate their respective governance documents before or after the Effective Date to terminate or adversely affect any obligations to provide such indemnification rights or such directors', officers', employees', or agents' indemnification rights and New Permian Corp. shall reimburse LegacyCo for such amounts to the extent set forth in the Transition Services Agreement.

6. Employee Obligations

The Reorganized Debtors (other than New Permian Corp. and New Permian LLC) shall honor all of the Employee Obligations in accordance with the Schedule of Assumed Employee Obligations; *provided*, that (a) the consummation of the transactions contemplated by the Plan shall not, in and of themselves, constitute a "change in control" with respect to any of the Employee Obligations and (b) subject to and in accordance with the Employee Programs Order, the KEIP (as defined in the Employee Programs Order) shall terminate on the Effective Date and the participants in such program shall vest in and be entitled to the payments and compensation as expressly provided under the KEIP. Notwithstanding anything in the Employee Programs Order to the contrary, the KERP and the KEP (as such terms are defined in the Employee Programs Order), shall continue in full force and effect through December 31, 2017. Subject to clause (b) above, to the extent that any of the Employee Obligations constitute executory contracts, pursuant to sections 365 and 1123 of the Bankruptcy Code, each of them will be deemed rejected as of the Effective Date unless identified in the Schedule of Assumed Employee Obligations and shall be treated in accordance with Article 8 of the Plan.

7. Insurance Policies

All insurance policies (including all D&O Liability Insurance Policies and tail coverage liability insurance) to which any Debtor is a party as of the Effective Date shall be deemed to be and

treated as executory contracts and shall be assumed by the applicable Debtors or Reorganized Debtor and shall continue in full force and effect thereafter in accordance with their respective terms. All other insurance policies shall vest in the Reorganized Debtors.

8. Reservation of Rights

(a) The Debtors, with the consent of the Requisite Consenting Second Lien Creditors may amend the Schedule of Assumed Employee Obligations and the Schedule of Rejected Contracts (with the consent of the Requisite Commitment Parties only to the extent that a contract relates to New Permian Corp. or the Permian Assets) and any cure notice through 4:00 p.m. (Eastern Time) on the Business Day immediately prior to the commencement of the Confirmation Hearing to (i) add, delete, or reclassify any executory contract or unexpired lease or amend a proposed assignment or (ii) amend the proposed Cure Amount; *provided*, that if the Confirmation Hearing is adjourned for a period of more than two (2) consecutive calendar days, the Debtors' right to amend such schedules and notices shall be extended to 4:00 p.m. (Eastern Time) on the Business Day immediately prior to the adjourned date of the Confirmation Hearing, with such extension applying in the case of any and all subsequent adjournments of the Confirmation Hearing.

(b) Neither the exclusion nor the inclusion by the Debtors of any contract or lease on any exhibit, schedule, or other annex to the Plan or in the Plan Supplement, nor anything contained in the Plan, will constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Reorganized Debtors or their respective affiliates has any liability thereunder.

(c) Except as explicitly provided in the Plan, nothing herein shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the Debtors or the Reorganized Debtors under any executory or non-executory contract or unexpired or expired lease.

(d) Nothing in the Plan will increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtors or the Reorganized Debtors, as applicable, under any executory or non-executory contract or unexpired or expired lease.

(e) If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of its assumption under the Plan, the Debtors or Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

9. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan, each executory contract or unexpired lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such executory contract or unexpired lease, and executory contracts and unexpired leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any

of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

If the Effective Date does not occur on or before the Outside Date (as defined in the Restructuring Support Agreement), then: (a) the Plan will be null and void in all respects; (b) nothing contained in the Plan or the Disclosure Statement shall: (i) constitute a waiver or release of any Claims, Interests, or Causes of Action by an Entity; (ii) prejudice in any manner the rights of any Debtor or any other Entity; or (iii) constitute an admission, acknowledgment, offer, or undertaking of any sort by any Debtor or any other Entity; *provided*, that all provisions of the Backstop Commitment Agreement (including the obligation to pay the “Breakup Premium,” as that term is defined in the Backstop Commitment Agreement in accordance with the terms and conditions of the Backstop Commitment Agreement) that survive termination of that agreement shall remain in effect in accordance with the terms thereof.

K. Effect of Confirmation

1. Released and Settled Claims

Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, the Plan incorporates an integrated compromise, settlement and release of the Released and Settled Claims, to achieve a beneficial and efficient resolution of these Chapter 11 Cases for all parties in interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval, as of the Effective Date, of the compromise or settlement of all such Released and Settled Claims and the Bankruptcy Court’s determination that such compromises and settlements are in the best interests of the Debtors, their estates, the Reorganized Debtors, creditors and all other parties in interest, and are fair, equitable and within the range of reasonableness. The compromises, settlements and releases described herein shall be deemed nonseverable from each other and from all other terms of the Plan. On the Effective Date, the Standing Motion and Claim Objection shall be and shall be deemed to be dismissed with prejudice.

2. Binding Effect

Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code, and subject to the occurrence of the Effective Date, on and after the entry of the Confirmation Order, the provisions of the Plan shall bind every holder of a Claim against or Interest in any Debtor and inure to the benefit of and be binding on such holder’s respective successors and assigns, regardless of whether the Claim or Interest of such holder is impaired under the Plan and whether such holder has accepted the Plan.

3. Vesting of Assets

Upon the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all of the Permian Assets of the Debtors shall vest in New Permian LLC and all other assets and property of the Debtors shall vest in the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), as applicable, free and clear of all Claims, Liens, charges, and other interests, except as otherwise provided herein. The Reorganized Debtors may operate their businesses and use, acquire, and dispose of property free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules and in all respects as if there were no pending cases under any chapter or provision of the Bankruptcy Code, except as otherwise provided herein.

4. Release and Discharge of Debtors

Upon the Effective Date and in consideration of the distributions to be made hereunder, except as otherwise expressly provided in the Plan, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a Claim or Existing BBEP Equity Interest and any affiliate of such holder shall be deemed to have forever waived, released, and discharged the Debtors, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Existing BBEP Equity Interests, rights, and liabilities that arose prior to the Effective Date. 5. Terms of Injunctions or Stays

6. Injunction Against Interference with Plan

Upon entry of the Confirmation Order, all holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, shall be enjoined from taking any actions to interfere with the implementation or consummation of the Plan; *provided*, that nothing herein, in the Plan, or in the Confirmation Order shall preclude, limit, restrict or prohibit any party in interest from seeking to enforce the terms of the Plan, the Confirmation Order, or any other agreement or instrument entered into or effectuated in connection with the consummation of the Plan.

7. [Intentionally Omitted]

8. Exculpation

Subject to section 1125(e) of the Bankruptcy Code, no Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from, any Claim, Interest, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, Released and Settled Claim, loss, remedy, or liability for any claim (including, but not limited to, any claim for breach of any fiduciary duty or any similar duty) in connection with or arising out of the administration of the Chapter 11 Cases; the negotiation and pursuit of the Exit Facility Documents, the Backstop Commitment Agreement, the DIP Facility, the LegacyCo Management Incentive Plan, the New Permian Corp. the Plan; the funding of the Plan; the occurrence of the Effective Date; the administration of the Plan or the property to be distributed under the Plan; any membership in (including, but not limited to, on an *ex officio* basis), participation in, or involvement with the Creditors' Committee; the structuring, negotiation, performance, or conducting of, participation in, or entry into, the Rights Offering and/or the Backstop Commitment Agreement (including, but not limited to, payment or receipt of the Put Option Premium), including by any member of the Creditors' Committee; the issuance of Securities under or in connection with the Plan; or the transactions in furtherance of any of the foregoing; except for Claims related to any act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted breach of fiduciary duty, actual fraud, or willful misconduct, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. This exculpation shall be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability.

9. Releases

(a) Releases by the Debtors

As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan and the Plan Documents, for good and valuable consideration, the adequacy of which is hereby confirmed, including the service of the Released Parties to facilitate the reorganization of the Debtors, the implementation of the Restructuring, and except as otherwise provided in the Plan or in the Confirmation Order, the Released Parties are deemed forever released and discharged by the Debtors, the Reorganized Debtors, and the Debtors' estates, in each case on behalf of themselves and their respective successors, assigns, and representatives and any and all other Entities who may purport to assert any Cause of Action or Released and Settled Claim derivatively, by or through the foregoing Entities, from any and all claims, interests, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, Released and Settled Claim, losses, remedies, or liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or the Debtors' estates, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that the Debtors, the Reorganized Debtors, or the Debtors' estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party (including the Revolving Credit Documents and the Indentures), the DIP Facility, the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Restructuring Transactions, the Rights Offering, the Exchange Agreement, the LegacyCo Contribution Agreement, the Permian Contribution Agreement, the creation of New Permian Corp., Legacy Co., or the AUNC Trust, the negotiation, formulation, or preparation of the

Disclosure Statement, and the Plan and related agreements, instruments, and other documents (including the Plan Documents, the Restructuring Support Agreement, and the trust agreement creating the AUNC Trust), the solicitation of votes with respect to the Plan, the Backstop Commitment Agreement, or the Rights Offering, any membership (including, but not limited to, on an *ex officio* basis), participation in, or involvement with the Creditors' Committee, the structuring, negotiation, performance, or conducting of, participation in, or entry into, the Rights Offering and/or the Backstop Commitment Agreement (including, but not limited to, payment or receipt of the Put Option Premium), including by any member of the Creditors' Committee, or any other act or omission, transaction, agreement, event, or other occurrence, except for Claims related to any act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted actual fraud or willful misconduct, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan.

(b) Releases by Holders of Claims and Interests.

As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan and the Plan Documents, for good and valuable consideration, the adequacy of which is hereby confirmed, including, the service of the Released Parties to facilitate the reorganization of the Debtors and the implementation of the Restructuring, and except as otherwise provided in the Plan or in the Confirmation Order, the Released Parties, are deemed forever released and discharged by (i) subject to the penultimate sentence of this paragraph, holders of all Claims who vote to either accept or reject the Plan but do not opt out of granting the releases set forth herein (a "Release Opt-Out"), (ii) the Revolving Credit Facility Agent, (iii) the Unsecured Notes Indenture Trustee, (iv) the DIP Facility Agent, and (v) the Statutory Committees from any and all claims, interests, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, Released and Settled Claims, losses, remedies, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, and any claims for breach of any fiduciary duty (or any similar duty), whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such holders or their affiliates (to the extent such affiliates can be bound) would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party (including the Revolving Credit Documents and the Indentures), the DIP Facility, the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Restructuring Transactions, the Rights Offering, the Exchange Agreement, the LegacyCo Contribution Agreement, the Permian Contribution Agreement, the creation of New Permian Corp., LegacyCo, or the AUNC Trust, the negotiation, formulation, or preparation of the Disclosure Statement, the Plan and related agreements, instruments, and other documents (including the Plan Documents, the Restructuring Support Agreement and the trust agreement creating the AUNC Trust),

the solicitation of votes with respect to the Plan, the Backstop Commitment Agreement, or the Rights Offering, any membership in (including, but not limited to, on an ex officio basis), participation in, or involvement with the Creditors' Committee, the structuring, negotiation, performance, or conducting of, participation in, or entry into, the Rights Offering and/or the Backstop Commitment Agreement (including, but not limited to, payment or receipt of the Put Option Premium), including by any member of the Creditors' Committee, or any other act or omission, except for Claims related to any act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted actual fraud or willful misconduct, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. For the avoidance of doubt, notwithstanding the foregoing, a Release Opt-Out solely means that such holder (i) is electing to not release the Released Parties other than the Debtors, and (ii) shall not impair, limit or effect in any way the exculpation of the Exculpated Parties as set forth in Section 10.8 of the Plan. For the avoidance of doubt, the foregoing releases shall not release the indemnification rights of the (i) Secured Notes Indenture Trustee under the Secured Notes Indentures and any related documentation, and (ii) the Unsecured Notes Indenture Trustee under the Unsecured Notes Indentures and any related documentation.

(c) Release of Liens

Except as otherwise specifically provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, including the Exit Facility Documents, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the secured claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or filing being required to be made by the Debtors.

(d) Waiver of Statutory Limitations on Releases

The releases contained in Article X of the Plan are effective regardless of whether those released matters are presently known, unknown, suspected or unsuspected, foreseen or unforeseen.

10. Injunction Related to Releases and Exculpation

The Confirmation Order shall permanently enjoin the commencement or prosecution by any Person or Entity, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, losses, or liabilities released pursuant to the Plan, including the claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, and liabilities released or exculpated in the Plan.

11. Subordinated Claims

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments thereof under the Plan take into account and conform to the relative priority and rights of the Claims and Interest in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, sections 510(a), 510(b), or 510(c) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors reserve the right to reclassify any Allowed Claim (other than any Allowed Revolving Facility Claims, DIP Facility Claims, Allowed Secured Notes Claims, or Allowed Unsecured Notes Claims) or Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

12. Avoidance Actions

From and after the Effective Date, the Reorganized Debtors shall waive the right to prosecute any avoidance, equitable subordination, or recovery actions that belong to the Debtors under chapter 5 of the Bankruptcy Code, including sections 105, 502(d), 510, 542 through 551, and 553. The Debtors do not believe that actions being released pursuant to Section 10.12 of the Plan are material.

13. Retention of Causes of Action and Reservation of Rights

Except as otherwise provided in Section 10.9 of the Plan, nothing herein or in the Confirmation Order shall be deemed to be a waiver or the relinquishment of any rights or Causes of Action that the Debtors or the Reorganized Debtors may have or which the Reorganized Debtors may choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or any applicable nonbankruptcy law, including (a) any and all Claims against any Person or Entity, to the extent such Person or Entity asserts a crossclaim, counterclaim, and/or Claim for setoff which seeks affirmative relief against the Debtors, the Reorganized Debtors, or their officers, directors, or representatives and (b) for the turnover of any property of the Debtors' estates; *provided*, that neither the Debtors nor the Reorganized Debtors shall preserve, retain, commence, prosecute or otherwise reserve any Claims or Cause of Action against (i) any Second Lien Noteholder, (ii) any Series B Interest Holder, (iii) the Secured Indenture Trustee, (iv) the Unsecured Senior Notes Groups (or any member thereof), (v) the Backstop Parties, or (vi) any of the forgoing Entities' respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees, including the Released and Settled Claims.

Nothing herein or in the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights or Causes of Action, right of setoff, or other legal or equitable defense that the Debtors had immediately prior to the Petition Date, against or with respect to any Claim left unimpaired by the Plan. The Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, Causes of Action, rights of setoff, and other legal or equitable defenses that they had immediately prior to the Petition Date fully as if the Chapter 11 Cases had not been commenced, and all of the Reorganized Debtors' legal and equitable rights with respect to any Claim left unimpaired by the Plan may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced.

The Reorganized Debtors reserve (or receive) and shall retain the applicable Causes of Action notwithstanding the rejection of any executory contract or unexpired lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors in accordance with the terms of the Plan. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

14. Preservation of Causes of Action

No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action against them. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided herein.

15. Special Provisions for Governmental Units

Solely with respect to Governmental Units, nothing herein shall limit or expand the scope of discharge, release, or injunction to which the Debtors or the Reorganized Debtors are entitled under the Bankruptcy Code. Furthermore, nothing herein, including Sections 10.8 and 10.9 of the Plan, shall discharge, release, enjoin, or otherwise bar (a) any liability of the Debtors or the Reorganized Debtors to a Governmental Unit arising on or after the Confirmation Date with respect to events occurring on or after the Confirmation Date, (b) any liability to a Governmental Unit that is not a Claim, (c) any valid right of setoff or recoupment of a Governmental Unit, (d) any police or regulatory action by a Governmental Unit, (e) any environmental liability to a Governmental Unit that the Debtors, the Reorganized Debtors, any successors thereto, or any other Person or Entity may have as an owner or operator of real property after the Effective Date, and (f) any liability to a Governmental Unit on the part of any Persons or Entities other than the Debtors or the Reorganized Debtors, *provided*, that nothing in Section 10.15 of the Plan shall affect the Debtors' releases in Section 10.9 of the Plan, nor shall anything herein or the Plan enjoin or otherwise bar any Governmental Unit from asserting or enforcing, outside the Bankruptcy Court, any of the matters described in clauses (a) through (f) above.

16. Protections Against Discriminatory Treatment

Consistent with section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Reorganized Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors, or another Entity with whom the Reorganized Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

L. Retention of Jurisdiction

On and after the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction of all matters arising under, arising out of, or related to the Chapter 11 Cases and the Plan pursuant to, and for the purposes of, sections 105(a) and 1142 of the Bankruptcy Code and for, among other things, the following purposes:

(a) To hear and determine motions for the assumption, assumption and assignment, or rejection of executory contracts or unexpired leases and the allowance of Claims resulting therefrom;

(b) To determine any motion, adversary proceeding, application, contested matter, and other litigated matter pending on or commenced before or after the Confirmation Date, including any proceeding with respect to a Cause of Action or Avoidance Action;

(c) To ensure that distributions to holders of Allowed Claims are accomplished as provided herein;

(d) To consider Claims or the allowance, classification, priority, compromise, estimation, or payment of any Claim, including any Administrative Expenses;

(e) To enter, implement, or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;

(f) To issue injunctions, enter and implement other orders, and take such other actions as may be necessary or appropriate to restrain interference by any Person with the consummation, implementation, or enforcement of the Plan, the Confirmation Order, or any other order of the Bankruptcy Court;

(g) To hear and determine any application to modify the Plan in accordance with section 1127 of the Bankruptcy Code and to remedy any defect or omission or reconcile any inconsistency in the Plan, the Disclosure Statement, or any order of the Bankruptcy Court, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof;

(h) To hear and determine all applications under sections 330, 331, and 503(b) of the Bankruptcy Code for awards of compensation for services rendered and reimbursement of expenses incurred prior to the Confirmation Date;

(i) To hear and determine disputes arising in connection with or related to the interpretation, implementation, or enforcement of the Plan, the Confirmation Order, any transactions or payments contemplated herein, or any agreement, instrument, or other document governing or relating to any of the foregoing;

(j) To hear and determine disputes arising in connection with Disputed Claims;

(k) To take any action and issue such orders as may be necessary to construe, enforce, implement, execute, and consummate the Plan or to maintain the integrity of the Plan following consummation;

(l) To recover all assets of the Debtors and property of the Debtors' estates, wherever located;

(m) To determine such other matters and for such other purposes as may be provided in the Confirmation Order;

(n) To hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code (including the expedited determination of taxes under section 505(b) of the Bankruptcy Code);

(o) To enforce all orders previously entered by the Bankruptcy Court;

(p) To hear and determine any other matters related hereto and not inconsistent with the Bankruptcy Code and title 28 of the United States Code;

(q) To resolve any disputes concerning whether a Person or entity had sufficient notice of the Chapter 11 Cases, the Disclosure Statement, any solicitation conducted in connection with the Chapter 11 Cases, any bar date established in the Chapter 11 Cases, or any deadline for responding or objecting to a Cure Amount, in each case, for the purpose for determining whether a Claim or Interest is discharged hereunder or for any other purpose;

(r) To determine any other matters or adjudicate any disputes that may arise in connection with or are related to the Plan, the Disclosure Statement, the Confirmation Order, the Plan Supplement, or any document related to the foregoing; *provided* that the Bankruptcy Court shall not retain jurisdiction over disputes concerning documents contained in the Plan Supplement that have a jurisdictional, forum selection or dispute resolution clause that refers disputes to a different court;

(s) To hear and determine all disputes involving the existence, nature, or scope of the Debtors' discharge, including any dispute relating to any liability arising out of the termination of employment or the termination of any employee or retiree benefit program, regardless of whether such termination occurred prior to or after the Effective Date;

(t) To hear and determine any rights, claims, or causes of action held by or accruing to the Debtors or the Reorganized Debtors pursuant to the Bankruptcy Code or any federal or state statute or legal theory;

(u) To enforce all orders, judgments, injunctions, releases, exculpations, indemnifications, and rulings entered in connection with the Chapter 11 Cases;

(v) To hear any other matter not inconsistent with the Bankruptcy Code; and

(w) To enter a final decree closing the Chapter 11 Cases.

To the extent that the Bankruptcy Court is not permitted under applicable law to preside over any of the forgoing matters, the reference to the “Bankruptcy Court” above shall be deemed to be replaced by the “District Court.” Nothing above or in Article XI of the Plan shall expand the exclusive jurisdiction of the Bankruptcy Court beyond that provided by applicable law.

M. Miscellaneous Provisions

1. Dissolution of Statutory Committees

On the Effective Date, the Statutory Committees shall dissolve, the current and former members of the Statutory Committees, including any *ex officio* members, and their respective officers, employees, counsel, advisors and agents, shall be released and discharged of and from all further authority, duties, responsibilities and obligations related to and arising from and in connection with the Chapter 11 Cases, except for the limited purpose of prosecuting (a) requests for allowances of compensation and reimbursement of expenses incurred prior to the Effective Date or (b) any appeals of the Confirmation Order.

2. Substantial Consummation

The Plan provides that on the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

3. Exemption from Transfer Taxes

Pursuant to section 1146(a) of the Bankruptcy Code, the issuance, transfer, or exchange of any Security or property under the Plan or in connection with the transactions contemplated thereby, the creation, filing, or recording of any mortgage, deed of trust, or other security interest, the making, assignment, filing, or recording of any lease or sublease, or the making or delivery of any deed, bill of sale, or other instrument of transfer under, in furtherance of, or in connection with the Plan, including the distribution of the LegacyCo Units or any agreements of consolidation, deeds, bills of sale, or assignments executed in connection with any of the transactions contemplated herein, shall constitute a “transfer under a plan” within the purview of section 1146 of the Bankruptcy Code and shall not be subject to or taxed under any law imposing a stamp tax or similar tax to the maximum extent provided by section 1146(a) of the Bankruptcy Code and applicable nonbankruptcy law.

To the maximum extent provided by section 1146(a) of the Bankruptcy Code and applicable nonbankruptcy law, the Restructuring Transactions shall not be taxed under any law imposing a stamp tax or similar tax.

4. Plan Modifications and Amendments

The Plan may be amended, modified, or supplemented by the Debtors or the Reorganized Debtors, as applicable, with the consent of the Requisite Consenting Second Lien Creditors, the Requisite Commitment Parties, to the extent that it adversely affects the treatment or rights of holders of Claims in Classes 5A, 5B, 6, 7A, or 7B, the Creditors’ Committee, and, to the extent it adversely affects the Revolving Credit Facility Claims, the DIP Facility Claims or the Exit Facility, the Revolving Credit Facility Agent, the DIP Facility Agent or the Exit Facility Agent,

as applicable, in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as the Bankruptcy Court may otherwise direct; *provided* that any such alteration, amendment or modification is consistent with the Restructuring Support Agreement. In addition, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Claims hereunder, the Debtors may, with the consent of the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties, and to the extent such action adversely affects the Revolving Credit Facility Claims, the DIP Facility Claims or the Exit Facility, the Revolving Credit Facility Agent, the DIP Facility Agent or the Exit Facility Agent, as applicable, institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan or the Confirmation Order with respect to such matters as may be necessary to carry out the purposes and effects of the Plan and any holder of a Claim that has accepted the Plan shall be deemed to have accepted the Plan as so amended, modified, or supplemented. Prior to the Effective Date, the Debtors may make appropriate technical adjustments and modifications to the Plan without further order or approval of the Bankruptcy Court; *provided*, that such technical adjustments and modifications do not materially and adversely affect the treatment of holders of Claims and that any such technical adjustment or modification is consistent with the Restructuring Support Agreement. Notwithstanding any provision of the Plan to the contrary or that is silent on the issue of consent rights, all documents, exhibits, and schedules related the Plan or Restructuring Transactions including, the Plan, Disclosure Statement, Confirmation Order, the Plan Documents, the Plan Supplement, and the Exit Facility Documents must be acceptable to the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties.

5. Revocation or Withdrawal of Plan

The Debtors may revoke, withdraw, or delay consideration of the Plan prior to the Confirmation Date, either entirely or with respect to one or more of the Debtors, and to file subsequent amended plans of reorganization. If the Plan is revoked, withdrawn, or delayed with respect to fewer than all of the Debtors, such revocation, withdrawal, or delay shall not affect the enforceability of the Plan as it relates to the Debtors for which the Plan is not revoked, withdrawn, or delayed. If the Debtors revoke the Plan in its entirety, the Plan shall be deemed null and void. In such event, nothing herein shall be deemed to constitute a waiver or release of any Claim by or against the Debtors or any other Person or to prejudice in any manner the rights of the Debtors or any other Person in any further proceedings involving the Debtors.

Notwithstanding the foregoing paragraph, if the Debtors take any action to attempt to withdraw the Plan from the docket of the Bankruptcy Court or the Debtors refuse, for any reason, to take any and all commercial reasonable actions to implement or support the Restructuring Transactions, then: (a) immediately, at such time and without any further order of the Court, the Debtors will no longer be proponents of the Plan and the Second Lien Group and the Unsecured Senior Notes Groups will become proponents of the Plan; *provided*, that if the exclusive periods of the Debtors have not been terminated as of such time, the Debtors shall remain nominal proponents of the Plan solely for the purposes of section 1121 until the expiration or termination of such exclusive periods; and (b) any and all provisions and consent rights or requirement that any document or transaction be “acceptable” or other terms under the Plan referencing “Weil,” the “Debtor,” or the “Debtors” are, and shall continue to be, in full force and effect with respect

to the Consenting Creditors (as defined under the Restructuring Support Agreement) as if such provisions were written without reference to “Weil,” the “Debtor,” or the “Debtors.”

V.
ALTERNATIVES TO CONFIRMATION AND
CONSUMMATION OF THE PLAN

The Plan reflects a consensus among the Debtors, the Revolving Credit Facility Lenders, the Second Lien Group, certain Unsecured Noteholders, and the Creditors’ Committee. The Debtors have determined that the Plan is the best alternative available for their successful emergence from chapter 11. If the Plan is not confirmed and consummated, the alternatives to the Plan are (A) continuation of the Chapter 11 Cases, which could lead to the filing of an alternative plan of reorganization, or a sale of some or all of the Debtors’ assets pursuant to section 363 of the Bankruptcy Code, or (B) a liquidation under chapter 7 of the Bankruptcy Code.

A. Continuation of the Chapter 11 Cases

If the Plan is not confirmed, the Debtors (or, if the Debtors’ exclusive period in which to file a plan of reorganization has expired, any other party in interest) could attempt to formulate a different plan. Such a plan might involve either a reorganization and continuation of the Debtors’ business, or an orderly liquidation of their assets.

Alternatively, if the Plan is not confirmed, the Debtors could seek from the Bankruptcy Court, after notice and a hearing, authorization to sell all of their assets under section 363 of the Bankruptcy Code. Holders of Claims in Classes 2, 3, and 4 would be entitled to credit bid on any property to which their security interest attaches to the extent of the value of such security interest, and to offset their Claims against the purchase price of the property. In addition, the security interests in the Debtors’ assets held by holders of Secured Claims would attach to the proceeds of any sale of the Debtors’ assets to the extent of their secured interests therein. Upon analysis and consideration of this alternative, the Debtors do not believe a sale of their assets under section 363 of the Bankruptcy Code would yield a higher recovery for holders of Claims than what they would receive under the Plan.

B. Liquidation under Chapter 7

If no plan can be confirmed, the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code in which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution to their creditors in accordance with the priorities established by the Bankruptcy Code. The effect a chapter 7 liquidation would have on the recovery of holders of allowed Claims and Interests is set forth in the Liquidation Analysis attached hereto as **Exhibit B**.

As demonstrated in the Liquidation Analysis, the Debtors believe that liquidation under chapter 7 would result in smaller distributions to creditors than those provided for in the Plan because of, among other things, the delay resulting from the conversion of the Chapter 11 Cases to cases under chapter 7, the additional administrative expenses associated with the appointment of a trustee and the trustee’s retention of professionals, and the loss in value attributable to an expeditious liquidation of the Debtors’ assets as required by chapter 7.

VI.
TRANSFER RESTRICTIONS AND
CONSEQUENCES UNDER FEDERAL SECURITIES LAW

The issuance of and the distribution under the Plan of (a) the LegacyCo Units issued pursuant to Sections 4.4(b) of the Plan, and (b) the issuance of the New Permian Corp. Shares comprising (i) the Put Option Premium and (ii) pursuant to Sections 4.5(c) or 4.6 of the Plan, shall be exempt from registration under the Securities Act and any other applicable securities laws to the maximum extent permitted by section 1145 of the Bankruptcy Code.

Section 1145 of the Bankruptcy Code generally exempts from registration under the Securities Act the offer or sale under a chapter 11 plan of a security of a debtor, of an affiliate participating in a joint plan with a debtor, or of a successor to a debtor under a plan, if such securities are offered or sold in exchange for a claim against, or an interest in, a debtor or such affiliate, or principally in such exchange and partly for cash. In reliance upon this exemption, the LegacyCo Units issued to holders of Allowed Secured Notes Claims, the New Permian Corp. Shares comprising the Put Option Premium, and the New Permian Corp. Shares that may be issued pursuant to Sections 4.5(c) or 4.6 of the Plan will be exempt from the registration requirements of the Securities Act, and state and local securities laws. These securities may be resold without registration under the Securities Act or other federal or state securities laws pursuant to the exemption provided by Section 4(a)(1) of the Securities Act, unless the holder is an “underwriter” with respect to such securities, as that term is defined in section 1145(b) of the Bankruptcy Code. In addition, such section 1145 exempt securities generally may be resold without registration under state securities laws pursuant to various exemptions provided by the respective laws of the several states.

Section 1145(b) of the Bankruptcy Code defines “underwriter” for purposes of the Securities Act as one who, except with respect to ordinary trading transactions, (1) purchases a claim with a view to distribution of any security to be received in exchange for the claim, (2) offers to sell securities issued under a plan for the holders of such securities, (3) offers to buy securities issued under a plan from persons receiving such securities, if the offer to buy is made with a view to distribution or (4) is an issuer, as used in Section 2(a)(11) of the Securities Act, with respect to such securities, which includes control persons of the issuer.

“Control,” as defined in Rule 405 of the Securities Act, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise. The legislative history of Section 1145 of the Bankruptcy Code suggests that a creditor who owns ten percent (10%) or more of a class of voting securities of a reorganized debtor may be presumed to be a “controlling person” and, therefore, an underwriter.

Notwithstanding the foregoing, control person underwriters may be able to sell securities without registration pursuant to the resale limitations of Rule 144 of the Securities Act which, in effect, permits the resale of securities received by such underwriters pursuant to a chapter 11 plan, subject to current information regarding the issuer being publicly available, applicable volume limitations, notice and manner of sale requirements, and certain other conditions. Parties who believe they may be statutory underwriters as defined in section 1145 of the Bankruptcy Code

are advised to consult with their own legal advisers as to the availability of the exemption provided by Rule 144.

The issuance and sale of the New Permian Corp. Shares pursuant to the Rights Offering and to the Backstop Parties under the Backstop Commitment Agreement (including the New Permian Corp. Shares issued pursuant to the Minimum Allocation Rights) are being made in reliance on the exemption from registration set forth in section 4(a)(2) of the Securities Act and Regulation D thereunder. Such securities will be considered “restricted securities” and may not be transferred except pursuant to an effective registration statement or under an available exemption from the registration requirements of the Securities Act, such as, under certain conditions, including the required holding period, the resale provisions of Rule 144 of the Securities Act.

In any case, recipients of securities issued under the Plan are advised to consult with their own legal advisers as to the availability of any such exemption from registration under state law in any given instance and as to any applicable requirements or conditions to such availability.

If certificated, certificates evidencing the LegacyCo Units held by holders of 10% or more of the outstanding LegacyCo Units or that are otherwise held by underwriters (as defined in section 1145(b) of the Bankruptcy Code) with respect to LegacyCo and certificates evidencing the New Permian Corp. Shares that are “restricted securities”, as applicable, will bear (or if uncertificated, shall be deemed to bear) a legend substantially in the form below:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION AND MAY NOT BE SOLD, OFFERED FOR SALE OR OTHERWISE TRANSFERRED UNLESS REGISTERED OR QUALIFIED UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR UNLESS THE DEBTORS RECEIVE AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO IT THAT SUCH REGISTRATION OR QUALIFICATION IS NOT REQUIRED.

VII.

CERTAIN TAX CONSEQUENCES OF THE PLAN

The following discussion summarizes certain U.S. federal income tax consequences of the implementation of the Plan to the Debtors and to holders of BBEP common units (the “**BBEP Common Unitholders**”) and to holders of certain Claims. This discussion does not address the U.S. federal income tax consequences to holders of Claims that are unimpaired or who are deemed to reject the Plan.

The discussion of U.S. federal income tax consequences below is based on the Internal Revenue Code of 1986, as amended (the “**Tax Code**”), U.S. Treasury regulations, judicial authorities, published positions of the Internal Revenue Service (“**IRS**”), and other applicable authorities, all as in effect on the date of this Disclosure Statement and all of which are subject to change or

differing interpretations (possibly with retroactive effect). The U.S. federal income tax consequences of the contemplated transactions are complex and subject to significant uncertainties. The Debtors have not requested an opinion of counsel or a ruling from the IRS with respect to any of the tax aspects of the contemplated transactions.

This summary does not address foreign, state, or local tax consequences of the contemplated transactions, nor does it address the U.S. federal income tax consequences of the transactions to special classes of taxpayers (*e.g.*, non-U.S. taxpayers, small business investment companies, regulated investment companies, real estate investment trusts, investment trusts, banks and certain other financial institutions, insurance companies, tax-exempt organizations, retirement plans, individual retirement and other tax-deferred accounts, holders that are, or hold their Claims through, S corporations, partnerships or other pass-through entities for U.S. federal income tax purposes, persons whose functional currency is not the U.S. dollar, dealers in securities or foreign currency, traders that mark-to-market their securities, persons subject to the alternative minimum tax or the “Medicare” tax on net investment income, and persons whose Claims are part of a straddle, hedging, constructive sale, or conversion transaction). In addition, this discussion does not address the Foreign Account Tax Compliance Act or U.S. federal taxes other than income taxes, nor does it apply to any person that acquires LegacyCo Units, New Permian Corp. Shares, or New Loan Obligations (as defined below) in the secondary market.

This discussion assumes that the Claims, Interests, New Permian Corp. Shares and LegacyCo Units are held as “capital assets” (generally, property held for investment) within the meaning of section 1221 of the Tax Code and, unless otherwise indicated below, that the various debt and other arrangements to which the Debtors are parties will be respected for U.S. federal income tax purposes in accordance with their form.

This discussion is based on the Restructuring Transactions described herein. *See* A.1—“Consequences to the Debtors and to BBEP Common Unitholders—Taxable Transfer of Assets,” below. Pursuant to the Plan, the Restructuring Transactions may be modified or revised by the Requisite Consenting Second Lien Creditors and the Debtors (in their reasonable discretion) to ensure a more tax efficient structure for holders of Secured Notes Claims and the Debtors. In the event of any revision, the U.S. federal income tax consequences described herein to the respective parties could materially differ.

The following summary of certain U.S. federal income tax consequences is for informational purposes only and is not a substitute for careful tax planning and advice based upon your individual circumstances. All holders of Claims and Interests are urged to consult their tax advisor for the U.S. federal, state, local and other tax consequences applicable under the Plan.

A. Consequences to the Debtors and to BBEP Common Unitholders

BBEP is treated as a partnership for U.S. federal income tax purposes and each of the other Debtors (all of whom are subsidiaries of BBEP) are treated as disregarded entities for U.S. federal income tax purposes, with the exception of Breitburn Finance Corporation, Phoenix Production Company and Alamitos Company. As a partnership or disregarded entity, BBEP and the other Debtors (other than Breitburn Finance Corporation, Phoenix Production Company and Alamitos Company) are not themselves subject to U.S. federal income tax. Instead, each BBEP

unitholder is required to report on its U.S. federal income tax return, and is subject to tax in respect of, its distributive share of each item of income, gain, loss, deduction and credit of such Debtors. Accordingly, the U.S. federal income tax consequences of the Restructuring Transactions under the Plan generally will not be borne by the Debtors, but instead will be borne by BBEP unitholders. If you are a BBEP unitholder, you are urged to consult your tax advisor.

1. Taxable Transfer of Assets

Pursuant to the Restructuring Transactions, the following transactions will occur in order on or prior to the Effective Date (or as soon as practicable thereafter):

(i) Prior to the Effective Date, and in anticipation of the Permian Asset Acquisition, the Backstop Parties pursuant to the Backstop Commitment Agreement will (i) form New Permian Corp., (ii) cause New Permian Corp. to conduct the Rights Offering, and (iii) cause New Permian Corp. to enter into an Exchange Agreement with BBEP pursuant to which New Permian Corp. will agree to acquire all of the New Permian LLC Equity on and subject to the occurrence of the Effective Date in consideration for conducting the Rights Offering, Cash, an amount of New Permian Corp. Shares necessary to satisfy distributions pursuant to Sections 4.5(c) and 4.6 of the Plan with respect to Allowed Claims as of the Effective Date, and the assumption of the obligation to issue New Permian Corp. Shares with respect to, or on account of, Disputed General Unsecured Claims as to which the holder elected to receive New Permian Corp. Shares.

(ii) On the Effective Date and in accordance with the provisions of the Plan, the Backstop Commitment Agreement and the Rights Offering, New Permian Corp. will close the Rights Offering. Immediately thereafter, the Rights Offering and Minimum Allocation Rights Proceeds will be released to New Permian Corp. and New Permian Corp. will issue the New Permian Corp. Shares to those Eligible Offerees that have validly exercised the Subscription Rights and to the Backstop Parties, as applicable. Concurrent therewith (but not prior to), New Permian Corp. shall also issue, and on behalf of BBEP distribute, New Permian Corp. Shares pursuant to Sections 4.5(c) and 4.6 of the Plan, as applicable, with respect to Allowed Claims as of the Effective Date (other than any shares to be held back in respect of Disputed General Unsecured Claims in accordance with Article VII of the Plan).

(iii) On the Effective Date, (i) BBEP will contribute the Legacy Contributed Assets to LegacyCo in exchange for LegacyCo Units representing all of the equity capital of LegacyCo (the “**Legacy Asset Transfer**”), and (ii) BBEP will contribute the Permian Assets to New Permian LLC in exchange for all of the New Permian LLC Equity (the “**Permian Asset Transfer**”). Such transfers will be subject to certain liabilities and obligations as provided in the Plan or Confirmation Order, or as otherwise agreed between BBEP and LegacyCo or New Permian LLC, as applicable. Immediately after the Legacy Asset Transfer and the Permian Asset Transfer, BBEP will be the sole member of LegacyCo and New Permian LLC. Each of LegacyCo and New Permian LLC will be disregarded as an entity separate from BBEP for U.S. federal income tax purposes at all times on or before the Effective Date (including immediately

after the Legacy Asset Transfer and the Permian Asset Transfer), unless as to LegacyCo, the Requisite Consenting Second Lien Creditors determine in their sole discretion that LegacyCo elect to be treated as a corporation for U.S. federal income tax purposes (the **“Corporation Election”**).

(iv) Simultaneously on the Effective Date, and in accordance with the Exchange Agreement and Article IV of the Plan, (A) BBEP will distribute 92.5% of the LegacyCo Units received in consideration for the Legacy Asset Transfer to holders of Allowed Secured Notes Claims in satisfaction and discharge of their Claims as provided in Section 4.4(b) of the Plan, and transfer 7.5% of the LegacyCo Units received in consideration for the Legacy Asset Transfer to New Permian Corp. (the **“LegacyCo Distribution and Transfer”**), and (B) BBEP will transfer to New Permian Corp. all of the New Permian LLC Equity received in consideration for conducting the Rights Offering, Cash, an amount of New Permian Corp. Shares necessary to satisfy distributions pursuant to Sections 4.5(c) and 4.6 of the Plan with respect to Allowed Claims as of the Effective Date, and the assumption of the obligation to issue New Permian Corp. Shares with respect to, or on account of, Disputed General Unsecured Claims as to which the holder elected to receive New Permian Corp. Shares (the **“Permian Asset Acquisition”**).

Upon formation, and at the time of the Legacy Asset Transfer, LegacyCo will be treated as a disregarded entity for U.S. federal income tax purposes, such that BBEP will still be regarded prior to the LegacyCo Distribution and Transfer as owning the assets transferred to LegacyCo, unless the Corporation Election is made. Accordingly, for U.S. federal income tax purposes, the Debtors, LegacyCo, all holders of Allowed Secured Notes Claims and New Permian Corp. will (absent the Corporation Election) treat the LegacyCo Distribution and Transfer as (i) a distribution and transfer of the Legacy Contributed Assets, subject to certain liabilities and obligations, in a taxable exchange to the holders of Allowed Secured Notes Claims and New Permian Corp., followed by (ii) the contribution of such assets by the holders of Allowed Secured Notes Claims, subject to such liabilities and obligations, by the holders and New Permian Corp. to LegacyCo with LegacyCo being treated as a newly formed partnership for U.S. federal income tax purposes, unless otherwise required pursuant to a “final determination” to the contrary within the meaning of section 1313(a) of the Tax Code. Upon formation, and at the time of the Permian Asset Transfer, New Permian LLC will be treated as a disregarded entity for U.S. federal income tax purposes, such that BBEP will still be regarded prior to the Permian Asset Acquisition as owning the assets transferred to New Permian LLC. Accordingly, for U.S. federal income tax purposes, the Debtors, New Permian LLC and New Permian Corp. will treat the Permian Asset Acquisition as a taxable purchase of the underlying Permian Assets unless otherwise required pursuant to a “final determination” to the contrary within the meaning of section 1313(a) of the Tax Code.

(v) BBEP will use the Cash consideration received pursuant to the Exchange Agreement (together with any Cash otherwise available) to satisfy any Cash distributions and other payments to be made on the Effective Date pursuant to or in connection with the Plan and Confirmation Order.

As discussed above, the Restructuring Transactions are subject to potential change by the Requisite Consenting Second Lien Creditors and the Debtors (in their reasonable discretion) to ensure a more tax efficient structure for holders of Secured Notes Claims and the Debtors; the discussion herein assumes the implementation of the Restructuring Transactions as described.

For U.S. federal income tax purposes, BBEP may recognize gain upon the LegacyCo Distribution and Transfer and the Permian Asset Acquisition but overall expects to incur a substantial net loss with respect to the transfer of assets that generally would be treated as ordinary loss. As described above, because BBEP is a partnership for U.S. federal income tax purposes, a significant portion of such gain or loss (subject to potential disallowance, as discussed below) will be allocated to the BBEP Common Unitholders. The amount of gain or loss allocable to any particular BBEP Common Unitholder depends, in part, on the price that the BBEP Common Unitholder paid for its units and the extent to which it has previously been allocated amortization or depreciation deductions with respect to the transferred assets.

Several provisions of the Tax Code can defer or disallow a loss recognized as a result of a transfer of assets under certain circumstances, such as a transaction between related parties, potentially including a sale or exchange of assets between a partnership and certain partners or between a partnership and a commonly-owned or controlled corporation. In the present context, the application of such related party rules – and, thus, the potential that all or substantially all of the losses expected to be incurred by the Debtors upon the transfer of their assets pursuant to the Plan may be disallowed, while any gains are required to be recognized – can differ depending on whether the Corporation Election is made (which is in the sole discretion of the Requisite Consenting Second Lien Creditors). ***If the Corporation Election is made, the substantial likelihood is that the loss would be disallowed under the related party rules***, although there are arguments to the contrary. However, it is the Debtors' understanding that the Requisite Consenting Second Lien Creditors do *not* currently intend to make the Corporation Election.

Assuming no Corporation Election is made, the Debtors expect, based on their understanding as of the date hereof of the ownership of Existing BBEP Equity Interests (including certain representations made by the holders of Secured Notes Claims and Unsecured Notes that are parties to the Restructuring Support Agreement and Backstop Commitment Agreement as to the extent of their ownership of Existing BBEP Equity Interests), that the related party loss disallowance rules generally would not apply to the Restructuring Transactions with respect to any loss allocable to the BBEP Common Unitholders. ***Nevertheless, even if no Corporation Election is made, whether related party loss disallowance provisions apply is dependent in part on facts outside of the Debtors' control and as to which the Debtors may be unaware.*** Significantly, the holders of Secured Note Claims currently own in disproportionate amounts all or substantially all of the Series B Preferred Units, which represent the majority of all the outstanding preferred. Thus, *for example*, holders of Allowed Secured Note Claims could acquire additional Existing BBEP Equity Interests, which depending on the amount and by whom, could put one or more holders into a related party relationship, or could contribute their combined claims directly or indirectly to a corporation or other entity such that such corporation or entity may be considered a related party.

Accordingly, all or part of the loss the Debtors expect to recognize could be subject to disallowance, depending on the circumstances. ***All BBEP Common and Preferred Unitholders***

are urged to consult their tax advisors regarding the recognition and allocation of any gain and loss and the deductibility of any losses recognized upon the implementation of the Plan (including any other limitations that may be imposed by the tax law based on a holder's individual circumstances).

2. Cancellation of Debt and other Income from the Plan

In connection with the implementation of the Plan, BBEP will recognize cancellation of debt (“COD”) income for U.S. federal income tax purposes, including as a result of the discharge of certain Claims pursuant to the Restructuring Transactions and, potentially, as a result of a deemed exchange of the Revolving Credit Facility Claims (as described below). COD is the amount by which the indebtedness discharged (reduced by any unamortized discount) exceeds any consideration given in exchange therefor.

As described above, because BBEP is a partnership for U.S. federal income tax purposes, a significant portion (and possibly all or substantially all) of such COD income and any other income recognized by the Debtors upon implementation of the Plan should be allocated to the BBEP Common Unitholders. Certain statutory or judicial exceptions potentially can apply to limit the amount of COD income required to be included in income by the BBEP Common Unitholders, depending on the holders' circumstances. In particular, exceptions are available that would allow COD income to be excluded from gross income if the COD income is taken into account by a taxpayer that is insolvent (but only to the extent of insolvency) or in bankruptcy. These exceptions apply at the “partner” level and thus depend on whether the partner, *i.e.*, the BBEP Common Unitholders to whom the COD income was allocated, is itself insolvent or in bankruptcy. The fact that the Debtors are insolvent and in bankruptcy is not relevant for that purpose. For purposes of determining a holder's insolvency (measured immediately prior to the Effective Date), the holder would be treated as if it were individually liable for an amount of partnership debt equal to the allocated amount of the COD income. To the extent any amount of COD income is excludable by a holder by reason of the insolvency or bankruptcy exception, the holder generally would be required to reduce certain tax attributes (such as net operating losses, tax credits, possibly tax basis in assets and passive losses) after the determination of its tax liability for the taxable year.

As discussed in the preceding section, the Debtors currently expect – based on their understanding of the facts as of the date hereof – to recognize a substantial net loss with respect to the transfer of its assets pursuant to the Plan a significant portion of which will be allocated to the BBEP Common Unitholders. In such event, the Debtors expect that, in aggregate, the amount of the loss allocable to the BBEP Common Unitholders will equal or exceed any COD and other income allocable to the BBEP Common Unitholders. The amount of gain or loss allocable to any particular holder, however, depends, in part, on the price the holder originally paid for its units and the extent to which it has previously been allocated amortization or depreciation deductions with respect to the transferred assets. *Nevertheless, as discussed in the preceding section, whether related party loss rules would apply to disallow all or part of the loss incurred by the Debtors is dependent in part on facts outside of the Debtors' control (including, but not limited to whether a Corporation Election is made for LegacyCo) and as to which the Debtors may be unaware.* Were such loss to be disallowed, a BBEP Common Unitholder could be taxable on its allocable share of COD income and any gains recognized

upon the transfer of the Debtors assets *even though* the Debtors otherwise incurred a substantial net loss. ***All BBEP Common Unitholders are therefore urged to discuss their individual circumstances and the potential for the recognition of a substantial amount of unsheltered income with their tax advisor.***

A BBEP Common Unitholder's adjusted tax basis in its units will be increased to the extent of any net income or gain allocated to such partner and decreased (but not below zero) to the extent of any net loss allocated to such partner, whether or not such loss is disallowed and thus not deductible.

To the extent a holder was allocated losses in taxable years ending prior to the Effective Date, such losses may have been suspended by reason of certain provisions of the Tax Code (in particular, those relating to so-called "passive losses" or the "at risk" rules). As a result of the transaction, all or part of such losses may become deductible.

For U.S. federal income tax purposes, the discharge of BBEP's indebtedness pursuant to the Plan will result in a deemed cash distribution to each BBEP Common Unitholder based on the amount of the indebtedness allocable to such BBEP Common Unitholder's units. To the extent that any such deemed cash distribution exceeds the BBEP Common Unitholder's adjusted tax basis in its units (after adjustment for net gain or loss allocable to the BBEP Common Unitholder as described above), such holder will recognize capital gain. Any such capital gain generally should be long-term if the BBEP Common Unitholder's holding period in its units is more than one year and otherwise should be short-term. A BBEP Common Unitholder's adjusted tax basis in its units will be decreased (but not below zero) to the extent of any such deemed cash distribution.

The federal income tax consequences of the Plan are complex, and may be particularly adverse for BBEP Common Unitholders. Accordingly, all BBEP Common Unitholders as well as all Preferred Unitholders are urged to consult their tax advisors regarding the U.S. federal income tax consequences to them (taking into account their personal circumstances), including the potential for substantial unsheltered income.

B. Consequences to Holders of Certain Claims and Interests

Unless otherwise noted, the discussion below applies only to U.S. Holders. As used herein, the term "**U.S. Holder**" means a beneficial owner of Revolving Credit Facility Claims, Secured Notes Claims, New Loan Obligations (as defined below), New Permian Corp. Shares or LegacyCo Units that is for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or

- a trust, if a court within the United States is able to exercise primary jurisdiction over its administration and one or more U.S. persons have authority to control all of its substantial decisions, or if the trust has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person.

If a partnership or other entity or arrangement taxable as a partnership for U.S. federal income tax purposes holds Revolving Credit Facility Claims, Unsecured Notes Claims, New Loan Obligations (as defined below), New Permian Corp. Shares or LegacyCo Units, the U.S. federal income tax treatment of a partner in such partnership generally will depend upon the status of the partner and the activities of the partnership. If you are a partner in such a partnership holding any of such instruments, you are urged to consult your tax advisor.

1. Holders of Revolving Credit Facility Claims

Pursuant to the Plan, and in full satisfaction of their Allowed Claims, holders of Revolving Credit Facility Claims will receive (a) a cash payment and (b) either (i) a new term loan under the Exit Facility or (ii) at the holder's election, a new loan under a revolving credit facility (such two types of new loans are each hereafter referred to as a "series" and, collectively, as "**New Loan Obligations**"); *provided*, that all Revolving Credit Facility Claims arising under any "Lender Derivative Contract" (as such term is defined in the Revolving Credit Agreement) shall be indefeasibly paid in full in Cash. The following discussion does not apply to holders of Revolving Credit Facility Claims arising under any "Lender Derivative Contract" as such holders are being paid in full in Cash.

(a) Treatment of the Revolving Credit Facility Claims

For U.S. federal income tax purposes, the purported exchange of a new debt instrument for an existing debt instrument will be respected as an exchange, as a result of which (among other things) gain or loss is realized, if the terms of the new debt instrument compared to existing debt instrument constitute a "significant modification." The applicable U.S. Treasury Regulations concerning modification of debt instruments generally provide that an exchange occurs when, based on all the facts and circumstances and taking into account all changes in the terms of the debt instrument collectively (other than certain specified changes), the legal rights or obligations that are altered, and the degree to which they are altered, are economically significant. Accordingly, if the holders of Revolving Credit Facility Claims receive New Loan Obligations pursuant to the Plan, then based on the interest rate and other economic terms of the other economic terms of the New Loan Obligations under the Exit Revolving Credit Facility, the Debtors believe that the exchange of Revolving Credit Facility Claims for New Loan Obligations is likely to be treated as a "significant modification" of the Revolving Credit Facility Claims, and the remainder of this discussion so assumes.

Consequently, the Debtors believe that the receipt of cash and New Loan Obligations under the various exit facilities in exchange for Revolving Credit Facility Claims will be a fully taxable transaction to holders. Accordingly, in general, a U.S. Holder of Revolving Credit Facility Claims should recognize gain or loss in an amount equal to the difference, if any, between (i) the sum of (A) the amount of any cash received in satisfaction of its Claims (including any upfront fees received on the Effective Date by the holders pursuant to the exit facilities) and (B) the issue

price (as defined below) of the New Loan Obligations received in satisfaction of its Claims (other than any consideration received in respect of a Claim for accrued but unpaid interest and possibly accrued original issue discount (“OID”)), and (ii) the holder’s adjusted tax basis in its Claims (other than any tax basis attributable to accrued but unpaid interest and possibly accrued OID). See B.6— “Character of Gain or Loss,” below. A U.S. Holder of Revolving Credit Facility Claims will have ordinary interest income to the extent of any consideration allocable to accrued but unpaid interest not previously included in income. See B.5— “Distributions in Discharge of Accrued Interest or OID,” below.

The “issue price” of any series of New Loan Obligations under the Plan depends on whether, at any time during the 31-day period ending 15 days after the Effective Date, such New Loan Obligations or the Revolving Credit Facility Claims are considered traded on an “established market.” Pursuant to applicable U.S. Treasury regulations, an “established market” need not be a formal market. It is sufficient if there is a readily available sales price for an executed purchase or sale of New Loan Obligations in such series or the Revolving Credit Facility Claims, or if there is one or more “firm quotes” or “indicative quotes” with respect to a series of New Loan Obligations or for the Revolving Credit Facility Claims, in each case as such terms are defined in applicable U.S. Treasury regulations. If any of the New Loan Obligations received are considered traded on an established market, the issue price of such series of New Loan Obligations for U.S. federal income tax purposes will equal their fair market value as of the Effective Date. If any series of New Loan Obligations is not considered traded on an established market but the Revolving Credit Facility Claims are so treated, the issue price of such series of New Loan Obligations for U.S. federal income tax purposes will be based on the fair market value of the Revolving Credit Facility Claims (with appropriate adjustments, such as for the amount of cash received, if any). Alternatively, if the Revolving Credit Facility Claims are also not considered traded on an established market, the issue price of such series of New Loan Obligations for U.S. federal income tax purposes generally will be their stated principal amount. If BBEP determines that any series of New Loan Obligations or the Revolving Credit Facility Claims are traded on an established market, such determination and the determination of issue price will be binding on a holder unless such holder discloses, on a timely-filed U.S. federal income tax return for the taxable year that includes the Effective Date that such holder’s determination is different from BBEP’s determination, the reasons for such holder’s different determination and, if applicable, how such holder determined the fair market value.

Based on recent trade and quote data available to BBEP, the Debtors do not believe that the Revolving Credit Facility Claims would currently be considered traded on an established market, however the relevant determination date for such purpose is the Effective Date and there can be no assurances that a trading market will not arise in respect of the Revolving Credit Facility Claims or the New Loan Obligations between now and 15 days after the Effective Date. Accordingly, each holder of Revolving Credit Facility Claims is urged to consult its tax advisor regarding such determination and the gain or loss that such holder may recognize upon implementation of the Plan.

(b) Payments of Stated Interest on the New Loan Obligations

Payments of stated interest on New Loan Obligations generally should be taxable to a U.S. Holder as ordinary interest income at the time such payments are accrued or are received (in accordance with the holder's regular method of tax accounting).

(c) Accrual of Original Issue Discount on the New Loan Obligations

The New Loan Obligations may be treated as issued with OID. A debt instrument generally has OID if its "stated redemption price at maturity" exceeds its "issue price" (as described in (a) above) by more than a *de minimis* amount. A New Loan Obligation's "stated redemption price at maturity" for this purpose would include all principal and interest payable over the term of the New Loan Obligation, other than "qualified stated interest," *i.e.*, stated interest that is unconditionally payable at least annually at a constant rate in cash or property (other than debt of the issuer). The stated interest payable on the New Loan Obligations should be considered qualified stated interest for this purpose.

If the New Loan Obligations are issued with OID, a U.S. Holder of a New Loan Obligation generally will be required to include OID in gross income as it accrues over the term of the loan in accordance with a constant yield-to-maturity method, regardless of whether the U.S. holder is a cash or accrual method taxpayer, and regardless of whether and when the holder receives cash payments of interest on the obligation. Accordingly, a U.S. Holder could be treated as receiving interest income in advance of a corresponding receipt of cash. Any OID that a holder includes in income will increase the holder's adjusted tax basis in the New Loan Obligation. A U.S. Holder generally will not be required to include separately in income cash payments (other than in respect of qualified stated interest) received on the New Loan Obligation; instead, such payments will reduce the holder's adjusted tax basis in the New Loan Obligation by the amount of the payment.

The amount of OID includible in income for a taxable year by a U.S. Holder generally equals the sum of the daily portions of OID that accrue on a New Loan Obligation for each day during the taxable year on which such holder holds the New Loan Obligation, whether reporting on the cash or accrual basis of accounting for U.S. federal income tax purposes. The daily portion is determined by allocating to each day of an accrual period (generally, the period between interest payments or compounding dates) a pro rata portion of the OID allocable to such accrual period. The amount of OID that will accrue during an accrual period is the product of the "adjusted issue price" of the New Loan Obligation at the beginning of the accrual period multiplied by the yield to maturity of the New Loan Obligation less the amount of any qualified stated interest allocable to such accrual period. The "adjusted issue price" of a New Loan Obligation at the beginning of an accrual period will equal its issue price, increased by the aggregate amount of OID that has accrued on the New Loan Obligation in all prior accrual periods, and decreased by any payments made during all prior accrual periods on the New Loan Obligation other than qualified stated interest.

The rules regarding the determination of issue price and OID are complex, and the OID rules described above may not apply in all cases. Accordingly, each holder of Revolving Credit

Facility Claims is urged to consult its tax advisor regarding the possible application of the OID rules to the New Loan Obligations.

2. Holders of Secured Notes Claims

Distributions to holders of Allowed Secured Notes Claims will be made in accordance with the terms of the Plan. Accordingly, in accordance with the Restructuring Transactions, the following transactions will occur in order:

- On the Effective Date, BBEP will contribute the Legacy Assets to LegacyCo in exchange for LegacyCo Units representing all of the equity capital of LegacyCo.
- Immediately thereafter, pursuant to the LegacyCo Distribution and Transfer, BBEP will distribute 92.5% of the LegacyCo Units to holders of Allowed Secured Notes Claims in satisfaction and discharge of their Claims (simultaneously, the remaining 7.5% of the LegacyCo Units will be acquired by New Permian Corp.).

As described above (*see* A.1— “Consequences to the Debtors and to BBEP Common Unitholders—Taxable Transfer of Assets”), the distribution of LegacyCo Units to the holders of Secured Notes Claims is intended to be treated for U.S. federal income tax purposes (unless the Corporation Election is made at the direction of the Requisite Consenting Second Lien Creditors) as (a) a distribution of the Legacy Contributed Assets in a taxable exchange to the holders of Secured Notes Claims and New Permian Corp., followed by (b) the contribution of such assets by the holders and New Permian Corp. to LegacyCo, with LegacyCo being treated as a newly formed partnership for U.S. federal income tax purposes. To this end, the Plan requires that all parties treat the transaction in such manner, otherwise required pursuant to a “final determination” to the contrary within the meaning of section 1313(a) of the Tax Code.

So treated, each U.S. Holder of an Allowed Secured Notes Claim generally should recognize gain or loss in an amount equal to the difference, if any, between (a) the aggregate fair market value of its share of the Legacy Contributed Assets (or if a Corporation Election is made, the LegacyCo Units) received in exchange for its Claim (other than possibly any consideration received in respect of a claim for accrued but unpaid interest and possibly OID), and (b) the holder’s adjusted tax basis in its Allowed Secured Notes Claim (other than possibly any tax basis attributable to accrued but unpaid interest and possibly OID). *See* B.6— “Character of Gain or Loss,” below. However, the recognition of any loss is subject to complex related-party rules. Accordingly, any U.S. Holder of an Allowed Secured Notes Claim that owns Existing BBEP Equity Interests or that may be related to a person that owns Existing BBEP Equity Interests is urged to consult its tax advisor regarding the potential application of any related-party loss disallowance rules. A U.S. Holder of an Allowed Secured Notes Claim will have interest income to the extent of the value of any LegacyCo Units allocable to accrued but unpaid interest not previously included in income. *See* B.5— “Distributions in Discharge of Accrued Interest or OID,” below.

The deemed contribution to LegacyCo of the Legacy Assets treated as received by the U.S. Holders of Allowed Secured Notes Claims should itself be a tax-free contribution.

Thus, a U.S. Holder of an Allowed Secured Notes Claim should have a tax basis in the LegacyCo Units received equal to the amount taken into account in determining gain or loss, and the holder's holding period for the units should begin the day following the Effective Date.

3. Holders of Unsecured Notes Claims

Pursuant to the treatment section of the Plan, each holder of an Allowed Unsecured Notes Claim that is an Eligible Offeree will receive, in full satisfaction of such Claim, the right to participate in the Rights Offering (a "**Subscription Right**"). Each holder of an Allowed Unsecured Notes Claims that is not an Eligible Offeree (a Receiving AUNC Holder) will receive either shares of New Permian Corp. or, at the holder's election, cash in accordance with Section 4.5(c) of the Plan. Pursuant to the Plan, there will also be a distribution in cash in respect of the Unsecured Notes Indenture Trustee's fees. In the event of a distribution to holders of Existing BBEP Equity Interest, any holder of an Allowed Unsecured Notes Claim that is an Eligible Offeree and elects not to participate in the Rights Offering will receive a distribution in accordance with Section 4.5(b) of the Plan; the following discussion does not address such distribution.

Pursuant to the Plan, each Receiving AUNC Holder will receive its New Permian Corp. Shares in the form of interests in the AUNC Trust. For U.S. federal income tax purposes, subject to definitive guidance from the IRS or a court of competent jurisdiction, the Plan provides that a distribution of New Permian Corp. Shares to the AUNC trust shall be treated by all parties as (i) a direct transfer to Receiving AUNC Holders, and (ii) the transfer by such persons to the AUNC Trust in exchange for their beneficial interest therein. Accordingly, it is intended that each holder be treated for United States federal income tax purposes as the grantors and direct owners of their respective portions of the underlying assets of the AUNC Trust, and the following discussion so assumes. Receiving AUNC Holders will recognize gain or loss on the deemed receipt of New Permian Corp. Shares as described below, but should not recognize additional gain or loss upon the contribution of New Permian Corp. Shares to or any distribution of the New Permian Corp. Shares from the AUNC Trust.

(a) Gain or Loss

In general, a U.S. Holder of an Allowed Unsecured Notes Claim should recognize gain or loss in an amount equal to the difference, if any, between (i) the sum of the amount of cash and the fair market value of any New Permian Corp. Shares or (as discussed below) any Subscription Rights received in the exchange (other than any exchange consideration received in respect of a claim for accrued but unpaid interest and possibly OID), and (ii) the holder's adjusted tax basis in the Unsecured Notes Claims and any other property exchanged (other than possibly any tax basis attributable to accrued but unpaid interest and possibly accrued OID). However, the recognition of any loss is subject to complex related-party rules. Accordingly, any U.S. Holder of an Allowed Unsecured Notes Claim that owns or that may be related to a person that owns Existing BBEP Equity Interests is urged to consult its tax advisor regarding the potential application of any related-party loss disallowance rules. A U.S. Holder of an Unsecured Notes Claim will have interest income to the extent of any exchange consideration allocable to accrued but unpaid interest not previously included in income. See B.5— "Distributions in Discharge of Accrued Interest or OID," below.

Although not free from doubt, the Debtors believe that the better view is that the Subscription Right should be treated as an option and an Eligible Offeree should be treated as receiving the Subscription Rights in exchange for its Allowed Unsecured Notes Claim, with the exercise of the Subscription Rights treated for U.S. federal income tax purposes as the exercise of options to acquire the underlying New Permian Corp. Shares (including any New Permian Corp. Shares received relating to the Put Option Premium). Alternatively, the receipt and exercise of the Subscription Rights pursuant to the Plan could be viewed as an integrated transaction pursuant to which part of the New Permian Corp. Shares are treated as acquired directly in satisfaction of a holders Allowed Unsecured Notes Claim and part are treated as acquired for Cash. Unless otherwise indicated, the discussion herein assumes that the Subscription Rights are viewed as options. Regardless of the characterization of the Subscription Rights, a U.S. Holder of Subscription Rights generally would not recognize additional gain or loss upon the exercise of such Subscription Rights beyond the gain or loss recognized in respect of the exchange of such holder's claim. If the Subscription Rights are treated as an option, a U.S. Holder's tax basis in the Subscription Rights should equal their fair market value on the Effective Date.

A U.S. Holder's tax basis in the New Permian Corp. Shares received upon exercise of a Subscription Right (including any New Permian Corp. Shares received relating to the Put Option Premium) should generally be equal to the sum of (i) the amount paid, if any, for the New Permian Corp. Shares and (ii) the holder's tax basis, if any, in the Subscription Rights or, alternatively, under an integrated transaction analysis, in any New Permian Corp. Shares that are treated as acquired directly in full satisfaction of the holder's Unsecured Notes Claim. A U.S. Holder's holding period in the New Permian Corp. Shares received upon exercise of the Subscription Rights should begin on the day such rights are exercised or, alternatively under an integrated transaction analysis, on the day after such holder is treated as receiving the New Permian Corp. Shares.

Each Receiving AUNC Holder generally will have a tax basis in any shares of New Permian Corp. received equal to their fair market value, and a holding period that begins on the day after the Effective Date.

(b) Lapse of Subscription Right and Disposition of New Permian Corp. Shares

If a U.S. Holder is treated as receiving a Subscription Right of value that subsequently lapses without being exercised by the holder, such holder would generally recognize a loss to the extent of its tax basis in the Subscription Right. In general, such gain or loss would be a capital gain or loss, long-term or short-term, depending upon whether the requisite holding period was satisfied.

If a U.S. Holder exercises its Subscription Rights and sells, exchanges or otherwise disposes of the underlying New Permian Corp. Shares (including any New Permian Corp. Shares received relating to the Put Option Premium) it receives upon exercise, such holder generally will recognize gain or loss in an amount equal to the difference, if any, between the amount realized for the New Permian Corp. Shares and the U.S. Holder's adjusted tax basis in the New Permian Corp. Shares. Capital gains of non-corporate U.S. Holders derived with respect to a sale, exchange or other taxable disposition of the New Permian Corp. Shares held for more than one year may be eligible for reduced rates of taxation. The deductibility of capital losses is subject to limitation.

You are urged to consult your tax advisor regarding the receipt of the Subscription Rights, as well as the tax consequences of any disposition of the New Permian Corp. Shares.

4. Holders of General Unsecured Claims

Pursuant to the treatment section of Plan, each holder of an Allowed General Unsecured Claim will receive its Pro Rata share of either (i) the GUC Cash Pool or (ii) if elected by a holder of an Allowed General Unsecured Claim in an amount equal to or more than \$1 million, New Permian Corp. Shares (a Receiving GUC Holder).

In general, a U.S. Holder of an Allowed General Unsecured Claim should recognize gain or loss in an amount equal to the difference, if any, between (i) the amount of cash or the fair market value of New Permian Corp. Shares received in the exchange (other than possibly any exchange consideration received in respect of a claim for accrued but unpaid interest and possibly accrued OID), and (ii) the holder's adjusted tax basis in the General Unsecured Claim exchanged (other than any tax basis attributable to accrued but unpaid interest and possibly accrued OID). *See* B.6— "Character of Gain or Loss," below. However, the recognition of any loss is subject to complex related-party rules. Accordingly, any U.S. Holder of an Allowed General Unsecured Claim that owns or may be related to a person that owns Existing BBEP Equity Interests is urged to consult its tax advisor regarding the potential application of any related-party loss disallowance rules. A U.S. Holder of an Allowed General Unsecured Claim will have interest income to the extent of any exchange consideration allocable to accrued but unpaid interest not previously included in income. *See* B.5— "Distributions in Discharge of Accrued Interest or OID," below.

In the event of the subsequent disallowance of any Disputed General Unsecured Claims, a holder of a previously Allowed Claim may receive additional post-Effective Date distributions. Accordingly, it is possible that any loss, or a portion of any gain, realized by a U.S. Holder may be deferred until all Disputed General Unsecured Claims are Allowed or Disallowed. In addition, a holder may have imputed interest income with respect to such distribution. U.S. Holders are urged to consult their tax advisors regarding the possible application (and the ability to elect out) of the "installment method" of reporting any gain that may be recognized by such holders in respect of their Claims due to the receipt of cash in a taxable year subsequent to the taxable year in which the Effective Date occurs. The discussion herein assumes that the installment method does not apply.

If a U.S. Holder of an Allowed General Unsecured Claim receives New Permian Corp. Shares in the exchange, such holder generally will have a tax basis in any shares of New Permian Corp. received equal to their fair market value, and a holding period that begins on the day after the Effective Date.

5. Distributions in Discharge of Accrued Interest or OID

In general, to the extent that any consideration received pursuant to the Plan by a U.S. Holder of a Claim is received in satisfaction of accrued interest during its holding period, such amount will be taxable to the U.S. Holder as interest income (if not previously included in the U.S. Holder's gross income). Conversely, a U.S. Holder generally recognizes a deductible loss to the extent

any accrued interest claimed or accrued OID was previously included in its gross income and is not paid in full. However, the IRS has privately ruled that a holder of a “security” of a corporate issuer, in an otherwise tax-free exchange, could not claim a current loss with respect to any accrued unpaid OID. Accordingly, it is also unclear whether, by analogy, a U.S. Holder of a Claim that does not constitute a security would be required to recognize a capital loss, rather than an ordinary loss, with respect to previously included OID that is not paid in full.

The Plan provides that, except as otherwise required by law, consideration received in respect of an Allowed Claim is allocable first to the principal amount of the Claim (as determined for U.S. federal income tax purposes) and then, to the extent of any excess, to the remainder of the Claim, including any Claim for accrued but unpaid interest (in contrast, for example, to a pro rata allocation of a portion of the exchange consideration received between principal and interest, or an allocation first to accrued but unpaid interest). *See* Section 5.13 of the Plan. There is no assurance that the IRS will respect such allocation for U.S. federal income tax purposes. You are urged to consult your own tax advisor regarding the allocation of consideration and the inclusion and deductibility of accrued but unpaid interest for U.S. federal income tax purposes.

6. Character of Gain or Loss

Where gain or loss is recognized by a U.S. Holder, the character of such gain or loss as long-term or short-term capital gain or loss or as ordinary income or loss will be determined by a number of factors, including the tax status of the holder, whether the Claim constitutes a capital asset in the hands of the holder and how long it has been held, whether the Claim was acquired at a market discount, and whether and to what extent the holder previously claimed a bad debt deduction.

A holder that purchased its Claims from a prior holder at a “market discount” (relative to the principal amount of the Claims at the time of acquisition) may be subject to the market discount rules of the Tax Code. A holder that purchased its Claim from a prior holder will be considered to have purchased such Claim with “market discount” if the holder’s adjusted tax basis in its Claim is less than the stated redemption price of such Claim at maturity by at least a *de minimis* amount. Under these rules, any gain recognized on the exchange of Claims (other than in respect of a Claim for accrued but unpaid interest) generally will be treated as ordinary income to the extent of the market discount accrued (on a straight line basis or, at the election of the holder, on a constant yield basis) during the holder’s period of ownership, unless the holder elected to include the market discount in income as it accrued. If a holder of Claims did not elect to include market discount in income as it accrued and, thus, under the market discount rules, was required to defer all or a portion of any deductions for interest on debt incurred or maintained to purchase or carry its Claims, such deferred amounts would become deductible at the time of the exchange.

7. Ownership and Disposition of LegacyCo Units

In accordance with the LegacyCo Amended and Restated Operating Agreement, LegacyCo will be treated as a partnership for U.S. federal income tax purposes, unless the Corporation Election is made (in which event the LegacyCo Units would be treated as common stock in a corporation for U.S. federal income tax purposes). The following discussion assumes that the Corporation

Election is not made. As a partnership, LegacyCo itself generally will not be subject to U.S. federal income tax. Instead, LegacyCo will file an annual partnership information return with the IRS, which form will report the results of LegacyCo's operations. Each recipient of LegacyCo Units will be required to report on its U.S. federal income tax return, and will be subject to tax in respect of, its distributive share of each item of LegacyCo's income, gain, loss, deduction and credit for each taxable year of LegacyCo ending with or within such member's taxable year. Each item generally will have the same character as if the member of LegacyCo had realized the item directly. Members will be required to report these items regardless of the extent to which, or whether, they receive cash distributions from LegacyCo for such taxable year, and thus may incur income tax liabilities in excess of any distributions from LegacyCo. LegacyCo will provide each member with the necessary information to report its allocable share of the LegacyCo's tax items for U.S. federal income tax purposes; however, no assurance can be given that LegacyCo will be able to provide such information prior to the initial due date of the members' U.S. federal income tax returns and the members may therefore be required to apply to the IRS for an extension of time to file their tax returns.

The board of directors of LegacyCo will decide how items will be reported on LegacyCo's U.S. federal income tax returns, and all members will be required under the Tax Code to treat the items consistently on their own returns, unless they file a statement with the IRS disclosing the inconsistency. In the event that the income tax returns of LegacyCo are audited by the IRS, the tax treatment of LegacyCo's income and deductions generally will be determined at the LegacyCo level in a single proceeding, rather than in individual audits of the members. The tax matters partner and partnership representative will have considerable authority under the Tax Code and the limited liability company agreement for LegacyCo to make decisions affecting the tax treatment and procedural rights of all members.

LegacyCo will have an initial tax basis in its assets equal to their respective fair market values at the time of the transfer by BBEP (discussed above). LegacyCo's holding period in its assets will begin on the date of the transfer.

A member generally will not recognize gain or loss on the receipt of a distribution of cash or property from LegacyCo (provided that the member is not treated as exchanging such member's share of LegacyCo's "unrealized receivables" and/or certain "inventory items" (as those terms are defined in the IRC, and together "**Ordinary Income Items**") for other partnership property). A member, however, will recognize gain on the receipt of a distribution of money and, in some cases, "marketable securities," from LegacyCo (including any constructive distribution of money resulting from a reduction of the member's share of the indebtedness of LegacyCo) to the extent such cash distribution or the fair market value of such marketable securities distributed exceeds such member's adjusted tax basis in its membership interest. Such distribution would be treated as gain from the sale or exchange of a membership interest, which is described below.

A member will recognize gain on the complete liquidation of its membership interest only to the extent the amount of money received exceeds its adjusted tax basis in its interest. Distributions of certain marketable securities are treated as distributions of money for purposes of determining gain. Any gain recognized by a member on the receipt of a distribution from LegacyCo generally will be capital gain, but may be taxable as ordinary income under certain other

circumstances. No loss can be recognized on a distribution in liquidation of a membership interest, unless the member receives no property other than money and Ordinary Income Items.

A member's adjusted tax basis in its interest in LegacyCo generally will be equal to such member's initial tax basis (discussed above), increased by the sum of (a) any additional capital contribution such member makes to LegacyCo, (b) the member's allocable share of the income of LegacyCo, and (c) increases in the member's allocable share of the indebtedness of LegacyCo, and reduced, but not below zero, by the sum of (d) the member's allocable share of the losses of LegacyCo, and (e) the amount of money or the adjusted tax basis of property distributed to such member, including constructive distributions of money resulting from reductions in such member's allocable share of the indebtedness of LegacyCo.

A sale of all or part of a member's LegacyCo Units will generally result in the recognition of gain or loss in an amount equal to the difference between the amount of the sales proceeds or distribution (including any constructive distribution) and such member's adjusted tax basis for the portion of the interest disposed of. Any gain or loss recognized with respect to such a sale generally will be treated as capital gain or loss, and will be long-term capital gain or loss if the interest has been held for more than one year, except to the extent (i) that the proceeds of the sale are attributable to a member's allocable share of certain Ordinary Income Items of LegacyCo and such proceeds exceed the member's adjusted tax basis attributable to such Ordinary Income Items and (ii) of previously allowed bad debt or ordinary loss deductions. A member's ability to deduct any loss recognized on the sale of its membership interest will depend on the member's own circumstances and may be restricted under the Tax Code.

The foregoing summary has been provided for informational purposes only. Each holder of Claims and LegacyCo Units is urged to consult its tax advisor concerning the U.S. federal, state, local, and other tax consequences applicable under the Plan.

8. Information Reporting and Backup Withholding

Payments of interest (including accruals of OID) or dividends and any other reportable payments, possibly including amounts received pursuant to the Plan and payments of proceeds from the sale, retirement or other disposition of the exchange consideration, may be subject to "backup withholding" (currently at a rate of 28%) if a recipient of those payments fails to furnish to the payor certain identifying information and, in some cases, a certification that the recipient is not subject to backup withholding. Backup withholding is not an additional tax. Any amounts deducted and withheld generally should be allowed as a credit against that recipient's U.S. federal income tax, provided that appropriate proof is timely provided under rules established by the IRS. Furthermore, certain penalties may be imposed by the IRS on a recipient of payments who is required to supply information but who does not do so in the proper manner. Backup withholding generally should not apply with respect to payments made to certain exempt recipients, such as corporations and financial institutions. Information may also be required to be provided to the IRS concerning payments, unless an exemption applies. You are urged to consult your tax advisor regarding your qualification for exemption from backup withholding and information reporting and the procedures for obtaining such an exemption.

U.S. Treasury regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of certain thresholds. You are urged to consult your tax advisor regarding these U.S. Treasury regulations and whether the contemplated transactions under the Plan would be subject to these U.S. Treasury regulations and require disclosure on your tax return.

The foregoing summary has been provided for informational purposes only. Each holder of Claims and Existing BBEP Equity Interests is urged to consult its tax advisor concerning the U.S. federal, state, local, and other tax consequences applicable under the Plan.

VIII. **VOTING PROCEDURES AND REQUIREMENTS**

Before voting to accept or reject the Plan, each holder of a Claim entitled to vote (an “**Eligible Holder**”) should carefully review the Plan attached hereto as **Exhibit A**. All descriptions of the Plan set forth in this Disclosure Statement are subject to the terms and provisions of the Plan.

A. Voting Deadline

All Eligible Holders have been sent a Ballot together with this Disclosure Statement. Such holders should read the Ballot carefully and follow the instructions contained therein. Please use only the Ballot that accompanies this Disclosure Statement to cast your vote. Special procedures are set forth below for holders of securities through a broker, dealer, commercial bank, trust company, or other agent or nominee (“**Nominee**”).

The Debtors have engaged Prime Clerk LLC as their voting agent (the “**Voting Agent**”) to assist in the transmission of voting materials and in the tabulation of votes with respect to the Plan. **FOR YOUR VOTE TO BE COUNTED, YOUR VOTE MUST BE RECEIVED BY THE VOTING AGENT AT THE ADDRESS SET FORTH BELOW ON OR BEFORE THE VOTING DEADLINE OF 4:00 P.M. (EASTERN TIME) ON JANUARY 4, 2018, UNLESS EXTENDED BY THE DEBTORS.**

AN ELIGIBLE HOLDER HOLDING THE SECURED NOTES, 7.875% UNSECURED NOTES, OR 8.625% UNSECURED NOTES IN “STREET NAME” THROUGH A NOMINEE MAY VOTE AS FURTHER DESCRIBED BELOW.

IF YOU MUST RETURN YOUR BALLOT TO YOUR NOMINEE, YOU MUST RETURN YOUR BALLOT TO THEM IN SUFFICIENT TIME FOR THEM TO PROCESS IT AND RETURN THE MASTER BALLOT TO THE VOTING AGENT BEFORE THE VOTING DEADLINE.

IF A BALLOT IS DAMAGED OR LOST, YOU MAY CONTACT THE VOTING AGENT AT THE NUMBER SET FORTH BELOW TO RECEIVE A REPLACEMENT BALLOT. ANY BALLOT THAT IS EXECUTED AND RETURNED BUT WHICH DOES NOT INDICATE AN ACCEPTANCE OR REJECTION OF THE PLAN WILL NOT BE COUNTED.

IF YOU HAVE ANY QUESTIONS CONCERNING VOTING PROCEDURES, YOU MAY CONTACT THE VOTING AGENT AT:

Additional copies of this Disclosure Statement are available upon request made to the Voting Agent, at the telephone numbers or e-mail address set forth immediately above.

B. Voting Procedures

The Debtors are providing copies of this Disclosure Statement (including all exhibits and appendices) and related materials and a Ballot (collectively, a “**Solicitation Package**”) to Eligible Holders. Record holders of certain Claims may include Nominees. If such Nominees do not hold Claims for their own account, they must provide copies of the Solicitation Package to their customers that are the Eligible Holders thereof as of the Record Date. Any Eligible Holder that has not received a Ballot should contact its Nominee, or the Voting Agent.

Eligible Holders should provide all of the information requested by the Ballot and return all Ballots received in the enclosed, self-addressed, postage-paid envelope provided with each such Ballot either to the Voting Agent or their Nominee, as applicable.

The Record Date for determining which holders are entitled to vote on the Plan is November 29, 2017. The applicable administrative agent or indenture trustee under any debt documents will not vote on behalf of its respective holders. Such holders must submit their own Ballot.

C. Parties Entitled to Vote

Under the Bankruptcy Code, only holders of Claims or Interests in “impaired” classes are entitled to vote on the Plan. Under section 1124 of the Bankruptcy Code, a class of Claims or Interests is “impaired” under the Plan unless (1) the Plan leaves unaltered the legal, equitable, and contractual rights to which such Claim or Interest entitles the holder thereof or (2) notwithstanding any legal right to an accelerated payment of such Claim or Interest, the Plan cures all existing defaults (other than defaults resulting from the occurrence of events of bankruptcy) and reinstates the maturity of such claim or interest as it existed before the default.

If, however, the holder of an impaired Claim or Interest will not receive or retain any distribution under the Plan on account of such Claim or Interest, the Bankruptcy Code deems such holder to have rejected the plan, and, accordingly, holders of such Claims and Interests do not actually vote on the Plan and will not receive a Ballot. If a Claim or Interest is not impaired by the Plan, the Bankruptcy Code presumes the holder of such Claim or Interest to have accepted the Plan and, accordingly, holders of such Claims and Interests are not entitled to vote on the Plan, and also will not receive a Ballot.

A vote may be disregarded if the Bankruptcy Court determines, pursuant to section 1126(e) of the Bankruptcy Code, that it was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code.

The Bankruptcy Code defines “acceptance” of a plan by a class of: (1) Claims as acceptance by creditors in that class that hold at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the Claims that cast ballots for acceptance or rejection of the Plan; and (2) Interests as acceptance by interest holders in that class that hold at least two-thirds (2/3) in amount of the Interests that cast ballots for acceptance or rejection of the Plan.

The Claims in the following classes are impaired under the Plan and entitled to vote to accept or reject the Plan:

- Class 3 – Revolving Credit Facility Claims
- Class 4 – Secured Notes Claims
- Class 5A/5B – Unsecured Notes Claims
- Class 6 – General Unsecured Claims

1. Beneficial Holders

An Eligible Holder that holds a Claim as a record holder in its own name should vote on the Plan by completing and signing a Ballot (a “**Beneficial Holder Ballot**”) and returning it directly to the Voting Agent on or before the Voting Deadline using the enclosed self-addressed, postage-paid envelope.

An Eligible Holder holding a Claim in “street name” through a Nominee may vote on the Plan by one of the following two methods (as selected by such Eligible Holder’s Nominee):

- Complete and sign the enclosed Beneficial Holder Ballot. Return the Beneficial Holder Ballot to your Nominee as promptly as possible and in sufficient time to allow such Nominee to process your instructions and return a completed “master” Ballot (each, a “**Master Ballot**”) to the Voting Agent by the Voting Deadline. If no self-addressed, postage-paid envelope was enclosed for this purpose, contact the Voting Agent for instructions; or
- Complete and sign the pre-validated Beneficial Holder Ballot (as described below) provided to you by your Nominee. Return the pre-validated Beneficial Holder Ballot to the Voting Agent by the Voting Deadline using the return envelope provided in the Solicitation Package.

Any Beneficial Holder Ballot returned to a Nominee by an Eligible Holder will not be counted for purposes of acceptance or rejection of the Plan until such Nominee properly completes and delivers to the Voting Agent that Beneficial Holder Ballot (properly validated) or a Master Ballot casting the vote of such Eligible Holder.

If any Eligible Holder owns a Claim through more than one Nominee, such Eligible Holder may receive multiple mailings containing the Beneficial Holder Ballots. The Eligible Holder should execute a separate Beneficial Holder Ballot for each block of a Claim that it holds through any particular Nominee and return each Beneficial Holder Ballot to the respective Nominee in the return envelope provided therewith. Eligible Holders that execute multiple Beneficial Holder Ballots with respect to a Claim in a single Class held through more than one Nominee must

indicate on each Beneficial Holder Ballot the names of all such other Nominees and the additional amounts of such Claims so held and voted.

2. Nominees

A Nominee that, on the Record Date, is the record holder of Claims for one or more Eligible Holders can obtain the votes of the Eligible Holders of such Claims, consistent with customary practices for obtaining the votes of securities held in “street name,” in one of the following two ways:

(a) Pre-Validated Ballots

The Nominee may “pre-validate” a Beneficial Holder Ballot by (i) signing the Beneficial Holder Ballot and indicating on the Beneficial Holder Ballot the name of the Nominee and DTC Participant Number, (ii) the amount and the account number of the Claims held by the Nominee for the Eligible Holder, and (iii) forwarding such Beneficial Holder Ballot, together with the Disclosure Statement, a pre-addressed, postage-paid return envelope addressed to, and provided by, the Voting Agent, and other materials requested to be forwarded, to the Eligible Holder for voting. The Eligible Holder must then complete the information requested in Item 2 and Item 3 of the Beneficial Holder Ballot, and return the Beneficial Holder Ballot directly to the Voting Agent in the pre-addressed, postage-paid return envelope so that it is RECEIVED by the Voting Agent on or before the Voting Deadline. A list of the Eligible Holders to whom “pre-validated” Beneficial Holder Ballots were delivered should be maintained by Nominees for inspection for at least one year from the Voting Deadline.

(b) Master Ballots

If the Nominee elects not to prevalidate Beneficial Holder Ballots, the Nominee may obtain the votes of Eligible Holders by forwarding to the Eligible Holders the unsigned Beneficial Holder Ballots, together with the Disclosure Statement, a pre-addressed, postage-paid return envelope provided by, and addressed to, the Nominee, and other materials requested to be forwarded. Each such Eligible Holder must then indicate his, her, or its vote on the Beneficial Holder Ballot, complete the information requested on the Beneficial Holder Ballot, review the certifications contained on the Beneficial Holder Ballot, execute the Beneficial Holder Ballot, and return the Beneficial Holder Ballot to the Nominee. After collecting the Beneficial Holder Ballots, the Nominee should, in turn, complete a Master Ballot compiling the votes and other information from the Beneficial Holder Ballots, execute the Master Ballot, and deliver the Master Ballot to the Voting Agent so that it is RECEIVED by the Voting Agent on or before the Voting Deadline. All Beneficial Holder Ballots returned by Eligible Holders should either be forwarded to the Voting Agent (along with the Master Ballot) or retained by Nominees for inspection for at least one year from the Voting Deadline. EACH NOMINEE SHOULD ADVISE ITS ELIGIBLE HOLDERS TO RETURN THEIR BENEFICIAL HOLDER BALLOTS TO THE NOMINEE BY A DATE CALCULATED BY THE NOMINEE TO ALLOW IT TO PREPARE AND RETURN THE MASTER BALLOT TO THE VOTING AGENT SO THAT IT IS RECEIVED BY THE VOTING AGENT ON OR BEFORE THE VOTING DEADLINE.

3. Miscellaneous

All Ballots must be signed by the Eligible Holder, or any person who has obtained a properly completed Ballot proxy from the Eligible Holder by the Record Date. Unless otherwise ordered by the Bankruptcy Court, Ballots that are signed, dated, and timely received, but on which a vote to accept or reject the Plan has not been indicated, will not be counted. The Debtors, in their sole discretion, may request that the Voting Agent attempt to contact such voters to cure any such defects in the Ballots. Any Ballot marked to both accept and reject the Plan shall not be counted. If you return more than one Ballot voting different Claims, the Ballots are not voted in the same manner, and you do not correct this before the Voting Deadline, those Ballots will not be counted. An otherwise properly executed Ballot (other than a Master Ballot) that attempts to partially accept and partially reject the Plan will likewise not be counted.

The Ballots provided to Eligible Holders will reflect the principal amount of such Eligible Holder's Claim; however, when tabulating votes, the Voting Agent may adjust the amount of such Eligible Holder's Claim by multiplying the principal amount by a factor that reflects all amounts accrued between the Record Date and the Petition Date including interest.

Under the Bankruptcy Code, for purposes of determining whether the requisite acceptances have been received, only Eligible Holders that actually vote will be counted. The failure of a holder to deliver a duly executed Ballot to the Voting Agent or its Nominee will be deemed to constitute an abstention by such holder with respect to voting on the Plan and such abstentions will not be counted as votes for or against the Plan.

Except as provided below, unless the Ballot is timely submitted to the Voting Agent before the Voting Deadline together with any other documents required by such Ballot, the Debtors may, in their sole discretion, reject such Ballot as invalid, and therefore decline to utilize it in connection with seeking confirmation of the Plan.

4. Fiduciaries and Other Representatives

If a Beneficial Holder Ballot is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation, or another person acting in a fiduciary or representative capacity, such person should indicate such capacity when signing and, if requested, must submit proper evidence satisfactory to the Debtors of authority to so act. Authorized signatories should submit the separate Beneficial Holder Ballot of each Eligible Holder for whom they are voting.

UNLESS THE BALLOT OR THE MASTER BALLOT IS SUBMITTED TO THE VOTING AGENT ON OR BEFORE THE VOTING DEADLINE, SUCH BALLOT WILL BE REJECTED AS INVALID AND WILL NOT BE COUNTED AS AN ACCEPTANCE OR REJECTION OF THE PLAN; *PROVIDED, THAT* THE DEBTORS RESERVE THE RIGHT, IN THEIR SOLE DISCRETION, TO REQUEST THE BANKRUPTCY COURT TO ALLOW SUCH BALLOT TO BE COUNTED.

5. Agreements upon Furnishing Ballots

The delivery of an accepting Ballot pursuant to one of the procedures set forth above will constitute the agreement of the voter with respect to such Ballot to accept (a) all of the terms of,

and conditions to, this solicitation; and (b) the terms of the Plan including the injunction, releases, and exculpations set forth in Sections 10.7, 10.8, and 10.9 therein. All parties in interest retain their right to object to confirmation of the Plan pursuant to section 1128 of the Bankruptcy Code.

6. Change of Vote

Any party that has previously submitted a properly completed Ballot to the Voting Agent before the Voting Deadline may revoke such Ballot and change its vote by submitting to the Voting Agent a subsequent, properly completed Ballot for acceptance or rejection of the Plan before the Voting Deadline.

D. Waivers of Defects, Irregularities, etc.

Unless otherwise directed by the Bankruptcy Court, all questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawals of Ballots will be determined by the Voting Agent or the Debtors, as applicable, in their sole discretion, which determination will be final and binding. The Debtors reserve the right to reject any and all Ballots submitted by any of their respective creditors not in proper form, the acceptance of which would, in the opinion of the Debtors or their counsel, as applicable, be unlawful. The Debtors further reserve their respective rights to waive any defects or irregularities or conditions of delivery as to any particular Ballot by any of their creditors. The interpretation (including the Ballot and the respective instructions thereto) by the applicable Debtor, unless otherwise directed by the Bankruptcy Court, will be final and binding on all parties. Unless waived, any defects or irregularities in connection with deliveries of Ballots must be cured within such time as the Debtors (or the Bankruptcy Court) determines. Neither the Debtors nor any other person will be under any duty to provide notification of defects or irregularities with respect to deliveries of Ballots nor will any of them incur any liabilities for failure to provide such notification. Unless otherwise directed by the Bankruptcy Court, delivery of such Ballots will not be deemed to have been made until such irregularities have been cured or waived. Ballots previously furnished (and as to which any irregularities have not theretofore been cured or waived) will be invalidated.

E. Further Information, Additional Copies

If you have any questions or require further information about the voting procedures for voting your Claim, or about the packet of material you received, or if you wish to obtain an additional copy of the Plan, this Disclosure Statement, or any exhibits to such documents, please contact the Voting Agent.

IX.

FACTORS TO CONSIDER BEFORE VOTING

Before voting to accept or reject the Plan, holders of Claims entitled to vote should read and carefully consider the risk factors set forth below, in addition to the information set forth in this Disclosure Statement together with any attachments, exhibits, or documents incorporated by reference hereto. The factors below should not be regarded as the only risks associated with the Plan or its implementation. Documents filed with the SEC may contain important risk factors that differ from those discussed below, and such risk factors are incorporated as if fully set forth

herein and are a part of this Disclosure Statement. Copies of any document filed with the SEC may be obtained by visiting the SEC website at <http://www.sec.gov>.

A. Risks Relating to the Debtors' Business Operations and Financial Condition

1. Volatile Oil and Gas Prices

Revenues and profitability of the Debtors (and therefore the Reorganized Debtors) substantially depend on prevailing oil and natural gas prices. Oil and natural gas are commodities subject to significant fluctuations in response to changes in supply and demand. Oil and natural gas prices have historically been volatile and are likely to continue to be volatile in the future, especially given current economic and geopolitical conditions. The prices for oil and natural gas are subject to a variety of factors beyond the Debtors' or Reorganized Debtors' control, including the following:

- domestic and foreign supply of and demand for oil, liquefied natural gases, and natural gas;
- market prices of oil, liquefied natural gases, and natural gas;
- level of consumer product demand;
- overall domestic and global political and economic conditions;
- political and economic conditions in producing countries, including those in the Middle East, Russia, South America and Africa;
- actions of the Organization of Petroleum Exporting Countries and other state-controlled oil companies relating to oil price and production controls;
- weather conditions;
- impact of the United States dollar exchange rates on commodity prices;
- technological advances affecting energy consumption and energy supply;
- domestic and foreign governmental regulations and taxation;
- impact of energy conservation efforts;
- capacity, cost and availability of oil and natural gas pipelines, processing, gathering and other transportation facilities and the proximity of these facilities to wells;
- increase in imports of liquid natural gas in the United States; and
- price and availability of alternative fuel.

Historically, higher oil and natural gas prices generally stimulate increased demand and result in increased prices for drilling equipment, crews and associated supplies, equipment and services. A high cost environment could adversely affect the Reorganized Debtors' operations.

2. High Costs and Risks of Oil and Natural Gas Drilling and Production

The Debtors' operations are (and the Reorganized Debtors' operations will be) subject to many risks, including the risk of not discovering commercially productive reservoirs. Drilling for oil and natural gas can be unprofitable, not only from dry holes, but from productive wells that do not produce sufficient revenue to return a profit. The decisions to purchase, explore, develop, or otherwise exploit prospects or properties will depend in part on the evaluation of data obtained through geophysical and geological analyses, as well as production data and engineering studies, the results of which are often inconclusive or subject to varying interpretations. In addition, the results of any exploratory drilling in new or emerging areas are more uncertain than drilling results in areas that are developed and have established production, and the Debtors' or Reorganized Debtors' operations may involve the use of recently-developed drilling and completion techniques. The cost of drilling, completing, equipping, and operating wells is often uncertain before drilling commences. Declines in commodity prices and overruns in budgeted expenditures are common risks that can make a particular project uneconomic or less economic than forecasted. Furthermore, many factors may curtail, delay, or cancel drilling and completion projects, including the following:

- high costs, shortages or delivery delays of drilling rigs, equipment, labor or other services;
- unexpected operational events and drilling conditions;
- sustained depressed oil and natural gas prices and further reductions in oil and natural gas prices;
- limitations in the market for oil and natural gas;
- problems in the delivery of oil and natural gas to market;
- adverse weather conditions;
- facility or equipment malfunctions;
- equipment failures or accidents;
- title problems;
- pipe or cement failures;
- casing collapses;
- compliance with environmental and other governmental requirements;
- environmental hazards, such as natural gas leaks, oil spills, pipeline ruptures and discharges of toxic gases;
- lost or damaged oilfield drilling and service tools;
- unusual or unexpected geological formations;
- loss of drilling fluid circulation;
- pressure or irregularities in formations;

- fires, blowouts, surface craterings and explosions;
- natural disasters; and
- uncontrollable flows of oil, natural gas or well fluids.

In certain properties, the Debtors use (and the Reorganized Debtors will use) enhanced recovery technologies to produce oil and natural gas on certain properties. For example, the Debtors inject water and CO₂ into formations on substantially all of their Oklahoma properties to increase production of oil and natural gas. If the Reorganized Debtors are unable to produce oil and gas by injecting CO₂ in the manner or to the extent that they anticipate, any future results of operations and financial condition could be materially adversely affected. The additional production and reserves attributable to the use of enhanced recovery methods are inherently difficult to predict. Additionally, the Reorganized Debtors' ability to utilize CO₂ to enhance production will be subject to their ability to obtain sufficient quantities of CO₂. The Reorganized Debtors may have inadequate CO₂ if their CO₂ supplier is unable to deliver contractually required quantities of CO₂ or adequate CO₂ supplies are impeded, which may, in turn, negatively impact oil and gas production volumes.

In addition, the Reorganized Debtors may have limited control over activities on properties where they do not operate. The Reorganized Debtors may have limited ability to influence or control the operation, future development, or capital expenditures of the non-operated properties where they have interests. The success and timing of drilling development or production activities on properties operated by others depend upon a number of factors that will be outside of the Reorganized Debtors' control, including the timing and amount of capital expenditures, the operator's expertise and financial resources, approval of other participants, and selection of technology. The Reorganized Debtors' dependence on the operator and other working interest owners for these projects coupled with their limited ability to influence or control the operation and future development of these properties could have a material adverse effect on the realization of any targeted returns on capital or lead to unexpected future costs.

3. Depletion of Oil and Gas Reserves

Producing oil and natural gas reservoirs are characterized by declining production rates that vary based on reservoir characteristics and other factors. The rate of decline of the Reorganized Debtors' reserves and production could change if production from their wells declines in a different manner than estimated, and may change when the Reorganized Debtors drill additional wells, make acquisitions, and under other circumstances. The Reorganized Debtors' future oil and natural gas reserves and production and cash flow will depend on their success in developing and exploiting certain of the Debtors' current reserves sufficiently. The Reorganized Debtors may not be able to develop, find, or acquire additional reserves to replace their production at acceptable costs, which would adversely affect their business, financial condition and results of operations.

4. Intense Competitive Environment

The oil and gas industry is intensely competitive with respect to acquiring prospects and productive properties, marketing oil and natural gas and securing equipment and trained

personnel, and the Reorganized Debtors will compete with other companies that have greater resources. Many of the Reorganized Debtors' competitors will be major independent oil and gas companies that possess and employ substantially greater financial, technical, and personnel resources. Those companies may be able to develop and acquire more prospects and productive properties than the Reorganized Debtors' financial or personnel resources permit. The Reorganized Debtors' ability to acquire additional properties and to discover reserves in the future will depend on their ability to evaluate and select suitable properties and to consummate transactions in a highly competitive environment.

Factors that will affect the Reorganized Debtors' ability to acquire properties include availability of desirable acquisition targets, staff and resources to identify and evaluate properties, and available funds. Many larger competitors will not only drill for and produce oil and gas but will also carry on refining operations and market petroleum and other products on a regional, national, or worldwide basis. In addition, there is substantial competition for investment capital in the oil and gas industry. Other companies may have a greater ability to continue drilling activities during periods of low oil and gas prices and to absorb the burden of present and future federal, state, local, and other laws or regulations. The Reorganized Debtors' inability to compete effectively with other companies could have a material adverse effect on their business activities, financial condition, and results of operations.

5. Substantial Capital Requirements

The Reorganized Debtors' ability to borrow and to access the capital and credit markets may be limited by their financial condition at the time of any such financing or offering and the covenants in their post-Effective Date debt agreements, as well as by oil and natural gas prices, the value and performance of their equity securities, and adverse market conditions resulting from, among other things, general economic conditions and contingencies and uncertainties that are beyond their control. The Reorganized Debtors' failure to obtain the funds for necessary future capital expenditures could have a material adverse effect on their business, results of operations, financial condition.

6. Hedging and Derivative Risks

To achieve predictable cash flow and reduce exposure to adverse fluctuations in the prices of oil and gas prices, the Debtors historically and the Reorganized Debtors may in the future enter into derivative arrangements for a significant portion of their expected oil and natural gas production that could result in both realized and unrealized commodity derivative losses. If the Reorganized Debtors cannot enter into commodity derivatives, they could be more affected by changes in commodity prices than their competitors that engage in hedging arrangements.

The extent of the Reorganized Debtors' commodity price exposure will be related largely to the effectiveness and scope of their derivative activities. The reference prices of the derivative instruments the Reorganized Debtors utilize may differ significantly from the actual oil and natural gas prices they realize in their operations. Furthermore, the Reorganized Debtors may enter into derivative transactions related to only a portion of their expected production volumes and, as a result, continue to have direct commodity price exposure on the portion of their production volumes not covered by derivative transactions.

The Reorganized Debtors' actual future production for any given period may be significantly higher or lower than estimated at the time of entering into derivative transactions for such period. If the actual amount is higher than estimated, the Reorganized Debtors will have greater commodity price exposure than intended. If the actual amount is lower than the nominal amount that is subject to the derivative financial instruments, the Reorganized Debtors might be forced to satisfy all or a portion of their derivative transactions without the benefit of the cash flow from any sale or purchase of the underlying physical commodity, resulting in a substantial diminution in profitability and liquidity. As a result of these factors, the Reorganized Debtors' derivative activities may not be as effective as intended in reducing the cash flow volatility, and in certain circumstances may actually increase cash flow volatility. In addition, the Reorganized Debtors' derivative activities may be subject to the following risks:

- the Reorganized Debtors may be limited in receiving the full benefit of increases in oil and natural gas prices as a result of these transactions;
- a counterparty may not perform its obligation under the applicable derivative instrument or seek bankruptcy protection;
- there may be a change in the expected differential between the underlying commodity price in the derivative instrument and the actual price received; and
- the steps the Reorganized Debtors take to monitor derivative financial instruments may not detect and prevent violations of their risk management policies and procedures, particularly if deception or other intentional misconduct is involved.

7. Insurance Coverage and Excess Liability Risks

Although the Debtors currently possess (and the Reorganized Debtors are expected to possess) property and general liability insurance at levels believed to be appropriate, the Debtors and Reorganized Debtors cannot insure against all operational risks. The Debtors are not (and therefore the Reorganized Debtors will not be) fully insured against all risks, including drilling and completion risks that are generally not recoverable from third parties or insurance. In addition, pollution and environmental risks generally are not fully insurable.

Additionally, the Reorganized Debtors may elect not to obtain insurance if the cost of available insurance is excessive relative to the perceived risks presented. Losses could, therefore, occur for uninsurable or uninsured risks or in amounts exceeding existing insurance coverage. Moreover, insurance may not be available in the future at commercially reasonable costs and on commercially reasonable terms. Changes in the insurance markets after natural disasters and terrorist attacks have made it more difficult for the Reorganized Debtors to obtain certain types of coverage. There can be no assurance that the Reorganized Debtors will be able to obtain the levels or types of insurance obtained before these market changes or that the insurance coverage obtained will not contain large deductibles or fail to cover certain hazards or cover all potential losses. Losses and liabilities from uninsured and underinsured events and delay in the payment of insurance proceeds could have a material adverse effect on the Reorganized Debtors' business, financial condition, and operations.

8. Extensive Domestic Regulation and Legislation

The Reorganized Debtors' oil and natural gas exploration, production, gathering, and transportation operations will be subject to complex and stringent laws and regulations. To conduct their operations in compliance with these laws and regulations, the Reorganized Debtors must obtain and maintain numerous permits, approvals and certificates from various federal, state and local governmental authorities. The Reorganized Debtors may incur substantial costs to maintain compliance with these existing laws and regulations. In addition, the Reorganized Debtors' costs of compliance may increase if existing laws, including tax laws, and regulations are revised or reinterpreted, or if new laws and regulations become applicable to their operations. For example, in California, there have been proposals at the legislative and executive levels in the past for tax increases which have included a severance tax as high as 12.5% on all oil production in California. Although the proposals have not passed the California legislature, the State of California could impose a severance tax on oil in the future. The Reorganized Debtors will have significant oil production in California and cannot predict the impact of such a tax, which could have severe negative impacts on their California revenues.

9. New Permian Corp. Will Be a New Company That Has Never Operated Independently

New Permian Corp. will be a newly formed company that has never operated independently. It will need to develop its own administrative infrastructure, and its ability to do so quickly, efficiently, and cost-effectively, could affect the business, financial condition, and results of operations of New Permian Corp. Pursuant to the Transition Services Agreement, which has an initial term of eight months, LegacyCo will provide New Permian Corp. with certain transition services while it develops the personnel and systems necessary to provide these services itself.

In addition, to establish itself successfully as an independent company, New Permian Corp. will need to attract and retain highly skilled employees. Efficient oil and gas production requires a skilled workforce, and the demand for such skilled employees sometimes causes a constriction of the labor supply resulting in higher labor costs. If a shortage of skilled workers exists and New Permian Corp. is unable to train or retain the necessary number of skilled laborers, or is required to pay higher wages to attract or retain such skilled laborers, it could adversely affect New Permian Corp.'s productivity, costs, ability to expand production and ability to achieve its planned results and business strategy, and ultimately its business, financial condition, and results of operations.

New Permian Corp. must also hire and retain executive officers and other key management personnel with the requisite experience and skills to serve in senior management positions. There can be no assurance that New Permian Corp. will be successful in attracting and retaining a sufficient number of such qualified personnel or that it will be able to do so on acceptable terms.

Finally, the historical performance of the Debtors and their subsidiaries is not representative of New Permian Corp.'s performance as a separate company, and no historical financial information has been prepared upon which New Permian Corp.'s operating performance can be evaluated.

10. Future New Permian Corp. Debt or Equity Financings.

New Permian Corp. may need or decide to incur debt, including on or shortly after the Effective Date, or issue additional equity in order to fund working capital and capital expenditures or to make acquisitions and other investments. There can be no assurance that debt or equity financing will be available to New Permian Corp on acceptable terms, if at all. In addition, it may be more expensive for New Permian Corp. to raise funds through the issuance of debt as a new, independent company.

11. Additional Business and Industry Risk Factors

The risks associated with the Debtors' business and industry are more fully described in the Debtors' SEC filings, including the Annual Report on Form 10-K for the fiscal year ended December 31, 2016, filed with the SEC on March 8, 2017 and amended on April 28, 2017.

B. Certain Bankruptcy Law Considerations

1. Risk of Non-Confirmation of the Plan

Although the Debtors believe that the Plan satisfies all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion or that modifications to the Plan will not be required for confirmation or that such modifications would not necessitate re-solicitation of votes. Moreover, the Debtors can make no assurances that they will receive the requisite acceptances to confirm the Plan, and even if all Voting Classes vote in favor of the Plan or the requirements for "cram down" are met with respect to any Class that rejects or is deemed to reject the Plan, the Bankruptcy Court may exercise discretion as a court of equity and choose not to confirm the Plan. If the Plan is not confirmed, it is unclear what distributions holders of Claims or Interests would ultimately receive with respect to their Claims or Interests in a subsequent plan of reorganization or otherwise.

2. Non-Consensual Confirmation

If any impaired class of claims or equity interests does not accept or is deemed not to accept a plan of reorganization, a Bankruptcy Court may nevertheless confirm such plan at the proponent's request if at least one impaired class has accepted the plan (with such acceptance being determined without including the vote of any "insider" in such class), and as to each impaired class that has not accepted the plan, the Bankruptcy Court determines that the plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting impaired classes. If any Classes vote to reject or are deemed to reject the Plan, then these requirements must be satisfied with respect to such rejecting Classes. The Debtors believe that the Plan satisfies these requirements.

3. Inaccuracy of Projected Financial Results

The Debtors have prepared financial projections on a consolidated basis with respect to LegacyCo based on certain assumptions, as set forth in Exhibit C hereto. The projections have not been compiled, audited, or examined by independent accountants, and neither the Debtors

nor their advisors make any representations or warranties regarding the accuracy of the projections or the ability to achieve forecasted results.

Many of the assumptions underlying the projections are subject to significant uncertainties that are beyond the control of the Debtors or Reorganized Debtors including the timing, confirmation, and consummation of the Plan, demand or price for oil and natural gas, inflation, and other unanticipated market and economic conditions. Some assumptions may not materialize, and unanticipated events and circumstances may affect the actual results. Projections are inherently subject to substantial and numerous uncertainties and to a wide variety of significant business, economic, and competitive risks, and the assumptions underlying the projections may be inaccurate in material respects. In addition, unanticipated events and circumstances occurring after the approval of this Disclosure Statement by the Bankruptcy Court including any natural disasters, terrorist attacks, or health epidemics may affect the actual financial results achieved. Such results may vary significantly from the forecasts and such variations may be material.

4. Claims Could Be More than Projected

There can be no assurance that the Allowed amount of Claims in Class 6 will not be significantly more than projected, which in turn, could cause the value of distributions to holders of such Allowed Claims to be reduced. In addition, there can be no certainty that the distribution to Receiving AUNC Holders will not otherwise exceed the AUNC Cap, or that the distribution to Receiving GUC Holders will not otherwise exceed the GUC Stock Cap, and therefore, in either case, cause the value of distributions to such holders to be reduced ratably to eliminate such excess in accordance with the Plan. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the ultimate results.

5. U.S. Federal Income Tax Risks

For a discussion of certain U.S. federal income tax consequences of the implementation of the Plan to the Debtors and to holders of certain Claims and Interests, see Section VII of this Disclosure Statement.

6. Risk of Non-Occurrence of the Effective Date

Although the Debtors believe that the Effective Date will occur soon after the Confirmation Date, there can be no assurance as to the timing of the Effective Date. If the conditions precedent to the Effective Date set forth in the Plan have not occurred or have not been waived as set forth in Article IX of the Plan, then the Confirmation Order may be vacated, in which event no distributions would be made under the Plan, the Debtors and all holders of Claims or Interests would be restored to the status quo as of the day immediately preceding the Confirmation Date, and the Debtors' obligations with respect to Claims and Interests would remain unchanged.

7. Conversion into Chapter 7 Cases

If no plan of reorganization can be confirmed, or if the Bankruptcy Court otherwise finds that it would be in the best interest of holders of Claims and Interests, the Chapter 11 Cases may be

converted to cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed or elected to liquidate the Debtors' assets for distribution in accordance with the priorities established by the Bankruptcy Code. See Section X(B) hereof, as well as the Liquidation Analysis attached hereto as **Exhibit B**, for a discussion of the effects that a chapter 7 liquidation would have on the recoveries of holders of Claims and Interests.

C. Factors Relating to Securities to Be Issued

1. Market for Securities

There is currently no market for the LegacyCo Units or the New Permian Corp. Shares, and there can be no assurance as to the development or liquidity of any market for any such securities.

LegacyCo and New Permian Corp., as applicable, are under no obligation to list any of the above securities on any national securities exchange. Therefore, there can be no assurance that any of the foregoing securities will be tradable or liquid at any time after the Effective Date. If a trading market does not develop or is not maintained, holders of the foregoing securities may experience difficulty in reselling such securities or may be unable to sell them at all. Even if such a market were to exist, such securities could trade at prices higher or lower than the estimated value set forth in this Disclosure Statement depending upon many factors including prevailing interest rates, markets for similar securities, industry conditions, and the performance of, and investor expectations for, LegacyCo or New Permian Corp. Accordingly, holders of these securities may bear certain risks associated with holding securities for an indefinite period of time.

2. Potential Dilution

The ownership percentage represented by the LegacyCo Units or New Permian Corp. Shares distributed under the Plan as of the Closing Date will be subject to dilution from the equity issued in connection with (a) the LegacyCo Management Incentive Plan (in the case of the LegacyCo Units) and (b) the Put Option Premium and the New Permian Corp. Management Incentive Plan (in the case of the New Permian Corp. Shares), (c) any other equity that may be issued post-emergence, and (d) the conversion of any options, warrants, convertible securities, exercisable securities, or other securities that may be issued post-emergence.

In the future, similar to all companies, additional equity financings or other equity issuances by LegacyCo or New Permian Corp. could adversely affect the value of the LegacyCo Units or New Permian Corp. Shares. The amount and dilutive effect of any of the foregoing could be material.

3. Significant Holders of LegacyCo Units or New Permian Corp. Shares

Certain holders of Allowed Secured Notes Claims are expected to acquire a significant ownership interest in the LegacyCo Units issued pursuant to the Plan, and certain holders of Allowed Unsecured Notes Claims are expected to acquire a significant ownership interest in the New Permian Corp. Shares issued pursuant to the Plan or Rights Offering. Such holders could be in a position to control the outcome of all actions of LegacyCo or New Permian Co., as applicable, requiring unitholder or shareholder approval, including the election of directors or managers, without the approval of other unitholders or shareholders. This concentration of

ownership could also facilitate or hinder a negotiated change of control of LegacyCo or New Permian Corp. and, consequently, have an impact upon the value of the LegacyCo Units and New Permian Corp. Shares.

4. Interests Subordinated to the Reorganized Debtors' Indebtedness

In any subsequent liquidation, dissolution, or winding up of LegacyCo or New Permian Corp., the LegacyCo Units or New Permian Corp. Shares would rank below all debt claims against the LegacyCo or New Permian Corp., as applicable. As a result, holders of the LegacyCo Units and New Permian Corp. Shares will not be entitled to receive any payment or other distribution of assets upon the liquidation, dissolution, or winding up of LegacyCo or New Permian Corp. (as applicable) until after all applicable holders of debt have been paid in full.

5. Implied Valuation of LegacyCo Units or New Permian Corp. Shares Not Intended to Represent the Trading Value of the LegacyCo Units or New Permian Corp. Shares

The valuation of LegacyCo or New Permian Corp. is not intended to represent the trading value of LegacyCo Units or New Permian Corp. Shares in public or private markets and is subject to additional uncertainties and contingencies, all of which are difficult to predict. Actual market prices of such securities at issuance will depend upon, among other things: (a) prevailing interest rates; (b) conditions in the financial markets; (c) the anticipated initial securities holdings of prepetition creditors, some of whom may prefer to liquidate their investment rather than hold it on a long-term basis; and (d) other factors that generally influence the prices of securities. The actual market price of the LegacyCo Units and New Permian Corp. Shares is likely to be volatile. Many factors, including factors unrelated to LegacyCo's or New Permian Corp.'s actual operating performance and other factors not possible to predict, could cause the market price of the LegacyCo Units and New Permian Corp. Shares to rise and fall. Accordingly, the implied value, stated herein and in the Plan, of the securities to be issued does not necessarily reflect, and should not be construed as reflecting, values that will be attained for the LegacyCo Units or New Permian Corp. Shares in the public or private markets.

6. Dividends

LegacyCo and New Permian Corp. may not pay any dividends on the LegacyCo Units and New Permian Corp. Shares. In such circumstances, the success of an investment in the LegacyCo Units or New Permian Corp. Shares will depend entirely upon any future appreciation in the value of the LegacyCo Units or New Permian Corp. Shares. There is, however, no guarantee that the LegacyCo Units or New Permian Corp. Shares will appreciate in value or even maintain their initial value.

7. Restrictions on Ability to Resell LegacyCo Units and New Permian Corp. Shares

The LegacyCo Units and New Permian Corp. Shares will not be registered under applicable federal or state securities law. Absent such registration, the LegacyCo Units and New Permian Corp. Shares may be offered and sold only in transactions that are not subject to, or that are exempt from, the registration requirements of applicable securities laws. These restrictions could

significantly limit holders' ability to resell the LegacyCo Units or New Permian Corp. Shares. For a discussion of transfer restrictions on the LegacyCo Units or New Permian Corp. Shares under applicable federal or state securities law, see Section VI of this Disclosure Statement.

D. Factors Relating to Rights Offering

1. Debtors Could Modify the Rights Offering Procedures

The Debtors may modify the procedures governing the Rights Offering, with the approval of the Requisite Commitment Parties (as defined in the Backstop Commitment Agreement), to, among other things, adopt additional detailed procedures if necessary to administer the distribution and exercise of Subscription Rights or to comply with applicable law. Such modifications may adversely affect the rights of those participating in the Rights Offering.

2. The Backstop Commitment Agreement Could be Terminated

The Backstop Commitment Agreement contains certain provisions that give the parties the ability to terminate the Backstop Commitment Agreement if various conditions are not satisfied. Termination of the Backstop Commitment Agreement could prevent the Debtors from consummating the Plan. Under certain conditions in connection with the termination of the Backstop Commitment Agreement, as more fully described therein, the Backstop Parties may be eligible to be paid the Breakup Premium in cash.

E. Additional Factors

1. Debtors Could Withdraw Plan

Subject to, and without prejudice to, the rights of any party in interest, the Plan may be revoked or withdrawn before the Confirmation Date by the Debtors.

2. Debtors Have No Duty to Update

The statements contained in this Disclosure Statement are made by the Debtors as of the date hereof, unless otherwise specified herein, and the delivery of this Disclosure Statement after that date does not imply that there has been no change in the information set forth herein since that date. Additionally, the Debtors have no duty to update this Disclosure Statement unless otherwise ordered to do so by the Bankruptcy Court.

3. No Representations Outside this Disclosure Statement Are Authorized

No representations concerning or related to the Debtors, the Chapter 11 Cases, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Plan that are other than those contained in, or included with, this Disclosure Statement should not be relied upon in making the decision to accept or reject the Plan.

4. No Legal or Tax Advice Is Provided by this Disclosure Statement

The contents of this Disclosure Statement should not be construed as legal, business, or tax advice. Each holder of a Claim or Interest should consult its own legal counsel and accountant as to legal, tax, and other matters concerning their Claim or Interest.

This Disclosure Statement is not legal advice to you. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Plan or object to confirmation of the Plan.

5. No Admission Made

Nothing contained herein or in the Plan shall constitute an admission of, or shall be deemed evidence of, the tax or other legal effects of the Plan on the Debtors or holders of Claims or Interests.

**X.
CONFIRMATION OF THE PLAN**

The Bankruptcy Court will confirm the Plan only if all of the requirements of section 1129 of the Bankruptcy Code are met. Among the requirements for confirmation are that the Plan is (A) accepted by all impaired Classes of Claims and Interests entitled to vote or, if rejected or deemed rejected by an impaired Class, that the Plan “does not discriminate unfairly” and is “fair and equitable” as to such Class; (B) in the “best interests” of the holders of Claims and Interests impaired under the Plan; and (C) feasible.

A. Acceptance of the Plan

Under the Bankruptcy Code, a Class accepts a chapter 11 plan if (1) holders of two-thirds (2/3) in amount and (2) with respect to holders of Claims, more than a majority in number of the allowed claims in such class (other than those designated under section 1126(e) of the Bankruptcy Code) vote to accept the Plan. Holders of Claims or Interests that fail to vote are not counted in determining the thresholds for acceptance of the Plan.

If any impaired Class of Claims or Interests does not accept the Plan (or is deemed to reject the Plan), the Bankruptcy Court may still confirm the Plan at the request of the Debtors if, as to each impaired Class of Claims or Interests that has not accepted the Plan (or is deemed to reject the Plan), the Plan “does not discriminate unfairly” and is “fair and equitable” under the so-called “cram down” provisions set forth in section 1129(b) of the Bankruptcy Code. The “unfair discrimination” test applies to classes of claims or interests that are of equal priority and are receiving different treatment under the Plan. A chapter 11 plan does not discriminate unfairly, within the meaning of the Bankruptcy Code, if the legal rights of a dissenting class are treated in a manner consistent with the treatment of other classes whose legal rights are substantially similar to those of the dissenting class and if no class of claims or interests receives more than it legally is entitled to receive for its claims or interests. The test does not require that the treatment be the same or equivalent, but that such treatment be “fair.” The “fair and equitable” test applies to classes of different priority and status (e.g., secured versus unsecured; claims versus interests) and includes the general requirement that no class of claims receive more than

100% of the allowed amount of the claims in such class. As to the dissenting class, the test sets different standards that must be satisfied in order for the Plan to be confirmed, depending on the type of claims or interests in such class. The following sets forth the “fair and equitable” test that must be satisfied as to each type of class for a plan to be confirmed if such class rejects the Plan:

- **Secured Creditors.** Each holder of an impaired secured claim either (a) retains its liens on the property, to the extent of the allowed amount of its secured claim, and receives deferred cash payments having a value, as of the effective date of the plan, of at least the allowed amount of such secured claim, (b) has the right to credit bid the amount of its claim if its property is sold and retains its lien on the proceeds of the sale, or (c) receives the “indubitable equivalent” of its allowed secured claim.
- **Unsecured Creditors.** Either (a) each holder of an impaired unsecured claim receives or retains under the plan, property of a value, as of the effective date of the plan, equal to the amount of its allowed claim or (b) the holders of claims and interests that are junior to the claims of the dissenting class will not receive any property under the plan.
- **Interests.** Either (a) each equity interest holder will receive or retain under the plan property of a value equal to the greater of (i) the fixed liquidation preference or redemption price, if any, of such equity interest and (ii) the value of the equity interest or (b) the holders of interests that are junior to the interests of the dissenting class will not receive or retain any property under the plan.

The Debtors believe the Plan satisfies the “fair and equitable” requirement with respect to any rejecting Class.

IF ALL OTHER CONFIRMATION REQUIREMENTS ARE SATISFIED AT THE CONFIRMATION HEARING, THE DEBTORS WILL ASK THE BANKRUPTCY COURT TO RULE THAT THE PLAN MAY BE CONFIRMED ON THE GROUND THAT THE SECTION 1129(b) REQUIREMENTS HAVE BEEN SATISFIED.

B. Best Interest Test

The Bankruptcy Code requires that each holder of an impaired Claim or Interest either (1) accept the Plan or (2) receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the value such holder would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. This requirement is customarily referred to as the “best interest” test.

The first step in determining whether the Plan satisfies the best interest test is to determine the dollar amount that would be generated from the liquidation of the Debtors’ assets and properties in the context of a chapter 7 liquidation. The gross amount of Cash that would be available for satisfaction of Claims and Interests would be the sum consisting of the proceeds resulting from the disposition of the assets and properties of the Debtors, augmented by the unencumbered Cash held by the Debtors at the time of the commencement of the liquidation case.

The next step is to reduce that gross amount by the costs and expenses of liquidation, the proceeds received from the disposition of encumbered assets that would be distributed to the holders of the liens on such assets, and by the payment of such additional administrative expenses and priority claims arising from the use of chapter 7 for the purposes of liquidation. Any remaining Cash would be allocated to unsecured creditors and equity interest holders in strict priority in accordance with section 726 of the Bankruptcy Code.

Finally, the present value of such allocations (taking into account the time necessary to accomplish the liquidation) are compared to the value of the property that is proposed to be distributed under the Plan on the Effective Date. The Debtors' costs of liquidation under chapter 7 would include the fees payable to a trustee in bankruptcy as well as those fees that might be payable to attorneys and other professionals that the trustee might engage. Other liquidation costs include the expenses incurred during the Chapter 11 Cases allowed in the chapter 7 cases, such as compensation for attorneys, financial advisors, appraisers, accountants, and other professionals for the Debtors and statutory committees appointed in the Chapter 11 Cases, and costs and expenses of members of such committees, as well as other compensation Claims. Furthermore, additional Claims would arise by reason of the breach or rejection of obligations incurred and leases and executory contracts assumed or entered into by the Debtors during the pendency of the Chapter 11 Cases. The foregoing types of Claims, costs, expenses, fees, and such other Claims that may arise in a liquidation case would be paid in full from the liquidation proceeds before the balance of those proceeds would be made available to pay prepetition priority and unsecured Claims, or available for distribution to the holders of Interests.

After consideration of the effects that a chapter 7 liquidation would have on the ultimate proceeds available for distribution to holders of Claims and Interests in the Chapter 11 Cases, including (1) the increased costs and expenses of a liquidation under chapter 7 arising from fees payable to a trustee in bankruptcy and professional advisors to such trustee, (2) the erosion in value of assets in a chapter 7 case in the context of the expeditious liquidation required under chapter 7 and the "forced sale" atmosphere that would prevail, and (3) the substantial increase in Claims that would be satisfied on a priority basis, the Debtors have determined that confirmation of the Plan will provide each holder of an Allowed Claim or Interest with a recovery that is not less than such holder would receive pursuant to liquidation of the Debtors under chapter 7. For purposes of the best interests test, distributions under a chapter 11 plan that substantively consolidates debtors are compared against distributions in a hypothetical chapter 7 that also substantively consolidates the debtors.

The Debtors also believe that the value of any distributions to holders of Allowed Claims and Interests in a chapter 7 case would be less than the value of distributions under the Plan because such distributions in a chapter 7 case would not occur for a substantial period of time. It is likely that distribution of the proceeds of the liquidation could be delayed for at least one year after the completion of such liquidation to resolve Claims and prepare for distributions. In the likely event litigation was necessary to resolve Claims asserted in a chapter 7 case, the delay could be prolonged and Administrative Expenses increased.

The liquidation analysis annexed hereto as **Exhibit B** (the "**Liquidation Analysis**") provides a summary of the liquidation values of the Debtors' assets, assuming a chapter 7 liquidation in which a trustee appointed by the Bankruptcy Court would liquidate the assets of the Debtors'

estates and confirms the conclusions set forth above. Reference should be made to the Liquidation Analysis for a complete discussion and presentation of the Liquidation Analysis. The Liquidation Analysis was prepared by Alvarez & Marsal North America, LLC, with the assistance of the Debtors' management and other advisors.

Underlying the Liquidation Analysis are a number of estimates and assumptions which, although developed and considered reasonable by the Debtors' management and their financial advisors, are inherently subject to significant economic and competitive uncertainties and contingencies beyond the control of the Debtors and their management. The Liquidation Analysis is also based on assumptions with regard to liquidation decisions that are subject to change. Accordingly, the values reflected might not be realized if the Debtors were, in fact, to undergo such a liquidation. The chapter 7 liquidation period is assumed to be a period of at least seven (7) months, allowing for, among other things, the discontinuation and wind-down of operations within the first few months, compliance with applicable regulatory requirements, the sale of assets, and the collection of receivables.

C. Feasibility

The Debtors believe that the Plan meets the feasibility requirement set forth in section 1129(a)(11) of the Bankruptcy Code, as confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the Reorganized Debtors or any successor under the Plan. In connection with the development of the Plan and for the purposes of determining whether the Plan satisfies the feasibility standard, the Debtors analyzed the ability of the Reorganized Debtors to satisfy their financial obligations while maintaining sufficient liquidity and capital resources. The Debtors prepared consolidated financial projections for LegacyCo (collectively with the reserve information, development schedules, and financial information, the "**Financial Projections**") for January 1, 2018 through December 31, 2021 (the "**Projection Period**"). The Financial Projections, and the assumptions on which they are based, are annexed hereto as **Exhibit C**. Based upon such projections, the Debtors believe that all payments required pursuant to the Plan to be made by the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) will be made and, therefore, that confirmation of the Plan is not likely to be followed by liquidation or the need for further financial reorganization.

The Debtors do not, as a matter of course, publish their business plans or strategies, projections or anticipated financial position. Accordingly, the Debtors do not anticipate that they will, and disclaim any obligation to, furnish updated business plans or Financial Projections to parties in interest after the Confirmation Date, or to include such information in documents required to be filed with the SEC or otherwise make such information public, unless required to do so by the SEC or other regulatory bodies. In connection with the planning and development of the Plan, the Financial Projections were prepared by the Debtors, with the assistance of their professionals, to present the anticipated impact of the Plan. The Financial Projections assume that the Plan will be implemented in accordance with its stated terms. The Financial Projections are based on forecasts of key economic variables and may be significantly impacted by, among other factors, oil and natural gas prices, expectations regarding future commodity prices, the level of activity of oil and natural gas exploration, development, and production domestically and internationally, demand for drilling services, competition and supply of competing rigs, changes in the political

environment of the countries in which the Debtors operate, regulatory changes, and a variety of other factors. Consequently, the estimates and assumptions underlying the Financial Projections are inherently uncertain and are subject to material business, economic, and other uncertainties. Therefore, such Financial Projections, estimates, and assumptions are not necessarily indicative of current values or future performance, which may be significantly less or more favorable than set forth herein.

The Financial Projections should be read in conjunction with the assumptions, qualifications, and explanations set forth in this Disclosure Statement, the Plan, and the Plan Supplement, in their entirety, and the historical consolidated financial statements (including the notes and schedules thereto).

As to New Permian Corp., because it will not have any funded debt on the Effective Date or any ongoing obligation to make distributions under the Plan, and because its assets will consist primarily of undeveloped acreage, the Debtors do not believe that any issue as to feasibility exists.

D. Valuation Analysis

THE INFORMATION CONTAINED HEREIN IS NOT A PREDICTION OR GUARANTEE OF THE ACTUAL MARKET VALUE THAT MAY BE REALIZED THROUGH THE SALE OF ANY SECURITIES TO BE ISSUED PURSUANT TO THE PLAN. THE INFORMATION IS PRESENTED SOLELY FOR THE PURPOSE OF PROVIDING ADEQUATE INFORMATION UNDER SECTION 1125 OF THE BANKRUPTCY CODE TO ENABLE THE HOLDERS OF CLAIMS ENTITLED TO VOTE TO ACCEPT OR REJECT THE PLAN TO MAKE AN INFORMED JUDGMENT ABOUT THE PLAN AND SHOULD NOT BE USED OR RELIED UPON FOR ANY OTHER PURPOSE, INCLUDING THE PURCHASE OR SALE OF CLAIMS AGAINST THE DEBTORS OR ANY OF THEIR AFFILIATES.

Solely for the purposes of the Plan and the Disclosure Statement, Lazard Frères & Co. LLC (“**Lazard**”), as investment banker to the Debtors, has estimated a range of total enterprise value (“**Enterprise Value**”) for the Reorganized Debtors pro forma for the transactions contemplated by the Plan (the “**Valuation Analysis**”). The Valuation Analysis is based on reserve information, development schedules, and financial information provided by the Debtors’ management, as well as the Financial Projections attached to the Disclosure Statement as **Exhibit C**, and information provided by other sources. The Valuation Analysis assumes that the Effective Date will occur on January 1, 2018 and utilizes market data and commodity pricing data as of October 27, 2017. The valuation estimates set forth herein represent valuation analyses of the Reorganized Debtors generally based on the application of customary valuation techniques deemed appropriate by Lazard.

The Plan provides for the allocation of the Reorganized Debtors’ assets between New Permian Corp. and LegacyCo. The Valuation Analysis for the Reorganized Debtors utilized a sum-of-the-parts approach that considered each of New Permian Corp. and LegacyCo on a standalone basis and estimated a range of enterprise values for each entity. Collectively, the estimated enterprise value ranges of New Permian Corp. and LegacyCo comprise the Enterprise Value range of the Reorganized Debtors. The valuation methodologies utilized to perform the

Valuation Analysis of the Reorganized Debtors included risked net asset value analysis and precedent transactions analysis. Lazard applied these methodologies to New Permian Corp. and LegacyCo as it deemed appropriate based on the particular characteristics of those entities.

Lazard utilized the precedent transactions methodology to estimate the enterprise value of New Permian Corp. Lazard did not utilize the risked net asset value analysis or public company comparable analysis to estimate the enterprise value of New Permian Corp. because financial projections for New Permian Corp. would be required to perform such analyses, and such projections were not prepared by the Debtors given the lack of any development plan for New Permian Corp. or capital to fund such a plan, as a result of the restructuring transactions contemplated in the Plan. The estimated range of enterprise value of New Permian Corp. is approximately \$650 million to \$830 million, with a mid-point of \$740 million. New Permian Corp. is projected to have no debt at emergence and approximately \$10 million of cash of its balance sheet, resulting in an estimated equity value between \$660 million and \$840 million, with a mid-point of \$750 million.¹² The valuation ranges for New Permian Corp. reflect market data available as of October 27, 2017.

Lazard utilized the risked net asset value analysis and precedent transactions analysis to estimate the enterprise value of LegacyCo. Lazard did not utilize public company comparable analysis because Lazard does not believe there are reasonably comparable companies to LegacyCo. The most closely comparable companies to LegacyCo include growth/development asset positions as a material portion of their overall asset portfolios, making them non-comparable to LegacyCo. The estimated range of enterprise value of LegacyCo is approximately \$790 million to \$1,000 million, with a mid-point of \$895 million. LegacyCo is projected to have a debt balance at emergence of approximately \$135 million and a pro forma cash balance of \$5 million, resulting in net debt of \$130 million and an estimated equity value between \$660 million and \$870 million, with a mid-point of \$765 million. The valuation ranges for LegacyCo reflect market data and commodity pricing data as of October 27, 2017. Commodity prices can have a material impact on operating results and valuation, and as such, the valuation ranges are subject to material change based on commodity price assumptions.

Based on the Financial Projections, the aforementioned valuation methodologies, and other information described herein and solely for purposes of the Plan, the estimated range of Enterprise Value of the Reorganized Debtors, collectively, is approximately \$1,440 million to \$1,830 million (with a mid-point estimate of approximately \$1,635 million) as of an assumed Effective Date of January 1, 2018. For purposes of the Valuation Analysis, Lazard assumed that no material changes that would affect estimated value occur between the date of filing of the Disclosure Statement and the assumed Effective Date. Lazard's Valuation Analysis does not constitute an opinion as to fairness from a financial point of view of the consideration to be received or paid under the Plan, of the terms and provisions of the Plan, or with respect to any other matters.

THE VALUATION ANALYSIS REFLECTS WORK PERFORMED BY LAZARD ON THE BASIS OF INFORMATION IN RESPECT OF THE BUSINESSES AND ASSETS OF THE

¹² Estimated enterprise value and equity value for New Permian Corp. as presented herein excludes the value of holdings of LegacyCo Units.

DEBTORS AVAILABLE TO LAZARD AS OF OCTOBER 27, 2017. IT SHOULD BE UNDERSTOOD THAT, ALTHOUGH SUBSEQUENT DEVELOPMENTS MAY AFFECT LAZARD'S CONCLUSIONS, LAZARD DOES NOT HAVE ANY OBLIGATION TO UPDATE, REVISE, OR REAFFIRM ITS VALUATION ANALYSIS AND DOES NOT INTEND TO DO SO.

LAZARD DID NOT INDEPENDENTLY VERIFY THE FINANCIAL PROJECTIONS OR OTHER INFORMATION THAT LAZARD USED IN THE VALUATION ANALYSIS, AND NO INDEPENDENT VALUATIONS OR APPRAISALS OF THE DEBTORS WERE SOUGHT OR OBTAINED IN CONNECTION THEREWITH. THE VALUATION ANALYSIS WAS DEVELOPED SOLELY FOR PURPOSES OF THE PLAN AND THE ANALYSIS OF POTENTIAL RELATIVE RECOVERIES TO CREDITORS THEREUNDER. THE VALUATION ANALYSIS REFLECTS THE APPLICATION OF VARIOUS VALUATION TECHNIQUES, DOES NOT PURPORT TO BE AN OPINION AND DOES NOT PURPORT TO REFLECT OR CONSTITUTE AN APPRAISAL, LIQUIDATION VALUE, OR ESTIMATE OF THE ACTUAL MARKET VALUE THAT MAY BE REALIZED THROUGH THE SALE OF ANY SECURITIES TO BE ISSUED OR ASSETS TO BE SOLD PURSUANT TO THE PLAN, WHICH MAY BE SIGNIFICANTLY DIFFERENT THAN THE AMOUNTS SET FORTH IN THE VALUATION ANALYSIS.

THE VALUATION ANALYSIS WAS PREPARED BASED ON THE ASSUMPTION THAT THE ASSETS ON THE DEBTORS WOULD BE SEPARATED INTO NEW PERMIAN CORP. AND LEGACYCO ON THE EFFECTIVE DATE. THE PROPOSED SEPARATION IS BASED ON MANAGEMENT ASSUMPTIONS AND AGREEMENT AMONG THE DEBTORS' VARIOUS CREDITOR CONSTITUENCIES.

THE VALUE OF AN OPERATING BUSINESS IS SUBJECT TO NUMEROUS UNCERTAINTIES AND CONTINGENCIES THAT ARE DIFFICULT TO PREDICT AND WILL FLUCTUATE WITH CHANGES IN FACTORS AFFECTING THE FINANCIAL CONDITION AND PROSPECTS OF SUCH A BUSINESS. AS A RESULT, THE VALUATION ANALYSIS IS NOT NECESSARILY INDICATIVE OF ACTUAL OUTCOMES, WHICH MAY BE SIGNIFICANTLY MORE OR LESS FAVORABLE THAN THOSE SET FORTH HEREIN. BECAUSE SUCH ESTIMATES ARE INHERENTLY SUBJECT TO UNCERTAINTIES, NEITHER THE DEBTORS, LAZARD, NOR ANY OTHER PERSON ASSUMES RESPONSIBILITY FOR THEIR ACCURACY. IN ADDITION, THE POTENTIAL VALUATION OF NEWLY ISSUED SECURITIES IS SUBJECT TO ADDITIONAL UNCERTAINTIES AND CONTINGENCIES, ALL OF WHICH ARE DIFFICULT TO PREDICT. ACTUAL MARKET PRICES OF SUCH SECURITIES AT ISSUANCE WILL DEPEND UPON, AMONG OTHER THINGS, PREVAILING INTEREST RATES, CONDITIONS IN THE FINANCIAL AND COMMODITY MARKETS, THE ANTICIPATED INITIAL SECURITIES HOLDINGS OF PREPETITION CREDITORS, SOME OF WHICH MAY PREFER TO LIQUIDATE THEIR INVESTMENT RATHER THAN HOLD IT ON A LONG-TERM BASIS, THE POTENTIALLY DILUTIVE IMPACT OF CERTAIN EVENTS, INCLUDING THE ISSUANCE OF EQUITY SECURITIES PURSUANT TO ANY MANAGEMENT INCENTIVE COMPENSATION PLAN, AND OTHER FACTORS THAT GENERALLY INFLUENCE THE PRICES OF SECURITIES.

Lazard assumed that the Financial Projections, development plan and management's separation assumptions were reasonably prepared in good faith and on a basis reflecting the Debtors' best estimates and judgments as to the future operating and financial performance of the Reorganized Debtors. The Valuation Analysis assumes that the actual performance of the Reorganized Debtors will correspond to the Financial Projections and development plan in all material respects. If the business performs at levels below or above those set forth in the Financial Projections, such performance may have a materially negative or positive impact, respectively, on the Valuation Analysis and estimated potential ranges of Enterprise Value therein.

In preparing the Valuation Analysis, Lazard: (a) reviewed certain historical financial information of the Debtors for recent years and interim periods; (b) reviewed certain financial and operating data of the Debtors, including the Financial Projections and development plan; (c) discussed the Debtors' operations and future prospects with the Debtors' senior management team and third-party advisors; (d) reviewed certain publicly available financial data for, and considered the market value of, public companies that Lazard deemed generally relevant in analyzing the value of the Reorganized Debtors; (e) considered certain economic and industry information that Lazard deemed generally relevant to the Reorganized Debtors; and (f) conducted such other studies, analyses, inquiries, and investigations as Lazard deemed appropriate. Lazard assumed and relied on the accuracy and completeness of all financial and other information furnished to it by the Debtors' management and other parties as well as publicly available information.

The Valuation Analysis does not constitute a recommendation to any holder of Allowed Claims or any other person as to how such person should vote or otherwise act with respect to the Plan. Lazard has not been requested to, and does not express any view as to, the potential trading value of the Reorganized Debtors' securities on issuance or at any other time.

Based on the Debtors' and their tax professionals' tax analysis, the Reorganized Debtors do not expect to have significant tax attributes following the reorganization. Lazard did not estimate the value of any tax attributes nor did it estimate the impact of any cancellation of indebtedness income on the Reorganized Debtors' projections. Any changes to the assumptions on the availability of tax attributes or the impact of cancellation of indebtedness income on the Reorganized Debtors' projections could materially impact Lazard's valuation analysis.

THE SUMMARY SET FORTH ABOVE DOES NOT PURPORT TO BE A COMPLETE DESCRIPTION OF THE VALUATION ANALYSIS PERFORMED BY LAZARD. THE PREPARATION OF A VALUATION ANALYSIS INVOLVES VARIOUS DETERMINATIONS AS TO THE MOST APPROPRIATE AND RELEVANT METHODS OF FINANCIAL ANALYSIS AND THE APPLICATION OF THESE METHODS IN THE PARTICULAR CIRCUMSTANCES AND, THEREFORE, SUCH AN ANALYSIS IS NOT READILY SUITABLE TO SUMMARY DESCRIPTION. THE VALUATION ANALYSIS PERFORMED BY LAZARD IS NOT NECESSARILY INDICATIVE OF ACTUAL VALUES OR FUTURE RESULTS, WHICH MAY BE SIGNIFICANTLY MORE OR LESS FAVORABLE THAN THOSE DESCRIBED HEREIN.

LAZARD IS ACTING AS INVESTMENT BANKER TO THE DEBTORS, AND HAS NOT BEEN, WILL NOT BE RESPONSIBLE FOR, AND WILL NOT PROVIDE ANY TAX, ACCOUNTING, ACTUARIAL, LEGAL, OR OTHER SPECIALIST ADVICE.

In the event any impaired Class of Claims entitled to vote on the Plan does not accept the Plan by the requisite statutory majority under section 1126(c) of the Bankruptcy Code, then the Debtors reserve the right to undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code.

3.5 Debtors’ Rights in Respect of Unimpaired Claims. Except as otherwise provided in this Plan, nothing under this Plan shall affect the rights of the Reorganized Debtors in respect of any Claim that is not “impaired” (within the meaning of such term in section 1124 of the Bankruptcy Code), including all rights in respect of legal and equitable defenses to, or setoffs or recoupments against, any such Claim.

ARTICLE IV.

TREATMENT OF CLAIMS AND INTERESTS

4.1 Class 1 – Priority Non-Tax Claims. Except to the extent that a holder of an Allowed Priority Non-Tax Claim agrees to a different treatment of such Claim, which different treatment shall be acceptable to the Requisite Consenting Second Lien Creditors, on the Effective Date, each holder of an Allowed Priority Non-Tax Claim against any of the Debtors shall receive, in full satisfaction of such Claim, at the option of the Debtors, with the consent of the Requisite Consenting Second Lien Creditors: (a) Cash in an amount equal to the Allowed amount of such Claim, or (b) other treatment consistent with section 1129(a)(9) of the Bankruptcy Code; *provided*, that Priority Non-Tax Claims that arise in the ordinary course of the Debtors' business, shall be paid in the ordinary course of business, and in accordance with the terms and subject to the conditions of any orders or agreements governing, instruments evidencing, or other documents relating to such transactions without further action by the holders of such Priority Non-Tax Claims or further approval by the Bankruptcy Court.

4.2 Class 2 – Other Secured Claims. Except to the extent that a holder of an Allowed Other Secured Claim agrees to a different treatment of such Claim, which different treatment shall be acceptable to the Requisite Consenting Second Lien Creditors and, to the extent that such different treatment adversely affects the Exit Facility, the Exit Facility Agent, each holder of an Allowed Other Secured Claim against any of the Debtors shall receive, at the option of the Debtors, with the consent of the Requisite Consenting Second Lien Creditors and, to the extent that such treatment adversely affects the Exit Facility, the Exit Facility Agent, and in full satisfaction of such Claim, either (a) Cash in an amount equal to one hundred percent (100%) of the unpaid amount of such Allowed Other Secured Claim, (b) such treatment that leaves unaltered the legal, equitable, and contractual rights to which the holder of such Allowed Other Secured Claim is entitled, or (c) such other distribution as necessary to satisfy the requirements of section 1124 of the Bankruptcy Code. In the event an Other Secured Claim against any of the Debtors is treated under clause (a) of this Section, the liens securing such Other Secured Claim shall be deemed released immediately upon payment.

4.3 Class 3 – Revolving Credit Facility Claims. The Revolving Credit Facility Claims shall be deemed Allowed in the amount of \$747,316,435.62 with respect to principal and two interest rate derivative obligations plus such amounts as may be owing for any other outstanding "Obligations" (as such term is defined in the Revolving Credit Agreement) thereunder, including any accrued or hereafter accruing and unpaid interest thereon and any additional amounts, charges, fees and expenses (including any attorneys', accountants', appraisers' and financial advisors' fees and expenses that are chargeable or reimbursable under the Revolving Credit Documents) now or hereafter due under the Revolving Credit Documents (collectively, the "**Allowed Revolving Credit Facility Claims**").

(a) Each holder of an Allowed Revolving Credit Facility Claim shall receive, on the Effective Date, in full and final satisfaction thereof: (i) Cash in an amount equal to such holders' Pro Rata share of the Allowed Revolving Credit Facility Claims minus the original principal amount of the Exit Facility on the Effective Date, \$400 million, and (ii) such holder's Pro Rata share of the Exit Facility; *provided*, that all Revolving Credit Facility Claims arising under any "Lender Derivative Contract" (as such term is defined in the Revolving Credit Agreement) shall be indefeasibly paid in full in Cash and shall not be included in the distributions or calculation of Pro Rata share in the immediately preceding clauses (i) and (ii).

(b) Each holder of an Allowed Revolving Credit Facility Claim shall also have the right pursuant to the Revolver Option and the Revolver Option Procedures to convert all (but not less than all) of its amount of the Exit Facility received pursuant to Section 4.3(a)(ii) to an equal amount of a revolving credit facility as provided in the Exit Facility Term Sheet and the Exit Facility Documents.

(c) LegacyCo shall pay in full in Cash (other than as provided in Section 4.3(a)(ii) above) all amounts payable with respect to the Revolving Credit Documents as provided in the DIP Facility Order.

4.4 Class 4 – Secured Notes Claim.

(a) The Secured Notes Claims shall be deemed Allowed solely for purposes of this Plan in the aggregate amount of \$793,300,000, plus accrued unpaid pre and postpetition default interest on all outstanding obligations, costs, fees, indemnities, and all other obligations payable under the Secured Notes Indenture.

(b) On the Effective Date, each holder of an Allowed Secured Notes Claim that is a Certified Holder shall receive, in accordance with the Restructuring Transactions, in full satisfaction of such Claim, its Pro Rata share of 92.5% of the LegacyCo Units, which may be subject to dilution by the LegacyCo Management Incentive Plan.

4.5 Class 5A/Class 5B – Unsecured Notes Claims.

(a) The 7.875% Unsecured Notes Claims shall be deemed Allowed in the aggregate principal amount outstanding as of the Petition Date plus all accrued and unpaid interest owed as of the Petition Date. The 8.625% Unsecured Notes Claims shall be deemed Allowed in the aggregate principal amount outstanding as of the Petition Date plus all accrued and unpaid interest owed as of the Petition Date.

(b) Class 5A. Each holder of an Allowed Unsecured Notes Claim that is an Eligible Offeree as of the Rights Offering Record Date, shall receive, in accordance with the Rights Offering and the Rights Offering Procedures, in full satisfaction of such Claim, the right to participate in the Rights Offering; *provided* that, any Eligible Offeree that is not a Backstop Party and has elected to participate in the Rights Offering on or

before December 13, 2017 in accordance with the Early Election Procedures, will receive on the Effective Date their Pro Rata share (based on the respective Backstop Commitment Amounts (which includes the amounts committed in the Minimum Allocation Rights and the Rights Offering) of the Backstop Parties and the respective subscription amounts as to the rights exercised by Eligible Offerees by December 13, 2017) of the Put Option Premium. Any holder of an Allowed Unsecured Notes Claim that is an Eligible Offeree and elects not to participate in the Rights Offering shall receive no distribution whatsoever on account of its Allowed Unsecured Notes Claim; *provided*, that, if the Plan is subsequently amended at any time to provide for a consensual distribution to holders of Existing BBEP Equity Interests, then such holders shall receive a distribution in the amount agreed upon among the Debtors, the Requisite Consenting Second Lien Creditors, the Requisite Commitment Parties, and the Creditors' Committee that is no less favorable than any distribution to holders of Existing BBEP Equity Interests.

(c) Class 5B. Each holder of an Allowed Unsecured Notes Claim as of the Rights Offering Record Date that certifies, to the reasonable satisfaction of the Debtors in consultation with the Requisite Commitment Parties and the Creditors' Committee, and subject to the rights of the Requisite Commitment Parties under Section 7.D of the Rights Offering Procedures, that it is not an Eligible Offeree shall receive through the AUNC Trust (as defined in Section 6.20) a number of shares of New Permian Corp. Shares having a value, based on the Permian Stock Value, equal to 4.5% of its Allowed Unsecured Notes Claim (a "**Receiving AUNC Holder**"). Notwithstanding the foregoing, any Receiving AUNC Holder shall have the option to elect on the Ballot to receive instead Cash in the amount of 4.5% of its Allowed Unsecured Notes Claim with respect to any Senior Unsecured Notes held by it that have been held only by an Entity that is not an Eligible Offeree during the period from and after the Rights Offering Record Date through the Effective Date; *provided*, that, the sum of (i) the aggregate value of New Permian Corp. Shares distributed to the Receiving AUNC Holders and (ii) the aggregate amount of Cash distributed to those Receiving AUNC Holders electing to receive Cash as provided in this Section 4.5(c), shall not exceed \$5,422,265 (the, "**AUNC Cap**"), and to the extent that the AUNC Cap would otherwise be exceeded by the distribution to those receiving New Permian Corp. Shares and Cash as provided in this Section 4.5(c) each shall be reduced ratably so as to eliminate such excess.

(d) In addition to the foregoing, there shall be a Cash distribution on the Initial Distribution Date to Class 5A and Class 5B (the "**Additional Cash Distribution**") in an amount equal to the Unsecured Notes Indenture Trustee's reasonable and documented fees and expenses incurred in connection with the Chapter 11 Cases, not to exceed \$1,050,000 as to both Class 5A and Class 5B; *provided*, further, that (i) the Unsecured Notes Indenture Trustee shall be entitled to exercise its charging lien solely against such Additional Cash Distribution, (ii) the Unsecured Notes Indenture Trustee shall, fifteen (15) days prior to the Confirmation Hearing, deliver to the attorneys for the Debtors, the Unsecured Senior Notes Groups, the Second Lien Group, and the Creditors' Committee (the "**Reviewing Parties**") invoices (including an estimate of fees

to be incurred thereafter through the Effective Date) which sets forth and documents the reasonable fees and expenses of the Unsecured Notes Indenture Trustee and its counsel and agents, which invoices may be redacted to preserve privilege and/or confidentiality, (iii) after delivery of the invoices, the Reviewing Parties shall have five (5) Business Days to review such invoices and raise any objection, in writing, to the reasonableness of the fees and expenses, and (iv) if the Unsecured Notes Indenture Trustee and the Reviewing Parties are unable to resolve such an objection on a consensual basis within five (5) Business Days after such written objection has been submitted to the Unsecured Notes Indenture Trustee, then one or more of the Reviewing Parties may file with the Court such objection and the Court shall adjudicate the matter at the Confirmation Hearing; *provided*, further, that if the Additional Cash Distribution is less than \$1,050,000 (for any reason), such excess Cash shall be retained by LegacyCo. Under no circumstances shall the aggregate amount of the fees and expenses sought by the Unsecured Notes Indenture Trustee exceed \$1,050,000.

(e) For the avoidance of doubt, holders of Class 5A and Class 5B Unsecured Notes Claims shall not have any right to receive (or elect to receive) any recovery provided for Class 6 General Unsecured Claims in the Plan.

Any New Permian Corp. Shares issued to a Receiving AUNC Holder shall be issued to the AUNC Trust (as defined in Section 6.20 of the Plan). New Permian Corp. Shares issued pursuant to Section 4.5(c) of the Plan shall dilute all other New Permian Corp. Shares issued pursuant to the Plan, but are subject to dilution from any New Permian Corp. Shares issued on (other than pursuant to the Plan) or after the Effective Date, including pursuant to any New Permian Corp. Management Incentive Plan or similar arrangement.

4.6 Class 6 – General Unsecured Claims. Except to the extent a holder of an Allowed General Unsecured Claim and the Debtors or the Reorganized Debtors, as applicable, agree to less favorable treatment, each holder of an Allowed General Unsecured Claim shall receive, on the Initial Distribution Date and Final Distribution Date, as applicable, in full satisfaction of such Claim, its Pro Rata share of the GUC Cash Pool (such Pro Rata Share to be calculated taking into account any Claims in Class 6 that receive New Permian Corp. Shares as provided below); *provided*, that, any holder of an Allowed General Unsecured Claim in Class 6 with an Allowed Claim equal to or more than \$1 million who is able to hold New Permian Corp. Shares through the facilities of DTC shall have the right to elect on its Ballot to receive on the Initial Distribution Date and Final Distribution Date a distribution of New Permian Corp. Shares through DTC having a value, based on the Permian Stock Value, equal to 4.5% of its Allowed General Unsecured Claim (any such electing holder, a **“Receiving GUC Holder”**); *provided*, further, that the aggregate amount of such New Permian Corp. Shares distributed to Receiving GUC Holders shall not exceed in the aggregate New Permian Corp. Shares having a Permian Stock Value of \$817,240 (the **“GUC Stock Cap”**). To the extent that the New Permian Corp. Shares that would otherwise be issued under this Section 4.6 of the Plan exceeds the GUC Stock Cap, the distribution to those receiving New Permian Corp. Shares under this Section 4.6 shall be reduced ratably so as

to eliminate such excess. The amount of Cash from the GUC Cash Pool that otherwise would have been distributed to any such holder of a General Unsecured Claim that elects to receive New Permian Corp. Shares shall be distributed to New Permian Corp.

Any New Permian Corp. Shares issued to holders of Allowed General Unsecured Claims shall be issued through DTC. New Permian Corp. Shares issued pursuant to Section 4.6 of the Plan shall dilute all other New Permian Corp. Shares issued pursuant to the Plan, but are subject to dilution from any New Permian Corp. Shares issued on (other than pursuant to the Plan) or after the Effective Date, including pursuant to any New Permian Corp. Management Incentive Plan or similar arrangement.

4.7 Class 7A – Ongoing Trade Claims of LegacyCo.

(a) Except to the extent that a holder of an Allowed Ongoing Trade Claim of LegacyCo and the Debtors or Reorganized Debtors (other than New Permian Corp. and New Permian LLC), as applicable, with the consent of the Requisite Consenting Second Lien Creditors, agree to less favorable treatment, each holder of an Allowed Ongoing Trade Claim of LegacyCo shall receive Cash from the Rights Offering Proceeds and Minimum Allocation Rights Proceeds, in an amount equal to such Allowed Ongoing Trade Claim of LegacyCo on the Effective Date.

(b) To the extent that an Ongoing Trade Claim of LegacyCo: (i) will benefit New Permian Corp. post-Effective Date or benefits Permian Assets (whether before or after the Effective Date) and (ii) will benefit LegacyCo or benefits Legacy Assets (whether before or after the Effective Date), such Ongoing Trade Claim of LegacyCo shall be paid its Cash distribution as a Class 7A Claim and New Permian Corp. shall reimburse LegacyCo for its pro rata share of all such amounts pursuant to the terms of the Transition Services Agreement.

4.8 Class 7B – Ongoing Trade Claims of New Permian Corp.

Except to the extent that a holder of an Allowed Ongoing Trade Claim of New Permian Corp. and New Permian Corp. with the consent of the Requisite Commitment Parties, agree to less favorable treatment, each holder of an Allowed Ongoing Trade Claim of New Permian Corp. shall receive Cash, payable from the Rights Offering Proceeds and Minimum Allocation Rights Proceeds in an amount equal to such Allowed Ongoing Trade Claim of New Permian Corp. on the Effective Date.

4.9 Class 8 – Intercompany Claims. All Allowed Intercompany Claims shall either be (i) canceled (or otherwise eliminated) and receive no distribution under the Plan or (ii) Reinstated, in each case as determined by the Debtors or the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), as applicable, with the consent of the Requisite Consenting Second Lien Creditors.

4.10 Class 9 – Subordinated Claims. Subordinated Claims are subordinated pursuant to this Plan and section 510 of the Bankruptcy Code. The holders of Subordinated Claims shall not receive or retain any property under this Plan on

account of such Claims, and the obligations of the Debtors and the Reorganized Debtors on account of Subordinated Claims shall be discharged.

4.11 Class 10 – Intercompany Interests. All Allowed Intercompany Interests shall either be (i) canceled (or otherwise eliminated) and receive no distribution under the Plan or (ii) Reinstated, in each case as determined by the Debtors or the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), as applicable, with the consent of the Requisite Consenting Second Lien Creditors.

4.12 Class 11 – Existing BBEP Equity Interests. On the Effective Date, all Existing BBEP Equity Interests shall be canceled without further action by or order of the Bankruptcy Court and all holders of Existing BBEP Equity Interests shall not receive or retain any property under this Plan.

ARTICLE V.

PROVISIONS GOVERNING DISTRIBUTIONS

5.1 Distributions Generally. The Disbursing Agent shall make all distributions to the appropriate holders of Allowed Claims in accordance with the terms of this Plan.

5.2 Plan Funding. Distributions of Cash shall be funded from the Rights Offering Proceeds and Minimum Allocation Rights Proceeds or the Debtors' or the Reorganized Debtors' Cash on hand, as applicable, as of the applicable date of such distribution as set forth herein.

5.3 No Postpetition or Default Interest on Claims. Except as otherwise specifically provided for in this Plan or the Confirmation Order, or another order of the Bankruptcy Court or required by the Bankruptcy Code, postpetition and/or default interest shall not accrue or be paid on any Claims, and no holder of a Claim shall be entitled to interest accruing on such Claim on or after the Petition Date; *provided*, that this Section 5.3 shall not apply to the Secured Notes Claims.

5.4 Date of Distributions. Unless otherwise provided in this Plan, any distributions and deliveries to be made under this Plan shall be made on the Effective Date; *provided*, that the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) may implement periodic distribution dates to the extent they determine them to be appropriate.

5.5 Distribution Record Date. As of the close of business on the Distribution Record Date, the various lists of holders of Claims in each Class, as maintained by the Debtors or their agents, shall be deemed closed, and there shall be no further changes in the record holders of any Claims after the Distribution Record Date. None of the Debtors, the Reorganized Debtors, or the Disbursing Agent shall have any obligation to recognize any transfer of a Claim occurring after the close of business on

the Distribution Record Date. In addition, with respect to payment of any Cure Amounts or disputes over any Cure Amounts, none of the Debtors, the Reorganized Debtors, or the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable executory contract or unexpired lease, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

5.6 Disbursing Agent. All distributions under this Plan shall be made by the Disbursing Agent, on behalf of the applicable Debtor (unless otherwise provided herein), on and after the Effective Date as provided herein. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties. The Reorganized Debtors shall use all commercially reasonable efforts to provide the Disbursing Agent (if other than the Reorganized Debtors) with the amounts of Claims and the identities and addresses of holders of Claims, in each case, as set forth in the Debtors' or Reorganized Debtors' books and records. The Reorganized Debtors shall cooperate in good faith with the Disbursing Agent (if other than the Reorganized Debtors) to comply with the reporting and withholding requirements outlined in Section 5.17 of this Plan.

5.7 Delivery of Distributions.

(a) The Disbursing Agent will make the applicable distribution under this Plan and, subject to Bankruptcy Rule 9010, will make all distributions to any holder of an Allowed Claim as and when required by this Plan at: (i) the address of such holder on the books and records of the Debtors or their agents; or (ii) at the address in any written notice of address change delivered to the Debtors or the Disbursing Agent, including any addresses included on any transfers of Claim filed pursuant to Bankruptcy Rule 3001. In the event that any distribution to any holder is returned as undeliverable, no distribution or payment to such holder shall be made unless and until the Disbursing Agent has been notified of the then current address of such holder, at which time or as soon thereafter as reasonably practicable, such distribution shall be made to such holder without interest. Neither the Unsecured Notes Indenture Trustee nor the Secured Notes Indenture Trustee shall incur any liability on account of the making of any distribution under the Plan except for gross negligence or willful misconduct.

(b) Except as otherwise provided in the Plan, all distributions to Holders of Secured Notes Claims shall be made by the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) to the Holders of Secured Notes Claims of record as of the Distribution Record Date.

(c) The Disbursing Agent, with the Unsecured Notes Indenture Trustee's cooperation, shall make the distributions, if any, on account of the Class 5A and Class 5B Claims, provided that the Unsecured Notes Indenture Trustee's Charging Lien shall not attach to any property to be distributed by the Unsecured Notes Indenture Trustee or in respect of the Unsecured Notes Claims, except as expressly provided in Section 4.5(d) of the Plan. The Unsecured Notes Indenture Trustee shall have no duties

or responsibility relating to any form of distribution that is not DTC eligible and the Disbursing Agent, the Debtors or the Reorganized Debtors, as applicable, shall seek the cooperation of DTC so that any distribution on account of an Allowed Unsecured Notes Claim that is held in the name of, or by a nominee of, DTC, shall be made through the facilities of DTC on the Effective Date or as soon as practicable thereafter. The Reorganized Debtors (other than New Permian Corp. and New Permian LLC) shall reimburse the Unsecured Notes Indenture Trustee for any reasonable and documented fees and expenses (including the reasonable and documented fees and expenses of its counsel and agents) incurred after the Effective Date solely in connection with actions explicitly requested by the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) necessary for implementation of the Plan; *provided*, that, for the avoidance of doubt, nothing in the Plan or Confirmation Order shall be considered or construed as an explicit request by the Reorganized Debtors authorizing the incurrence of fees and expenses by the Unsecured Notes Indenture Trustee.

5.8 Unclaimed Property. One year from the later of (a) the Effective Date and (b) the date that is ten (10) Business Days after the date a Claim is first Allowed, all distributions payable on account of Claims that are not deliverable, or have not responded to a request for information to make such delivery, and remain unclaimed shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and shall revert to the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) or their successors or assigns, and all claims of any other Entity (including the holder of a Claim in the same Class) to such distribution shall be discharged and forever barred. The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any holder of an Allowed Claim other than by reviewing the Debtors' books and records and filings with the Bankruptcy Court.

5.9 Satisfaction of Claims. Unless otherwise provided herein, any distributions and deliveries to be made on account of Allowed Claims under this Plan shall be in complete and final satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

5.10 Manner of Payment under Plan. Except as specifically provided herein, at the option of the Reorganized Debtors, any Cash payment to be made under this Plan may be made by a check or wire transfer.

5.11 Fractional Shares and De Minimis Cash Distributions.

(a) No fractional New Permian Corp. Shares or LegacyCo Units shall be distributed. When any distribution would otherwise result in the issuance of a number of New Permian Corp. Shares or LegacyCo Units that is not a whole number, the New Permian Corp. Shares or LegacyCo Units subject to such distribution shall be rounded to the next higher or lower whole number as follows: (a) fractions equal to or greater than 1/2 shall be rounded to the next higher whole number; and (b) fractions less than 1/2 shall be rounded to the next lower whole number. The total number of New Permian Corp. Shares or LegacyCo Units to be distributed on account of Allowed Claims will be

adjusted as necessary to account for the rounding provided for herein. No consideration will be provided in lieu of New Permian Corp. Shares or LegacyCo Units that are rounded down.

(b) None of the Reorganized Debtors or the Disbursing Agent shall have any obligation to make a distribution that is less than one (1) New Permian Corp. Share, (1) LegacyCo Unit, or Fifty Dollars (\$50.00) in Cash.

5.12 No Distribution in Excess of Amount of Allowed Claim.

Notwithstanding anything to the contrary in this Plan, no holder of an Allowed Claim shall receive, on account of such Allowed Claim, distributions in excess of the Allowed amount of such Claim, plus any postpetition interest on such Claim, except to the extent such interest is permitted by Section 5.3 of the Plan.

5.13 Allocation of Distributions Between Principal and Interest.

Except as otherwise required by law, consideration received in respect of an Allowed Claim shall be allocable first to the principal amount of the Claim (as determined for U.S. federal income tax purposes) and then, to the extent of any excess, to the remainder of the Claim, including any Claim for accrued but unpaid interest.

5.14 Exemption from Securities Laws.

The issuance of and the distribution under this Plan of (a) the LegacyCo Units issued pursuant to Section 4.4(b) of the Plan, and (b) the New Permian Corp. Shares (i) comprising the Put Option Premium and (ii) pursuant to Sections 4.5(c) or 4.6 of the Plan, shall be exempt from registration under the Securities Act and any other applicable securities laws to the fullest extent permitted by section 1145 of the Bankruptcy Code. These Securities may be resold without registration under the Securities Act or other federal securities laws pursuant to the exemption provided by section 4(a)(1) of the Securities Act, unless the holder is an “underwriter” with respect to such Securities, as that term is defined in section 1145(b) of the Bankruptcy Code. In addition, such section 1145 exempt Securities generally may be resold without registration under state securities laws pursuant to various exemptions provided by the respective laws of the several states.

The availability of the exemption under section 1145 of the Bankruptcy Code or any other applicable securities laws shall not be a condition to the occurrence of the Effective Date.

The issuance and sale, as applicable, of the New Permian Corp. Shares pursuant to the Rights Offering and to the Backstop Parties under the Backstop Commitment Agreement (including the New Permian Corp. Shares issued pursuant to the Minimum Allocation Rights) are being made in reliance on the exemption from registration set forth in section 4(a)(2) of the Securities Act and Regulation D thereunder. Such Securities will be considered “restricted securities” and may not be transferred except pursuant to an effective registration statement or under an available exemption from the registration requirements of the Securities Act, such as, under certain conditions, the resale provisions of Rule 144 of the Securities Act.

Should New Permian Corp. elect, on or after the Effective Date, for any portion of the ownership of the New Permian Corp. Shares to be held through the facilities of the DTC, New Permian Corp. shall not be required to provide any further evidence other than the Plan or Confirmation Order with respect to the treatment of such applicable portion of the New Permian Corp. Shares, and such Plan or Confirmation Order shall be deemed to be legal and binding obligations of the Reorganized Debtors in all respects.

The DTC shall be required to accept and conclusively rely upon the Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Permian Corp. Shares are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services.

Notwithstanding anything to the contrary in the Plan, no entity (including, for the avoidance of doubt, the DTC) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Permian Corp. Shares are exempt from registration and/or eligible for DTC book entry delivery, settlement, and depository services.

5.15 Setoffs and Recoupments. Each Debtor or Reorganized Debtor, as applicable, or such Entity's designee, may, in consultation with the Second Lien Group, pursuant to section 553 of the Bankruptcy Code or applicable nonbankruptcy law, offset or recoup against any Allowed Claim (other than any Allowed Revolving Facility Claims, DIP Facility Claims, Allowed Secured Notes Claim or Allowed Unsecured Notes Claim) and the distributions to be made pursuant to this Plan on account of such Allowed Claim (other than distributions to be made to holders of Allowed Revolving Facility Claims, DIP Facility Claims, Allowed Secured Notes Claims, or Allowed Unsecured Notes Claims) any and all Claims, rights, and Causes of Action that such Debtor or Reorganized Debtor or its successors may hold against the holder of such Allowed Claim; *provided*, that neither the failure to effect a setoff or recoupment nor the allowance of any Claim hereunder will constitute a waiver or release by a Debtor or Reorganized Debtor or its successor of any Claims, rights, or Causes of Action that any such entity or its successor or assign may possess against such holder.

5.16 Rights and Powers of Disbursing Agent.

(a) The Disbursing Agent shall be empowered to: (i) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under this Plan; (ii) make all applicable distributions or payments provided for under this Plan; (iii) employ professionals to represent it with respect to its responsibilities; and (iv) exercise such other powers (A) as may be vested in the Disbursing Agent by order of the Bankruptcy Court (including any order issued after the Effective Date) or pursuant to this Plan or (B) as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of this Plan.

(b) To the extent the Disbursing Agent is an Entity other than a Debtor or Reorganized Debtor, except as otherwise ordered by the Bankruptcy Court and subject to the written agreement of LegacyCo, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including for reasonable attorneys' and other professional fees and expenses) made by the Disbursing Agent shall be paid in Cash by LegacyCo.

5.17 Withholding and Reporting Requirements.

(a) In connection with this Plan and all distributions made hereunder, the Reorganized Debtors and the Disbursing Agent shall comply with all applicable withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all distributions under this Plan shall be subject to any such withholding or reporting requirements. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and sell such withheld property to generate Cash necessary to pay over the withholding tax. Any amounts withheld pursuant to the preceding sentence shall be deemed to have been distributed to and received by the applicable recipient for all purposes of this Plan.

(b) Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under this Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on such holder by any federal, state, local, or foreign taxing authority, including income, withholding, and other tax obligations, on account of such distribution. The Reorganized Debtors and the Disbursing Agent have the right, but not the obligation, to not make a distribution until such holder has made arrangements satisfactory to any issuing or disbursing party for payment of any such tax obligations.

(c) The Reorganized Debtors and the Disbursing Agent may require, as a condition to receipt of a distribution, that the holder of an Allowed Claim provide any information necessary to allow the distributing party to comply with any such withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority. If the Reorganized Debtors or the Disbursing Agent make such a

request and the holder fails to comply before the date that is 180 days after the request is made, the amount of such distribution shall irrevocably revert to the applicable Reorganized Debtor and any Claim in respect of such distribution shall be discharged and forever barred from assertion against such Reorganized Debtor or its respective property.

ARTICLE VI.

MEANS FOR IMPLEMENTATION AND EXECUTION OF THE PLAN

6.1 General Settlement of Claims and Interests. The Plan shall be deemed a motion to approve the good-faith compromise and settlement pursuant to which the Debtors and the holders of Claims against and/or Interests in the Debtors settle all Claims, Interests, and Causes of Action pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan. The Confirmation Order shall constitute the Court's approval of the compromise, settlement, and release of all such Claims, Interests, and Causes of Action, as well as a finding by the Bankruptcy Court that all such compromises, settlements, and releases are mutual and bi-directional and are in the best interests of the Debtors, their estates, and the holders of Claims, Interests, and Causes of Action, and is fair, equitable, and reasonable. In accordance with the provisions of the Plan, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors, as applicable, may compromise and settle all Claims and Causes of Action against, and Interests in, the Debtors and their estates. The compromises, settlements, and releases described herein shall be deemed nonseverable from each other and from all other terms of the Plan. Subject to Article V of the Plan, all distributions made to holders of Allowed Claims in any Class are intended to be and shall be final.

6.2 Continued Corporate Existence.

(a) Except as otherwise provided in this Plan (including pursuant to the Restructuring Transactions), the Debtors (other than BBEP) shall continue to exist after the Effective Date as Reorganized Debtors in accordance with the applicable laws of the respective jurisdictions in which they are incorporated or organized and pursuant to the New Organizational Documents. On or after the Effective Date, without prejudice to the rights of any party to a contract or other agreement with any Reorganized Debtor, each Reorganized Debtor may, in its sole discretion, take such action as permitted by applicable law and such Reorganized Debtor's organizational documents, as such Reorganized Debtor may determine is reasonable and appropriate, including, causing: (i) a Reorganized Debtor to be merged into another Reorganized Debtor or an affiliate of a Reorganized Debtor; (ii) a Reorganized Debtor to be dissolved; (iii) the legal name of a Reorganized Debtor to be changed; or (iv) the closure of a Reorganized Debtor's Chapter 11 Case on the Effective Date or any time thereafter.

(d) The Debtors shall offer the Minimum Allocation Rights to the Commitment Parties in accordance with the Backstop Commitment Agreement, pursuant to documentation acceptable to the Debtors, the Requisite Commitment Parties and the Requisite Consenting Second Lien Creditors.

6.7 New Permian Corp. Certificate of Incorporation. On or prior to the Effective Date, and in accordance with the Backstop Commitment Agreement, New Permian Corp. will file the New Permian Corp. Certificate of Incorporation with the Secretary of State of the State of Delaware. The New Permian Corp. Certificate of Incorporation shall be consistent with section 1123(a)(6) of the Bankruptcy Code. Pursuant to section 1123(a)(6) of the Bankruptcy Code, the New Permian Corp.

Certificate of Incorporation will prohibit the issuance of non-voting equity securities. The New Permian Corp. Certificate of Incorporation shall be deemed adopted by the New Permian Corp. Board as of the Effective Date. After the Effective Date, New Permian Corp. may amend and restate the New Permian Corp. Certificate of Incorporation and other constituent documents as permitted by the laws of the State of Delaware and the New Permian Corp. Certificate of Incorporation. If approved by the Requisite Commitment Parties, New Permian Corp. shall adopt a registration rights agreement to be effective on the Effective Date. The New Permian Corp. Certificate of Incorporation, the New Permian Corp. Bylaws and such registration rights agreement shall be binding on New Permian Corp. and all parties receiving, and all holders of, New Permian Corp. Common Shares.

6.8 Exit Facility. On the Effective Date, the Exit Facility Documents shall be executed and delivered by the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), and the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), shall be authorized to execute, deliver, and enter into such documents without the need for any further action.

6.9 Restructuring Transactions.

(a) On or prior to the Effective Date (or as soon as practicable thereafter), the following transactions shall occur in the following order, and the Debtors or Reorganized Debtors (as applicable) may take all actions necessary or appropriate to effectuate such transactions:

(i) After entry of the Confirmation Order but prior to the Effective Date, and in anticipation of the Permian Corp. Asset Acquisition, the Backstop Parties pursuant to the Backstop Commitment Agreement shall (A) form New Permian Corp., (B) cause New Permian Corp. to conduct the Rights Offering, and (C) cause New Permian Corp. to enter into the Exchange Agreement with BBEP pursuant to which New Permian Corp. shall agree to acquire all of the New Permian LLC Equity on and subject to the occurrence of the Effective Date in consideration for conducting the Rights Offering, \$775 million (less the amount of the Minimum Cash Balance), an amount of New Permian Corp. Shares necessary to satisfy distributions pursuant to Sections 4.5(c) and 4.6 with respect to Allowed Claims as of the Effective Date, and the assumption of the obligation to issue New Permian Corp. Shares with respect to, or on account of, Disputed General Unsecured Claims as to which the holder elected to receive New Permian Corp. Shares.

(ii) On the Effective Date and in accordance with the provisions hereof, the Backstop Commitment Agreement and the Rights Offering, New Permian Corp. shall close the Rights Offering. Immediately thereafter, the Rights Offering and Minimum Allocation Rights Proceeds shall be released to New Permian Corp. and New Permian Corp. shall issue New Permian Corp. Shares to those Eligible Offerees that have validly exercised the Subscription

Rights and to the Backstop Parties, as applicable, including in respect of the Minimum Allocation Rights and the Put Option Premium. Concurrent therewith (but not prior to), New Permian Corp. shall also issue, and on behalf of BBEP distribute, New Permian Corp. Shares pursuant to Sections 4.5(c) and 4.6, as applicable, with respect to Allowed Claims as of the Effective Date (other than any shares to be held back in respect of Disputed General Unsecured Claims in accordance with Article VII).

(iii) On the Effective Date, (A) BBEP shall contribute the Legacy Contributed Assets to LegacyCo in exchange for LegacyCo Units representing all of the equity capital of LegacyCo pursuant to the LegacyCo Contribution Agreement (the “**Legacy Asset Transfer**”), and (B) BBEP shall contribute the Permian Assets to New Permian LLC in exchange for all of the New Permian LLC Equity pursuant to in the Permian Contribution Agreement (the “**Permian Asset Transfer**”). Such transfers shall be accompanied by the assumption by LegacyCo or New Permian LLC, as applicable, of certain liabilities and obligations as provided in the LegacyCo Contribution Agreement or Permian Contribution Agreement, as applicable, this Plan or the Confirmation Order, or as otherwise agreed between BBEP and LegacyCo or New Permian LLC, as applicable. Immediately after the Legacy Asset Transfer and the Permian Asset Transfer, BBEP shall be the sole member of LegacyCo and New Permian LLC. Each of LegacyCo and New Permian LLC shall be disregarded as an entity separate from BBEP for U.S. federal income tax purposes at all times on or before the Effective Date (including immediately after the Legacy Asset Transfer and the Permian Asset Transfer), unless, as to LegacyCo, the Requisite Consenting Second Lien Creditors determine (in their sole discretion) that LegacyCo elect to be treated as a corporation for U.S. federal income tax purposes (the “**Corporation Election**”).

(iv) On the Effective Date, BBEP shall simultaneously (A)(i) distribute 92.5% of the LegacyCo Units received in consideration for the Legacy Asset Transfer to holders of Allowed Secured Notes Claims in satisfaction and discharge of their Claims as provided in Section 4.4(b), and (ii) transfer 7.5% of the LegacyCo Units received in consideration for the Legacy Asset Transfer to New Permian Corp. pursuant to the Exchange Agreement (the “**LegacyCo Distribution and Transfer**”), and (B) transfer to New Permian Corp. pursuant to the Exchange Agreement all of the New Permian LLC Equity received in consideration for the Permian Asset Transfer. Pursuant to the Exchange Agreement, and in consideration for the foregoing transfers to New Permian Corp., New Permian Corp. shall pay to BBEP \$775 million (less the amount of the Minimum Cash Balance), an amount of New Permian Corp. Shares necessary to satisfy distributions pursuant to Sections 4.5(c) and 4.6 with respect to Allowed Claims as of the Effective Date, and the assumption of the obligation to issue New Permian Corp. Shares with respect to, or on account of, Disputed General Unsecured Claims as to which the holder elected to receive New Permian Corp.

Shares (the “**Permian Corp. Asset Acquisition**”). Upon formation, and at the time of the Legacy Asset Transfer, LegacyCo shall be treated as a disregarded entity for U.S. federal income tax purposes, such that BBEP will still be regarded prior to the LegacyCo Distribution and Transfer as owning the LegacyCo Contributed Assets, unless the Requisite Consenting Second Lien Creditors effect the Corporation Election. Accordingly, for U.S. federal income tax purposes, the Debtors, LegacyCo, all holders of Allowed Secured Notes Claims and New Permian Corp. shall (absent the Corporation Election) treat the LegacyCo Distribution and Transfer as (i) a distribution and transfer of the Legacy Contributed Assets, subject to certain liabilities and obligations, in a taxable exchange to the holders of Allowed Secured Notes Claims and New Permian Corp., followed by (ii) the contribution of the Legacy Contributed Assets, subject to such liabilities and obligations, by the holders of Allowed Secured Notes Claims and New Permian Corp. to LegacyCo with LegacyCo being treated as a newly formed partnership for U.S. federal income tax purposes, unless otherwise required pursuant to a “final determination” to the contrary within the meaning of section 1313(a) of the Tax Code. Upon formation, and at the time of the Permian Corp. Asset Acquisition, New Permian LLC shall be treated as a disregarded entity for U.S. federal income tax purposes, such that BBEP will still be regarded prior to the Permian Corp. Asset Acquisition as owning the Permian Assets (which will be transferred to New Permian LLC pursuant to the Permian Contribution Agreement). Accordingly, for U.S. federal income tax purposes, the Debtors, New Permian LLC and New Permian Corp. shall treat the Permian Corp. Asset Acquisition as a taxable purchase of the underlying Permian Assets unless otherwise required pursuant to a “final determination” to the contrary within the meaning of section 1313(a) of the Tax Code.

(v) BBEP shall use the Cash consideration received pursuant to the Exchange Agreement (together with any Cash otherwise available) to satisfy any Cash distributions and other payments to be made on the Effective Date pursuant to or in connection with the Plan and Confirmation Order.

(b) On or after the Effective Date, the Reorganized Debtors may take all actions consistent with this Plan as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Restructuring Transactions under and in connection with this Plan with the consent of the Requisite Consenting Second Lien Creditors and Requisite Commitment Parties.

6.10 Board of Directors.

(a) The LegacyCo Board shall be composed of the chief executive officer of the Debtors as of the date immediately preceding the Effective Date and such other members selected by the Requisite Consenting Second Lien Creditors in their sole discretion; *provided*, that New Permian Corp. shall have the right to appoint an observer to the LegacyCo Board subject to the conditions in the Restructuring Term Sheet. The

identities of the members of the LegacyCo Board and the initial Boards of Directors of the Reorganized Debtors shall be disclosed at or prior to the Confirmation Hearing.

(b) The New Permian Corp. Board shall be selected in accordance with the terms of the Restructuring Term Sheet.

6.11 Corporate Action.

(a) **LegacyCo Organizational Documents.** On the Effective Date, each of the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) will file their respective charters that are part of their New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state of incorporation or formation in accordance with the applicable laws of the respective state of incorporation or formation. The New Organizational Documents shall be consistent with section 1123(a)(6) of the Bankruptcy Code. Pursuant to section 1123(a)(6) of the Bankruptcy Code the New Organizational Documents will prohibit the issuance of non-voting equity securities. The LegacyCo Organizational Documents shall be deemed adopted by the LegacyCo Board as of the Effective Date. After the Effective Date, the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) may amend and restate their respective New Organizational Documents and other constituent documents as permitted by the laws of their respective states of incorporation and their respective New Organizational Documents.

(b) On the Effective Date, the adoption, filing, approval, and ratification, as necessary, of all corporate or related actions contemplated herein with respect to each of the Reorganized Debtors shall be deemed authorized and approved by each of the Reorganized Debtors, their respective boards of directors, managers, equity holders, members, or partners, as applicable, in all respects, in each case to the extent required by applicable nonbankruptcy law. Without limiting the foregoing, such actions include (i) the adoption and filing of the New Organizational Documents for each of the Reorganized Debtors, (ii) the adoption and approval of the LegacyCo LLC Agreement and the LegacyCo Organizational Documents, which shall be adopted and affirmed by the board of LegacyCo Board, (iii) the election or appointment, as applicable, of directors and officers for the Reorganized Debtors, and (iv) the issuance of the LegacyCo Units.

(c) All matters provided for herein involving the corporate structure of any Debtor or Reorganized Debtor, or any corporate or related action required by any Debtor or Reorganized Debtor in connection herewith, shall be deemed to have occurred and shall be in effect, without any requirement of further action by the Security holders or directors of such Debtor or Reorganized Debtor or by any other stakeholder, and with like effect as though such action had been taken unanimously by the Security holders and directors, managers, members, or partners, of each Debtor or Reorganized Debtor, as applicable.

6.12 LegacyCo Management Incentive Plan. The LegacyCo Board may adopt the LegacyCo Management Incentive Plan on or after the Effective Date.

6.13 New Permian Corp. Management Incentive Plan. New Permian Corp. may adopt the New Permian Corp. Management Incentive Plan, which shall be in form and substance acceptable to the New Permian Corp. Board in its sole discretion.

6.14 Effectuating Documents and Further Transactions. Each of the officers of each of the Debtors is (and each of the officers of each of the Reorganized Debtors shall be) authorized and directed to execute, deliver, file, or record such contracts, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and provisions hereof, without the need for any approvals, authorizations, or consents.

6.15 Separability. Notwithstanding the combination of separate plans of reorganization for the Debtors set forth in this Plan for purposes of economy and efficiency, this Plan constitutes a separate chapter 11 plan for each Debtor. Accordingly, if the Bankruptcy Court does not confirm this Plan with respect to one or more Debtors, it may still confirm this Plan with respect to any other Debtor that satisfies the confirmation requirements of section 1129 of the Bankruptcy Code.

6.16 Director, Officer, Manager, and Employee Liability Insurance. Prior to and after the Effective Date, none of the Debtors or the Reorganized Debtors shall terminate or otherwise reduce the coverage under any directors' and officers' liability insurance policies (including any "tail policy") with respect to conduct occurring on or prior to the Effective Date, and all officers, directors, managers, and employees of the Debtors who served in such capacity at any time after May 15, 2015 shall be entitled to the full benefits of such policies for the full six-year term of such policies regardless of whether such officers, directors, managers, or employees remain in such positions after the Effective Date.

6.17 Preservation of Royalty and Working Interests. Notwithstanding any other provision in the Plan, on and after the Effective Date, all Royalty and Working Interests shall be preserved and remain in full force and effect in accordance with the terms of the granting instruments or other governing documents applicable to such Royalty and Working Interests, and no Royalty and Working Interests shall be compromised or discharged by the Plan. For the avoidance of doubt and notwithstanding anything to the contrary in the preceding sentence, any right to payment arising from a Royalty and Working Interest, if any, shall (to the extent not otherwise paid pursuant to a Final Order of the Court) be treated as an Ongoing Trade Claim of LegacyCo or an Ongoing Trade Claim of New Permian Corp., as applicable, under this Plan and shall not be subject to any discharge and/or release provided hereunder.

6.18 Hart-Scott-Rodino Antitrust Improvements Act. Any LegacyCo Units or New Permian Corp. Shares to be distributed under this Plan to an Entity required to file a premerger notification and report form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, shall not be distributed until the notification and waiting periods applicable under such Act to such Entity have expired or been terminated.

6.19 Post-Effective Date Tax Filings and Audits. Following the Effective Date, LegacyCo shall have full and exclusive authority and responsibility in respect of all taxes and tax filings of BBEP (including any audits or other proceedings) and any other liquidating Debtors, to the same extent as if LegacyCo were the Debtors. Without limiting the foregoing, on the Effective Date, a power of attorney authorizing LegacyCo to correspond with any tax authority on behalf of such Debtors and to sign, negotiate, settle, and administer any tax returns or other tax filings, and collect any tax refunds, shall be provided to LegacyCo. LegacyCo shall use commercially reasonable efforts to (i) file all tax returns and related filings consistent with the intended tax treatment of the Restructuring Transactions, and (ii) not take any tax position inconsistent therewith and (iii) if any such tax returns or related filings or tax position is challenged, diligently defend such matters.

6.20 AUNC Trust. The New Permian Corp. Shares to be issued to Receiving AUNC Holders pursuant to Section 4.5(c) of the Plan shall be issued to a trust that shall engage in no business other than holding such shares and engaging in the activities incidental thereto (the “**AUNC Trust**”). The AUNC Trust shall be structured so as not to be subject to the Securities Act of 1933, the Securities Exchange Act of 1934, or the Investment Company Act of 1940.

The interests in the AUNC Trust shall be held by the Receiving AUNC Holders and on a Pro Rata basis based on their respective holdings of the New Permian Corp. Shares.

The interests in the AUNC Trust may not be transferred at any time and shall be totally passive. The Trustee of the AUNC Trust, the terms of the Trustee’s engagement, and the documents governing the AUNC Trust, shall be reasonably acceptable to the Requisite Commitment Parties, the Creditors’ Committee, and, after the Effective Date, New Permian Corp. On the seventh anniversary of the AUNC Trust, the trust shall terminate and the shares of New Permian Corp. held by the AUNC Trust shall be distributed to the beneficiaries of the AUNC Trust.

From and after the Effective Date, New Permian Corp. shall be responsible for up to \$300,000 of fees and expenses of the AUNC Trust in the aggregate as and when incurred. New Permian Corp. shall otherwise not be responsible for any fees, expenses or other liabilities or monetary obligations arising under the AUNC Trust.

Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt of an adverse determination by the IRS upon audit if not contested by trustee of the AUNC Trust), for all United States federal income tax purposes, all parties (including, without limitation, the Debtors, LegacyCo, New Permian Corp. and all holders of Allowed Claims) shall treat the AUNC Trust as a “trust” within the meaning of Treas. Reg. § 301.7701-4(c), and shall treat the transfer of New Permian Corp. Shares to the AUNC Trust as (i) a direct transfer to Receiving AUNC Holders for whose benefit such shares were issued, followed by (ii) the transfer by such persons to the AUNC Trust in exchange for their beneficial interest therein. Accordingly, except in the event of contrary definitive guidance, AUNC Trust beneficiaries shall generally be treated for United States federal income tax purposes as the grantors and owners of their

respective portions of the underlying assets of the AUNC Trust. The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes, and for purposes of securities laws.

ARTICLE VII.

PROCEDURES FOR DISPUTED CLAIMS

7.1 Objections to Claims. The Reorganized Debtors (other than New Permian Corp. and New Permian LLC) shall be entitled to object to Claims. Any objections to Claims shall be served and filed on or before the later of (i) one-hundred and eighty (180) days after the Effective Date and (ii) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown).

7.2 Resolution of Disputed Administrative Expenses and Disputed Claims. On and after the Effective Date, the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), in consultation with the Second Lien Group, shall have the authority to compromise, settle, otherwise resolve, or withdraw any objections to Administrative Expenses or Claims and to compromise, settle, or otherwise resolve any disputed Administrative Expenses and Disputed Claims without approval of the Bankruptcy Court, other than with respect to Administrative Expenses relating to compensation of professionals.

7.3 Payments and Distributions with Respect to Disputed Claims. Notwithstanding anything herein to the contrary, if any portion of a Claim is a Disputed Claim, no payment or distribution provided hereunder shall be made on account of such Claim unless and until such Disputed Claim becomes an Allowed Claim, and in the case of a Disputed Claim as to which the holder elected to receive a distribution of New Permian Corp. Shares, such shares shall not be issued by New Permian Corp. until such Claim has been resolved.

7.4 Distributions After Allowance. After such time as a Disputed Claim becomes, in whole or in part, an Allowed Claim, the holder thereof shall be entitled to distributions, if any, to which such holder is then entitled as provided in this Plan. Such distributions shall be made as soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed Claim (or portion thereof) becomes a Final Order. To the extent a Disputed Claim as to which the holder elected to receive a distribution of New Permian Corp. Shares is disallowed, the shares that would otherwise have been distributed in respect of such Claim shall be reallocated as if such Claim had been disallowed as of the Effective Date and, in accordance with the Restructuring Transactions, distributed by New Permian Corp. as soon as practicable after the date that the order or judgment of the Bankruptcy Court disallowing such Disputed Claim (or portion thereof) becomes a Final Order.

7.5 Disallowance of Claims. Any Claims held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or

that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or the Reorganized Debtors. All proofs of claim filed on account of an indemnification obligation to a current or former director, officer, or employee shall be deemed satisfied and expunged from the claims register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court. Except as otherwise provided herein, all proofs of claim filed after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.

7.6 Estimation. The Debtors or Reorganized Debtors (other than New Permian Corp. and New Permian LLC), in consultation with the Second Lien Group, may determine, resolve and otherwise adjudicate all contingent Claims, unliquidated Claims and Disputed Claims in the Bankruptcy Court or such other court of the Debtors' or Reorganized Debtors' choice having jurisdiction over the validity, nature or amount thereof. The Debtors or the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), in consultation with the Second Lien Group, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose, regardless of whether any of the Debtors or the Reorganized Debtors have previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any contingent Claim, unliquidated Claim or Disputed Claim, that estimated amount shall constitute the maximum limitation on such Claim, and the Debtors or the Reorganized Debtors (other than New Permian Corp. and New Permian LLC) may pursue supplementary proceedings to object to the ultimate allowance of such Claim; *provided*, that such limitation shall not apply to Claims requested by the Debtors to be estimated for voting purposes only. All of the aforementioned objection, estimation and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such Claim unless the holder of such Claim has filed a motion requesting the right to seek such reconsideration on or before twenty (20) calendar days after the date such Claim is estimated by the Bankruptcy Court.

7.7 Interest. To the extent that a Disputed Claim becomes an Allowed Claim after the Effective Date, the holder of such Claim shall not be entitled to any interest that accrued thereon from and after the Effective Date.

ARTICLE VIII.

(a) As of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Amount, all executory contracts and unexpired leases of the Reorganized Debtors that do not relate to Employee Obligations shall be deemed assumed, unless such contract or lease (i) was previously assumed or rejected by the Debtors, pursuant to a Final Order of the Bankruptcy Court, (ii) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a motion to reject filed by the Debtors on or before the Confirmation Date, or (iv) is specifically designated as a contract or lease to be rejected on the Schedule of Rejected Contracts.

(b) As of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Amount, all executory contracts of BBEP shall be deemed assumed and assigned to LegacyCo or New Permian LLC, as applicable, or otherwise rejected pursuant to the terms of the Plan.

(c) As of and subject to the occurrence of the Effective Date, all executory contracts related to Employee Obligations shall be deemed rejected, unless such contract (a) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto, (b) is the subject of a motion to reject filed by the Debtors on or before the Confirmation Date, or (c) is specifically designated as a contract to be assumed on the Schedule of Assumed Employee Obligations.

(d) Subject to the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions, assumptions and assignments, or rejections provided for in this Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed or assumed and assigned pursuant to this Plan shall vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as modified by the provisions of this Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

8.2 Determination of Cure Disputes and Deemed Consent.

(a) Any monetary defaults under an assumed or assumed and assigned executory contract or unexpired lease, shall be satisfied, pursuant to section 365(b)(1) of

the Bankruptcy Code, by payment of the default amount, as reflected in the applicable cure notice, in Cash on the Effective Date, subject to the limitations described below, or on such other terms as the parties to such executory contracts or unexpired leases and the Debtors may otherwise agree.

(b) At least fourteen (14) days before the Confirmation Hearing, the Debtors shall distribute, or cause to be distributed, cure notices to the applicable third parties. **Any objection by a counterparty to an executory contract or unexpired lease to the proposed assumption, assumption and assignment, or related Cure Amount must be filed, served, and actually received by the Debtors at least seven (7) days before the Confirmation Hearing.** Any counterparty to an executory contract or unexpired lease that fails to object timely to the proposed assumption, assumption and assignment, or Cure Amount will be deemed to have assented to such assumption, assumption and assignment, or Cure Amount. Notwithstanding anything herein to the contrary, in the event that any executory contract or unexpired lease is removed from the Schedule of Rejected Contracts after such 14-day deadline, a cure notice with respect to such executory contract or unexpired lease will be sent promptly to the counterparty thereof and a noticed hearing set to consider whether such executory contract or unexpired lease can be assumed or assumed and assigned, as applicable.

(c) In the event of an unresolved dispute regarding (i) any Cure Amount, (ii) the ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under the executory contract or unexpired lease to be assumed, or (iii) any other matter pertaining to assumption, assignment, or the Cure Amounts required by section 365(b)(1) of the Bankruptcy Code, such dispute shall be resolved by a Final Order of the Bankruptcy Court (which may be the Confirmation Order).

(d) If the Bankruptcy Court determines that the Cure Amount with respect to any executory contract or unexpired lease is greater than the amount set forth in the applicable cure notice, the Debtors or Reorganized Debtors, as applicable, will have the right to add such executory contract or unexpired lease to the Schedule of Rejected Contracts, in which case such executory contract or unexpired lease will be deemed rejected as of the Effective Date.

(e) Assumption or assumption and assignment of any executory contract or unexpired lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims against any Debtor or defaults by any Debtor, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed executory contract or unexpired lease at any time before the date that the Debtors assume or assume and assign such executory contract or unexpired Lease. Any proofs of claim filed with respect to an executory contract or unexpired lease that has been assumed or assumed and assigned shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

8.3 Rejection Damages Claims. In the event that the rejection of an executory contract or unexpired lease hereunder results in damages to the other party or parties to such contract or lease, any Claim for such damages, if not heretofore evidenced by a timely filed proof of Claim, shall be forever barred and shall not be enforceable against the Debtors or the Reorganized Debtors, or their respective estates, properties or interests in property, unless a proof of Claim is filed with the Bankruptcy Court and served upon the Debtors or the Reorganized Debtors, as applicable, no later than thirty (30) days after the later of (i) the Confirmation Date or (ii) the effective date of the rejection of such executory contract or unexpired lease, as set forth on the Schedule of Rejected Contracts or order of the Bankruptcy Court. The Confirmation Order shall constitute the Bankruptcy Court's approval of the rejection of all the leases and contracts identified in the Schedule of Rejected Contracts.

8.4 Payment of Cure Amounts. To the extent that a Cure Amount relates to a contract or lease that (i) solely benefits Legacy Assets (whether before or after the Effective Date) or will solely benefit LegacyCo, or (ii) solely benefits Permian Assets (whether before or after the Effective Date) or will solely benefit New Permian Corp., such Cure Amount shall be paid its Cash distribution from the Rights Offering Proceeds and Minimum Allocation Rights. To the extent that a Cure Amount relates to a contract that (A) will benefit New Permian Corp. post-Effective Date or benefits Permian Assets (whether before or after the Effective Date) and (B) will benefit LegacyCo post-Effective Date or benefits Legacy Assets (whether before or after the Effective Date), such Cure Amount shall also be paid its Cash distribution from the Rights Offering Proceeds and Minimum Allocation Rights; *provided*, that New Permian Corp. shall reimburse LegacyCo for its pro rata share of all such amounts pursuant to the terms of the Transition Services Agreement.

8.5 Survival of the Debtors' Indemnification Obligations. Any and all obligations of the Debtors pursuant to their corporate charters, bylaws, limited liability company agreements, memorandum and articles of association, or other organizational documents (including all Indemnification Obligations) to indemnify current and former officers, directors, agents, or employees with respect to all present and future actions, suits, and proceedings against the Debtors or such officers, directors, agents, or employees based upon any act or omission for or on behalf of the Debtors shall not be discharged, impaired, or otherwise affected by this Plan; *provided*, that the Reorganized Debtors shall not indemnify any persons for any claims or Causes of Action arising out of or relating to any act or omission that is a criminal act or constitutes fraud, gross negligence or willful misconduct. All such obligations shall be deemed and treated as executory contracts that are assumed by the Debtors under this Plan and shall continue as obligations of the Reorganized Debtors (other than New Permian Corp. and New Permian LLC). Any claim based on the Debtors' obligations herein shall not be a Disputed Claim or subject to any objection, in either case, by reason of section 502(e)(1)(B) of the Bankruptcy Code. None of the Reorganized Debtors will amend and/or restate their respective governance documents before or after the Effective Date to terminate or

adversely affect any obligations to provide such indemnification rights or such directors', officers', employees', or agents' indemnification rights and New Permian Corp. shall reimburse LegacyCo for such amounts to the extent set forth in the Transition Services Agreement.

8.6 Employee Obligations. The Reorganized Debtors (other than New Permian Corp. and New Permian LLC) shall honor all of the Employee Obligations in accordance with the Schedule of Assumed Employee Obligations; *provided*, that (i) the consummation of the transactions contemplated by the Plan shall not, in and of themselves, constitute a "change in control" with respect to any of the Employee Obligations and (ii) subject to and in accordance with the Employee Programs Order, the KEIP (as defined in the Employee Programs Order) shall terminate on the Effective Date and the participants in such program shall vest in and be entitled to the payments and compensation as expressly provided under the KEIP. Notwithstanding anything in the Employee Programs Order to the contrary, the KERP and the KEP (as such terms are defined in the Employee Programs Order), shall continue in full force and effect through December 31, 2017. Subject to clause (ii) above, to the extent that any of the Employee Obligations constitute executory contracts, pursuant to sections 365 and 1123 of the Bankruptcy Code, each of them will be deemed rejected as of the Effective Date unless identified in the Schedule of Assumed Employee Obligations and shall be treated in accordance with this Article 8.

8.7 Insurance Policies. All insurance policies (including all D&O Liability Insurance Policies and tail coverage liability insurance) to which any Debtor is a party as of the Effective Date shall be deemed to be and treated as executory contracts and shall be assumed by the applicable Debtors or Reorganized Debtor and shall continue in full force and effect thereafter in accordance with their respective terms. All other insurance policies shall vest in the Reorganized Debtors.

8.8 Reservation of Rights.

(a) The Debtors, with the consent of the Requisite Consenting Second Lien Creditors, may amend the Schedule of Assumed Employee Obligations and the Schedule of Rejected Contracts (with the consent of the Requisite Commitment Parties only to the extent that a contract relates to New Permian Corp. or the Permian Assets) and any cure notice through 4:00 p.m. (Eastern Time) on the Business Day immediately prior to the commencement of the Confirmation Hearing in order to (i) add, delete, or reclassify any executory contract or unexpired lease or amend a proposed assignment and/or (ii) amend the proposed Cure Amount; *provided*, that if the Confirmation Hearing is adjourned for a period of more than two (2) consecutive calendar days, the Debtors' right to amend such schedules and notices shall be extended to 4:00 p.m. (Eastern Time) on the Business Day immediately prior to the adjourned date of the Confirmation Hearing, with such extension applying in the case of any and all subsequent adjournments of the Confirmation Hearing.

(b) Neither the exclusion nor the inclusion by the Debtors of any contract or lease on any exhibit, schedule, or other annex to this Plan or in the Plan Supplement, nor anything contained in this Plan, will constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Reorganized Debtors or their respective affiliates has any liability thereunder.

(c) Except as explicitly provided in this Plan, nothing herein shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the Debtors or the Reorganized Debtors under any executory or non-executory contract or unexpired or expired lease.

(d) Nothing in this Plan will increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtors or the Reorganized Debtors, as applicable, under any executory or non-executory contract or unexpired or expired lease.

(e) If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of its assumption under this Plan, the Debtors or Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

8.9 Modifications, Amendments, Supplements, Restatements, or Other Agreements. Unless otherwise provided in the Plan, each executory contract or unexpired lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such executory contract or unexpired lease, and executory contracts and unexpired leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

ARTICLE X.

EFFECT OF CONFIRMATION

10.1 Released and Settled Claims. Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, the Plan incorporates an integrated compromise, settlement and release of the Released and Settled Claims, to achieve a beneficial and efficient resolution of these Chapter 11 Cases for all parties in interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such Released and Settled Claims and the Court's determination that such compromises and settlements are in the best interests of the Debtors, their estates, the Reorganized Debtors, creditors and all other parties in interest, and are fair, equitable and within the range of reasonableness. The compromises, settlements and releases described herein shall be deemed nonseverable from each other and from all other terms of the Plan. On the Effective Date, the Standing Motion and Claim Objection shall be and shall be deemed to be dismissed with prejudice.

10.2 Binding Effect. Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code, and subject to the occurrence of the Effective Date, on and after the entry of the Confirmation Order, the provisions of this Plan shall bind every holder of a Claim against or Interest in any Debtor and inure to the benefit of and be binding on such holder's respective successors and assigns, regardless of whether the Claim or Interest of such holder is impaired under this Plan and whether such holder has accepted this Plan.

10.3 Vesting of Assets. Upon the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all of the Permian Assets of the Debtors shall vest in New Permian LLC and all other assets and property of the Debtors shall vest in the Reorganized Debtors (other than New Permian Corp. and New Permian LLC), as applicable, free and clear of all Claims, Liens, charges, and other interests, except as otherwise provided herein. The Reorganized Debtors may operate their businesses and use, acquire, and dispose of property free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules and in all respects as if there were no pending cases under any chapter or provision of the Bankruptcy Code, except as otherwise provided herein.

10.4 Release and Discharge of Debtors. Upon the Effective Date and in consideration of the distributions to be made hereunder, except as otherwise expressly provided herein, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a Claim or Existing BBEP Equity Interest and any affiliate of such holder shall be deemed to have forever waived, released, and discharged the Debtors, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Existing BBEP Equity Interests, rights, and liabilities that arose prior to the Effective Date. any such discharged Claim against or terminated Existing BBEP Equity Interest in the Debtors.

10.5 Term of Injunctions or Stays. Unless otherwise provided herein or in a Final Order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Cases under section 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay.

10.6 Injunction Against Interference with Plan. Upon entry of the Confirmation Order, all holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, shall be enjoined from taking any actions to interfere with the implementation or consummation of the Plan; *provided*, that nothing herein or in the Confirmation Order shall preclude, limit, restrict or prohibit any party in interest from seeking to enforce the terms of the Plan, the Confirmation Order, or any other agreement or instrument entered into or effectuated in connection with the consummation of the Plan.

10.7 Injunction.

[Intentionally Omitted]

10.8 Exculpation. Subject to section 1125(e) of the Bankruptcy Code, no Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from, any Claim, Interest, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, Released and Settled Claim, loss, remedy, or liability for any claim (including, but not limited to, any claim for breach of any fiduciary duty or any similar duty) in connection with or arising out of the administration of the Chapter 11 Cases; the negotiation and pursuit of the Exit Facility Documents, the Backstop Commitment Agreement, the DIP Facility, the LegacyCo Management Incentive Plan, the New Permian Corp. Put Option Premium), including by any member of the Creditors' Committee; the issuance of Securities under or in connection with this Plan; or the transactions in furtherance of any of the foregoing; except for Claims related to any act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted breach of fiduciary duty, actual fraud or willful misconduct, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to this Plan. This exculpation shall be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability.

10.9 Releases.

(a) *Releases by the Debtors.* As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce this Plan and the Plan Documents, for good and valuable consideration, the adequacy of which is hereby confirmed, including, the service of the Released Parties to facilitate the reorganization of the Debtors, the implementation of the Restructuring, and except as otherwise provided in this Plan or in the Confirmation Order, the Released Parties are deemed forever released and discharged by the Debtors, the Reorganized Debtors, and the Debtors' estates, in each case on behalf of themselves and their respective successors, assigns, and representatives and any and all other Entities who may purport to assert any Cause of Action or Released and Settled Claim derivatively, by or through the foregoing Entities, from any and all claims, interests, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, Released and Settled Claim, losses, remedies, or liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or the Debtors' estates, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that the Debtors, the Reorganized Debtors, or the Debtors' estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party (including, the Revolving Credit Documents and the Indentures), the DIP Facility, the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Restructuring Transactions, the Rights Offering, the Exchange Agreement, the LegacyCo Contribution Agreement, the Permian Contribution Agreement, the creation of New Permian Corp., Legacy Co. or the AUNC Trust, the negotiation, formulation, or preparation of the Disclosure Statement, and this Plan and related agreements, instruments, and other documents (including the Plan Documents, the Restructuring Support Agreement and the trust

agreement creating the AUNC Trust), the solicitation of votes with respect to this Plan, the Backstop Commitment Agreement, or the Rights Offering, any membership (including, but not limited to, on an *ex officio* basis), participation in, or involvement with the Creditors' Committee, the structuring, negotiation, performance, or conducting of, participation in, or entry into, the Rights Offering and/or the Backstop Commitment Agreement (including, but not limited to, payment or receipt of the Put Option Premium), including by any member of the Creditors' Committee, or any other act or omission, transaction, agreement, event, or other occurrence, except for Claims related to any act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted actual fraud or willful misconduct, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to this Plan.

(b) *Releases by Holders of Claims and Interests.* As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan and the Plan Documents, for good and valuable consideration, the adequacy of which is hereby confirmed, including, the service of the Released Parties to facilitate the reorganization of the Debtors and the implementation of the Restructuring, and except as otherwise provided in the Plan or in the Confirmation Order, the Released Parties, are deemed forever released and discharged by (i) subject to the penultimate sentence of this Section 10.9(b) of the Plan, holders of all Claims who vote to either accept or reject the Plan but do not opt out of granting the releases set forth herein (a "Release Opt-Out"), (ii) the Revolving Credit Facility Agent, (iii) the Unsecured Notes Indenture Trustee, (iv) the DIP Facility Agent, and (v) the Statutory Committees from any and all claims, interests, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, Released and Settled Claims, losses, remedies, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, and any claims for breach of any fiduciary duty (or any similar duty), whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such holders or their affiliates (to the extent such affiliates can be bound) would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party (including, the Revolving Credit Documents and the Indentures), the DIP Facility, the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Restructuring Transactions, the Rights Offering, the Exchange Agreement, the LegacyCo Contribution Agreement, the Permian Contribution Agreement, the creation of New Permian Corp., LegacyCo, or the AUNC Trust, the negotiation, formulation, or preparation of the Disclosure

Statement, the Plan and related agreements, instruments, and other documents (including the Plan Documents, the Restructuring Support Agreement and the trust agreement creating the AUNC Trust), the solicitation of votes with respect to the Plan, the Backstop Commitment Agreement, or the Rights Offering, any membership in (including, but not limited to, on an *ex officio* basis), participation in, or involvement with the Creditors' Committee, the structuring, negotiation, performance, or conducting of, participation in, or entry into, the Rights Offering and/or the Backstop Commitment Agreement (including, but not limited to, payment or receipt of the Put Option Premium), including by any member of the Creditors' Committee, or any other act or omission, except for Claims related to any act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted actual fraud or willful misconduct, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. For the avoidance of doubt, notwithstanding the foregoing, a Release Opt-Out solely means that such holder (i) is electing to not release the Released Parties other than the Debtors, and (ii) shall not impair, limit or effect in any way the exculpation of the Exculpated Parties as set forth in Section 10.8 of the Plan. For the avoidance of doubt, the foregoing releases shall not release the indemnification rights of the (i) Secured Notes Indenture Trustee under the Secured Notes Indentures and any related documentation, and (ii) the Unsecured Notes Indenture Trustee under the Unsecured Notes Indentures and any related documentation.

(c) *Release of Liens.* Except as otherwise specifically provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, including the Exit Facility Documents, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the secured claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or filing being required to be made by the Debtors.

(d) *Waiver of Statutory Limitations on Releases.* The releases contained in Article X of the Plan are effective regardless of whether those released matters are presently known, unknown, suspected or unsuspected, foreseen or unforeseen.

10.10 Injunction Related to Releases and Exculpation. The Confirmation Order shall permanently enjoin the commencement or prosecution by any Person or Entity, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, losses, or liabilities released pursuant to this Plan, including, the claims, obligations, suits, judgments,

damages, demands, debts, rights, Causes of Action, and liabilities released or exculpated in this Plan.

10.11 Subordinated Claims. The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments thereof under this Plan take into account and conform to the relative priority and rights of the Claims and Interest in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, sections 510(a), 510(b), or 510(c) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors reserve the right to reclassify any Allowed Claim (other than any Allowed Revolving Facility Claims, DIP Facility Claims, Allowed Secured Notes Claim or Allowed Unsecured Notes Claim) or Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

10.12 Avoidance Actions. From and after the Effective Date, the Reorganized Debtors shall waive the right to prosecute any avoidance, equitable subordination, or recovery actions that belong to the Debtors under chapter 5 of the Bankruptcy Code including sections 105, 502(d), 510, 542 through 551, and 553.

10.13 Retention of Causes of Action/Reservation of Rights.

(a) Except as otherwise provided in Section 10.9 hereof, nothing herein or in the Confirmation Order shall be deemed to be a waiver or the relinquishment of any rights or Causes of Action that the Debtors or the Reorganized Debtors may have or which the Reorganized Debtors may choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or any applicable nonbankruptcy law, including (i) any and all Claims against any Person or Entity, to the extent such Person or Entity asserts a crossclaim, counterclaim, and/or Claim for setoff which seeks affirmative relief against the Debtors, the Reorganized Debtors, or their officers, directors, or representatives and (ii) for the turnover of any property of the Debtors' estates; *provided*, that neither the Debtors nor the Reorganized Debtors shall preserve, retain, commence, prosecute or otherwise reserve any Claims or Cause of Action against (i) any Second Lien Noteholder, (ii) any Series B Interest Holder, (iii) the Secured Indenture Trustee, (iv) the Unsecured Senior Notes Groups (or any member thereof), (v) the Backstop Parties, or (vi) any of the forgoing Entities' respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees, including the Released and Settled Claims.

(b) Nothing herein or in the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights or Causes of Action, right of setoff, or other legal or equitable defense that the Debtors had immediately prior to the Petition Date, against or with respect to any Claim left unimpaired by the Plan. The Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, Causes of Action, rights of setoff, and other legal or equitable defenses that they had immediately prior to the Petition Date fully as if the Chapter 11 Cases had not been commenced, and

all of the Reorganized Debtors' legal and equitable rights with respect to any Claim left unimpaired by the Plan may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced.

(c) The Reorganized Debtors reserve (or receive) and shall retain the applicable Causes of Action notwithstanding the rejection of any executory contract or unexpired lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors in accordance with the terms hereof. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

10.14 Preservation of Causes of Action. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action against them. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided herein.

10.15 Special Provisions for Governmental Units. Solely with respect to Governmental Units, nothing herein shall limit or expand the scope of discharge, release, or injunction to which the Debtors or the Reorganized Debtors are entitled under the Bankruptcy Code. Further, nothing herein, including Sections 10.8 and 10.9 hereof, shall discharge, release, enjoin, or otherwise bar (a) any liability of the Debtors or the Reorganized Debtors to a Governmental Unit arising on or after the Confirmation Date with respect to events occurring on or after the Confirmation Date, (b) any liability to a Governmental Unit that is not a Claim, (c) any valid right of setoff or recoupment of a Governmental Unit, (d) any police or regulatory action by a Governmental Unit, (e) any environmental liability to a Governmental Unit that the Debtors, the Reorganized Debtors, any successors thereto, or any other Person or Entity may have as an owner or operator of real property after the Effective Date, and (f) any liability to a Governmental Unit on the part of any Persons or Entities other than the Debtors or the Reorganized Debtors, *provided*, that nothing in this Section 10.15 shall affect the Debtors' releases in Section 10.9 hereof, nor shall anything herein enjoin or otherwise bar any Governmental Unit from asserting or enforcing, outside the Bankruptcy Court, any of the matters described in clauses (a) through (f) above.

10.16 Protections Against Discriminatory Treatment. Consistent with section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Reorganized Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a

grant against, the Reorganized Debtors, or another Entity with whom the Reorganized Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

10.17 Document Retention. On and after the Effective Date, the Reorganized Debtors may maintain documents in accordance with the Debtors' standard document retention policy, as may be altered, amended, modified, or supplemented by the Reorganized Debtors.

ARTICLE XI.

(r) To determine any other matters or adjudicate any disputes that may arise in connection with or are related to the Plan, the Disclosure Statement, the Confirmation Order, the Plan Supplement, or any document related to the foregoing;

provided that the Court shall not retain jurisdiction over disputes concerning documents contained in the Plan Supplement that have a jurisdictional, forum selection or dispute resolution clause that refers disputes to a different court;

(s) To hear and determine all disputes involving the existence, nature, or scope of the Debtors' discharge, including any dispute relating to any liability arising out of the termination of employment or the termination of any employee or retiree benefit program, regardless of whether such termination occurred prior to or after the Effective Date;

(v) To hear any other matter not inconsistent with the Bankruptcy Code; and

To the extent that the Bankruptcy Court is not permitted under applicable law to preside over any of the forgoing matters, the reference to the "Bankruptcy Court" in this Article XI shall be deemed to be replaced by the "District Court." Nothing in this Article XI shall expand the exclusive jurisdiction of the Bankruptcy Court beyond that provided by applicable law.

ARTICLE XII.

On the Effective Date, the Statutory Committees shall dissolve, the current and former members of the Statutory Committees, including any *ex officio* members, and their respective officers, employees, counsel, advisors and agents, shall be released and discharged of and from all further authority, duties, responsibilities and obligations related to and arising from and in connection with the Chapter 11 Cases, except for the limited purpose of prosecuting (i) requests for allowances of compensation and reimbursement of expenses incurred prior to the Effective Date or (ii) any appeals of the Confirmation Order.

12.2 Substantial Consummation. On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

12.3 Exemption from Transfer Taxes.

To the maximum extent provided by section 1146(a) of the Bankruptcy Code and applicable nonbankruptcy law, the Restructuring Transactions shall not be taxed under any law imposing a stamp tax or similar tax.

12.4 Expedited Tax Determination. The Reorganized Debtors may request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for all returns filed for or on behalf of the Debtors or the Reorganized Debtors for all taxable periods of the Debtors through the Effective Date.

On the Effective Date, and thereafter as may be required, each of the Debtors shall (a) pay all the respective fees payable pursuant to section 1930 of chapter 123 of title 28 of the United States Code, together with interest, if any, pursuant to section 3717 of title 31 of the United States Code, until the earliest to occur of the entry of (i) a final decree closing such Debtor’s Chapter 11 Case, (ii) a Final Order converting such Debtor’s Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code, or (iii) a Final Order dismissing such Debtor’s Chapter 11 Case, and (b) be responsible for the filing of consolidated post-confirmation quarterly status reports with the Bankruptcy Court in accordance with Rule 3021–1 of the Southern District of New York Local Bankruptcy Rules, which status reports shall include reports on the disbursements made by each of the Debtors.

12.6 Plan Modifications and Amendments. The Plan may be amended, modified, or supplemented by the Debtors or the Reorganized Debtors, as applicable, with the consent of the Requisite Consenting Second Lien Creditors, the Requisite Commitment Parties, to the extent that it adversely affects the treatment or rights of holders of Claims in Classes 5A, 5B, 6, 7A or 7B, the Creditors’ Committee, and, to the extent it adversely affects the Revolving Credit Facility Claims, the DIP Facility Claims or the Exit Facility, the Revolving Credit Facility Agent, the DIP Facility Agent or the Exit Facility Agent, as applicable, in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as the Bankruptcy Court may otherwise direct; provided that any such alteration, amendment or modification is consistent with the Restructuring Support Agreement. In addition, after

the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Claims hereunder, the Debtors may, with the consent of the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties, and, to the extent such action adversely affects the Revolving Credit Facility Claims, the DIP Facility Claims or the Exit Facility, the Revolving Credit Facility Agent, the DIP Facility Agent or the Exit Facility Agent, as applicable, institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan or the Confirmation Order with respect to such matters as may be necessary to carry out the purposes and effects of the Plan and any holder of a Claim that has accepted the Plan shall be deemed to have accepted the Plan as so amended, modified, or supplemented. Prior to the Effective Date, the Debtors may make appropriate technical adjustments and modifications to the Plan without further order or approval of the Bankruptcy Court; *provided*, that such technical adjustments and modifications do not materially and adversely affect the treatment of holders of Claims and that any such technical adjustment or modification is consistent with the Restructuring Support Agreement. Notwithstanding any provision of this Plan to the contrary or that is silent on the issue of consent rights, all documents, exhibits, and schedules related the Plan or Restructuring Transactions including, the Plan, Disclosure Statement, Confirmation Order, the Plan Documents, the Plan Supplement, and the Exit Facility Documents must be acceptable to the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties.

12.7 Revocation or Withdrawal of Plan.

(a) The Debtors may revoke, withdraw, or delay consideration of the Plan prior to the Confirmation Date, either entirely or with respect to one or more of the Debtors, and to file subsequent amended plans of reorganization. If the Plan is revoked, withdrawn, or delayed with respect to fewer than all of the Debtors, such revocation, withdrawal, or delay shall not affect the enforceability of the Plan as it relates to the Debtors for which the Plan is not revoked, withdrawn, or delayed. If the Debtors revoke the Plan in its entirety, the Plan shall be deemed null and void. In such event, nothing herein shall be deemed to constitute a waiver or release of any Claim by or against the Debtors or any other Person or to prejudice in any manner the rights of the Debtors or any other Person in any further proceedings involving the Debtors.

(b) Notwithstanding the foregoing Section 12.7(a), if the Debtors take any action to attempt to withdraw such Plan from the docket of the Bankruptcy Court or the Debtors refuse, for any reason, to take any and all commercial reasonable actions to implement or support the Restructuring Transactions, then: (a) immediately, at such time and without any further order of the Court, the Debtors will no longer be proponents of this the Plan and the Second Lien Group and the Unsecured Notes Group will become proponents of this Plan; *provided*, that if the exclusive periods of the Debtors have not been terminated as of such time, the Debtors shall remain nominal proponents of the Plan solely for the purposes of section 1121 until the expiration or termination of such exclusive periods; and (b) any and all provisions and consent rights or requirement that any document or transaction be “acceptable” or other terms under this Plan referencing “Weil,” the “Debtor,” or the “Debtors” are, and shall continue to be, in full force and

12.8 Courts of Competent Jurisdiction. If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Plan, such abstention, refusal, or failure of jurisdiction shall have no effect upon and shall not control, prohibit, or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

12.9 Severability. If, prior to entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, in each case at the election and request of the Debtors, with the consent of the Requisite Consenting Second Lien Creditors and Requisite Commitment Parties, and, to the extent such term or provision affects the Revolving Credit Facility Claims, the DIP Facility Claims or the Exit Facility, the Revolving Facility Agent, the DIP Facility Agent or the Exit Facility Agent, as applicable, may alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and provide that each term and provision hereof, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be deleted or modified except in accordance with the terms of the Plan; and (c) nonseverable and mutually dependent.

12.12 Successors and Assigns. All the rights, benefits, and obligations of any Person named or referred to herein shall be binding on, and inure to the benefit of, the heirs, executors, administrators, successors, and/or assigns of such Person.

SUMMARY OF PROPOSED TERMS AND CONDITIONS**

This Summary of Proposed Terms and Conditions (this “Term Sheet”) outlines certain key terms to resolve certain matters, including treatment of the Prepetition Lenders under the Debtor’s Plan (all capitalized terms not defined, as defined below). This Term Sheet is for discussion purposes only and, notwithstanding any discussion concerning proposed exit facilities by and among the Borrower, the other Loan Parties as Guarantors, the Prepetition Lenders, and the Administrative Agent, is neither a proposal nor a commitment to provide financing. Nothing in this Term Sheet is binding on any party and no party will be bound to any commitment or agreement until such time, if any, as Definitive Documentation shall have been executed and delivered among the parties with express reference to such commitment or agreement and approved by the Bankruptcy Court (as defined below). The outlined offered terms are subject to change, withdrawal or modification in the sole discretion of the Administrative Agent or the Loan Parties, are subject to the Administrative Agent’s approval of the form and content of the Definitive Documentation. This Term Sheet does not constitute (nor shall it be construed as) an offer with respect to any securities or a solicitation of acceptances or rejections as to any Chapter 11 plan, it being understood that such solicitation, if any, only will be made in compliance with the applicable provisions of all applicable law. For purposes of this Term Sheet “Definitive Documentation” means all documents related to the Debtors’ Plan, including, without limitation, the disclosure statement related to the Plan, Plan, and Confirmation Order. The actual terms and conditions upon which credit, if any, may ultimately be extended are subject to satisfactory completion of due diligence, satisfactory documentation and such other terms and conditions as are determined in the sole discretion of the Administrative Agent. No party shall be entitled to rely on any statement or representation made by any other party or its representatives except as ultimately set forth in final, executed Definitive Documentation, if any. This Term Sheet is confidential, and, except to the extent agreed to by the Administrative Agent and the Borrower, shall not be disclosed to any person other than the Loan Parties, the Prepetition Lenders, potential agents, potential lenders and their attorneys and other advisors, and then only on a confidential basis and in connection with considering whether to agree to the Definitive Documentation. This Term Sheet is proffered in the nature of a settlement proposal in furtherance of settlement discussions and is intended to be entitled to the protections of Federal Rule of Evidence 408, Evidence Code section 1152, and any other applicable statutes or doctrines. Thereafter, a Borrowing Base Redetermination shall occur on October 1, 2018 (the "First Scheduled Redetermination Date"), and thereafter on April 1 and October 1 of each year until the Revolving Facility is indefeasibly repaid or satisfied in full in cash and the commitments thereunder are terminated.

Interim Borrowing Base Redeterminations shall be implemented upon (a) the request of the Administrative Agent or the requisite Lenders (a "Lender Wild Card Redetermination"), or (b) the request of the Borrower; provided that (i) that there shall be no Lender Wild Card Redetermination prior to the First Scheduled Redetermination

Date, (ii) there shall be no more than one Lender Wild Card Redetermination in any fiscal year and (iii) there shall be no more than one interim Borrowing Base Redetermination made at the request of the Borrower between each scheduled Borrowing Base Redetermination.

Additionally, the Borrower may elect to cause an interim Borrowing Base Redetermination contemporaneously with the consummation of any acquisitions of oil and gas properties to which associated proven reserves represent at least 5% of the Borrowing Base.

In the event the total outstanding balance of the Revolving Facility is greater than the Borrowing Base (a “Borrowing Base Deficiency”) at the time of any Borrowing Base Redetermination, the Borrower shall, within 30 days after notice from Administrative Agent of the new or adjusted Borrowing Base, notify Administrative Agent of the Borrower’s election to exercise one, or a combination of, the following options in order to cure such Borrowing Base Deficiency: (a) repay the Borrowing Base Deficiency (after giving effect to any action taken under clause (c) below) in a single lump sum for application to the Revolving Facility (as set forth in the “Mandatory Prepayments” section below); (b) repay the Borrowing Base Deficiency (after giving effect to any action taken under clause (c) below) in five monthly installments equal to one-fifth of such Borrowing Base Deficiency with the first such installment due 30 days after notice from Administrative Agent of the new or adjusted Borrowing Base and each following installment due 30 days after the preceding installment for application to the Revolving Facility (as set forth in the “Mandatory Prepayments” section below); or (c) provide additional collateral acceptable to the Administrative Agent, in the Administrative Agent’s sole discretion, to increase the Borrowing Base.

**Mandatory Borrowing Base
Reductions:**

If the sum of (a) the aggregate Borrowing Base value of oil and gas properties disposed of (including through casualty and condemnation but excluding any disposition to a Loan Party) (i) during the period from the Closing Date to the date of the First Scheduled Redetermination Date and (ii) thereafter, during any period between scheduled Borrowing Base Redeterminations plus (b) the net effect of hedge modifications and early terminations of the Loan Parties to hedge agreements given credit in setting the Borrowing Base during such period, is greater than 5% of the Borrowing Base, then the Borrowing Base shall be automatically reduced by an amount equal to the aggregate Borrowing Base value of such oil and gas properties as determined by the Administrative Agent in the Administrative Agent’s sole discretion, based upon the engineered value attributed to such properties in the most recent Reserve Report.

If the Loan Parties and their subsidiaries incur any junior or unsecured indebtedness (subject to any baskets set forth herein and other baskets and exceptions to be mutually agreed between the

Borrower and the Administrative Agent), then the Borrowing Base shall be automatically reduced by 25% of the stated principal amount of such indebtedness.

Closing Date: The Plan Effective Date (the "Closing Date").

Use of Proceeds: The proceeds of the Facilities shall be used to (a) repay all obligations under the Debtor-in-Possession Credit Agreement dated as of May 19, 2016 (as amended, the "DIP Facility") by and among Breitburn Operating LP, as borrower, Breitburn Energy Partners LP, as parent guarantor, Wells Fargo Bank, National Association, as administrative agent and certain lenders, (b) pay amounts required to be paid under the Plan, including any amounts owed to the Office of the United States Trustee, (c) pay fees and expenses in connection with emergence from the bankruptcy cases and (d) fund ongoing working capital requirements and other general corporate purposes.

Collateral: The Obligations will be secured by valid and perfected first priority (subject to certain exceptions set forth in the Financing Documentation) security interests in and liens on all of the following (collectively, the "Collateral"):

- (a) (i) 100% of the equity interests of all present and future domestic subsidiaries of any Loan Party (other than the equity interests of Breitburn GP LLC and the equity interests of any FSHCO) and
- (ii) 65% of the voting equity interests and 100% of the non-

voting equity interests of all present and future first-tier Foreign Subsidiaries and FSHCOs of any Loan Party;

- (b) Substantially all of the tangible and intangible personal property and assets of the Loan Parties (including, without limitation, all equipment, inventory and other goods, accounts, licenses, contracts, intercompany loans, intellectual property and other general intangibles, deposit accounts, securities accounts and other investment property and cash, subject to any mutually agreed baskets);
- (c) Oil and gas properties representing not less than 95% of the NYMEX Strip PV-9 of the total proved reserves of the Loan Parties included in the most recent Reserve Report; and
- (d) All other oil and gas properties (including undeveloped acreage, but excluding proved reserves) upon which the Loan Parties have granted the Prepetition Agent for the benefit of the Prepetition Lenders a lien pursuant to mortgages granted under the Prepetition Facility or DIP Facility to the extent still owned by the Loan Parties;

in each case, subject to exceptions for Excluded Property (to be defined as mutually agreed).

“Foreign Subsidiary” shall mean any direct or indirect subsidiary of Parent organized under the laws of any jurisdiction other than the United States, any state thereof or the District of Columbia.

“FSHCO” shall mean any direct or indirect domestic subsidiary of Parent substantially all of the assets of which consist of the equity and/or securities of one or more Foreign Subsidiaries.

All such security interests in personal property and all liens on oil and gas properties and other real property will be created pursuant to the Financing Documentation.

Interest Rates:

At the Borrower’s option, loans (other than Swingline Loans) will bear interest based on the Base Rate or LIBOR, plus the applicable Interest Margin (as defined below). Swingline Loans will bear interest at the Base Rate plus the applicable Interest Margin.

The interest margin (“Interest Margin”) shall be:

- (a) in the case of the Revolving Facility, based upon utilization of the Borrowing Base (expressed as a percentage of outstanding loans and Letters of Credit under the Revolving Facility divided by the Borrowing Base) an Interest Margin according to the following grid:

Utilization	LIBOR+	ABR+
< 30.0%	2.50%	1.50%
≥ 30.0%; < 60.0%	2.75%	1.75%
≥ 60.0%; < 90.0%	3.00%	2.00%
≥ 90.0%	3.50%	2.50%

- (b) and in the case of the Term Facility, an Interest Margin of 2.00% for LIBOR loans and 1.00% for Base Rate loans;

provided that in no event shall LIBOR be less than zero.

Commitment Utilization	Rate
≤ 50.0%	0.375%
> 50.0%	0.50%

“Commitment Utilization” shall mean an amount equal to the average daily difference between (a) the total commitment of the Revolving Facility and (b) the aggregate outstanding balance of the Revolving Facility.

All accrued Unused Line Fees will be fully earned and due and payable monthly in arrears for the account of the Lenders under the Revolving Facility and will accrue from the Closing Date.

- (b) Upfront Fees. The Borrower shall pay to Wells Fargo Securities, for the account of each of the Revolving Lenders, upfront fees which will be due and payable as follows: (i) an aggregate amount equal to 0.15% times the aggregate principal amount of the Revolving Facility, which shall be earned and payable in full in cash on the Closing Date; and (ii) an aggregate amount equal to 0.30% times the aggregate principal amount of the Revolving Facility on the Closing Date, which shall be earned and payable in full in cash on the one (1) year anniversary of the Closing Date.

- (c) Anti-Hoarding. If as of the last business day of any calendar week any of the Revolving Loans are outstanding and the Loan Parties have Excess Cash (other than the proceeds of a borrowing that are expected to be used within 3 business days of such borrowing), then the Borrower shall within 2 business days prepay the Revolving Loans in an amount equal to such Excess Cash. As used herein, "Excess Cash" means the amount of unrestricted cash and cash equivalents of Parent and the other Loan Parties in excess of \$75,000,000 in the aggregate (excluding (i) cash earmarked to pay unaffiliated third party obligations or to affiliates on account of transactions not prohibited under the Financing Documentation for which checks have been issued or wires or ACH have been initiated, (ii) cash or cash equivalents of the Loan Parties constituting purchase price deposits held in escrow pursuant to a binding and enforceable purchase and sale agreement with a third party containing customary provisions regarding the payment and refunding of such deposits, (iii) cash and cash equivalents held in any of the following accounts in the ordinary course of business: (a) accounts designated and used solely for payroll or employee benefits; (b) cash collateral accounts with respect to Letters of Credit; (c) trust accounts held and used exclusively

In the event net cash proceeds received by a Loan Party in connection with any asset sale, casualty event or swap termination that are required to be used to make payments under the Loan Agreement are swept as being Excess Cash, then the Borrower shall be deemed to have made any other mandatory prepayment required to be made in respect of such proceeds.

All such mandatory prepayments made under

principal amounts and in multiples to be mutually agreed with the Administrative Agent.

After prepayment in full of the Revolving Loans and cash collateralization of Letters of Credit outstanding under the Revolving Facility and termination of the commitments under the Revolving Facility, the Term Loans may be prepaid, in whole or in part, at the option of the Borrower, upon notice and in minimum principal amounts and in multiples to be mutually agreed, without premium or penalty (except LIBOR breakage costs). Notwithstanding anything to the contrary herein, in no event shall any payments be made to satisfy any amounts outstanding under the Term Facility unless the amounts outstanding under the Revolving Facility are indefeasibly paid or satisfied (or are contemporaneously being indefeasibly repaid or satisfied) in full in cash on a final basis, the Letters of Credit outstanding under the Revolving Facility have been cash collateralized and the commitments thereunder are terminated.

Liquidation Analysis

Liquidation Analysis

1) Introduction

Often called the “best interests” test, section 1129(a)(7) of the Bankruptcy Code¹ requires that the Bankruptcy Court find, as a condition to confirmation of the Plan, that each holder of a Claim or Interest in each Impaired Class: (a) has accepted the Plan or (b) will receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the amount that such holder would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. To make these findings, the Bankruptcy Court must: (a) estimate the cash proceeds (the “**Liquidation Proceeds**”) that a chapter 7 trustee (the “**Trustee**”) would generate if each Debtors’ chapter 11 cases were converted to chapter 7 cases on the Effective Date and the assets of the Debtors’ estates were liquidated; (b) determine the distribution (the “**Liquidation Distribution**”) that each holder of a Claim or Interest would receive from the Liquidation Proceeds under the priority scheme dictated in chapter 7; and (c) compare each holder’s Liquidation Distribution to the distribution under the Plan that such holder would receive if the Plan were confirmed and consummated. Accordingly, asset values discussed herein may be different than amounts referred to in the Plan. This analysis (the “**Liquidation Analysis**”) is based on certain assumptions discussed herein and in the Disclosure Statement.

The determination of the costs of, and proceeds from, the hypothetical liquidation of the Debtors’ assets in a chapter 7 case is an uncertain process involving the extensive use of significant estimates and assumptions that, although considered reasonable by the Debtors based upon their business judgment and input from their advisors, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors, their management, and their advisors. Inevitably, some assumptions in the Liquidation Analysis would not materialize in an actual chapter 7 liquidation, and unanticipated events and circumstances could materially affect the ultimate results in an actual chapter 7 liquidation. The Liquidation Analysis was prepared for the sole purpose of generating a reasonable good faith estimate of the proceeds that would be generated if the Debtors’ assets were liquidated in accordance with chapter 7 of the Bankruptcy Code. The Liquidation Analysis is not intended and should not be used for any other purpose. The underlying financial information in the Liquidation Analysis was not compiled or examined by any independent accountants. NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS WOULD OR WOULD NOT APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED IN THE LIQUIDATION ANALYSIS. ACTUAL RESULTS COULD VARY MATERIALLY.

THE LIQUIDATION ANALYSIS DOES NOT CONTEMPLATE A SALE OR SALES OF THE DEBTORS’ BUSINESS UNITS ON A GOING CONCERN BASIS. ALTHOUGH THE DEBTORS MAKE NO ASSURANCES, IT IS POSSIBLE THAT (I) PROCEEDS RECEIVED FROM SUCH GOING CONCERN SALES WOULD BE MORE THAN PROCEEDS FROM A HYPOTHETICAL LIQUIDATION, (II) THE COSTS ASSOCIATED WITH THE SALES WOULD BE LESS, (III) FEWER CLAIMS WOULD BE ASSERTED AGAINST THE BANKRUPTCY ESTATES, OR (IV) CERTAIN ORDINARY COURSE CLAIMS WOULD BE ASSUMED BY THE BUYERS OF SUCH BUSINESS UNITS.

In preparing the Liquidation Analysis, the Debtors estimated Allowed Claims based upon a review of Claims listed on the Debtors’ schedules of assets and liabilities and the Debtors’ financial statements to account for other known liabilities, as necessary. In addition, the Liquidation Analysis includes estimates for Claims not currently asserted in the chapter 11 cases, but which could be asserted and allowed in a chapter 7 liquidation, including unpaid chapter 11 administrative claims, and chapter 7 administrative

claims such as wind down costs, trustee fees, and tax liabilities. To date, the Bankruptcy Court has not estimated or otherwise fixed the total amount of Allowed Claims used for purposes of preparing this Liquidation Analysis. Therefore, the Debtors' estimate of Allowed Claims set forth in the Liquidation Analysis should not be relied on for any other purpose, including determining distributions under the Plan. NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED TO BE OR CONSTITUTES A CONCESSION OR ADMISSION OF THE DEBTORS. THE ACTUAL AMOUNT OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH IN THE LIQUIDATION ANALYSIS.

2) Basis of Presentation

On May 15, 2016, the Debtors each filed a voluntary petition for relief under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York.

The Liquidation Analysis assumes that the Debtors would be liquidated in a jointly administered and substantively consolidated proceeding.

The Liquidation Analysis has been prepared assuming that the Debtors converted their cases from chapter 11 cases to chapter 7 cases on or about December 31, 2017 (the "**Conversion Date**"). Except as otherwise noted, the Debtors' pro forma December 31, 2017 balance sheet is forecasted from actual book values of the Debtors' assets and liabilities as of July 31, 2017. The Liquidation Analysis was prepared on a consolidated basis.

It is assumed that, on the Conversion Date, the Bankruptcy Court would appoint the Trustee who would sell the Debtors' assets and distribute the cash proceeds, net of liquidation related costs, to creditors in accordance with relevant bankruptcy law.

The Liquidation Analysis represents an estimate of recovery values and percentages based upon a hypothetical liquidation if the Trustee were appointed by the Bankruptcy Court to convert assets into cash. The determination of the hypothetical proceeds from the liquidation of assets is a highly uncertain process involving the extensive use of estimates and assumptions which, although considered reasonable by the Debtors' advisors and management, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors and their management.

The cessation of business in a liquidation is likely to trigger certain claims that otherwise would not exist under a Plan absent a liquidation. Some of these claims could be significant and will be entitled to priority in payment over general unsecured claims. Those priority claims would be paid before any liquidation proceeds would be made available to pay general unsecured claims.

As discussed herein, the claim amounts reflected in the Liquidation Analysis are estimates primarily based on the Debtors' best estimates and are subject to material revision.

No recovery or related litigation costs have been attributed to any potential avoidance actions under the Bankruptcy Code, including potential preferences or fraudulent transfer actions due to, among other issues, the cost of such litigation, the uncertainty of the outcome and anticipated disputes regarding these matters.

The Debtors have assumed that the liquidation would occur over an approximately seven-month time period to sell substantially all of the Debtors' assets, monetize and collect receivables and other assets on the pro forma balance sheet, and administer and wind-down the estates. During the seven-month period, producing assets would be sold over a four-month period and administration of proceeds and claims would require an additional three months.

In an actual liquidation, the process and length of wind-down could be materially longer and more expensive than the amounts assumed herein and thereby significantly reduce the actual recoveries relative to the estimated amounts shown herein. For example, the potential for priority, contingent, and other claims; litigation; rejection costs; and the final determination of allowed claims could substantially impact both the timing and amount of the distribution of the asset proceeds to the creditors. Also, in the context of a liquidation, there would likely be a myriad of potential offset claims, particularly with respect to joint interest billings that would take time to reconcile and resolve. Additionally, certain of the joint operating agreements appear to be non-assignable (absent consent from the other working interest owners) which could result in potential asset transfer issues in the context of a chapter 7 liquidation. Accordingly, there can be no assurance that the values reflected in the Liquidation Analysis would be realized if Debtors were in fact, to undergo such a liquidation and the actual amounts received could be materially different (including materially less) than the amounts shown herein.

Professional fees, trustee fees, chapter 11 administrative expenses, priority claims and other such claims that may arise in a liquidation scenario would have to be paid in full from the liquidation proceeds before proceeds being made available to the General Unsecured Claims. Under the absolute priority rule, no junior creditor would receive any distributions until all senior creditors are paid in full, and no equity holder would receive any distribution until all creditors are paid in full. The assumed distributions to creditors as reflected in the Liquidation Analysis are estimated in accordance with the absolute priority rule.

The Liquidation Analysis does not include estimates for the tax consequences, either federal or state, that may be triggered upon the liquidation and sale of assets in the manner described above. Such tax consequences could be material (including the allocation of all items of income and loss and, upon completion of all distributions, the recognition and allocation of cancellation of debt income to equity holders).

3) Liquidation Process

The Debtors' liquidation would be conducted in chapter 7 cases with the Trustee managing the bankruptcy estates to maximize recovery in an expedited process. The Trustee's initial step would be to develop a liquidation plan to generate proceeds from the sale of assets for distribution to creditors. The three major components of the liquidation are as follows:

- generation of cash proceeds from asset sales, marketed and sold in predetermined logical groupings (e.g., by production profile or region) in order to maximize value;
- costs related to the liquidation process, such as post-conversion date operating cash flows and estate wind-down costs including payroll and professional fees, trustee, and other administrative fees; and
- distribution of net proceeds generated from asset sales to claimants in accordance with the absolute priority rule under chapter 7 of the Bankruptcy Code.

4) Distribution of Net Proceeds to Claimants

Any available net proceeds would be allocated to the applicable creditors and equity holders in strict priority in accordance with section 726 of the Bankruptcy Code:

- Certain Administrative Expense Claims: Fees and expenses of professionals retained in the Debtors' chapter 11 cases, fees payable to the United States Trustee for Region 2 pursuant to section 1920 of title 28 of the United States Code, and the Trustee's fees, in each case subject to

the terms of the final order approving the Debtors' postpetition revolving credit facility (the "**DIP Facility**").

- Superpriority Secured Claims: Outstanding balances owed under the DIP Facility.
- Secured Claims: Claims relating to the Debtors' prepetition secured indebtedness to the extent of the value of their collateral, including any adequate protection claims under the DIP Facility, in any case subject to the terms of the final order approving the DIP Facility.
- Administrative and Priority Expense Claims: Any remaining administrative or priority costs and expenses of the chapter 7 estates, including unpaid operating expenses incurred during the chapter 11 cases and any accrued and unpaid professional fees exceeding the "carve-out" under the DIP Facility.
- Unsecured Claims: Any non-secured, non-priority debt, including all outstanding Senior Unsecured Notes Claims, prepetition trade payables, and various other unsecured claims.

5) Conclusion

As summarized in the below analysis, the Debtors have determined that upon the Effective Date the Plan will provide all creditors and equity security holders with a recovery (if any) that is not less than what they would otherwise receive pursuant to a liquidation of the Debtors under chapter 7 of the Bankruptcy Code, and therefore believe that the Plan satisfies the requirement of section 1129(a)(7) of the Bankruptcy Code.

Specific Notes to the Liquidation Analysis

Gross Liquidation Proceeds

A. Cash and Equivalents

- Cash consists of cash in bank accounts and highly liquid investment securities that have original maturities of three months or less.
- The pro forma balance as of December 31, 2017 is based on the latest pro forma business plan projections prepared by the Debtors and their advisors.
- All post-Conversion Date receipts and disbursements are included in the “Assets” or “Total Liquidation Costs” line items, as applicable.
- The Debtors’ pro forma cash balance at the Conversion Date is assumed to be zero. The Liquidation Analysis assumes cash on hand at the Conversion Date is applied to the outstanding DIP balance.

B. Accounts Receivable

- Accounts receivable balances are based on the Debtors' estimated unaudited pro forma accounts receivable as of December 31, 2017.
- The analysis of accounts receivable assumes that the Trustee would retain certain existing staff to handle a collection effort for outstanding trade accounts receivable for the entities undergoing liquidation;
- Accounts receivable includes amounts due from purchasers of the Debtors' oil and gas production, joint interest partners, allowance for doubtful accounts, and a small amount of other receivables;
- For the purposes of the Liquidation Analysis, recoveries of trade receivables are estimated to be highly recoverable due to the short-term contractual obligations of the receivable counterparties and the low probability of contractual breaches. An ultimate recovery range of 90% to 100% is estimated for trade receivables.
- Receivables from joint interest partners are contractual obligations, however an assumption is made that certain partners may offset their share of the unpaid joint interest payables back to the Debtors. An ultimate recovery range of 65% - 90% is estimated for receivables from joint interest partners.
- The "Other Receivables" line item consists of amounts under reconciliation related to acquired and divested properties, a litigation settlement, select revenue accruals, and other legacy amounts under review. The Debtors estimate that 25% to 50% of these amounts are potentially recoverable under a liquidation scenario.
- For purposes of the Liquidation Analysis, the ultimate blended recovery percentage for the Debtors' accounts receivable ranges from 85% to 98% of the pro forma balance.

C. Inventory

- The Debtors' inventory consists of oil held in storage tanks related to their South Florida operations pending shipment by truck and barge to the point of sale. The Debtors inventory is assumed to be sold at market prices less marketing, handling, and other costs associated with transporting the inventory to its final point of sale.
- For purposes of the Liquidation Analysis, the ultimate blended recovery percentage of "Inventory" assets is estimated to be between 58% to 61% of the pro forma balance.

D. Prepaid Expenses

- The "Prepaid Expenses" line item consists of prepaid insurance premiums, prepaid IT maintenance contracts, prepaid rent, and other prepayments to vendors.
- For purposes of the Liquidation Analysis, the ultimate recovery percentage on "Prepaid Expenses" assets is estimated to be 0%.

E. Investments

- Investments in East Texas Saltwater Disposal Company, Seal Beach Gas Processing Venture, Terra-Whiteside Processing Company, Wilderness-Chester LLC, and Wilderness Energy, L.C. are, for purposes of the Liquidation Analysis, included in the “Investments” line item of the pro forma Asset Liquidation Summary, and not consolidated.
- For purposes of the Liquidation Analysis, the ultimate recovery percentage on “Investments” assets is estimated to be 24% to 40% of the adjusted pro forma balance.

F. Oil and Gas Properties

- Given the daily production and depletion of the oil and gas assets, the Liquidation Analysis assumes the Trustee will pursue a prudent, prompt, and broad marketing of the assets over a four-month period, with the divestiture directed by a qualified investment bank or firm that specializes in managing oil and gas acquisitions and divestitures. It also assumes that the Trustee will not incur additional risk or have access to capital necessary to continue development, drilling, or completion of the oil and gas assets.
- Based on the methodology outlined above, a sale of the Debtors’ oil and natural gas properties implies a liquidation value in the range of \$1,357 million to \$1,532 million. This liquidation value provides for a blended recovery in the range of 42% to 47% of the December 31, 2017 pro forma net book value.

G. Land and Buildings

- Interests in real property and buildings consist of the Debtors’ Gaylord, Michigan field office. The Liquidation Analysis assumes that the Debtors’ recovery related to land and buildings is \$1 million - \$1.4 million.

H. Non-Oil and Gas Assets

- The “Non-Oil and Gas Assets” line item consists of CO₂-related assets at the Libby Ranch enhanced oil and gas recovery field, computer hardware, computer software, furniture and fixtures, office equipment, leasehold improvements, and automobiles.
- CO₂-related assets at the Libby Ranch field are critical to operations at Postle Field and are assumed to be included in the Postle Field oil and gas asset liquidation value.
- For purposes of the Liquidation Analysis, the ultimate blended recovery percentage on the “Non-Oil and Gas Assets” is estimated to be 1% to 4% of the gross pro forma balance.

I. Other Long-Term Assets

- The “Other Long-Term Assets” line item consists of property reclamation deposits related to the Jay Field, deposits for the Jay Field net interest obligation, tax payments paid in protest, deferred charges, security deposits, and gas imbalances.
- For purposes of the Liquidation Analysis, the ultimate recovery percentage of “Other Long-Term Assets” is estimated to be 2%-4% of the pro forma balance.

Liquidation Costs

The “Total Liquidation Costs” line item consists of the wind-down budget (includes post-conversion cash flow, payroll, other G&A expenses, and professional fees), chapter 7 Trustee fees, and royalty and working interest payments.

J. Wind-Down Budget

- The Debtors’ wind-down budget includes post-conversion date operating cash flows and estates’ wind-down costs including payroll and professional fees, and other administrative fees;
- Post-Conversion Cash Flow represents the Debtors’ anticipated cash flow in a chapter 7 liquidation for a seven-month asset monetization and estate wind-down period post-Conversion Date. As oil and gas assets are monetized, capital expenditures and all other operating expenses and cash flows associated with the specific monetized asset are excluded from the remainder of the wind-down budget. Corporate payroll and operating costs during the liquidation are based on the assumption that certain limited functions would be required during the liquidation process for an orderly wind-down of the business and sale and transfer of oil and gas assets.

Payroll:

- Field and District-level employees are assumed to be terminated/transferred to buyers in connection with their respective oil and gas asset divestiture over the asset monetization period.
- The Liquidation Analysis assumes that the Trustee would aggressively reduce corporate employee headcount to minimal staffing from the current levels over an estimated seven-month period, although the majority of any such employee-related reductions are assumed to be incurred following the initial period while the Trustee continues to operate the Debtors’ businesses.
- No employee retention or severance costs are estimated as part of the wind-down budget.

Other G&A Expenses:

- Other general and administrative expenses assumed as part of the wind-down budget consist primarily of the regularly occurring general and administrative costs (such as facilities rent, telephone, internet, office supplies, etc.) which will be required to operate the Debtors’ businesses for the seven-month asset monetization and estate wind-down period.

Professional Fees:

- Professional fees include estimates for outside legal counsel and investment bank professionals required and retained by the Trustee during the wind-down period. Legal counsel professionals are assumed to charge on an hourly basis for assistance with asset monetization, estate wind-down, and administration of the claims reconciliation and related processes. To maximize the value of the estates, it is assumed that the Trustee would retain an investment banking firm to lead the asset sale process. The investment banking firm is assumed to charge a flat nominal monthly fee and a transaction fee equal to 1% of oil and gas asset sale value.

K. Chapter 7 Trustee Fees

- Section 326 of the Bankruptcy Code provides for fees payable to the Trustee of 3.0% for liquidation proceeds exceeding \$1 million.

L. Royalty and Working Interest Payments

- Outstanding royalty and working interest payments are paid out of the liquidation proceeds since these funds are not technically property of the estate. The estimated outstanding royalty and working interest amounts owed as of the Conversion Date is \$15 million.

Claims

N. Superpriority Claims

- The Liquidation Analysis assumes there will be approximately \$106 million in outstanding DIP Facility Claims consisting of principal, plus accrued and unpaid pre- and post-Conversion Date interest.
- The Debtors estimate that there will be approximately \$5.05 million in superpriority carve-out claims for chapter 11 professional fees and fees of the United States Trustee for Region 2.
- The Liquidation Analysis projects that all allowed and undisputed Superpriority Claims (including all claims for adequate protection in the order approving the DIP Facility) will be paid in full pursuant to the Liquidation Distribution.

O. Class 2 - Other Secured Claims

- The Debtors estimate that there will be approximately \$1 million in Other Secured Claims on the Conversion Date. Other Secured Claims include equipment lease claims and certain trade claims.
- The Liquidation Analysis projects that all allowed and undisputed Other Secured Claims will be paid in full pursuant to the Liquidation Distribution.

P. Class 3 - Revolving Credit Facility Claims

- The Debtors estimate that there will be approximately \$779 million in Revolving Credit Facility claims, consisting of the principal amount of approximately \$746 million, accrued and unpaid pre- and post-Conversion Date interest of approximately \$32 million, and interest rate hedge payables of approximately \$1.2 million. Post-Conversion Date interest is assumed to accrue until Revolving Credit Facility claims are paid at the end of the 4 month asset sale period.
- The Debtors have assumed that the liens securing the Revolving Credit Facility Claims are valid and perfected, and the Revolving Credit Facility Claims are fully secured.
- The Liquidation Analysis projects that all allowed and undisputed Revolving Credit Facility Claims will be paid in full pursuant to the Liquidation Distribution.

Q. Class 4 - Secured Notes Claims

- The Debtors estimate that there will be approximately \$848 million – \$984 million in Secured Notes Claims on the Conversion Date, consisting of the principal amount of approximately \$650 million, make whole of \$135 million, and accrued and unpaid pre- and post-Conversion Date interest of \$63 million - \$199 million. The interest calculation range reflects competing views of the allowability of postpetition interest given the triggering of the make-whole claim as of the Petition Date. Post-Conversion Date interest is assumed to accrue until the Secured Notes Claims are paid at the end of the 4 month asset sale process.
- The Liquidation Analysis projects that the Secured Notes Claims will be paid approximately 52% to 82% pursuant to the Liquidation Distribution.

R. Administrative Expenses and Priority Claims

- Chapter 11 administrative expenses include amounts necessary for the preservation of the Debtors' estates, incurred after the Petition Date but unpaid at the Conversion Date (including professional fees exceeding the superpriority carve-out; employee-related claims; certain lease rejection claims arising from leases assumed and entered into during the chapter 11 cases; and chapter 11 trade claims). The Debtors estimate there will be approximately \$87 million in chapter 11 administrative expenses as of the Conversion Date.
- The Debtors estimate that there will be no Priority Non-Tax Claims on the Conversion Date.
- The Liquidation Analysis projects that all allowed and undisputed Administrative Expenses and Priority Claims will receive no recovery pursuant to the Liquidation Distribution.

S. Class 5A/5B - Unsecured Notes Claims

- On the Conversion Date, the Debtors estimate there will be approximately \$1,209 million in Unsecured Notes Claims.
- The Liquidation Analysis projects that Unsecured Notes Claims will receive no recovery pursuant to the Liquidation Distribution.

T. Class 6 - General Unsecured Claims, Class 7 - Ongoing Trade Claims, Class 8 - Intercompany Claims

- On the Conversion Date, the Debtors estimate there will be approximately \$180 million to \$504 million in General Unsecured Claims. These claims include a deficiency claim relating to the Secured Notes Claims, Other General Unsecured Claims, Ongoing Trade Claims, and Intercompany Claims.
- The Liquidation Analysis projects that General Unsecured Claims will receive no recovery pursuant to the Liquidation Distribution.

U. Class 9 - Subordinated Claims

- The Debtors estimate that there will be no Class 9 Claims on the Conversion Date.
- The Liquidation Analysis projects that the Class 9 Claims will receive no recovery pursuant to the Liquidation Distribution.

V. Class 10 - Intercompany Interests

- The Liquidation Analysis projects that Intercompany Interests will be liquidated or settled pursuant to the asset dissolution process.

W. Class 11 - Existing BBEP Equity Interests

- The Liquidation Analysis projects that Class 11 Claims will receive no recovery pursuant to the Liquidation Distribution.

Exhibit C

Financial Projections

Financial Projections

For purposes of demonstrating feasibility of the Plan, the Debtors have prepared the forecasted consolidated financial projections (the “**Financial Projections**”) for the Reorganized Debtors¹ for the periods ending January 1, 2018 through December 31, 2021 (the “**Projection Period**”). The Financial Projections were prepared based on assumptions made by the Debtors’ management as to the future performance of the Reorganized Debtors, and reflect management’s judgment and expectations regarding their future operations and financial position. The Financial Projections are subject to inherent risks and uncertainties, most of which are difficult to predict and many of which are beyond management’s control, incident to the exploration for and development, production, and sale of oil, natural gas, and natural gas liquids. Factors that may cause actual results to differ from expected results include:

1. fluctuations in oil and natural gas prices and the Reorganized Debtors’ ability to hedge against movements in prices;
2. the uncertainty inherent in estimating reserves, future net revenues, and discounted future cash flows;
3. the timing and amount of future production of oil and natural gas;
4. changes in the availability and cost of capital;
5. environmental, drilling and other operating risks, including liability claims as a result of oil and natural gas operations;
6. proved and unproved drilling locations and future drilling plans; and
7. the effects of existing and future laws and governmental regulations, including environmental, hydraulic fracturing, and climate change regulation.

If one or more of the risks or uncertainties referenced above occur, or if underlying assumptions prove incorrect, actual results and plans could differ materially from those expressed in the Financial Projections. Furthermore, new factors could cause actual results to differ materially from those described in the Financial Projections, and it is not possible to predict all such factors, or to the extent to which any such factor or combination of factors may cause actual results to differ from those contained in the Financial Projections. The Financial Projections herein are not, and must not be viewed as, a representation of fact, prediction, or guaranty of the Reorganized Debtors’ future performance.

The Financial Projections have not been audited or reviewed by a registered independent accounting firm, and were not prepared with a view toward compliance with the guidelines of the Securities and Exchange Commission, the American Institute of Certified Public Accountants, or the Financial Accounting Standards Board (“**FASB**”), particularly for reorganization accounting.

The Projections should be read in conjunction with the significant assumptions, qualifications, and notes set forth below.

¹ All capitalized terms used but not otherwise defined herein shall have the meaning ascribed to them in the *Debtors’ Third Amended Joint Chapter 11 Plan*. Consistent therewith, the consolidated Financial Projections encompass those operations of the Reorganized Debtors after the Effective Date that will not include the Permian Assets.

THE DEBTORS PREPARED THE PROJECTIONS WITH THE ASSISTANCE OF THEIR ADVISERS. EXCEPT FOR PURPOSES OF THE DISCLOSURE STATEMENT, THE DEBTORS DO NOT PUBLISH PROJECTIONS OF THEIR ANTICIPATED FINANCIAL POSITION OR RESULTS OF OPERATIONS.

MOREOVER, THE FINANCIAL PROJECTIONS CONTAIN CERTAIN STATEMENTS THAT ARE “FORWARD-LOOKING STATEMENTS” WITHIN THE MEANING OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995. THESE STATEMENTS ARE SUBJECT TO A NUMBER OF ASSUMPTIONS, RISKS, AND UNCERTAINTIES, MANY OF WHICH WILL BE BEYOND THE CONTROL OF THE REORGANIZED DEBTORS, INCLUDING THE IMPLEMENTATION OF THE PLAN, THE CONTINUING AVAILABILITY OF SUFFICIENT BORROWING CAPACITY OR OTHER FINANCING TO FUND OPERATIONS, ACHIEVING OPERATING EFFICIENCIES, EXISTING AND FUTURE GOVERNMENTAL REGULATIONS AND ACTIONS OF GOVERNMENTAL BODIES, INDUSTRY-SPECIFIC RISK FACTORS, AND OTHER MARKET AND COMPETITIVE CONDITIONS. HOLDERS OF CLAIMS AND INTERESTS ARE CAUTIONED THAT THE FORWARD-LOOKING STATEMENTS SPEAK AS OF THE DATE MADE AND ARE NOT GUARANTEES OF FUTURE PERFORMANCE. ACTUAL RESULTS OR DEVELOPMENTS MAY DIFFER MATERIALLY FROM THE EXPECTATIONS EXPRESSED OR IMPLIED IN THE FORWARD-LOOKING STATEMENTS, AND THE DEBTORS AND REORGANIZED DEBTORS UNDERTAKE NO OBLIGATION TO UPDATE ANY SUCH STATEMENTS.

THE FINANCIAL PROJECTIONS, WHILE PRESENTED WITH NUMERICAL SPECIFICITY, ARE NECESSARILY BASED ON A VARIETY OF ESTIMATES AND ASSUMPTIONS WHICH, THOUGH CONSIDERED REASONABLE BY THE DEBTORS, MAY NOT BE REALIZED AND ARE INHERENTLY SUBJECT TO SIGNIFICANT BUSINESS, ECONOMIC, INDUSTRY, REGULATORY, LEGAL, MARKET, AND FINANCIAL UNCERTAINTIES AND CONTINGENCIES, MANY OF WHICH ARE BEYOND THE REORGANIZED DEBTORS’ CONTROL. THE DEBTORS CAUTION THAT NO REPRESENTATIONS CAN BE MADE OR ARE MADE AS TO THE ACCURACY OF THE PROJECTIONS OR TO THE REORGANIZED DEBTORS’ ABILITY TO ACHIEVE THE PROJECTED RESULTS. SOME ASSUMPTIONS INEVITABLY WILL BE INCORRECT. MOREOVER, EVENTS AND CIRCUMSTANCES OCCURRING AFTER THE DATE ON WHICH THE DEBTORS PREPARED THESE PROJECTIONS MAY BE DIFFERENT FROM THOSE ASSUMED, OR, ALTERNATIVELY, MAY HAVE BEEN UNANTICIPATED, AND THUS THE OCCURRENCE OF THESE EVENTS MAY AFFECT FINANCIAL RESULTS IN A MATERIALLY ADVERSE OR MATERIALLY BENEFICIAL MANNER. EXCEPT AS OTHERWISE PROVIDED IN THE PLAN OR THE DISCLOSURE STATEMENT, THE DEBTORS AND REORGANIZED DEBTORS, AS APPLICABLE, DO NOT INTEND AND UNDERTAKE NO OBLIGATION TO UPDATE OR OTHERWISE REVISE THE PROJECTIONS TO REFLECT EVENTS OR CIRCUMSTANCES EXISTING OR ARISING AFTER THE DATE HEREOF OR TO REFLECT THE OCCURRENCE OF UNANTICIPATED EVENTS. THEREFORE, THE FINANCIAL PROJECTIONS MAY NOT BE RELIED UPON AS A GUARANTEE OR OTHER ASSURANCE OF THE ACTUAL RESULTS THAT WILL OCCUR. IN DECIDING WHETHER TO VOTE TO ACCEPT OR REJECT THE PLAN, HOLDERS OF CLAIMS MUST MAKE THEIR OWN DETERMINATIONS AS TO THE REASONABLENESS OF SUCH ASSUMPTIONS AND THE RELIABILITY OF THE FINANCIAL PROJECTIONS AND SHOULD CONSULT WITH THEIR OWN ADVISERS.

I. OVERVIEW

The Debtors and their subsidiaries are an independent oil and gas company focused on the exploitation and development of oil, natural gas liquids (“NGL”), and natural gas properties in the United States. The Financial Projections do not include any consideration of the Permian Assets.

II. ACCOUNTING AND PRESENTATION POLICIES

The Financial Projections have been prepared using accounting policies that are generally consistent with those applied in the Debtors’ historical financial statements (GAAP consolidated basis). The Financial Projections have not been prepared under the intention of compliance with published guidelines of the SEC, the American Institute of Certified Public Accountants, the Financial Accounting Standards Board, or any other standard-setting body. The Financial Projections do not include adjustments or write-downs related to the predecessor Debtors’ extinguishment of debt or other liabilities. The projected financial information does not reflect the impact of fresh start accounting, which could result in material changes to the projected values.

The Financial Projections do not reflect the formal implementation of reorganization accounting pursuant to FASB Accounting Standards Codification Topic 852, Reorganizations (“ASC 852”). Overall, the implementation of ASC 852 may or may not have a material impact on the underlying economics of the Plan.

The Debtors maintain a controlling interest in East Texas Saltwater Disposal Company. The Financial Projections, consistent with Debtors’ consolidated historical financial statements, consolidate East Texas Saltwater Disposal Company at 100% of its value.

Adjusted EBITDA is a non-GAAP financial measure intended to provide useful information to evaluate the operations of the Debtors’ business excluding certain items. Adjusted EBITDA should not be considered an alternative to net income, operating income, cash flow from operating activities or any other measure of financial performance presented in accordance with US GAAP. The Reorganized Debtors’ projected adjusted EBITDA may not be comparable to similarly titled measures of another company because all companies may not calculate adjusted EBITDA in the same manner.

III. METHODOLOGY

The Financial Projections were prepared using a bottoms-up approach incorporating multiple sources of detailed information including region, area, and well-level analyses from each of the Debtors’ operating divisions, other than those relating to the Permian Assets.

The projections should be read in conjunction with the significant assumptions, qualifications, and notes set forth below.

IV. ASSUMPTIONS

The Financial Projections include projected financial statements for 2018–2021 assuming that the Effective Date of the Plan is January 1, 2018 (the “**Emergence Date**”). The Financial Projections include consolidated financial statements inclusive of certain non-Debtor subsidiaries of the Debtors.

V. GENERAL ASSUMPTIONS

A. Restructuring

The Financial Projections include assumptions related to the Debtors' restructuring initiatives.

B. Exit Financing

The Financial Projections assume a post-emergence capital structure consisting of:

- First lien revolving credit facility with a borrowing base of \$400 million and pricing of LIBOR plus grid of 250 - 350 bps
- \$765 million of rights offering proceeds received on the Emergence Date

Management projects pro forma liquidity of approximately \$220 million on the Emergence Date.

C. Total Revenue

Total revenue consists of production revenue and other revenue.

Production revenue is generated from the exploration for and development, production, gathering, and sale of oil, natural gas, and natural gas liquids. Other revenue consists of salt water disposal revenue; revenue from sales of sulfur and CO₂ gas; pipeline-related revenue; and other operating revenue.

The Financial Projections make no assumption for hedge revenue.

D. Commodity Pricing

Commodity pricing is based on October 5, 2017 New York Mercantile Exchange ("NYMEX") strip pricing for crude oil and natural gas. NGL prices are based on NYMEX strip pricing for crude oil. Management estimates realized pricing based on forecasted oil and gas differentials for each producing area.

<i>Reorganized Debtors' Financial Projections</i>		FY 2018	FY 2019	FY 2020	FY 2021
		<i>Forecast</i>	<i>Forecast</i>	<i>Forecast</i>	<i>Forecast</i>
<i>Realized Pricing (Excluding Hedges)</i>	(D.)

NGL (\$/Bbl)		19.11	18.83	18.48	18.38
Gas (\$/Mcf)		2.93	2.80	2.74	2.73

E. Operating Expenses

Operating expenses consist of lease operating expenses, transportation expenses, processing fees, oil and gas purchases, pre-drilling and other non-oil and gas operating expenses, district expenses, salt water disposal costs, and inventory change expense.

F. Production and Property Taxes

Production and property taxes includes severance and ad-valorem taxes, and the amounts are based on management's estimates of production volumes and mineral reserve values.

G. Cash General and Administrative Expenses

Cash general and administrative ("G&A") expenses primarily consists of personnel costs, rent, insurance, and other corporate overhead costs necessary to manage operations and comply with regulatory requirements. The Reorganized Debtors' projected G&A expenses are based on the current development and operational plans, include management's targeted expense reductions, and exclude non-cash expenses.

H. Capital Expenditures

Capital expenditures include capital expenditures related to oil & gas properties, capitalized engineering expenses, and expenditures to acquire properties.

I. Changes in Net Working Capital & Other Cash Expenses

Changes in net working capital relates to changes in net working capital accounts. Other cash expenses consists of cash expenses related to non-operating activities.

J. Cash Interest

Cash interest includes estimated interest disbursements payable on the Reorganized Debtors' outstanding debt.

K. Key Financial Metrics

- "Adjusted EBITDA" excludes non-cash compensation.
- "Net Debt" is calculated as total debt less balance sheet cash.
- "Borrowing Base Availability" includes availability on the post-emergence revolving credit facility after amounts drawn and outstanding letters of credit.
- "Net Debt/Adjusted EBITDA" is calculated using trailing twelve-month adjusted EBITDA and total debt less balance sheet cash.
- "Total Debt/Adjusted EBITDA" is calculated using trailing twelve-month adjusted EBITDA.
- "Interest Coverage" is calculated using trailing twelve-month adjusted EBITDA and trailing twelve-month cash interest disbursements.

L. Reconciliation of Net Income to Adjusted EBITDA

"Depletion, Depreciation, and Amortization" includes estimated depletion and depreciation of oil & gas properties and accretion expense related to abandonment and remediation of wells and facilities. "Interest Expense, Net" may differ from "Cash Interest" due to the accrual nature of interest expense differing from the cash disbursement of interest. "Other Expenses, Net" includes non-cash compensation and restructuring expenses.

(a) Each Commitment Party shall have the right to designate by written notice to PermianCo (if formed) and the Company no later than two Business Days prior to the Closing Date that some or all of the Unsubscribed Securities that such Commitment Party is required to purchase in accordance with Section 2.2, Rights Offering Securities delivered in connection with the exercise of Subscription Rights (if any), the Minimum Allocation Rights Securities that it is obligated to purchase hereunder and the PermianCo Common Stock in respect of the Put Option Premium be issued in the name of, and delivered to, one or more of its Related Transferees (other than any portfolio company of such Commitment Party or its Affiliates) upon receipt by the Company on behalf of PermianCo of payment therefor in accordance with the terms hereof, which notice of designation shall (i) be addressed to PermianCo and the Company and signed by such Commitment Party and each such Related Transferee, (ii) specify the number of Unsubscribed Securities delivered in connection with the exercise of Subscription Rights (if any) and/or the Minimum Allocation Rights Securities that it is obligated to purchase hereunder and the PermianCo Common Stock in respect of the Put Option Premium to be delivered to or issued in the name of such Related Transferee and (iii) contain a confirmation by each such Related Transferee of the accuracy of the representations set forth in Sections 4.6 through 4.12 as applied to such Related Transferee in respect of the Unsubscribed Securities (or any other PermianCo Common Stock not issued in reliance on section 1145 of the Bankruptcy Code); *provided*, that no such designation pursuant to this Section 2.6(a) shall relieve such Commitment Party from its obligations under this Agreement.

(b) Each Commitment Party shall have the right to Transfer all or any portion of its Individual BCA Commitment (together with a pro rata amount of its Minimum Allocation Rights) to (i) one or more of its Affiliates or any investment fund the primary investment advisor to which is such Commitment Party, the investment advisor of such Commitment Party or an Affiliate thereof (an “**Affiliated Fund**”) or (ii) one or more special purpose vehicles that are wholly-owned by such Commitment Party and for one or more of its Affiliated Funds, created for the purpose of holding such Backstop Commitment or holding debt or equity of the Debtors, and with respect to which such Commitment Party under this clause (ii) either (A) has provided an adequate equity support letter or a guarantee of such special purpose vehicle’s Backstop Commitment in form and substance reasonably acceptable to the Debtors, the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties or (B) otherwise remains obligated to fund the Backstop Commitment to be Transferred until the consummation of the Approved Plan; *provided*, that the equity of such special purpose vehicle shall not be transferable other than to such Persons described in clause (i) or (ii) of this Section 2.6(b), and in such manner, as such Commitment Party’s Backstop Commitment is transferable pursuant to this Section 2.6(b) (each of the Persons referred to in clauses (i) and (ii), a “**Related Transferee**”).

(c) With respect to any transferee that is not a Related Transferee of a Commitment Party, each Commitment Party may Transfer, on one or more occasions, any amount of its Individual BCA Commitment (together with a pro rata amount of its Minimum Allocation Rights), to any Person so long as such transferee agrees, pursuant to a joinder agreement in form and substance satisfactory to the Debtors, the Requisite Consenting Second Lien Creditors, and Requisite Commitment Parties (a “**Joinder Agreement**”) (including, for the avoidance of doubt, the agreements and commitments set forth in Section 4.11), to be bound by

the obligations of such Commitment Party under this Agreement, and each of such Commitment Party, and such transferee shall have duly executed and delivered a copy of such Joinder Agreement to counsel for the Debtors, the Commitment Parties, and the Second Lien Noteholder Group Parties. Except with respect to a Transfer to a Commitment Party or Related Transferee, (i) the Debtors and the Requisite Consenting Second Lien Creditors, acting in good faith, shall have determined, in their reasonable discretion after due inquiry and investigation, that the proposed transferee is reasonably capable of fulfilling such obligations, or (ii) absent such a determination, the proposed transferee shall have deposited into an escrow account under arrangements satisfactory to the Debtors and the Requisite Consenting Second Lien Creditors funds sufficient, in the reasonable determination of the Debtors and the Requisite Consenting Second Lien Creditors, to satisfy such proposed transferee's Backstop Commitment. Upon compliance with this Section 2.6(c), the transferring Commitment Party shall be deemed to relinquish its rights (and be released from its obligations, except for any claim for breach of this Agreement that occurs prior to such Transfer) under this Agreement to the extent of such transferred rights and obligations, and the transferee shall be fully bound as a Commitment Party hereunder for all purposes of this Agreement. Any Transfer under this Section 2.6(c) shall be in an amount not less than the lesser of Individual BCA Commitments (including Minimum Allocation Rights) evidencing \$5.0 million (on each such occasion) and such transferring Commitment Party's full Individual BCA Commitment.

(d) Each Commitment Party, severally and not jointly, agrees that it will not Transfer, at any time prior to the Closing Date or the earlier termination of this Agreement in accordance with Article IX, any of its rights and obligations under this Agreement, including all or any portion of its Individual BCA Commitment (or Minimum Allocation Rights), to any Person other than in accordance with Sections 2.3, 2.6(a), 2.6(b) and 2.6(c), and in all cases, in compliance with applicable securities Laws, and any Transfer in contravention hereof shall be null and void *ab initio*. After the Closing Date, nothing in this Agreement or the certificate of incorporation of PermianCo or bylaws of PermianCo shall limit or restrict in any way the ability of any Commitment Party (or any permitted transferee thereof) to Transfer any of the shares of PermianCo Common Stock or any interest therein; *provided*, that any such Transfer shall be made pursuant to applicable securities Laws. For the avoidance of doubt, notwithstanding anything to the contrary in this Agreement, nothing contained in this Agreement shall prohibit or restrict the ability of any Commitment Party to Transfer its Senior Unsecured Notes at any time to any Person; *provided, however*, any Transfer of Senior Unsecured Notes by a Commitment Party shall be in accordance with the terms of the RSA.

(e) Any transferee of a Commitment Party's Individual BCA Commitment (together with a pro rata amount of its Minimum Allocation Rights) in compliance with this Section 2.6 shall become a Commitment Party, and Exhibit A shall be amended to reflect such Transfer. Any Person that becomes a Commitment Party as permitted under this Agreement after the date hereof shall be required to become a party to the RSA at the same time as such Person becomes a Commitment Party, by executing a joinder thereto in the form attached as Exhibit C to the RSA.

ARTICLE III

PUT OPTION PREMIUM AND EXPENSE REIMBURSEMENT

Section 3.1 Put Option Premium Payable by the Company.

(a) Subject to Section 3.2, as consideration for the Put Option, the Backstop Commitment and the other agreements of the Commitment Parties in this Agreement, including the obligation of each of the Commitment Parties to exercise the Minimum Allocation Rights issued to and held by such Commitment Party, the Company shall cause to be paid at the Closing in shares of PermianCo Common Stock a nonrefundable premium in an amount equal to 10.0% of the aggregate outstanding number of shares of PermianCo Common Stock issued on the Closing Date, payable in accordance with Section 3.2, to the Commitment Parties (including any Replacing Commitment Party, but excluding any Defaulting Commitment Party) or their designees based upon their respective Initial BCA Percentage at the time the payment is made (the “**Put Option Premium**”).

(b) The provisions for the payment of the Put Option Premium, Breakup Premium, the Expense Reimbursement, the granting of the Minimum Allocation Rights (and the underlying securities) and the indemnification provisions under Article VIII, are an integral part of the transactions contemplated by this Agreement and without these provisions the Commitment Parties would not have entered into this Agreement. The Put Option Premium, the Breakup Premium, the granting of the Minimum Allocation Rights (and the underlying securities), the indemnification provisions and the Expense Reimbursement shall constitute allowed administrative expense claims of the Debtors’ estate under sections 503(b) and 507 of the Bankruptcy Code under (i) the BCA Approval Order, if the Debtors are parties to the RSA and this Agreement as of the date of the entry of the BCA Approval Order, or (ii) the Confirmation Order, if the Debtors are not parties to the RSA and this Agreement as of the date of the entry of the BCA Approval Order.

Section 3.2 Payment of the Put Option Premium. The Put Option Premium shall be fully earned and nonrefundable by no later than entry of (a) the BCA Approval Order, if the Debtors are parties to the RSA and this Agreement as of the date of the entry of the BCA Approval Order or (b) the Confirmation Order, if the Debtors are not parties to the RSA and this Agreement as of the date of the entry of the BCA Approval Order. The Put Option Premium shall be paid at the Closing by PermianCo to satisfy the obligation of the Debtors, free and clear of any deduction for any applicable Taxes, on the Closing Date as set forth above, unless the Breakup Premium under Section 9.5(b) becomes payable by the Debtors to the Commitment Parties. For the avoidance of doubt, the Put Option Premium will be payable as provided herein in partial consideration for the exercise by each of the Commitment Parties of the Subscription Rights and Minimum Allocation Rights issued to and held by such Commitment Party, irrespective of the amount of Unsubscribed Securities that are to be issued and actually required to be purchased by the Commitment Parties as set forth in the Funding Notice, if any.

Section 3.3 Tax Treatment of the Put Option Premium. The Parties agree to treat the Put Option Premium as “option premium” for U.S. federal income Tax purposes and to not take

any action inconsistent therewith unless otherwise required by a final determination to the contrary within the meaning of section 1313(a) of the Tax Code.

Section 3.4 Expense Reimbursement.

(a) Subject to entry of (x) the BCA Approval Order, if the Debtors are parties the RSA and this Agreement as of the date of the entry of the BCA Approval Order, or (y) the Confirmation Order, if the Debtors are not parties to the RSA and this Agreement as of the date of the entry of the BCA Approval Order, the Debtors shall pay in accordance with Section 3.4(b) (such payment obligations set forth in clauses (i) through (iii) below, collectively, the “**Expense Reimbursement**”):

(i) all reasonable and documented fees, costs and expenses of the Commitment Parties and the Second Lien Noteholder Group (including the reasonable and documented fees, costs, expenses and disbursements of (v) Akin Gump Strauss Hauer & Feld LLP, counsel to certain Commitment Parties, and Perella Weinberg Partners LP, financial advisor to certain Commitment Parties, (w) White & Case LLP, counsel to a group of certain Commitment Parties, and Miller Buckfire & Co., LLC, financial advisor to a group of certain Commitment Parties, (x) Kirkland & Ellis LLP, counsel to the Second Lien Noteholder Group, and Moelis & Company, financial advisor to the Second Lien Noteholder Group, (y) any other advisors for oil and gas, title, environmental, operational, accounting, insurance, human resource/board selection, transfer and transition/integration matters retained by the Commitment Parties or the Second Lien Noteholder Group Parties and (z) any other advisors retained by the Commitment Parties or the Second Lien Noteholder Group Parties;

(ii) without duplication of the reimbursable expenses described under clause (i), all reasonable and documented fees, costs and expenses of any and all other of the professionals, advisors and consultants retained by the Commitment Parties or the Second Lien Noteholder Group Parties; and

(iii) all filing fees, if any, required by the HSR Act or any other Antitrust Law and all reasonable documented expenses related thereto, in each case, that have been paid or are payable by the Commitment Parties in connection with the Restructuring Transactions.

(b) The Expense Reimbursement described in this Section 3.4 accrued through the date on which the BCA Approval Order shall be paid in cash in full within one Business Day of such date. The Expense Reimbursement shall thereafter be payable on a regular and continuing basis by the Debtors promptly after receipt of monthly invoices therefor in cash in full; *provided*, that the Debtors’ final payment, including estimated amounts through the Closing, shall be made contemporaneously with the Closing or the termination of this Agreement pursuant to Article IX. The Commitment Parties shall promptly provide copies of all invoices (redacted as necessary to protect privileges) to the Debtors and to the United States Trustee if requested. Unless otherwise ordered by the Bankruptcy Court, no recipient of any payment hereunder shall be required to file with respect thereto any interim or final fee application with

the Bankruptcy Court. The Expense Reimbursement described in this Section 3.4 is in addition to, and not in replacement of, any expense reimbursement under the RSA or the Approved Plan.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE COMMITMENT PARTIES AND SECOND LIEN NOTEHOLDER GROUP PARTIES

Each Second Lien Noteholder Group Party and each Commitment Party severally, and not jointly, represents and warrants as to itself only (unless otherwise set forth herein, as of the date of this Agreement and as of the Closing Date) as set forth below.

Section 4.1 Incorporation. Such Party is a legal entity duly organized, validly existing and, if applicable, in good standing (or the equivalent thereof) under the Laws of its jurisdiction of incorporation or organization.

Section 4.2 Power and Authority. Such Party has the requisite power and authority (corporate or otherwise) to enter into, execute and deliver this Agreement and each other Restructuring Documents to which such Party is a party and to perform its obligations hereunder and thereunder and has taken all necessary action (corporate or otherwise) required for the due authorization, execution, delivery and performance by it of this Agreement and the other Restructuring Documents.

Section 4.3 Execution and Delivery. This Agreement and each other Restructuring Document to which such Party is a party (a) has been, or prior to its execution and delivery will be, duly and validly executed and delivered by such Party and (b) assuming due and valid execution and delivery hereof and thereof by the other Parties, will constitute valid and legally binding obligations of such Party, enforceable against such Party in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization or other similar Laws limiting creditors' rights generally or by equitable principles relating to enforceability.

Section 4.4 No Conflict. Assuming that the consents referred to in clauses (a) and (b) of Section 4.5 are obtained, the execution and delivery by such Party of this Agreement and each other Restructuring Document to which such Party is a party, the compliance by such Party with all of the provisions hereof and thereof and the consummation of the transactions contemplated herein and therein (a) will not conflict with, or result in a breach or violation of, any of the terms or provisions of, or constitute a default under (with or without notice or lapse of time, or both), or result in the acceleration of, or the creation of any Lien under, any Contract to which such Party is a party or by which such Party is bound or to which any of the properties or assets of such Party are subject, (b) will not result in any violation of the provisions of the certificate of incorporation or bylaws (or comparable constituent documents) of such Party and (c) will not result in any material violation of any Law or Order applicable to such Party or any of its properties, except in each of the cases described in clauses (a) or (c), for any conflict, breach, violation, default, acceleration or Lien which would not reasonably be expected, individually or in the aggregate, to prohibit, materially delay or materially and adversely impact such Party's performance of its obligations under this Agreement.

Section 4.5 Consents and Approvals. No consent, approval, authorization, Order, registration or qualification of or with any Governmental Entity having jurisdiction over such Party or any of its properties is required for the execution and delivery by such Party of this Agreement and each other Restructuring Document to which such Party is a party, the compliance by such Party with the provisions hereof and thereof and the consummation of the transactions (including, if such Party is a Commitment Party, the purchase by such Party of its Initial BCA Percentage of the Minimum Allocation Rights Securities and Final BCA Percentage of the Unsubscribed Securities) contemplated herein and therein, except (a) any consent, approval, authorization, order, registration or qualification which, if not made or obtained, would not reasonably be expected, individually or in the aggregate, to prohibit, materially delay or materially and adversely impact such Party's performance of its obligations under this Agreement and each other Restructuring Document to which such Party is a party and (b) filings, notifications, authorizations, approvals, consents, clearances or termination or expiration of all applicable waiting periods under any Antitrust Laws in connection with the transactions contemplated by this Agreement.

Section 4.6 No Registration. If such Party is a Commitment Party, such Commitment Party understands that (a) the Unsubscribed Securities, the Rights Offering Securities subject to the Subscription Rights and the Minimum Allocation Rights Securities have not been registered under the Securities Act by reason of a specific exemption from the registration provisions of the Securities Act, the availability of which depends on, among other things, the bona fide nature of the investment intent and the accuracy of such Commitment Party's representations as expressed herein or otherwise made pursuant hereto and (b) the foregoing securities cannot be sold unless subsequently registered under the Securities Act or an exemption from registration is available.

Section 4.7 Purchasing Intent. If such Party is a Commitment Party, such Commitment Party is acquiring the Unsubscribed Securities, the Rights Offering Securities subject to the Subscription Rights and the Minimum Allocation Rights Securities for its own account, not as a nominee or agent, and not with the view to, or for resale in connection with, any distribution thereof not in compliance with applicable securities Laws, and such Commitment Party has no present intention of selling, granting any participation in, or otherwise distributing the same, except in compliance with applicable securities Laws.

Section 4.8 Sophistication; Investigation. If such Party is a Commitment Party, such Commitment Party has such knowledge and experience in financial and business matters such that it is capable of evaluating the merits and risks of its investment in the Unsubscribed Securities, the Rights Offering Securities subject to the Subscription Rights and the Minimum Allocation Rights Securities. Such Commitment Party is an "accredited investor" within the meaning of Rule 501(a) of the Securities Act or a "qualified institutional buyer" within the meaning of Rule 144A of the Securities Act. Such Commitment Party understands and is able to bear any economic risks associated with such investment (including the necessity of holding such shares for an indefinite period of time). Except for the representations and warranties expressly set forth in this Agreement or any other Restructuring Document, such Commitment Party has independently evaluated the merits and risks of its decision to enter into this Agreement and disclaims reliance on any representations or warranties, either express or implied, by or on behalf of any of the Debtors.

Section 4.9 No Broker's Fees. If such Party is a Commitment Party, such Commitment Party is not a party to any Contract with any Person (other than this Agreement and any Contract giving rise to the Expense Reimbursement hereunder, including, for the avoidance of doubt, the financial advisors listed in Section 3.4(a)(i)) that would give rise to a valid claim against any of the Debtors or the Reorganized Debtors for a brokerage commission, finder's fee or like payment in connection with the Rights Offering, the sale of the Unsubscribed Securities, the sale of the Rights Offering Securities subject to the Subscription Rights or the sale of the Minimum Allocation Rights Securities.

Section 4.10 Legend. If such Party is a Commitment Party, such Commitment Party understands that any "restricted securities" acquired by it pursuant to the Approved Plan, if certificated, shall bear, or if uncertificated, shall be deemed to include, a customary Securities Act legend.

Section 4.11 Agreements of the Commitment Parties. For purposes of this Section 4.11, the terms "own" and "acquire" and any variation thereon shall as used herein mean as determined for U.S. federal income tax purposes, and the term "**Existing BBEP Equity Interests**" shall be limited to outstanding Series A Cumulative Redeemable Preferred Units, Series B Preferred Units and common units of BBEP.

(a) Each Commitment Party represents and warrants, to its actual knowledge, that it (or in the event it is a disregarded entity for U.S. federal income tax purposes, its tax-regarded owner) does not own any Existing BBEP Equity Interests, except as set forth on the signature page for such Commitment Party.

(b) Each Commitment Party shall promptly notify the Debtors if, as of the date hereof (or the date such Commitment Party becomes a party hereto) or anytime on or prior to the Effective Date, to its actual knowledge, any of the following persons or entities owns or becomes the owner of Existing BBEP Equity Interests:

(i) any entity wholly owned (directly or indirectly) by such Commitment Party, and

(ii) any person that wholly owns (directly or indirectly) such Commitment Party.

Such notification shall include the amount and type of Existing BBEP Equity Interests that such person or entity owns. To its actual knowledge, each Commitment Party shall set forth on its signature page to this Agreement any ownership of Existing BBEP Equity Interests as of the date of this Agreement by any entity wholly owned or wholly owning such Commitment Party.

For the avoidance of doubt, where the phrase "to its actual knowledge" is used in this Section 4.11, such phrase means the actual knowledge of the individual signing this Agreement on behalf of a Commitment Party.

The representations and warranties made above are only made as of the date of this Agreement.

(a) Such Commitment Party shall cooperate with the Debtors and with LegacyCo and make available such information, records or other documents as are within the possession or control of such Commitment Party and are reasonably requested by the Debtors or LegacyCo in respect of the preparation of any tax filing, any audit or other proceeding, in each case as relates to the income tax treatment of the Restructuring Transactions effectuated pursuant to the Approved Plan; *provided, however*, for the avoidance of doubt, that such information, records or other documents shall not include any information that is confidential or proprietary in any respect (as determined in such Commitment Party's sole discretion).

Section 4.12 Access to Information. If such Party is a Commitment Party, such Commitment Party acknowledges that it has been afforded the opportunity to ask questions and receive answers concerning the Debtors and to obtain additional information that it has requested to verify the accuracy of the information contained herein.

Section 4.13 Sufficient Funds. If such Party is a Commitment Party, such Commitment Party will have as of the Closing sufficient assets and the financial capacity to perform all of its obligations under this Agreement, including the ability to fully exercise all Minimum Allocation Rights that are issued to it and fund such Commitment Party's aggregate purchase price for the Unsubscribed Securities, if any.

REPRESENTATIONS AND WARRANTIES OF THE DEBTORS

Section 5.1 Formation. Such Party is a legal entity duly organized, validly existing and, if applicable, in good standing (or the equivalent thereof) (a) under the Laws of its jurisdiction of incorporation or organization and (b) except where the failure to have any such authority or qualification would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, in each jurisdiction where the conduct of its business as currently conducted requires such qualifications.

Section 5.2 Power and Authority. Such Party has the requisite power and authority (corporate or otherwise) to (a) subject to the entry of the BCA Approval Order, enter into, execute and deliver this Agreement and, subject to the entry of the BCA Approval Order, Disclosure Statement Order and the Confirmation Order, each other Restructuring Documents to which such Party is a party and to perform its obligations hereunder and thereunder and has taken all necessary action (corporate or otherwise) required for the due authorization, execution, delivery and performance by it of this Agreement and the other Restructuring Documents and the consummation of the transactions contemplated hereby and thereby and (b) to own its property and assets and to transact the business in which it is currently engaged and presently proposes to engage. Each of the Debtors is in compliance in all material respects with all Requirements of Law, except to the extent that the failure to be in compliance could not reasonably be expected to have a Material Adverse Effect.

Section 5.3 Execution and Delivery; Enforceability. Subject to entry of the BCA Approval Order, this Agreement and, subject to the entry of the BCA Approval Order,

Disclosure Statement Order and the Confirmation Order, each other Restructuring Document to which such Party is a party (a) has been, or prior to its execution and delivery will be, duly and validly executed and delivered by such Party and (b) assuming due and valid execution and delivery hereof and thereof by the other Parties, will constitute valid and legally binding obligations of such Party, enforceable against such Party in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar Laws now or hereafter in effect limiting creditors' rights generally or by equitable principles relating to enforceability.

Section 5.4 No Conflict. Assuming that the consents referred to in clauses (a) and (b) of Section 5.5 are obtained, the execution and delivery and performance by such Party of this Agreement, the Approved Plan and each other Restructuring Document to which such Party is a party, the compliance by such Party with all of the provisions hereof and thereof and the consummation of the transactions contemplated herein and therein (a) will not conflict with, or result in a breach or violation of, any of the terms or provisions of, or constitute a default under (with or without notice or lapse of time, or both), or result in the acceleration of, or the creation of any Lien under, any Contract to which such Party is a party or by which such Party is bound or to which any of the properties or assets of such Party are subject, (b) will not result in any violation of the provisions of the certificate of incorporation or bylaws (or comparable constituent documents) of such Party and (c) will not result in any material violation of any Law or Order applicable to such Party or any of its properties, except in each of the cases described in clauses (a) or (c), for any conflict, breach, violation, default, acceleration or Lien which would not reasonably be expected, individually or in the aggregate, to prohibit, materially delay or materially and adversely impact such Party's performance of its obligations under this Agreement.

Section 5.5 Consents and Approvals. No consent, approval, authorization, Order, registration or qualification of or with any Governmental Entity having jurisdiction over such Party or any of its properties is required for the execution and delivery by such Party of this Agreement, the Approved Plan and each other Restructuring Document to which such Party is a party, the compliance by such Party with the provisions hereof and thereof and the consummation of the transactions contemplated herein and therein, except (a) any consent, approval, authorization, order, registration or qualification which, if not made or obtained, would not reasonably be expected, individually or in the aggregate, to prohibit, materially delay or materially and adversely impact such Party's performance of its obligations under this Agreement and the BCA Approval Order and each other Restructuring Document to which such Party is a party (including the Disclosure Statement Order and the Confirmation Order, if applicable), (b) filings, notifications, authorizations, approvals, consents, clearances or termination or expiration of all applicable waiting periods under any Antitrust Laws in connection with the transactions contemplated by this Agreement, and (c) such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or "Blue Sky" Laws in connection with the issuance of the securities in the Rights Offering or as contemplated by the Approved Plan.

Section 5.6 SEC Documents and Disclosure Statement. Since May 16, 2016, the Company has filed all documents required to be filed with the SEC ("**SEC Documents**"). No SEC Document that has been filed prior to the date this representation has been made, after

giving effect to any amendments or supplements thereto and to any subsequently filed SEC Documents, in each case filed prior to the date this representation is made, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The Disclosure Statement as approved by the Bankruptcy Court will contain "adequate information," as such term is defined in section 1125 of the Bankruptcy Code, and will otherwise comply in all material respects with section 1125 of the Bankruptcy Code.

Section 5.7 Absence of Certain Changes. Since December 31, 2016 to the date of this Agreement and except for the filing and pending Chapter 11 Cases, no Event has occurred or exists that constitutes, individually or in the aggregate, a Material Adverse Effect.

Section 5.8 No Violation; Compliance with Laws. (a) The Company is not in violation of its governing documents, and (b) no other Debtor is in violation of its respective charter or bylaws, certificate of formation or limited liability company operating agreement or similar organizational document in any material respect. None of the Debtors is or has been at any time since January 1, 2014 in violation of any Law or Order, except for any such violations that have not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 5.9 Legal Proceedings. Other than the Chapter 11 Cases and any adversary proceedings or contested motions commenced in connection therewith or any matters referenced in any proof of claim filed therein, or otherwise disclosed in the SEC Documents, there are no Legal Proceedings pending or, to the knowledge of the Debtors, threatened to which any of the Debtors or any of their Subsidiaries is a party or to which any property of any of the Debtors is the subject, in each case that in any manner draws into question the validity or enforceability of this Agreement, the Approved Plan or the other Restructuring Documents or that could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. No injunction, writ, temporary restraining order or any order of any nature has been issued by any court or other Governmental Entity purporting to enjoin or restrain the execution, delivery or performance of this Agreement, the Approved Plan or any other Restructuring Document, or directing that the transactions provided for herein or therein not be consummated as herein or therein provided.

Section 5.10 Labor Relations. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect: (a) there are no strikes or other labor disputes pending or threatened against any of the Debtors; (b) the hours worked and payments made to employees of any of the Debtors have not been in violation of the Fair Labor Standards Act or any other applicable Law dealing with such matters; and (c) all payments due from any of the Debtors or for which any claim may be made against any of the Debtors on account of wages and employee health and welfare insurance and other benefits have been paid or accrued as a liability on the books of any of the Debtors to the extent required by GAAP. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, the consummation of the transactions contemplated by the Restructuring Documents will not give rise to a right of termination or right of renegotiation on the part of any union under any material collective bargaining agreement to which any of the Debtors (or any predecessor) is a

party or by which any of the Debtors (or any predecessor) is bound. The Debtors are not parties to or bound by a collective bargaining agreement or similar labor agreement.

Section 5.11 Intellectual Property. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (a) each of the Debtors owns or is licensed or otherwise possesses the right to use, all of the patents, patent rights, trademarks, service marks, trade names, copyrights, mask works, contractual franchises, authorizations, domain names, or other rights and any and all applications or registrations for any of the foregoing (collectively, “**Intellectual Property Rights**”) that are reasonably necessary for the operation of their respective businesses, without conflict with the rights of any other Person; (b) to the knowledge of the Debtors, none of the Debtors nor any Intellectual Property Right, proprietary right, slogan or other advertising devices, product, process, method, substance, part, or other material now employed, sold or offered by or contemplated to be employed, sold or offered by such Person, is interfering with, infringing upon, misappropriating or otherwise violating any valid Intellectual Property Rights of any Person; (c) no claim or litigation regarding any of the foregoing is pending or, to the knowledge of the Debtors, threatened; and (d) no patent, invention, device, application, principle or any Law is pending or, to the knowledge of any Debtor, proposed, which, in either case, could reasonably be expected to have a Material Adverse Effect.

Section 5.12 Title to Real and Personal Property.

(a) Real Property. Each of the Debtors has good and defensible title to its respective Real Properties (other than Oil and Gas Properties), in each case, except for Permitted Liens and except for defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties and assets for their intended purposes, and except where the failure (or failures) to have such title would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect; *provided, however*, the enforceability of such leased Real Properties (other than Oil and Gas Properties) may be limited by applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditor’s rights generally or general principles of equity, including the Chapter 11 Cases. All such properties and assets are free and clear of Liens, except for Permitted Liens and except for such Liens as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) Leased Real Property. Each of the Debtors is in compliance with all obligations under all leases (*provided*, that, as used in this Section 5.12(b), “leases” shall not include oil, gas and mineral leases and any other agreements comprising the Debtors’ Oil and Gas Properties, which are addressed in Section 5.12(d)) to which it is a party that have not been rejected in the Chapter 11 Cases, except where the failure to comply would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and none of the Debtors has received written notice of any good faith claim asserting that such leases are not in full force and effect, except leases in respect of which the failure to be in full force and effect would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Each of the Debtors enjoys peaceful and undisturbed possession under all such leases, other than leases in respect of which the failure to enjoy peaceful and undisturbed possession

would not reasonably be expected to materially interfere with its ability to conduct its business as currently conducted or have, individually or in the aggregate, a Material Adverse Effect.

(c) Intellectual Property Rights. Each of the Debtors owns or possesses the right to use all Intellectual Property Rights and all licenses and rights with respect to any of the foregoing used in the conduct of their businesses, without any conflict (of which any of the Debtors has been notified in writing) with the rights of others, and free from any burdensome restrictions on the present conduct of the Debtors, as the case may be, except where such conflicts and restrictions would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(d) Oil and Gas Properties. ARTICLE VIII

INDEMNIFICATION AND CONTRIBUTION

Section 8.1 Indemnification Obligations. Following the entry of the BCA Approval Order, the Company and the other Debtors (the “**Indemnifying Parties**” and each, an “**Indemnifying Party**”) shall, jointly and severally, indemnify and hold harmless each Commitment Party and Second Lien Noteholder Group Party and their respective Affiliates, equity holders, members, partners, general partners, managers and its and their respective Representatives and controlling Persons (each, an “**Indemnified Person**”) from and against any and all losses, claims, damages, liabilities and costs and expenses (other than Taxes of the Commitment Parties except to the extent otherwise provided for in this Agreement) (collectively, “**Losses**”) that any such Indemnified Person may incur or to which any such Indemnified Person

may become subject arising out of or in connection with this Agreement, the Approved Plan and the transactions contemplated hereby and thereby, including the Backstop Commitments, the Rights Offering, the payment of the Put Option Premium (and Breakup Premium, if applicable) or the use of the proceeds of the Rights Offering, or any claim, challenge, litigation, investigation or proceeding relating to any of the foregoing, regardless of whether any Indemnified Person is a party thereto, whether or not such proceedings are brought by the Company, the other Debtors, their respective equity holders, Affiliates, creditors or any other Person, and reimburse each Indemnified Person upon demand for reasonable documented (with such documentation subject to redaction to preserve attorney client and work product privileges) legal or other third-party expenses incurred in connection with investigating, preparing to defend or defending, or providing evidence in or preparing to serve or serving as a witness with respect to, any lawsuit, investigation, claim or other proceeding relating to any of the foregoing (including in connection with the enforcement of the indemnification obligations set forth herein), irrespective of whether or not the transactions contemplated by this Agreement or the Approved Plan are consummated or whether or not this Agreement is terminated; *provided*, that the foregoing indemnity will not, as to any Indemnified Person, apply to Losses (a) as to a Defaulting Commitment Party, its Related Parties or any Indemnified Person related thereto, caused by a Commitment Party Default by such Commitment Party or (b) to the extent they are found by a final, non-appealable judgment of a court of competent jurisdiction to arise from the bad faith, willful misconduct or gross negligence of such Indemnified Person. For the avoidance of doubt and notwithstanding anything to the contrary in this Agreement, no Indemnified Claim may be made against LegacyCo, and LegacyCo will have no obligation to indemnify any Person under this Agreement.

Section 8.2 Indemnification Procedure. Promptly after receipt by an Indemnified Person of notice of the commencement of any claim, challenge, litigation, investigation or proceeding (an “**Indemnified Claim**”), such Indemnified Person will, if a claim is to be made hereunder against the Indemnifying Party in respect thereof, notify the Indemnifying Party in writing of the commencement thereof; *provided*, that (a) the omission to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability that it may have hereunder except to the extent it has been materially prejudiced by such failure and (b) the omission to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability that it may have to such Indemnified Person otherwise than on account of this Article VIII. In case any such Indemnified Claims are brought against any Indemnified Person and it notifies the Indemnifying Party of the commencement thereof, the Indemnifying Party will be entitled to participate therein, and, at its election by providing written notice to such Indemnified Person, the Indemnifying Party will be entitled to assume the defense thereof, with counsel reasonably acceptable to such Indemnified Person; *provided*, that if the parties (including any impleaded parties) to any such Indemnified Claims include both such Indemnified Person and the Indemnifying Party and based on advice of such Indemnified Person’s counsel there are legal defenses available to such Indemnified Person that are different from or additional to those available to the Indemnifying Party, such Indemnified Person shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such Indemnified Claims. Upon receipt of notice from the Indemnifying Party to such Indemnified Person of its election to so assume the defense of such Indemnified Claims with counsel reasonably acceptable to the Indemnified Person, the Indemnifying Party shall not be liable to such Indemnified Person for expenses incurred by such Indemnified Person in connection with

the defense thereof or participation therein (other than reasonable costs of investigation) unless (i) such Indemnified Person shall have employed separate counsel (in addition to any local counsel) in connection with the assertion of legal defenses in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the Indemnifying Party shall not be liable for the expenses of more than one separate counsel representing the Indemnified Persons who are parties to such Indemnified Claims (in addition to one local counsel in each jurisdiction in which local counsel is required)), (ii) the Indemnifying Party shall not have employed counsel reasonably acceptable to such Indemnified Person to represent such Indemnified Person within a reasonable time after the Indemnifying Party has received notice of commencement of the Indemnified Claims from, or delivered on behalf of, the Indemnified Person, (iii) after the Indemnifying Party assumes the defense of the Indemnified Claims, the Indemnified Person determines in good faith that the Indemnifying Party has failed or is failing to defend such claim and provides written notice of such determination and the basis for such determination, and such failure is not reasonably cured within 10 Business Days of receipt of such notice, or (iv) the Indemnifying Party shall have authorized in writing the employment of counsel for such Indemnified Person. Notwithstanding anything herein to the contrary, the Company and its Subsidiaries shall have sole control over any Tax controversy or Tax audit and shall be permitted to settle any liability for Taxes of the Company and its Subsidiaries.

Section 8.3 Settlement of Indemnified Claims. In connection with any Indemnified Claim for which an Indemnified Person is assuming the defense in accordance with this Article VIII, the Indemnifying Party shall not be liable for any settlement of any Indemnified Claims effected by such Indemnified Person without the written consent of the Indemnifying Party (which consent shall not be unreasonably withheld, conditioned or delayed). If any settlement of any Indemnified Claims is consummated with the written consent of the Indemnifying Party or if there is a final judgment for the plaintiff in any such Indemnified Claims, the Indemnifying Party agrees to indemnify and hold harmless each Indemnified Person from and against any and all Losses by reason of such settlement or judgment to the extent such Losses are otherwise subject to indemnification by the Indemnifying Party hereunder in accordance with, and subject to the limitations of, this Article VIII. The Indemnifying Party shall not, without the prior written consent of an Indemnified Person (which consent shall be granted or withheld, conditioned or delayed in the Indemnified Person's sole discretion), effect any settlement of any pending or threatened Indemnified Claims in respect of which indemnity or contribution has been sought hereunder by such Indemnified Person unless (a) such settlement includes an unconditional release of such Indemnified Person in form and substance satisfactory to such Indemnified Person from all liability on the claims that are the subject matter of such Indemnified Claims, and (b) such settlement does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

Section 8.4 Contribution. If for any reason the foregoing indemnification is unavailable to any Indemnified Person or insufficient to hold it harmless from Losses that are subject to indemnification pursuant to Section 8.1, then the Indemnifying Party shall contribute to the amount paid or payable by such Indemnified Person as a result of such Loss in such proportion as is appropriate to reflect not only the relative benefits received by the Indemnifying Party, on the one hand, and such Indemnified Person, on the other hand, but also the relative fault of the Indemnifying Party, on the one hand, and such Indemnified Person, on the other hand, as well as any relevant equitable considerations. It is hereby agreed that the relative

benefits to the Indemnifying Party, on the one hand, and all Indemnified Persons, on the other hand, shall be deemed to be in the same proportion as (a) the total value received or proposed to be received by the Company pursuant to the issuance and sale of the Unsubscribed Securities in the Rights Offering contemplated by this Agreement and the Approved Plan bears to (b) the Put Option Premium paid or proposed to be paid to the Commitment Parties. The Indemnifying Parties also agree that no Indemnified Person shall have any liability based on their comparative or contributory negligence or otherwise to the Indemnifying Parties, any Person asserting claims on behalf of or in right of any of the Indemnifying Parties, or any other Person in connection with an Indemnified Claim.

Section 8.5 Treatment of Indemnification Payments. All amounts paid by an Indemnifying Party to an Indemnified Person under this Article VIII shall, to the extent permitted by applicable Law, be treated as adjustments to the applicable purchase price for all Tax purposes. The provisions of this Article VIII are an integral part of the transactions contemplated by this Agreement and without these provisions the Commitment Parties would not have entered into this Agreement. The BCA Approval Order shall provide that the obligations of the Company and the Reorganized Debtors under this Article VIII shall constitute allowed administrative expenses of the Debtors' estate under sections 503(b) and 507 of the Bankruptcy Code and are payable without further Order of the Bankruptcy Court, and that the Company and the Reorganized Debtors may comply with the requirements of this Article VIII without further Order of the Bankruptcy Court.

Section 8.6 No Survival. All representations, warranties, covenants and agreements made in this Agreement shall not survive the Closing Date except for covenants and agreements that by their terms are to be satisfied after the Closing Date, which covenants and agreements shall survive until satisfied in accordance with their terms.

ARTICLE IX

This Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Closing Date by mutual written consent of the Company, acting on behalf of the Debtors, the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties.

Section 9.2 Automatic Termination. This Agreement shall terminate automatically, without any further action required by any Party, upon:

- (a) the termination of the RSA with respect to all Parties in accordance with its terms; or
- (b) the consummation by the Company of an Alternative Transaction.

Section 9.3 Termination by the Commitment Parties or the Second Lien Noteholder Group Parties. Upon three Business Days' written notice from the Requisite Consenting Second Lien Creditors or the Requisite Commitment Parties delivered in accordance with Section 10.1 to all of the Parties, at any time upon the occurrence of any the following events, in each case,

unless waived in writing by the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties, either of the Requisite Consenting Second Lien Creditors or the Requisite Commitment Parties, may terminate this Agreement as to all Parties. No failure or delay by any of the Requisite Consenting Second Lien Creditors or the Requisite Commitment Parties in exercising any of their respective rights to terminate this Agreement shall operate as a waiver thereof or limit in any way such termination right:

- (a) any of the Milestones under the RSA have not been satisfied;
- (b) the Effective Date has not occurred by the Outside Date, subject to extension pursuant to Section 2.3(a); *provided*, that the Outside Date may be waived or extended in accordance with the RSA;
- (c) any of the BCA Approval Order, Disclosure Statement Order or Confirmation Order is reversed, stayed, dismissed, vacated, reconsidered or is modified or amended after entry in any material respect without the prior written consent of the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties; *provided, however*, that the Requisite Commitment Parties may not terminate this Agreement as to all Parties under this Section 9.3(c) if such reversal, stay, dismissal, vacation, reconsideration or modification or amendment is reasonably expected to only relate to or affect LegacyCo or the Consenting Second Lien Creditors from and after the Closing (unless such reversal, stay, dismissal, vacation, reconsideration or modification or amendment affects PermianCo's rights with respect to LegacyCo as set forth in the Approved Plan);
- (d) any of this Agreement, the RSA, Rights Offering Procedures, Disclosure Statement, Approved Plan or any documents related to the Approved Plan, including notices, exhibits or appendices, or any of the Restructuring Documents is amended or modified in any material respect without the prior written consent of the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties; *provided, however*, that the Requisite Commitment Parties may only terminate this Agreement as to all Parties under this Section 9.3(d) if such amendment or modification is reasonably expected to only relate to or affect LegacyCo or the Consenting Second Lien Creditors from and after the Closing (unless such reversal, stay, dismissal, vacation, reconsideration or modification or amendment affects PermianCo's rights with respect to LegacyCo as set forth in the Approved Plan);
- (e) an Order is entered by the Bankruptcy Court or a court of competent jurisdiction denying confirmation of the Approved Plan or denying approval of the Disclosure Statement;
- (f) subject to the right of the Commitment Parties to arrange a Commitment Party Replacement in accordance with Section 2.3(a), the breach in any material respect by any Party of any of the representations, warranties, covenants, obligations or commitments set forth in this Agreement or the failure of any Party to act in a manner materially consistent with this Agreement, which breach or failure to act (i) would materially and adversely impede or interfere with the acceptance, implementation or consummation of the Restructuring Transactions by the Outside Date on the terms and conditions set forth in Approved Plan and (ii) is uncured for a period of seven Business Days after the receipt of written notice in accordance with Section 10.1

of such breach from any non-breaching Party, other than, in the case of clause (ii), with respect to any breach that is incurable, for which no notice or cure period shall be required or apply (it being understood and agreed that any actions required to be taken by such Parties that are included in the Approved Plan but not in this Agreement are to be considered “covenants” of such Parties, and therefore covenants of this Agreement, notwithstanding the failure of any specific provision in the Approved Plan to be re-copied in this Agreement). Notwithstanding the foregoing, under this Section 9.3(f), (x) the Requisite Consenting Second Lien Creditors may only exercise a right to terminate this Agreement if the breaching Party or Parties is one of the Commitment Parties or the Debtors and (y) the Requisite Commitment Parties may only exercise a right to terminate this Agreement if the breaching Party or Parties is one of the Second Lien Noteholder Group Parties or the Debtors. Notwithstanding the termination as to any individual Commitment Party, the remaining Commitment Parties shall be entitled to their pro rata portion of the Put Option Premium or Breakup Premium, as applicable, pursuant to the terms of this Agreement; for the avoidance of doubt, to the extent there has been a Commitment Party Default but there are Replacing Commitment Parties for the full amount of the Commitment Party Default, the Second Lien Noteholder Group Parties shall not have any rights to terminate this Agreement;

(g) any Law or final and non-appealable Order shall have been enacted, adopted or issued by any Governmental Entity that prohibits the implementation of the Approved Plan or the Rights Offering or the transactions contemplated by this Agreement or the other Restructuring Documents; *provided, however*, that the termination right in this Section 9.3(g) shall not be available if the Party seeking to terminate this Agreement pursuant to this Section 9.3(g) shall not have used its reasonable best efforts to contest such Order prior to its becoming permanent if such party had the right to contest such Order; or

(h) the Debtors fail to timely pay the fees and expenses as set forth in this Agreement, including the Expense Reimbursement, and such failure shall not have been cured by the fifth Business Day after notice is given of such failure, or in the case of the Expense Reimbursement, after such payment is due under Section 3.4(b);

provided, that any termination or breach of this Agreement that is caused by or is as a result of an action or inaction by the Debtors that gives rise to a termination event under this Section 9.3 shall only, in and of itself, result in the termination of this Agreement with respect to the Debtors.

Section 9.4 Termination by the Debtors. Upon three Business Days’ written notice from the Company delivered in accordance with Section 10.1 to the Commitment Parties and the Second Lien Noteholder Group Parties, at any time upon the occurrence of any the following events, in each case, the Company, on behalf of the Debtors, may terminate this Agreement as to the Debtors only:

(a) the breach in any material respect by one or more of the Commitment Parties or Second Lien Noteholder Group Parties of any of the representations, warranties, covenants, obligations or commitments set forth in this Agreement or the failure of any Party to act in a manner materially consistent with this Agreement, which breach or failure to act (i) would materially and adversely impede or interfere with the acceptance, implementation or

consummation of the Restructuring Transactions by the Outside Date on the terms and conditions set forth in Approved Plan and (ii) is uncured for a period of seven Business Days after the receipt of written notice in accordance with Section 10.1 of such breach from any non-breaching Party, other than with respect to any breach that is incurable, for which no notice or cure period shall be required or apply (it being understood and agreed that any actions required to be taken by such Parties that are included in the Approved Plan but not in this Agreement are to be considered “covenants” of such Parties, and therefore covenants of this Agreement, notwithstanding the failure of any specific provision in the Approved Plan to be re-copied in this Agreement);

(b) the board of directors, board of managers, or such similar governing body of any Debtor reasonably determines in good faith after consultation with outside counsel that continued performance under this Agreement would be inconsistent with the exercise of its fiduciary duties under applicable law; *provided*, that the Company or another Debtor provides notice of such determination to counsel for the Consenting Creditors within three Business Days after the date thereof; or

(c) any Law or final and non-appealable Order shall have been enacted, adopted or issued by any Governmental Entity that prohibits the implementation of the Approved Plan or the Rights Offering or the transactions contemplated by this Agreement or the other Restructuring Documents;

provided, that, in the event of termination pursuant to this Section 9.4, (i) only the Debtors shall be removed as Parties to this Agreement, and such termination shall not have the effect of terminating this Agreement with respect to the other Parties, and (ii) provisions of this Agreement that apply to, require the consent of or otherwise involve the Debtors, including the representations and warranties set forth in Article V and certain of the covenants in Article VI to which the Debtors are subject, but excluding the provisions of Article VIII and Article X, shall have no further force and effect, and the remainder of the Agreement shall continue to be binding on the Parties.

Section 9.5 Effect of Termination.

(a) Upon termination of this Agreement pursuant to this Article IX, this Agreement shall forthwith become void and there shall be no further obligations or liabilities on the part of the Parties; *provided*, that (i) the Second Lien Noteholder Group Parties shall remain obligated not to take any action that in any way would directly or indirectly frustrate the ability of the Debtors to pay the Expense Reimbursement pursuant to Article III or to pay the Breakup Premium pursuant to Section 9.5(b) (in each case, pursuant to the BCA Approval Order), (ii) the provisions set forth in this Section 9.5, Article VIII and Article X shall survive the termination of this Agreement in accordance with their terms and (iii) subject to Section 10.10, nothing in this Section 9.5 shall relieve any Party from liability for its gross negligence or any willful or intentional breach of this Agreement. For purposes of this Agreement, “willful or intentional breach” shall mean a breach of this Agreement that is a consequence of an act undertaken by the breaching party with the knowledge that the taking of such act would, or would reasonably be expected to, cause a breach of this Agreement.

(b) Upon consummation of an Alternative Transaction, if (i)(A) this Agreement was terminated under Section 9.3(f) due to a breach by the Debtors, (B) the Debtors exercise their termination right under Section 9.4(b) or (C) this Agreement was terminated by the Debtors or the Requisite Consenting Second Lien Creditors for any other reason other than (w) on account of a denial of confirmation of the Approved Plan by the Bankruptcy Court on the basis that section 1129(b) of the Bankruptcy Code is not satisfied by the class of Senior Unsecured Notes, (x) under Section 9.2(a) due to a breach by one or more of the Commitment Parties that causes the termination of the RSA, (y) under Section 9.4(a) due to a breach by one or more of the Commitment Parties or (z) under the circumstances referred to in Section 9.3(g) or Section 9.4(c), and (ii) the Commitment Parties have not breached their obligations under this Agreement, which breach resulted in any of the conditions set forth in Article VII not to be satisfied, the Commitment Parties shall receive in accordance herewith a termination premium of 5.0% of the Total BCA Commitment, which premium shall be paid in cash (the “**Breakup Premium**”) on or prior to the second Business Day following such consummation and subject to any applicable withholding Tax; *provided, however*, if (i) the Alternative Transaction does not result in the payment in full in cash of all claims arising under or related to the Second Lien Notes, including for principal, make-whole, interest thereupon, costs, fees and indemnities and all other obligations related thereto, to the extent such claims are allowed by the Bankruptcy Court, and (ii) the Requisite Consenting Second Lien Creditors were not in breach of the RSA at the time this Agreement was terminated, the Commitment Parties shall not seek or receive payment of the Breakup Premium in connection with such Alternative Transaction in full in cash but reserve all rights to assert and recover such Breakup Premium solely from the distributions under such Alternative Transaction, if any, to unsecured creditors and interest holders junior in priority to the Second Lien Notes. The Debtors, subject to the BCA Approval Order, shall make the payment of the Breakup Premium to the Commitment Parties or their designees based upon their respective Initial BCA Percentages on the date of payment, by wire transfer of immediately available funds to such accounts as each of the Commitment Parties may designate. The Breakup Premium shall be non-avoidable upon the entry of (x) the BCA Approval Order, if the Debtors are parties to the RSA and this Agreement as of the date of the entry of the BCA Approval Order, or (y) the Confirmation Order, if the Debtors are not parties to the RSA and this Agreement as of the date of the entry of the BCA Approval Order.

(c) To the extent that all amounts due in respect of the Breakup Premium pursuant to Section 9.5(b) have actually been paid by the Debtors to the Commitment Parties in connection with a termination of this Agreement, the Commitment Parties shall not have any additional recourse against the Debtors for any obligations or liabilities relating to or arising from this Agreement. Except as set forth in Section 9.5(b), the Breakup Premium shall not be payable upon the termination of this Agreement. The Breakup Premium shall constitute allowed administrative expenses of the Debtors’ estates under sections 503(b) and 507 of the Bankruptcy Code, pursuant to (i) the BCA Approval Order, if the Debtors are parties to the RSA and this Agreement as of the date of the entry of the BCA Approval Order, or (ii) the Confirmation Order, if the Debtors are not parties to the RSA and this Agreement as of the date of the entry of the BCA Approval Order.

Section 10.2 Assignment; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by any Party (whether by operation of Law or otherwise) without the prior written consent of the Debtors, the Requisite Consenting Second Lien Creditors, and the Requisite Commitment Parties, other than an assignment by (a) a Commitment Party expressly permitted by Section 2.3 or Section 2.6 and (b) a Second Lien Noteholder Group Party to an Affiliate; *provided*, that any such assignment shall not relieve any Party of its obligations under this Agreement. Any purported assignment in violation of this Section 10.2 shall be void *ab initio*. Subject to the foregoing provisions of this Section 10.2, there are no third party beneficiaries under this Agreement, and the rights or obligations of any Party under this Agreement may not be assigned, delegated, or transferred to any other Person.

Section 10.3 Prior Negotiations; Entire Agreement.

(a) This Agreement (including the Exhibits, the Schedules and the other documents and instruments referred to in this Agreement) constitutes the entire agreement among the Parties and supersedes all prior agreements, arrangements or understandings, oral or written, among the Parties with respect to the subject matter of this Agreement (including the Original Agreement), except that the Parties acknowledge that the RSA continues in full force and effect.

(b) Notwithstanding anything to the contrary in the Approved Plan (including any amendments, supplements or modifications thereto) or the Confirmation Order (and any amendments, supplements or modifications thereto) or an affirmative vote to accept the Approved Plan submitted by any Second Lien Noteholder Group Party or Commitment Party, nothing contained in the Approved Plan (including any amendments, supplements or modifications thereto) or Confirmation Order (including any amendments, supplements or modifications thereto) shall alter, amend or modify the rights of the Second Lien Noteholder Group Parties or the Commitment Parties under this Agreement unless such alteration, amendment or modification has been made in accordance with Section 10.7.

Section 10.4 Governing Law; Venue. THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES

THEREOF. Each Party agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement in the Bankruptcy Court (or court of proper appellate jurisdiction) (the “**Chosen Court**”), and solely in connection with claims arising under this Agreement: (a) irrevocably submits to the exclusive jurisdiction of the Chosen Court; (b) waives any objection to laying venue in any such action or proceeding in the Chosen Court; and (c) waives any objection that the Chosen Court is an inconvenient forum or does not have jurisdiction over any Party or constitutional authority to finally adjudicate the matter.

Section 10.5 Waiver of Jury Trial. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 10.6 Execution of Agreement. This Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery, each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Agreement, each individual executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

Section 10.7 Waivers and Amendments; Consent. This Agreement may be amended, restated, modified or changed only by a written instrument signed by the Company, the Second Lien Noteholder Group Parties and the Requisite Commitment Parties; *provided*, that (a) any Commitment Party’s prior written consent shall be required for any amendment, restatement, modification, supplement or other changes that would, directly or indirectly: (i) modify the conditions to Closing set forth in Article VII, (ii) modify the specific economic terms or conditions of the Approved Plan, the Rights Offering or this Agreement (including the size of the Rights Offering, the amount of the Minimum Allocation Rights, the amount of the Put Option Premium and the amount of the Breakup Premium), (iii) modify such Commitment Party’s Individual BCA Commitment, Initial BCA Percentage, Remaining BCA Commitment, Final Backstop Commitment or Final BCA Percentage, (iv) change this Section 10.7 or (v) have a materially adverse and disproportionate effect on a Commitment Party and (b) the prior written consent of each Commitment Party that was an original signatory hereto that is still a Commitment Party as of such date of amendment shall be required for any amendment to the definition of “Requisite Commitment Parties.” Notwithstanding the foregoing, Exhibit A shall be revised as necessary without requiring a written instrument signed by the Second Lien Noteholder Group Parties and the Requisite Commitment Parties to reflect changes in the composition of the Commitment Parties, Individual BCA Commitments, Initial BCA Percentages, Minimum Allocation Rights obligations and Remaining BCA Commitments as a result of transfers permitted in accordance with the terms and conditions of this Agreement. The terms and conditions of this Agreement (other than the conditions set forth in Section 7.1, the waiver of which shall be governed solely by Article VII, and the termination events set forth in Section 9.3(b), the waiver of which shall be governed by their respective terms) may be waived (A) by the Requisite Consenting Second Lien Creditors only by a written instrument executed by the Requisite Consenting Second Lien Creditors and (B) by the Requisite Commitment Parties only by a written instrument executed by the Requisite Commitment Parties. No delay on the part of any Party in exercising any right, power or privilege pursuant to this Agreement will

operate as a waiver thereof, nor will any waiver on the part of any Party of any right, power or privilege pursuant to this Agreement, nor will any single or partial exercise of any right, power or privilege pursuant to this Agreement, preclude any other or further exercise thereof or the exercise of any other right, power or privilege pursuant to this Agreement.

Section 10.8 Headings. The headings of all sections of this Agreement are inserted solely for the convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction or interpretation of any term or provision hereof.

Section 10.9 Specific Performance; Rights Cumulative. The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the Parties shall be entitled to obtain an injunction or injunctions without the necessity of posting a bond to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof, in addition to any other remedy to which they are entitled at Law or in equity. Notwithstanding the foregoing, only the Debtors, the Second Lien Noteholder Group Parties, and the Requisite Commitment Parties may exercise any specific performance rights under this Agreement against one or more Commitment Parties, and only the Requisite Commitment Parties and the Second Lien Noteholder Group Parties may exercise any specific performance rights against the Debtors to cause the consummation of the Rights Offering. Except as otherwise provided in this Agreement, the rights and remedies provided pursuant to this Agreement are cumulative and are not exclusive of any rights or remedies which any Party otherwise may have under this Agreement or at Law or in equity.

Section 10.10 Damages. Notwithstanding anything to the contrary in this Agreement, none of the Parties will be liable for, and none of the Parties shall claim or seek to recover, any punitive, special, indirect or consequential damages or damages for lost profits. Under no circumstance shall any Commitment Party be liable under this Agreement for an amount in excess of its unfunded Individual BCA Commitment.

Section 10.11 Several, Not Joint and Several, Obligations. Except as otherwise expressly set forth herein, the agreements, representations, warranties, liabilities and obligations of the Parties under this Agreement are, in all respects, several and not joint and several.

Section 10.12 No Reliance. No Commitment Party or any of its Related Parties shall have any duties or obligations to the other Commitment Parties in respect of this Agreement, the Approved Plan or the transactions contemplated hereby or thereby, except those expressly set forth herein. Without limiting the generality of the foregoing, (a) no Commitment Party or any of its Related Parties shall be subject to any fiduciary or other implied duties to the other Commitment Parties, to the Debtors or to any other Person, (b) no Commitment Party or any of its Related Parties shall have any duty to take any discretionary action or exercise any discretionary powers on behalf of any other Commitment Party, (c) no Commitment Party or any of its Related Parties shall have any duty to the other Commitment Parties to obtain, through the exercise of diligence or otherwise, to investigate, confirm, or disclose to the other Commitment Parties any information relating to the Company or any of its Related Parties that may have been communicated to or obtained by such Commitment Party or any of its Affiliates in any capacity, (d) no Commitment Party may rely, and confirms that it has not relied, on any due diligence

investigation that any other Commitment Party or any Person acting on behalf of such other Commitment Party may have conducted with respect to the Company or any of its Affiliates or any of their respective securities, (e) the Parties acknowledge that this Agreement does not constitute an agreement, arrangement or understanding with respect to acting together for the purpose of acquiring, holding, voting or disposing of any equity securities of the Debtors and the Parties do not constitute a “group” within the meaning of Rule 13d-5 under the Securities Exchange Act of 1934, as amended, (f) no action taken by any Party pursuant to this Agreement shall be deemed to constitute or to create a presumption by any of the Parties that the Parties are in any way acting in concert or as such a “group” and (g) each Commitment Party acknowledges that no other Commitment Party is acting as a placement agent, initial purchaser, underwriter, broker or finder with respect to its Minimum Allocation Rights Securities or Unsubscribed Securities. The decision to commit to purchase PermianCo Common Stock pursuant to Agreement has been made independently of any other purchaser.

Section 10.13 Settlement Discussions. If the Restructuring Transactions are not consummated, or if this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms, pursue the consummation of the Restructuring Transactions or the payment of damages to which a Party may be entitled under this Agreement.

Section 10.14 Effectiveness. This Agreement shall become effective and binding upon each Party when counterpart signatures to this Agreement have been executed and delivered to each other Party.

Section 10.15 Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, in whole or in part, the remaining provisions shall remain in full force and effect. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

Section 10.16 Interpretation; Representation by Counsel. This Agreement is the product of negotiations among the Parties and in the enforcement or interpretation hereof, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion hereof, shall not be effective in regard to the interpretation hereof. Each of the Parties were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel and, therefore, waive the application of any Law (a) providing that ambiguities in an agreement or other document shall be construed against the party drafting such agreement or document or (b) any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel.

Section 10.17 No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement, and notwithstanding the fact that certain of the Parties may be

partnerships or limited liability companies, each Party covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any Party's Affiliates, or any of such Party's Affiliates' or respective Related Parties in each case other than the Parties to this Agreement and each of their respective successors and permitted assignees under this Agreement, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any applicable Law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any of the Related Parties, as such, for any obligation or liability of any Party under this Agreement or any documents or instruments delivered in connection herewith for any claim based on, in respect of or by reason of such obligations or liabilities or their creation; *provided, however*, nothing in this Section 10.17 shall relieve or otherwise limit the liability of any Party or any of their respective successors or permitted assigns for any breach or violation of its obligations under this Agreement or such other documents or instruments. For the avoidance of doubt, prior to the Effective Date, none of the Parties will have any recourse, be entitled to commence any proceeding or make any claim under this Agreement or in connection with the transactions contemplated hereby except against any of the Parties or their respective successors and permitted assigns, as applicable.

Section 10.18 Publicity.

(a) At all times prior to the Closing Date or the earlier termination of this Agreement in accordance with its terms, the Parties shall obtain the prior written consent (which consent shall not be unreasonably withheld) of the Commitment Parties and the Second Lien Noteholder Group Parties prior to issuing any press releases (and provide each other a reasonable opportunity to review and comment upon such release) or otherwise making public announcements with respect to the transactions contemplated by this Agreement, it being understood that nothing in this Section 10.18 shall prohibit any Party from filing any motions or other pleadings or documents with the Bankruptcy Court in connection with the Chapter 11 Cases.

(b) Notwithstanding anything herein to the contrary, Exhibit A to this Agreement shall be redacted and/or its contents shall be treated as confidential to the extent that this Agreement or its contents are shared with any third party.

If the UCC is a Party, the UCC agrees that, upon the occurrence of the Agreement Effective Date, the prosecution of its standing motion and claim objection filed on December 19, 2016 (ECF No. 867) entitled (I) Objection to Proof of Claim filed by Delaware Trust Company as Indenture Trustee for the 9.25% Senior Secured Second Lien Notes Due 2020 and (II) Motion of the Official Committee of Unsecured Creditors for Entry of an Order Conditionally Authorizing the Committee to Prosecute and Settle Certain Claims on Behalf of the Debtors' Estates and Granting Related Relief (the "**Standing Motion and Claim Objection**") shall be stayed, and the Standing Motion and Claim Objection shall be held in abeyance until the earlier of the occurrence of the Effective Date or the Termination Date and the UCC shall take any and all steps necessary to stay or hold in abeyance the Standing Motion and Claim Objection. Upon the occurrence of the Effective Date, the Standing Motion and Claim Objection shall be deemed dismissed or otherwise withdrawn with prejudice. For the avoidance of doubt, in the event that this Agreement is terminated pursuant to Section 9 for any reason, nothing contained herein shall impair the rights of the UCC to resume prosecution of the Standing Motion and Claim Objection following the Termination Date.

5.04. Additional Commitment of all Parties. The Consenting Second Lien Creditors' Second Lien Note Claims shall be allowed in the amount of \$793,300,000 (which includes principal and makewhole), plus accrued unpaid pre- and post-petition default interest on all outstanding obligations, costs, fees, indemnities, and all other obligations payable under the Second Lien Notes Indenture (the "**Allowed Second Lien Note Claims**"); provided, that, in the event this Amended Agreement is terminated pursuant to Section 9 for any reason, any and all rights of (i) the Debtors, with respect to the assertion, allowance and estimation (for any purpose) of any Second Lien Note Claims, in any amount, (ii) the Consenting Second Lien Creditors with respect to the assertion, allowance and estimation (for any purpose) of any Second Lien Note Claims, in any amount, it may have against the Debtors, (iii) the RBL Lenders with respect to the assertion, allowance and estimation (for any purpose) of any Second Lien Note Claims, in any amount, and (iv) the Consenting Senior Unsecured Creditors and the UCC with respect to any objections to the assertion, allowance and estimation (for any purpose) of any Second Lien Note Claims, in any amount, against the Debtors, shall be preserved, it being understood and agreed by the Debtors and the Consenting Creditors that nothing contained herein is intended or should be construed as a waiver of the Debtors', the Consenting Second Lien Creditors', the Consenting Senior Unsecured Creditors', the RBL Lenders', or the UCC's rights with respect to any Second Lien Note Claims against the Debtors in the event that this Amended Agreement is terminated with respect to the Debtors, the Consenting Second Lien Creditors, Consenting Senior Unsecured Creditors, the RBL Lenders, or the UCC; provided, further, that the Parties agree that Allowed Second Lien Note Claims amount referenced in this Section was determined as a result of compromise and settlement by and among the Parties in relation to this Amended Agreement.

Section 6. *Transfer of Claims and Interests.*

(a) During the Amended Effective Period, no Consenting Creditor shall sell, use, pledge, assign, transfer, permit the participation in, or otherwise dispose of any ownership (including any beneficial ownership)¹ in the Second Lien Note Claims or Senior Unsecured Note Claims in whole or in part (each, a “**Transfer**”) to any party, unless it satisfies all of the following requirements (a transferee that satisfies such requirements, a “**Permitted Transferee**,” and such Transfer, a “**Permitted Transfer**”):

(i) the intended transferee (x) is another Consenting Creditor, (y) as of the date of such Transfer, the Consenting Creditor controls, is controlled by or is under common control with such Consenting Creditor an affiliate, affiliated fund or affiliated entity with a common investment advisor, or (z) executes a transfer agreement in the form attached hereto as **Exhibit B** (a “**Transfer Agreement**”) prior to or concurrently with the closing of such Transfer; and

(ii) notice of any Transfer, including the amount transferred and, in the case of (i)(z) above, the fully executed Transfer Agreement, shall be provided to Weil, K&E, Akin Gump, W&C, W&S, and Milbank within three (3) business days following the closing of such Transfer.

(b) Upon satisfaction of the requirements in Section 6(a), (i) the Permitted Transferee shall be deemed to be a Consenting Creditor hereunder and shall be deemed to be a Consenting Second Lien Creditor or Consenting Senior Unsecured Creditor, or both, as applicable, and, for the avoidance of doubt, a Permitted Transferee is bound as a Consenting Creditor under this Amended Agreement with respect to any and all claims against, or interests in, any of the Debtors, whether held at the time such Permitted Transferee becomes a Party or later acquired by such Permitted Transferee, and (ii) the transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Amended Agreement to the extent of such transferred rights and obligations.

(c) Notwithstanding Section 6(a), a Qualified Marketmaker² that acquires any Second Lien Note Claims or Senior Unsecured Note Claims with the purpose and intent of acting as a Qualified Marketmaker for such Debtor Claims, shall not be required to execute and deliver to any of Weil, K&E, Akin Gump, W&C, W&S, or Milbank a Transfer Agreement in respect of such Second Lien Note Claims or Senior Unsecured Note Claims if (A) such Qualified Marketmaker subsequently transfers such Second Lien Note Claims or Senior Unsecured Note Claims (by purchase, sale, assignment, participation, or otherwise) within three (3) business days of its acquisition to a transferee that is an entity that is not an affiliate, affiliated fund or affiliated

¹ As used herein, the term “beneficial ownership” means the direct or indirect economic ownership of, and/or the power, whether by contract or otherwise, to direct the exercise of the voting rights and the disposition of, the Debtor Claims or the right to acquire such claims or interests.

² As used herein, the term “**Qualified Marketmaker**” means an entity that (a) holds itself out to the public or the applicable private markets as standing ready in the ordinary course of business to purchase from customers and sell to customers claims of the Debtors (or enter with customers into long and short positions in claims against the Debtors), in its capacity as a dealer or market maker in claims against the Debtors, (b) is, in fact, regularly in the business of making a market in claims against issuers or borrowers (including debt securities or other debt), and (c) in the case of a Qualified Marketmaker with respect to Second Lien Notes, that such entity does not and will not own any Existing BBEP Equity Interests.

entity with a common investment advisor, (B) the transferee otherwise is a Permitted Transferee (including, for the avoidance of doubt, the requirement that such transferee execute a Transfer Agreement) and (C) the Transfer otherwise is a Permitted Transfer. To the extent that a Consenting Creditor is acting in its capacity as a Qualified Marketmaker, it may transfer (by purchase, sale, assignment, participation or otherwise) any right, title or interest in Second Lien Note Claims or Senior Unsecured Note Claims that such Consenting Creditor acquires in its capacity as a Qualified Marketmaker from a holder of the Second Lien Note Claims or Senior Unsecured Note Claims who is not a Consenting Creditor without regard to the requirements set forth in Section 6(a) hereof.

(d) This Amended Agreement shall in no way be construed to preclude the Consenting Creditors from acquiring additional Debtor Claims; provided, however, that (i) any Consenting Creditor that acquires additional Debtor Claims, as applicable, after the Agreement Effective Date shall notify Weil, K&E, Akin Gump, W&C, W&S, and Milbank of such acquisition, within five business days following such acquisition, including the amount of such acquisition, which notice may be deemed to be provided by the filing of a statement with the Bankruptcy Court as required by Rule 2019 of the Federal Rules of Bankruptcy Procedure, including revised holdings information for such Consenting Creditor and (ii) such additional Debtor Claims shall automatically and immediately upon acquisition by a Consenting Creditor, as applicable, be deemed subject to the terms of this Amended Agreement (regardless of when or whether notice of such acquisition is given to the respective counsels to the Consenting Creditors).

(e) In addition, other than pursuant to a Permitted Transfer, any holder of Second Lien Note Claims or Senior Unsecured Note Claims shall become a Party, and become obligated as a Consenting Creditor and as a Consenting Second Lien Creditor or Consenting Senior Unsecured Creditor, or both, as applicable, solely to the extent (i) the ascension of such holder to this Amended Agreement is consented to by the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties and (ii) (x) such holder executes a joinder agreement in the form attached hereto as Exhibit C (a “Joinder Agreement”), and shall be deemed a Consenting Creditor and a Consenting Second Lien Creditor or Consenting Senior Unsecured Creditor hereunder, or both, as applicable, and (y) such joinder is delivered to Weil, K&E, Akin Gump, W&C, W&S, and Milbank within three (3) business days following the execution thereof.

(f) Any Transfer made in violation of this Section 6 shall be void *ab initio*. Each other Consenting Creditor shall have the right to enforce the voiding of such Transfer. Any Consenting Creditor that effectuates a Permitted Transfer to a Permitted Transferee shall have no liability under this Amended Agreement arising from or related to the failure of the Permitted Transferee to comply with the terms of this Amended Agreement.

(g) Notwithstanding anything to the contrary in this Section 6, the restrictions on Transfer set forth in this Section 6 shall not apply to the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker dealer or prime broker holding such claims and interests in custody or prime brokerage in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests in accordance with the terms of the custody or prime brokerage agreement(s), as

applicable. For the avoidance of doubt, a bank, broker-dealer or prime broker holding custody of the claims and interests shall not be subject to the terms of this Amended Agreement solely when acting in such capacity.

(h) Any transfers of any Backstop Commitments shall be subject to the terms and conditions set forth in the Amended BCA.

(i) Any lender under the RBL Facility and the agent thereunder may become a Party, and become obligated as a Consenting Creditor, solely to the extent (i) the ascension of such holder to this Agreement is consented to by the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties and (ii) (x) any such person or entity executes documentation in form and substance acceptable to the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties evidencing its agreement to be bound by the terms and conditions of this Agreement and make all representations and warranties contained herein as of the date thereof, and shall be deemed a Consenting Creditor and (y) such documentation is delivered to Weil, K&E, Akin Gump, W&C, W&S, and Milbank within three (3) business days following the execution thereof.

(j) Any holder of Senior Unsecured Notes Claims that is not otherwise a Commitment Party but which becomes a Commitment Party pursuant to the Amended BCA must in advance of becoming a Commitment Party become a Party by executing a joinder in form and substance acceptable to the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties evidencing its agreement to be bound by the terms and conditions of this Amended Agreement and make all representations and warranties contained herein as of the date of its becoming a Commitment Party or otherwise participating in the Rights Offering, and shall be deemed a Consenting Creditor and Consenting Senior Unsecured Creditor hereunder. Any holder of Senior Unsecured Notes Claims that is not a Commitment Party and otherwise participates in the Rights Offering shall be required to timely vote all of its Debtor Claims in favor of the Approved Plan.

(g) except as expressly provided in this Amended Agreement, the Approved Plan, the Term Sheet, or the Bankruptcy Code, no consent or approval is required by any other person or entity in order for it to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Amended Agreement and the Approved Plan;

(h) except as expressly provided in this Amended Agreement, it has all requisite corporate or other power and authority to enter into, execute, and deliver this Amended Agreement and to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Amended Agreement and the Approved Plan;

Section 9. Termination Events.

9.01. Consenting Creditor Termination Events. Upon written notice from the Consenting Second Lien Creditors holding in the aggregate, more than fifty percent (50%) in number of holders and more than 66 2/3% of the aggregate principal amount of the Second Lien Notes (the “**Specified Consenting Second Lien Creditors**”) or the Requisite Commitment Parties delivered in accordance with Section 13.10 to all of the Parties, at any time upon the occurrence and during the continuance of any the following events, in each case, unless waived in writing by the Specified Consenting Second Lien Creditors and the Requisite Commitment Parties, either of the Specified Consenting Second Lien Creditors or the Requisite Commitment Parties may terminate this Amended Agreement as to all Parties. The UCC and RBL Lenders may terminate this Agreement as to itself and to no other Party upon written notice from the UCC and RBL Lenders delivered in accordance with Section 13.10 to all of the Parties, at any time upon the occurrence of any the following events, unless waived in writing by the UCC or RBL Lenders. No failure or delay by any of the Specified Consenting Second Lien Creditors, the Requisite Commitment Parties, the RBL Lenders, or the UCC in exercising any of their respective rights to terminate this Amended Agreement shall operate as a waiver thereof or limit in any way such termination right:

(a) upon the failure to meet any of the Milestones;

(b) the breach in any material respect by any Party of any of the representations, warranties, covenants, obligations or commitments set forth in this Amended Agreement, or the failure of any Party to act in a manner materially consistent with this Amended Agreement, which breach or failure to act (i) would materially and adversely impede or interfere with the acceptance, implementation or consummation of the Restructuring Transactions by the Outside Date on the terms and conditions set forth in this Amended Agreement (including the Approved Plan) and (ii) is uncured for a period of three (3) business days after the receipt of written notice in accordance with Section 13.10 of such breach from any non-breaching Party, other than with respect to any breach that is incurable, for which no notice or cure period shall be required or apply (it being understood and agreed that any actions required to be taken by such Parties that are included in the Approved Plan but not in this Amended Agreement are to be considered “covenants” of such Parties, and therefore covenants of this Amended Agreement, notwithstanding the failure of any specific provision in the Approved Plan to be re-copied in this Amended Agreement). Notwithstanding the foregoing, under this Section 9.01(b), (w) the Specified Consenting Second Lien Creditors may only exercise a right to terminate this Amended Agreement as to all Parties if the breaching Party or Parties is one of the Consenting Senior Unsecured Creditors, (x) the Requisite Commitment Parties may only exercise a right to terminate this Amended Agreement as to all Parties if the breaching Party or Parties is one of the Consenting Second Lien Creditors and such breach is not reasonably expected to only relate to or affect LegacyCo or the Consenting Second Lien

(c) the issuance by any governmental authority, including any regulatory authority, the Bankruptcy Court, or another court of competent jurisdiction, of any injunction, judgment, decree, charge, ruling or order that, in each case, would have an adverse effect on a material provision of this Amended Agreement or a material portion of the Restructuring Transactions or the Approved Plan or a material adverse effect on the Debtors' businesses, unless the Debtors, the Requisite Consenting Second Lien Creditors or the Requisite Commitment Parties have sought a stay of such injunction, judgment, decree, charge, ruling, or order within fifteen (15) business days after the date of such issuance, and such injunction, judgment, decree, charge, ruling, or order is reversed or vacated within twenty (20) business days after the date of such issuance; provided, however, that the Requisite Commitment Parties may not terminate this Amended Agreement with respect to all Parties if the issuance by a governmental authority is reasonably expected to only relate to or affect LegacyCo or the Consenting Second Lien Creditors from and after the Closing;

(d) an examiner with expanded powers beyond those set forth in sections 1106(a)(3) and (4) of the Bankruptcy Code, a trustee, or a receiver shall have been appointed in the Chapter 11 Cases;

(f) any of the Restructuring Documents after completion, (i) contain terms, conditions, representations, warranties or covenants that are not materially consistent with the terms of this Amended Agreement, (ii) shall have been materially and adversely amended or modified or (iii) shall have been withdrawn, in each case, without the consent of the applicable Party in accordance with its approval rights under this Amended Agreement (including the Term Sheet), and in the case of a Restructuring Document that is also an order, including the Confirmation Order, such order shall have been materially stayed, reversed, vacated or adversely modified, without the prior written consent of the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties, unless the Debtors have sought a stay of such order within five (5) business days after the date of such issuance, and such order is stayed, reversed or vacated within ten (10) business days after the date of such issuance; provided, however, that the Requisite Commitment Parties may not terminate this Amended Agreement with respect to all Parties if the breach on account of this Section 9.01(f) is reasonably expected to only relate to or affect LegacyCo or the Consenting Second Lien Creditors from and after the Closing;

(h) any of the Parties directly or indirectly propose, support, assist, solicit or file a pleading seeking approval of any Alternative Transaction (or any approval of any sales, voting or other procedures in connection with an Alternative Transaction) without the prior written consent of the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties that results in a material adverse effect for the consummation of the Restructuring Transactions; provided, however, that (y) Specified Consenting Second Lien Creditors shall not have a right to terminate this Amended Agreement on account of a breach of this Section 9.01(h) by any Consenting Second Lien Creditor and (z) the Requisite Commitment Parties shall not have a right to terminate this Amended Agreement on account of a breach of this Section 9.01(h) by any Consenting Senior Unsecured Creditor;

(i) the Debtors file a motion or application seeking authority to sell all or a material portion of its assets without the prior written consent of the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties; provided, however, that the Requisite Commitment Parties may not terminate this Amended Agreement with respect to all Parties if the breach on account of this Section 9.01(i) is reasonably expected to only relate to or affect LegacyCo or the Consenting Second Lien Creditors from and after the Closing;

(j) the Debtors file a motion seeking authority to enter into post-petition secured financing, without the prior written consent of the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties; provided, however, that the Requisite Commitment Parties may not terminate this Amended Agreement with respect to all Parties if the breach on account of this Section 9.01(j) is reasonably expected to only relate to or affect LegacyCo or the Consenting Second Lien Creditors from and after the Closing;

(k) the Bankruptcy Court enters an order avoiding, disallowing, subordinating or recharacterizing any claim, lien or interest held by any Consenting Creditor arising under or related to the Indentures or the Final DIP Order, unless any Party sought a stay of such order within five (5) business days after the date of such issuance, and such order is stayed, reversed or vacated within ten (10) business days after the date of such issuance; provided, however, that the Requisite Commitment Parties may not terminate this Amended

Agreement with respect to all Parties if the breach on account of this Section 9.01(k) is reasonably expected to only relate to or affect LegacyCo or the Consenting Second Lien Creditors from and after the Closing;

(l) the occurrence of an event of default under the Final DIP Order unless waived by all parties entitled to waive such event of default; provided, however, that the Requisite Commitment Parties may only terminate this Amended Agreement with respect to all Parties if this Section 9.01(l) results in an order that results a foreclosure on the assets to be owned by New Permian Corp. upon the Effective Date;

(n) the Bankruptcy Court grants relief that (i) is inconsistent with this Amended Agreement in any material respect or (ii) would, or would reasonably be expected to, materially frustrate the purposes of this Amended Agreement, including by preventing the consummation of the Restructuring Transactions, unless the Debtors or the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties have sought a stay of such relief within five (5) business days after the date of such issuance, and such order is stayed, reversed or vacated within ten (10) business days after the date of such issuance; provided, however, that the Requisite Commitment Parties may not terminate this Amended Agreement with respect to all Parties if the breach on account of this Section 9.01(n) is reasonably expected to only relate to or affect LegacyCo or the Consenting Second Lien Creditors from and after the Closing.

9.02. Debtor Termination Events. (f) The acquisition of Existing BBEP Equity Interests by Consenting Second Lien Creditors or by any persons controlled by or persons controlling such Consenting Second Lien Creditors; provided, however, that a Consenting Second Lien Creditor as of the date hereof or any person controlled by or controlling such Second Lien Creditor as of the date hereof may acquire Existing BBEP Equity Interests from any person that is a Consenting Second Lien Creditor as of the date hereof or a person controlled by or persons controlling such Consenting Second Lien Creditor as of the date hereof, if such acquisition does not cause (i) EIG Equity Aggregator or any person controlled by or controlling EIG Equity Aggregator to own more Existing BEPP Equity Interests than is owned by EIG Equity Aggregator as of the date hereof, or (ii) any Consenting Second Lien Creditor or any person controlled by or person controlling such Consenting Second Lien Creditor to own Existing BBEP Equity Interests constituting (A) 30 percent or more of the aggregate preference amount (including accrued but unpaid yield) or aggregate capital accounts of the combined Series A Cumulative Redeemable Preferred Units and the Series B Preferred Units or (B) thirty percent (30%) or more of the common units of BBEP (in the case of both clause (i) and clause (ii), to the knowledge of the acquiring Consenting Second Lien Creditor and its controlling and controlled persons, after reasonable inquiry among the Consenting Second Lien Creditor and its controlled and controlling persons but for avoidance of doubt not requiring inquiry outside such persons, and separately to the knowledge of the selling Consenting Second Lien Creditor and its controlling and controlled persons, also after reasonable inquiry among the Consenting Second Lien Creditor and its controlled and controlling persons but for avoidance of doubt not requiring inquiry outside such persons, with “own” being determined for purposes of this proviso taking into account the constructive ownership rules applicable for purposes of Section 707(b)(1) of the Tax Code and the Treasury Regulations thereunder); provided, further, that for purposes of this Section 9.02(f), the terms “controlled” and “controlling” shall have the meaning described in Section 11(b); and

(g) The issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling, judgment or order enjoining the consummation of a material portion of the Restructuring Transactions, which ruling, judgment or order has not been stayed, reversed or vacated within twenty (20) business days after such issuance.

9.03. Mutual Termination. This Amended Agreement, and the obligations of all Parties hereunder, may be terminated by mutual agreement among the Debtors, the Requisite Consenting Second Lien Creditors, and the Requisite Commitment Parties.

9.04. Automatic Termination. This Amended Agreement shall terminate automatically without any further required action or notice on the earlier of (i) the Effective Date, (ii) the

Outside Date (as such date may be extended subject to Section 10(a) of this Amended Agreement), and (iii) the termination of the Amended BCA with respect to all parties in accordance with its terms.

9.05. Effect of Termination.

(a) No Party may terminate this Amended Agreement if such Party failed to perform or comply in all material respects with the terms and conditions of this Amended Agreement, with such failure to perform or comply causing, or resulting in, the occurrence of one or more termination events specified herein. The date on which termination of this Amended Agreement is effective shall be referred to as a “**Termination Date**.”

(b) Upon the occurrence of a Termination Date by either the Specified Consenting Second Lien Creditors or the Requisite Commitment Parties in accordance with Section 9.01 above, (i) this Amended Agreement shall be of no further force and effect and each Party subject to such termination consistent with Section 9.01 above shall be released from its commitments, undertakings and agreements under or related to this Amended Agreement and shall have the rights and remedies that it would have had, had it not entered into this Amended Agreement, and shall be entitled to take all actions, whether with respect to the Restructuring Transactions or otherwise, that it would have been entitled to take had it not entered into this Amended Agreement, including with respect to any and all claims or causes of action, provided, that in no event shall any termination relieve any Party from liability for its material breach or material non-performance of its obligations hereunder prior to the date of such termination and (ii) any and all consents or ballots tendered by the Parties subject to such termination before a Termination Date shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring Transactions and this Amended Agreement or otherwise. Notwithstanding anything to the contrary in this Amended Agreement, any termination under Section 9.01 that is based directly on the actions or inactions of the Debtor shall only, in and of itself, result in the termination of this Amended Agreement with respect to the Debtors only and no other Party shall be relieved from its obligations hereunder.

(c) Upon the occurrence of a Termination Date by either the UCC or RBL Lenders in accordance with Section 9.01 above, this Agreement shall be of no further force and effect with respect to the UCC and the RBL Lenders and the UCC and the RBL Lenders subject to such termination consistent with Section 9.01 above shall be released from their commitments, undertakings and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to take all actions, whether with respect to the Restructuring Transactions or otherwise, that it would have been entitled to take had it not entered into this Agreement, including with respect to any and all claims or causes of action, provided, that in no event shall any termination relieve the UCC and the RBL Lenders from liability for its material breach or material non-performance of its obligations hereunder prior to the date of such termination.

(d) Upon the occurrence of a Termination Date in accordance with Section 9.02 above, this Amended Agreement shall be of no further force and effect with respect to the Debtors and the Debtors subject to such termination consistent with Section 9.02 above shall be

Upon the occurrence of a Termination Date in accordance with Section 9.02 above, any and all provisions of the Agreement referencing “Weil,” the “Debtor,” or “Debtors” shall continue to be in full force and effect with respect to the Consenting Creditors as if such provision were written without reference to “Weil,” the “Debtor,” or “Debtors.”

(e) Notwithstanding anything to the contrary in this Amended Agreement, this Section 9.05 shall not be construed to prohibit any of the Debtors or the Consenting Creditors from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Amended Agreement that arose or existed before a Termination Date. Except as expressly provided in this Amended Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair or restrict any right of any Debtor or Consenting Creditor, or the ability of any Debtor or Consenting Creditor, to protect and preserve its rights (including rights under this Amended Agreement), remedies and interests, including its claims against any Debtor or Consenting Creditor.

9.06. Automatic Stay. The Debtors acknowledge that the giving of notice of termination by any Party pursuant to this Amended Agreement nor compliance with any provision hereto shall not be a violation of the automatic stay of section 362 of the Bankruptcy Code; provided, that nothing herein shall prejudice any Party’s rights to argue that the giving of notice of termination was not proper under the terms of this Amended Agreement.

Section 10. *Amendments.* This Amended Agreement, including the Term Sheet, may not be modified, amended, or supplemented in any manner except as consented to (in writing) signed by the Debtors, the Requisite Consenting Second Lien Creditors, and the Requisite Commitment Parties; provided, however, that if the proposed modification, amendment, or supplement has a material, disproportionate (as compared to other Consenting Creditors holding Second Lien Note Claims or Senior Unsecured Note Claims) and adverse effect on any of the Consenting Creditors or the Debtor Claims held by such Consenting Creditors, then the consent of each such affected Consenting Creditor shall also be required to effectuate such modification, amendment, or supplement; and provided, further, that any extension of the Outside Date beyond 180 days after the Amended Agreement Effective Date shall require the written consent of each of the Commitment Parties and the Consenting Second Lien Creditors.

13.11. Survival. Notwithstanding the termination of this Amended Agreement pursuant to Section 9, the agreements and obligations of the Parties in this Section 13.11 and Sections 9.05, 10, 13.02, 13.04, 13.05, 13.06, 13.07, 13.08, 13.09, 13.10, 13.12, 13.13, 13.14, 13.15, 13.16, 13.17 and 13.18.

13.12. Independent Analysis. Each Party hereby confirms that its decision to execute this Amended Agreement has been based upon its independent assessment of documents and information available to it, as it has deemed appropriate.

13.13. Waiver. If the Restructuring Transactions are not consummated, or if this Amended Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Amended Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms, pursue the consummation of the Restructuring Transactions or the payment of damages to which a Party may be entitled under this Amended Agreement.

13.14. Relationship Among Parties.

(a) Notwithstanding anything herein to the contrary, (i) the duties and obligations of the Parties under this Amended Agreement shall be several, not joint, (ii) no Party shall have any responsibility by virtue of this Amended Agreement for any trading by any other entity; (iii) no prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this Amended Agreement; (iv) the Parties hereto acknowledge that this Amended Agreement does not constitute an agreement, arrangement or understanding with respect to acting together for the purpose of acquiring, holding, voting or disposing of any equity securities of the Debtors and the Parties do not constitute a “group” within the meaning of Rule 13d-5 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”); (v) none of the Parties shall have any fiduciary duty, any duty of trust or confidence in any form, or other duties or responsibilities in any kind or form to each other, including as a result of this Amended Agreement or the transactions contemplated herein or in the Approved Plan; and (vi) no action taken by any Party pursuant to this Amended Agreement shall be deemed to constitute or to create a presumption by any of the Parties that the Parties are in any way acting in concert or as such a “group.”

(b) Notwithstanding anything to the contrary herein, this Amended Agreement (including the Approved Plan) and the transactions contemplated hereby shall not create any fiduciary duties between and among the Consenting Senior Unsecured Creditors (in their capacity as holders of Senior Unsecured Notes Claims) or the Consenting Second Lien Creditors, or other duties or responsibilities to each other, the Debtors, or any Debtor’s creditors or other stakeholders.

13.15. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Amended Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of a court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder. All rights, powers, and remedies provided under this Amended Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party or any other Party.

13.16. Several, Not Joint and Several, Obligations. Except as otherwise expressly set forth herein, the agreements, representations, warranties, liabilities and obligations of the Parties under this Amended Agreement are, in all respects, several and not joint and several.

13.17. Severability and Construction. If any provision of this Amended Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, in whole or in part, the remaining provisions shall remain in full force and effect. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Amended Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

13.18. Reporting of Debtor Claims. The Parties agree and acknowledge that the reported amount of the Debtor Claims reflected in each Consenting Creditor signature block does not necessarily reflect the full amount of such Consenting Creditor Debtor Claims (including, without limitation, principal, accrued and unpaid interest, makewhole, fees and expenses) and any disclosure made on any Consenting Creditor signature block shall be without prejudice to any subsequent assertion by or on behalf of such Consenting Creditor of the full amount of its Debtor Claims.

13.19. Remedies Cumulative. All rights, powers, and remedies provided under this Amended Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

13.20. Claim Resolution Matters. Prior to the Effective Date, the Debtors shall not enter into any agreements with holders of claims (as defined in the Bankruptcy Code) other than as contemplated in this Amended Agreement, relating to the allowance, estimation, validity, extent, or priority of such claims, or the treatment and classification of such claims under the Approved Plan without the prior written consent of the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties, except with respect to (a) claims which the Debtors are authorized to resolve or pay pursuant to any applicable first day orders or (b) claims as otherwise contemplated herein.

13.21. Settlement Discussions. This Amended Agreement is part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties. Pursuant to Rule 408 of the Federal Rules of Evidence, any applicable state rules of evidence and any other applicable law, foreign or domestic, this Amended Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms.

13.22. FIRPTA Certification. On or before the Effective Date, each of BBEP and LegacyCo shall have received a certification from each Consenting Second Lien Creditor or any related or affiliated transferee thereof (or, in the event such creditor is a disregarded entity for U.S. federal income tax purposes, its tax-regarded owner) and New Permian Corp. satisfying the requirements of U.S. Treasury Regulations Section 1.1445-2(b)(2) stating that such creditor is not a foreign person for purposes of Section 1445 of the Code and the regulations promulgated thereunder.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, the Parties have executed this Amended Agreement on the
day and year first above written.

Rights Offering Procedures

RIGHTS OFFERING PROCEDURES

I. Introduction

Breitbart Energy Partners LP (the “**Debtor**”) and certain of its subsidiaries (collectively, the “**Debtors**”)¹ are pursuing a proposed financial restructuring of their existing debt and other obligations to be effectuated pursuant to a plan of reorganization (the “**Plan**”) and related disclosure statement (the “**Disclosure Statement**”) in connection with a chapter 11 bankruptcy case, in accordance with the terms and conditions set forth in the Amended and Restated Backstop Commitment Agreement, dated as of October 11, 2017, and the First Amendment to the Backstop Commitment Agreement, dated as of November 28, 2017 (together, the “**Backstop Commitment Agreement**”), by and among the Debtors and other parties thereto. Capitalized terms used but not otherwise defined herein shall have the meanings set forth for such terms in the Plan or the Backstop Commitment Agreement.

On December 1, 2017, the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”) entered an order (the “**Rights Offering Approval**”) that approved, among other things, the form and manner of the rights offering. In connection with the Plan, and in accordance with these procedures (the “**Rights Offering Procedures**”), the Debtor shall be required to implement the rights offering on behalf of New Permian Corp. (as defined in the Plan), and will, for aggregate proceeds of \$775,000,000, (x) distribute to each of the Commitment Parties (as defined in the Backstop Commitment Agreement) Minimum Allocation Rights (as defined in the Backstop Commitment Agreement) enabling those parties to acquire an aggregate of 40% of the common stock of New Permian Corp. (subject to dilution) for aggregate proceeds of \$310,000,000; and (y) distribute subscription rights to holders of Allowed Unsecured Notes Claims (as defined in the Plan) who are Eligible Offerees (defined below) enabling those parties to purchase an aggregate of 60% (subject to dilution) of the common stock of New Permian Corp. for aggregate proceeds of \$465,000,000 (the “**Rights Offering**”).

An “**Eligible Offeree**” is a holder of an Allowed Unsecured Notes Claim, that is, as of the Rights Offering Record Date (as defined below), either (a) an “**accredited investor**” within the meaning of Rule 501(a) of Regulation D under the Securities Act (as defined below) (an “**Accredited Investor**”) or an entity in which all of the equity investors are Accredited Investors, or (b) a non-U.S. Person, as defined in Regulation S of the Securities Act of 1933, as amended (the “**Securities Act**”).

Only Eligible Offerees may exercise Subscription Rights in the Rights Offering. As provided in the Plan, each Non-Eligible Offeree that certifies to the reasonable satisfaction of the Debtors, in consultation with the Requisite Commitment Parties and the Creditors’ Committee, that it is not an Eligible Offeree, will instead receive, at its election, either (i) Trust Units (as defined below)

¹ The entities included in the definition of “Debtors” are as follows: Breitbart Energy Partners LP; Breitbart GP LLC; Breitbart Operating LP; Breitbart Operating GP LLC; Breitbart Management Company LLC; Breitbart Finance Corporation; Alamitos Company; Beaver Creek Pipeline, L.L.C.; Breitbart Florida LLC; Breitbart Oklahoma LLC; Breitbart Sawtelle LLC; Breitbart Transpetco GP LLC; Breitbart Transpetco LP LLC; GTG Pipeline LLC; Mercury Michigan Company, LLC; Phoenix Production Company; QR Energy, LP; QRE GP, LLC; QRE Operating, LLC; Terra Energy Company LLC; Terra Pipeline Company LLC; and Transpetco Pipeline Company, L.P.

which represent the Shares of New Permian Stock, equal to 4.5% of such Non-Eligible Offeree's Allowed Unsecured Notes Claim (the "***Trust Substitute Distribution***") or (ii) the cash value of such Shares of New Permian Stock, as of the Effective Date (the "***Cash Substitute Distribution***", and together with the Cash Substitute Distribution, each a form of "***Substitute Distribution***"), provided that the aggregate amount of the distribution to such holders will not exceed New Permian Corp. Shares having a value equal to \$5,422,265, and to the extent that the value of New Permian Corp. Shares that would otherwise be issued to such holders exceeds \$5,422,265, the distribution of such shares will be reduced ratably to eliminate the excess.

Non-Eligible Offerees who elect to participate in the Trust Substitute Distribution, will have their Shares of New Permian Corp. held in a Trust (the "***Trust***"), and such Non-Eligible Offerees will receive units in the Trust (the "***Trust Units***"). The Trust Units are totally passive and may not be transferred at any time. Non-Eligible Offerees holding Trust Units will only receive a distribution from the Trust in accordance with the documentation governing the Trust or, in any event, if the Trust is still in existence at such time, upon the expiration of the Trust, which is expected to be seven (7) years after the Effective Date.

Eligible Offerees that are not Commitment Parties who elect to irrevocably participate in the Rights Offering on, or prior to, December 13, 2017 (the "***Early Election Date***") and that certify on the Rights Exercise Form that they voted, on behalf of all their Unsecured Notes Claims, to accept, and not object to the Plan, will receive, on the Plan Effective Date, their pro rata share (based on the respective backstop commitment amounts (which includes the amounts committed in the Minimum Allocation Rights, as defined in the Plan, and the Rights Offering) of the Commitment Parties and the respective subscription amounts as to the rights exercised by Eligible Offerees by the Early Election Date) of 10% of the New Permian Corp. Shares (the "***Early Election Premium***"), which will dilute the New Permian Corp. Shares issued pursuant to the Rights Offering and pursuant to the Minimum Allocation Rights (as defined in the Plan).

The Rights Offering Procedures will govern the ability of Eligible Offerees to participate in the Rights Offering and Non-Eligible Offerees to receive the Substitute Distribution.

All questions relating to these Rights Offering Procedures, other documents associated with the Rights Offering, or the requirements to participate in the Rights Offering should be directed to Prime Clerk, the subscription agent (the "***Subscription Agent***") retained by the Debtors at:

THE DISCLOSURE STATEMENT DISTRIBUTED IN CONNECTION WITH THE DEBTORS' SOLICITATION OF VOTES TO ACCEPT OR REJECT THE PLAN SETS FORTH IMPORTANT INFORMATION THAT SHOULD BE CAREFULLY READ AND CONSIDERED BY EACH ELIGIBLE OFFEREE PRIOR TO MAKING A DECISION TO PARTICIPATE IN THE RIGHTS OFFERING, INCLUDING THE SECTIONS ENTITLED "CERTAIN RISK FACTORS TO BE CONSIDERED," "VALUATION ANALYSIS," "RIGHTS OFFERING PROCEDURES" AND "FINANCIAL INFORMATION AND PROJECTIONS." THE DISCLOSURE STATEMENT IS AVAILABLE ON THE DEBTOR'S RESTRUCTURING WEBSITE AT CASES.PRIMECLERK.COM/BREITBURN AND COPIES ARE ALSO AVAILABLE UPON REQUEST FROM THE SUBSCRIPTION AGENT.

II. Rights Offering and Substitute Distribution

To fully exercise its right to participate in the Rights Offering (the "**Subscription Rights**"), an Eligible Offeree must (i) complete the rights offering subscription exercise form (the "**Rights Exercise Form**"), which has been distributed with these Rights Offering Procedures to Eligible Offerees and (ii) pay the purchase price (the "**Rights Exercise Price**"), which is an amount equal to its pro rata share of the \$465,000,000 aggregate exercise price for the Rights Offering Securities (as defined in the Backstop Commitment Agreement), such pro rata share measured as the principal amount of Unsecured Notes Claims (as defined in the Plan) held by such Eligible Offeree, as compared to the aggregate amount of Unsecured Notes Claims as of November 27, 2017 (the "**Rights Offering Record Date**"), rounded down to the nearest dollar. Eligible Offerees electing to participate in the Rights Offering on, or prior to, the Early Election Date, that certify on the Rights Exercise Form that they voted, on behalf of all the Unsecured Notes Claims, to accept, and not object to the Plan, will also receive the Early Election Premium.

Each Eligible Offeree may exercise (in whole dollar increments) all, some, or none of its pro rata share, and the Rights Exercise Price for such Eligible Offeree will be adjusted accordingly (in whole dollar increments). Any fraction of a Rights Offering Security to be issued to an Eligible Offeree who elects to acquire such Rights Offering Securities shall be rounded down to the nearest whole Rights Offering Security. The total amount of Rights Offering Securities that may be purchased pursuant to the Rights Offering shall be adjusted as necessary to account for the rounding described in this section. No compensation shall be paid, whether in cash or otherwise, in respect of any rounded-down amounts.

For the avoidance of doubt, subsequent to the Rights Offering Record Date, the Subscription Rights may not be transferrable, assignable or detachable to any party, other than as permitted in Section VI.D. below.

Furthermore, the right to receive a Substitute Distribution, shall not be transferrable, assignable or detachable to any party, other than as permitted in Section VII.C below.

There will be no over-subscription privilege in the Rights Offering. If the aggregate proceeds of the Rights Offering are less than \$465,000,000, the unsubscribed securities will not be offered to other Eligible Offerees but will be purchased by the Commitment Parties in accordance with the Backstop Commitment Agreement.

Although it is expected that all distributions of Rights Offering Securities, if in the form of New Permian Corp. common stock, will occur through The Depository Trust Company (“**DTC**”), there is no guarantee that this will occur.

III. The Backstop

The Rights Offering will be backstopped by the Commitment Parties pursuant to the Backstop Commitment Agreement. The Commitment Parties will be provided with a special form (the “**Backstop Addendum**”) to attach to their Rights Exercise Form(s).

If the aggregate proceeds of the Rights Offering are less than \$465,000,000, the unsubscribed securities will not be offered to other Eligible Offerees but will be purchased by the Commitment Parties in accordance with the Backstop Commitment Agreement.

IV. Commencement/Expiration of the Rights Offering

The Rights Offering shall commence on the day upon which the Rights Exercise Form is first mailed or made available to Eligible Offerees, which is expected to be within five (5) Business Days after receipt of the Rights Offering Approval and on or around the Rights Offering Record Date. The Rights Offering shall expire at 4:00 p.m. New York City time January 4, 2018 (such time and date, as may be amended, the “**Rights Expiration Time**”), unless, if permitted by the Rights Offering Approval, extended by the Debtor with the consent of the Requisite Consenting Second Lien Creditors and Requisite Commitment Parties (each as defined in the Backstop Commitment Agreement). The Debtor shall promptly notify the Eligible Offerees of any extension and of the new Rights Expiration Time by press release or otherwise. The Debtor shall, if reasonably requested by the Requisite Commitment Parties, from time to time prior to the Rights Expiration Time (and any extensions thereto), notify, or cause the Subscription Agent to notify, within two business days of receipt of such request by the Debtor, the investors of the aggregate number of Subscription Rights known by the Subscription Agent to have been exercised pursuant to the Rights Offering as of the most recent practicable time before such request.

The Debtor, on behalf of New Permian Corp., shall furnish Rights Exercise Forms to the Eligible Offerees and/or, to the extent applicable, their brokers, dealers, commercial banks, trust companies, or other agents or nominees (the “**Subscription Nominees**”). Each Subscription Nominee is entitled to receive sufficient copies of these Rights Offering Procedures and the Rights Exercise Form for distribution to the beneficial owners of the Unsecured Notes for whom such Subscription Nominee holds such Unsecured Notes.

V. Commencement/Expiration of the Form of Substitute Distribution Election

The ability for Non-Eligible Offerees to elect the form of Substitute Distribution shall commence on the day upon which the Rights Exercise Form is first mailed or made available to Non-Eligible Offerees, which is expected to be within five (5) Business Days after receipt of the Rights Offering Approval and on or around the Rights Offering Record Date. Non-Eligible Offerees may submit their election for the form of Substitute Distribution until 10:00 a.m. New

York City time January 11, 2018, which is the anticipated Confirmation Date (as defined in the Plan).

VI. Exercise of Subscription Rights by Eligible Offerees

Each Eligible Offeree that elects to participate in the Rights Offering must affirmatively make a binding, irrevocable election to exercise its Subscription Rights (the “***Binding Rights Election***”) before the Rights Expiration Time.

The Binding Rights Election, upon receipt by the Subscription Agent, cannot be withdrawn.

Each Eligible Offeree will be entitled to participate in the Rights Offering solely to the extent provided in these Rights Offering Procedures, except in the case of Eligible Offerees who are Commitment Parties, who are entitled to participate in the Rights Offering to the extent also provided in the Backstop Commitment Agreement.

A. Exercise by Eligible Offerees

To exercise the Subscription Rights, each Eligible Offeree must (i) return a duly completed Rights Exercise Form to the Subscription Agent so that the duly completed Rights Exercise Form is *actually received* by the Subscription Agent on or before the Rights Expiration Time and (ii) pay to the Subscription Escrow Account (as defined in the Backstop Commitment Agreement), by wire transfer of immediately available funds, the Rights Exercise Price so that payment of the Rights Exercise Price is *actually received* by the Subscription Escrow Account on or before the Rights Expiration Time; provided, that the Commitment Parties (in their capacities as Eligible Offerees) shall not be required to pay their respective Rights Exercise Prices until not less than two business days prior to the effective date of the Plan (the “***Effective Date***”), in accordance with these Rights Offering Procedures, and the Backstop Commitment Agreement.

In order to exercise its Subscription Rights, any Eligible Offeree who holds Allowed Unsecured Notes Claims through a Subscription Nominee must return a duly completed Rights Exercise Form to its Subscription Nominee or otherwise instruct its Subscription Nominee as to its instructions for the Subscription Rights (in each case in sufficient time to allow such Subscription Nominee to deliver the Rights Exercise Form to the Subscription Agent prior to the Rights Expiration Time) in accordance with procedures established by its Subscription Nominee, which, in turn, must comply with clauses (i) and (ii) of the immediately preceding paragraph.

For purposes of this Rights Offering, Wilmington Trust, National Association, in its capacity as Indenture Trustee for the each of the series of Unsecured Notes, shall not constitute a Subscription Nominee and shall not have any responsibility with respect to sending any Rights Offering information or collecting any Rights Exercise Forms.

B. Deemed Representations and Acknowledgements

Any Eligible Offeree that participates in the Rights Offering is deemed to have made the following representations and acknowledgements:

- (i) Such Eligible Offeree recognizes and understands that the Subscription Rights are not transferable, other than as provided in Section VI.D below; and
- (ii) Such creditor represents and warrants that it is an Eligible Offeree.

C. Failure to Exercise Subscription Rights

Unexercised Subscription Rights will be relinquished at the Rights Expiration Time. If, on or prior to the Rights Expiration Time, the Subscription Agent for any reason does not receive from an Eligible Offeree or its Subscription Nominee a duly completed Rights Exercise Form or payment of the Rights Exercise Price is not made into the Subscription Escrow Account, then unless otherwise approved by the Debtors, the Requisite Consenting Second Lien Creditors and the Requisite Commitment Parties, such Eligible Offeree shall be deemed to have irrevocably relinquished and waived its right to exercise the Subscription Rights in the Rights Offering.

Any attempt to exercise Subscription Rights after the Rights Expiration Time shall be null and void and neither New Permian Corp. nor the Debtor shall be obligated to honor any such purported exercise received by the Subscription Agent after the Rights Expiration Time regardless of when the documents relating thereto were sent.

The method of delivery of the Rights Exercise Form and any other required documents is at each Eligible Offeree's option and sole risk, and delivery will be considered made only when actually received by the Subscription Agent. Delivery by reputable overnight courier is encouraged and strongly recommended. In all cases, you should allow sufficient time to ensure timely delivery prior to the Rights Expiration Time.

The risk of non-delivery of the Rights Exercise Form and any other required documents sent to the Subscription Agent in connection with the exercise of the Subscription Rights lies solely with the holders of the Allowed Unsecured Notes Claims, and none of the Debtors, the reorganized Debtors, New Permian Corp., the Commitment Parties, or any of their respective officers, directors, employees, agents or advisers, including the Subscription Agent, assumes the risk of non-delivery under any circumstance whatsoever.

D. Transfer Restrictions for Eligible Offerees

After the Rights Offering Record Date, an Eligible Offeree that is a holder of an Allowed Unsecured Notes Claim shall not transfer or assign its Subscription Rights unless such holder also transfers or assigns with such Subscription Rights the corresponding Allowed Unsecured Notes Claims. Any such transfer will be subject to compliance with applicable securities laws relating to the transfer of restricted securities, and such transfers may be made only to other Eligible Offerees who held Unsecured Notes Claims as of the Rights Offering Record Date. Such transfer shall be evidenced by the delivery of the Eligible Offeree Transfer Notice (defined

below) to the Subscription Agent or other procedures acceptable to the Reorganized Debtors and the Subscription Agent.

After the Subscription Rights have been exercised, the person exercising such Subscription Rights shall have the right to designate the receipt of the Rights Offering Securities to another person that is an Accredited Investor or a “**QIB**” that completes and submits the Rights Exercise Form together with all necessary tax forms required thereunder. A “**QIB**” means a “**qualified institutional buyer**” within the meaning of Rule 144A under the Securities Act. Any such transfer shall be subject to compliance with applicable securities laws relating to the transfer of restricted securities.

The “**Eligible Offeree Transfer Notice**” is a notice delivered to the Subscription Agent notifying the Subscription Agent of the transfer of a Claim by the holder of the corresponding Subscription Rights through the Rights Expiration Time, which (i) indicates the name of the transferor, the name of the transferee, the type of Claim being transferred and the principal amount of such Claims; (ii) certifies that such transferee is a QIB or an Accredited Investor; and (iii) certifies that such transferee has completed and submitted the Rights Exercise Form together with all necessary tax forms required thereunder.

Notwithstanding the foregoing, each Eligible Offeree as of the Rights Offering Record Date must complete and submit the Rights Exercise Form to the Subscription Agent, whether or not it decides to transfer its Unsecured Notes Claim and the right to receive Rights Offering Securities to another party, as described above.

For transfer restrictions applicable to Non-Eligible Offerees, see Section VII.C. below.

E. Payment for Subscription Rights

If, on or prior to the Rights Expiration Time, immediately available funds have not been deposited into the Subscription Escrow Account on behalf of an Eligible Offeree by wire transfer in an amount equal to the total Rights Exercise Price for such Eligible Offeree’s Subscription Rights, such Eligible Offeree shall be deemed to have relinquished and waived its Subscription Rights, subject to the next paragraph; *provided*, that the Commitment Parties (in their capacities as Eligible Offerees) shall not be required to pay their respective Rights Exercise Prices until the two business days immediately prior to the Effective Date.

F. Disputes, Waivers, and Extensions

Any and all disputes concerning the timeliness, viability, form, and eligibility of any exercise of Subscription Rights shall be addressed in good faith by the Debtor, on behalf of New Permian Corp., in consultation with the Requisite Commitment Parties, the determinations of which shall be final and binding. The Debtor, with the approval of the Requisite Commitment Parties, may (i) waive any defect or irregularity, or permit a defect or irregularity to be corrected, within such times as it may determine in good faith to be appropriate or (ii) reject the purported exercise of any Subscription Rights for which the Rights Exercise Form and/or payment includes defects or irregularities. Rights Exercise Forms shall be deemed not to have been properly completed until all irregularities have been waived or cured. The Debtor reserves the right on behalf of New Permian Corp., and with the approval of the Requisite Commitment Parties, to give notice to any

Eligible Offeree regarding any defect or irregularity in connection with any purported exercise of Subscription Rights by such Eligible Offeree or right to receive a Substitute Distribution by any Non-Eligible Offeree and the Debtor may, with the approval of the Requisite Commitment Parties, permit such defect or irregularity to be cured; it being understood, that none of the Debtor, New Permian Corp., the Subscription Agent, or the Commitment Parties (or any of their respective officers, directors, employees, agents or advisors) shall incur any liability for failure to give such notification.

The Debtor, on behalf of New Permian Corp., and with the approval of the Bankruptcy Court (if applicable) and the Requisite Commitment Parties, may (i) extend the duration of the Rights Offering or adopt additional detailed procedures to more efficiently administer the distribution and exercise of the Subscription Rights; and (ii) make such other changes to the Rights Offering, including changes that affect which parties constitute Eligible Offerees and/or Non-Eligible Offerees.

G. Funds

The payments made to acquire Rights Offering Securities pursuant to the Rights Offering (the “***Rights Offering Funds***”) shall be deposited into the Subscription Escrow Account pending the Effective Date in a segregated account or accounts (i) which shall be separate and apart from the Subscription Agent’s general operating funds and any other funds subject to any lien, encumbrance, or cash collateral arrangements and (ii) which will be maintained for the purpose of holding the money for administration of the Rights Offering until the Effective Date. The Subscription Agent shall not use the Rights Offering Funds for any purpose other than to release the funds as directed by New Permian Corp., or the Debtor on behalf of New Permian Corp., on the Effective Date or as otherwise set forth in these Rights Offering Procedures or in the Plan, and, until released in accordance with the foregoing, the Rights Offering Funds will not be deemed part of the Debtors’ bankruptcy estate. The Subscription Agent shall not permit the Rights Offering Funds to be encumbered by any lien, encumbrance, or cash collateral obligation. No interest will be paid to participating Eligible Offerees on account of any amounts paid in connection with their exercise of Subscription Rights under any circumstances.

Notwithstanding anything to the contrary herein, each Commitment Party shall make all payments in connection with the Rights Offering directly to the Subscription Escrow Account at least two business days prior to the Effective Date.

H. Participating Eligible Offeree Release

See Section 10.9 of the Plan for important information regarding releases.

VII. Non-Eligible Offerees

A. Conditions to Receipt of a Substitute Distribution

In order to be treated as a Non-Eligible Offeree and receive its Substitute Distribution under the Plan, a Non-Eligible Offeree must complete, or cause its Subscription Nominee to complete, the Rights Exercise Form certifying that it is not an Accredited Investor and is a U.S. Person, and cause such Rights Exercise Form to be delivered to the Subscription Agent on or before the

Rights Offering Expiration Time. The Offering Form for each Non-Eligible Offeree must also specify if such Non-Eligible Offeree is a holder of an Allowed Unsecured Notes Claim to be eligible to receive the Substitute Distribution available to holders of each of these Claims, as described in the paragraphs below. Additionally, such Non-Eligible Offeree will elect the form of Substitute Distribution on the Rights Exercise Form. If a Non-Eligible Offeree does not satisfy these requirements, such Non-Eligible Offeree shall be deemed to have forever and irrevocably relinquished and waived the right to receive the Substitute Distribution pursuant to the Plan and these Rights Offering Procedures. Prior to making a Substitute Distribution to a Non-Eligible Offeree, the Reorganized Debtors may require such additional information as they deem necessary to confirm that such Non-Eligible Offeree qualifies as such in accordance with these Rights Offering Procedures.

Non-Eligible Offerees that satisfy the conditions set forth herein will receive, in lieu of the opportunity to participate in the Rights Offering, the Substitute Distribution. The Substitute Distribution shall also be distributed to certain holders of General Unsecured Claims (as defined in the Plan) and Non-Eligible Offerees on a pro rata basis on the Initial Distribution Date and Final Distribution Date (each as defined in the Plan).

B. Deemed Representations and Acknowledgements

Any Non-Eligible Offeree that elects to receive a Substitute Distribution is deemed to have made the following representations and acknowledgements:

- (i) Such Non-Eligible Offeree recognizes and understands that the right to receive a Substitute Distribution is not transferable, other than as provided in Section VII.C. below; and
- (ii) Such creditor represents and warrants that it is a Non-Eligible Offeree.

C. Transfer Restrictions for Non-Eligible Offerees

After the Rights Offering Record Date, the holder of the corresponding Unsecured Notes Claim that is a Non-Eligible Offeree shall not transfer or assign such Unsecured Notes Claim unless such holder transfers or assigns with such Claim(s) the right to receive the proceeds of the Substitute Distribution, subject to compliance with applicable securities laws relating to the transfer of restricted securities, as evidenced by the delivery of the Non-Eligible Offeree Transfer Notice (defined below) to the Subscription Agent or other procedures acceptable to the Reorganized Debtors and the Subscription Agent.

The right to receive the Substitute Distribution pursuant to these Rights Offering Procedures, which right is subject to the qualification challenge described under Section VII.D., shall not be transferrable other than to a party that is not an Accredited Investor and is not a QIB, and also completes and submits the Rights Exercise Form, which form includes certifications to such status, together with all necessary tax forms required thereunder.

The “**Non-Eligible Offeree Transfer Notice**” is a notice delivered to the Subscription Agent notifying the Subscription Agent of the transfer of a Claim by a Non-Eligible as of the Rights Offering Record Date, which (i) indicates the name of the transferor, the name of the transferee,

the type of Claim being transferred and the principal amount of such Claims; (ii) certifies that such transferee is neither a QIB nor an Accredited Investor; and (iii) certifies that such transferee has completed and submitted the Rights Exercise Form together with all necessary tax forms required thereunder.

Notwithstanding the foregoing, the Non-Eligible Offeree as of the Rights Offering Record Date must complete and submit the Rights Exercise Form to the Subscription Agent, whether or not it decides to transfer its Unsecured Notes Claim and the right to the Substitute Distribution to another party, as described above.

D. Disputes, Waivers, and Extensions

Any and all disputes concerning the timeliness, viability, form, and eligibility of any election of the Substitute Distribution (including the qualification of any Non-Eligible Offeree) shall be addressed in good faith by the Debtor, on behalf of New Permian Corp., in consultation with the Requisite Commitment Parties, the determinations of which shall be final and binding, subject to the right of the Requisite Commitment Parties to independently challenge the qualification determination on any purported Non-Eligible Offeree in Bankruptcy Court. The Debtor, with the approval of the Requisite Commitment Parties, may (i) waive any defect or irregularity, or permit a defect or irregularity to be corrected, within such times as it may determine in good faith to be appropriate or (ii) reject the purported election of any Substitute Distribution for which the Rights Exercise Form includes defects or irregularities. Rights Exercise Forms shall be deemed not to have been properly completed until all irregularities have been waived or cured. The Debtor reserves the right on behalf of New Permian Corp., and with the approval of the Requisite Commitment Parties, to give notice to any Non-Eligible Offeree regarding any defect or irregularity in connection with any purported election of a Substitute Distribution by such Non-Eligible Offeree may, with the approval of the Requisite Commitment Parties, permit such defect or irregularity to be cured; it being understood, that none of the Debtor, New Permian Corp., the Subscription Agent, or the Commitment Parties (or any of their respective officers, directors, employees, agents or advisors) shall incur any liability for failure to give such notification.

The Debtor, on behalf of New Permian Corp., and with the approval of the Bankruptcy Court (if applicable) and the Requisite Commitment Parties, may (i) extend the duration of the time to elect to receive a Substitute Distribution or adopt additional detailed procedures to more efficiently administer the distribution and election of a Substitute Distribution; and (ii) make such other changes to the Rights Offering, including changes that affect which parties constitute Eligible Offerees and/or Non-Eligible Offerees.

VIII. Miscellaneous

A. Issuance

The Rights Offering Securities to be issued pursuant to the Rights Offering are expected to be delivered to Eligible Offerees that have properly exercised their Subscription Rights on or as soon as practicable following the Effective Date. The Rights Offering Securities will be issued in book-entry form or other form approved by the Requisite Commitment Parties.

Although it is expected that all distributions of Rights Offering Securities and Substitute Distributions, if in the form of New Permian Corp. common stock, will occur through DTC, there is no guarantee that this will occur.

B. Securities Law and Related Matters

The Rights Offering Securities issued to the Eligible Offerees participating in the Rights Offering will be exempt from registration under the Securities Act, and any other applicable federal and state securities laws pursuant to Section 4(a)(2) of the Securities Act and/or Regulation D thereunder or another available exemption from registration under the Securities Act, and may not be resold or otherwise transferred, without registration under the Securities Act or an exemption therefrom, or any other applicable federal and state securities laws. Therefore, to the extent a certificate is issued in conjunction with the issuance of the Rights Offering Securities, such certificate may contain (or each book-entry position shall be deemed to contain) a restricted securities legend in form and substance substantially similar to the following:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS, AND ACCORDINGLY THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR AN APPLICABLE EXEMPTION THEREFROM.

There is not and there may not be a public market for shares of New Permian Corp. There can be no assurance that a listing of New Permian Corp. shares will be achieved or that an active trading market for New Permian Corp. shares will ever develop or, if such a market does develop that it will be maintained.

The Rights Offering is being conducted in good faith and in compliance with the Bankruptcy Code. In accordance with section 1125(e) of the Bankruptcy Code, a debtor or any of its agents that participates, in good faith and in compliance with the applicable provisions of the Bankruptcy Code, in the offer, issuance, sale or purchase of a security, offered or sold under the plan of the debtor, of an affiliate participating in a joint plan with the debtor, or a newly organized successor to the debtor under the plan, is not liable, on account of participation, for violation of any applicable law, rule, or regulation governing the offer, issuance, sale or purchase of securities.

IX. Rights Offering Conditioned Upon Effectiveness of the Plan; Reservation of Subscription Rights; Return of Rights Offering Amount

All exercises of Subscription Rights are subject to and conditioned upon the confirmation and effectiveness of the Plan. Notwithstanding anything contained herein, in the Disclosure Statement or in the Plan to the contrary, the Debtor reserves the right, with the approval of the Requisite Commitment Parties, not to be unreasonably withheld, to modify these Rights Offering Procedures or adopt additional detailed procedures if necessary in the Debtor's business judgment to more efficiently administer the distribution and exercise of the Subscription Rights or comply with applicable law.

In the event that (i) the Rights Offering is terminated, (ii) the Debtor revokes or withdraws the Plan, or (iii) the Backstop Commitment Agreement is terminated, the Subscription Agent shall, within five (5) Business Days of such event, return all amounts received from Eligible Offerees, without any interest, and, in the case of clauses (ii) and (iii) above, the Rights Offering shall automatically be terminated.
